Ventura County DA CA Policy Manual

CHIEF'S PREFACE

On behalf of District Attorney Erik Nasarenko and myself, I would like to welcome our new employees and acknowledge our current employees for their continued efforts and contributions to the Bureau of Investigation. The employees of the Bureau of Investigation are recognized by the District Attorney as a great asset to the organization, and more importantly, by those to whom we serve. Our employees have the character and courage to promote justice and protect the people in the County of Ventura, State of California, by aggressively and fairly investigating those who violate the law.

The Bureau of Investigation is comprised of highly trained and experienced investigators. They are expected to foster and maintain the highest standards of conduct, appearance, and professionalism while displaying honesty, trust, and integrity when interacting with the public and other criminal justice agencies. The Code of Professional Conduct and Responsibilities for Peace Officers developed by the California Peace Officers' Association and the Law Enforcement Code of Ethics are included for reference as part of this manual. We are expected to be familiar with and adhere to both principles. In any case where a conflict exists between the Code of Professional Conduct and this manual, the manual will take precedent.

This manual is available to you through the Intranet and is maintained with both current and applicable information. It is established to provide all sworn and non-sworn employees of this Bureau with a readily applicable and clear concept of the Bureau of Investigation Policies and Procedures. It is not intended to specifically cover all of the various situations that constantly confront us in the general discharge of our duties. Instead, we as employees of the District Attorney's Office are expected to use discretion, initiative, resourcefulness, and sound judgment while performing our duties. We are all responsible to review any revisions, as they become available. All information contained herein is not to be divulged to those for whom it is not intended. All prior orders, procedures, directive, policy statements, rules, and regulations that are in conflict with the content of this manual are hereby revoked.

As Chief of the Bureau of Investigation, I appreciate each and every one of you for your hard work, dedication, and character. Words do not satisfactorily convey the appreciation I have for the important work you accomplish on a regular basis.

MIKE BARAY

LAW ENFORCEMENT CODE OF ETHICS

As a law enforcement officer, my fundamental duty is to serve the community; to safeguard lives and property; to protect the innocent against deception, the weak against oppression or intimidation and the peaceful against violence or disorder; and to respect the constitutional rights of all to liberty, equality and justice.

I will keep my private life unsullied as an example to all and will behave in a manner that does not bring discredit to me or to my agency. I will maintain courageous calm in the face of danger, scorn or ridicule; develop self-restraint; and be constantly mindful of the welfare of others. Honest in thought and deed both in my personal and official life, I will be exemplary in obeying the law and the regulations of my department. Whatever I see or hear of a confidential nature or that is confided to me in my official capacity will be kept ever secret unless revelation is necessary in the performance of my duty.

I will never act officiously or permit personal feelings, prejudices, political beliefs, aspirations, animosities or friendships to influence my decisions. With no compromise for crime and with relentless prosecution of criminals, I will enforce the law courteously and appropriately without fear or favor, malice or ill will, never employing unnecessary force or violence and never accepting gratuities.

I recognize the badge of my office as a symbol of public faith, and I accept it as a public trust to be held so long as I am true to the ethics of police service. I will never engage in acts of corruption or bribery, nor will I condone such acts by other police officers. I will cooperate with all legally authorized agencies and their representatives in the pursuit of justice.

I know that I alone am responsible for my own standard of professional performance and will take every reasonable opportunity to enhance and improve my level of knowledge and competence.

I will constantly strive to achieve these objectives and ideals, dedicating myself before God to my chosen profession . . . law enforcement.

Electronic Mail

204.1 PURPOSE AND SCOPE

The purpose of this policy is to establish guidelines for the proper use and application of the District Attorney's Office electronic mail (e-mail) system by employees of this Bureau. E-mail is a communication tool available to employees to enhance efficiency in the performance of job duties and is to be used in accordance with generally accepted business practices and current law. While Ventura County does have a policy allowing "limited personal use" of County computers, it is recommended that messages transmitted over the e-mail system be professional in nature and involve County business activities or contain information essential to County employees for the accomplishment of business-related tasks, and/or communication directly related to County business, administration or practices.

Ventura County has a "Computer and Electronic Technology Usage Policy" that is available on the Ventura County Website. Each member of the BOI will be familiar and conform to this County Policy.

204.2 E-MAIL RIGHT OF PRIVACY

All e-mail messages, including any attachments, that are transmitted over County networks are considered County records and therefore are County property. The Bureau reserves the right to access, audit or disclose, for any lawful reason, any message including any attachment that is transmitted over its e-mail system or that is stored on any County system.

The e-mail system is not a confidential system since all communications transmitted on, to or from the system are the property of the Bureau. Therefore, the e-mail system is not appropriate for confidential communications. If a communication must be private, an alternative method to communicate the message should be used instead of e-mail. Employees using the Bureau's e-mail system shall have no expectation of privacy concerning communications utilizing the system.

Employees should not use personal accounts to exchange e-mail or other information that is related to the official business of the Bureau.

204.3 PROHIBITED USE OF E-MAIL USE FOR BUSINESS PURPOSES

The electronic mail (e-mail) system is provided to employees at the County's expense to assist them in carrying out County business. The e-mail system permits employees to communicate with each other internally and with selected outside individuals and organizations. The e-mail system is to be used for business-related purposes to transmit business information. Any "limited personal use" use of the e-mail system must be in compliance with the County's Employee Technology Use Policy and County's Electronic Mail Use Policy.

PROHIBITED USE OF E-MAIL FOR PUBLIC RECORDS

Electronic Mail

Any communications received by County staff in the course of normal business which constitute a public record are to be reduced to hard copies and the e-mail version deleted. Although it is possible for County e-mail to constitute a public record, Government Code Section 6254 provides the following exemption and reads in part as follows: "(a) Preliminary drafts, notes, or inter-agency memoranda that are not retained by the public agency in the ordinary course of business..." Government Code section 6252 defines public records and reads in part as follows: "(e) 'Public records' includes any writing containing information relating to the conduct of the public's business prepared, owned, used, or retained by any state or local agency..." "(g) 'Writing' means any handwriting, typewriting, printing, photostating, photographing, photocopying, transmitting by electronic mail or facsimile, and every other means of recording upon any form of communications or representation, including letters, words, pictures, sounds or symbols or combination thereof, and all papers, maps, magnetic or paper tapes, photographic films and prints, magnetic or punched card, discs, drums, and other documents."

All transmissions must be courteous, professional, and businesslike. Sending derogatory, defamatory, obscene, disrespectful, sexually suggestive or harassing or any other inappropriate messages on the e-mail system is prohibited and may result in disciplinary action.

E-mail messages addressed to the entire office (All DA Staff) are only to be used for official business related items that are of particular interest to all users and must be approved by the Chief Investigator or the Deputy Chief Investigator. Personal advertisements are not acceptable.

It is a violation of this policy to transmit a message under another user's name. Users are strongly encouraged to log-off the network when their computer is unattended. This added security measure would help to minimize the misuse of an individual's e-mail, name and/or password by others.

204.4 MANAGEMENT OF E-MAIL

Because the e-mail system is not designed for long-term retention of messages, e-mail that the employee desires to save or that becomes part of an official record should be printed and/or stored in another database. Users of e-mail are solely responsible for the management of their mailboxes. Messages should be purged manually by the user at least once per week. All messages in excess of two years will be deleted at regular intervals from the server computer.

Ventura County's email retention policy also states the following: E-mail is to be retained in electronic form for no more than two years from the date of creation or receipt. This limitation is to be enforced through automatic, electronic means, and individual agencies and departments are encouraged to further abbreviate this two year period to as short a time as possible. This e-mail retention and limitation policy may be temporarily suspended, wholly or partially, or modified by the County Counsel whenever the County Counsel determines that e-mail may be or is the subject of litigation disclosure of electronically stored information (ESI) pursuant to Federal Rules of Civil Procedure Rule 26 or other laws.

All unsolicited, non-business e-mail received by County staff is to be deleted immediately.

Administrative Communications

205.1 PURPOSE AND SCOPE

Administrative communications of this Bureau are governed by the following policies.

205.2 MEMORANDUMS

Memorandums may be issued periodically by the Chief Investigator via email to announce and document all promotions, transfers, hiring of new personnel, separations, personnel and group commendations, or other changes in status.

205.3 CORRESPONDENCE

In order to ensure the letterhead and name District Attorney's Office and/or District Attorney's Office-Bureau of Investigation is not misused, all external correspondence shall be on Bureau letterhead. Personnel should only use the Bureau letterhead for official business and with supervisory approval; an exception to this policy would include standardized formatted letters.

205.4 SURVEYS

All surveys made in the name of the Ventura County District Attorney's Office-Bureau of Investigation shall be authorized by the Chief Investigator or the Deputy Chief Investigator.

Staffing Levels/Work Schedule

206.1 PURPOSE AND SCOPE

The purpose of this policy is to ensure that proper supervision is available for all units. The Bureau intends to balance employee needs against the need to have flexibility and discretion in using personnel to meet operational needs. While balance is desirable, the paramount concern is the need to meet operational requirements of the Bureau.

206.2 MINIMUM STAFFING LEVELS

Minimum staffing levels should result in scheduling by the supervisors that will ensure services can be provided and available for the needs of the Bureau of Investigation.

206.2.1 UNIT SUPERVISION

A District Attorney Investigator III may, for limited time periods (i.e.: days off, vacation, prolonged training etc.) be used in place of a supervising investigator.

206.3 WORK SCHEDULE

INTRODUCTION AND AGREEMENT

Our traditional work schedule is the "5 and 2" consisting of a Monday-Friday work week, where investigators work 8 hours a day for 5 days and have 2 consecutive days off. Investigators in the District Attorney's Bureau of Investigation, with the support of their unit managers, may choose an alternative work schedule based upon the 9/80 work schedule set forth in MOA Article 10, Section 1002, Paragraph B, which provides for "An 80-hour biweekly work schedule consisting of eight working days of nine hours and one working day of eight hours." This policy for the alternative work schedule clarifies unique terms and conditions intended to allow for schedule adjustments when court appearances or other specific office demands require temporary modification of work hours for individual investigators.

Investigators and bureau management recognize the need for a greater degree of flexibility over the schedule than is provided under the existing MOA. In consideration of the availability of the 9/80 schedule, the proposal reflects the willingness of investigators to assist the bureau in its efforts to minimize overtime/comp-time accrual, while still allowing the unit to perform periodic duties associated with early morning warrant service, special operations, surveillance activities, after- hours trial preparation, and similar tasks.

As described in the terms and conditions, the 9/80 work schedule is optional for each investigator in the bureau, allowing them to choose the office's traditional "5 and 2" work schedule, or the 9/80 work schedule with the additional terms and conditions set forth. Those investigators who elect to remain on the 5 and 2 schedule, or who elect the 9/80 schedule but temporarily return to the 5 and 2 schedule, will not be bound by any of the additional terms and conditions set forth in this letter that are unique to the 9/80 schedule during the time they are on the 5 and 2 schedule.

Staffing Levels/Work Schedule

Work schedule selection by individual investigators, or temporary work schedule changes when investigators on the 9/80 schedule return to the 5 and 2 schedule, shall be for a minimum of one complete biweekly pay period as further described herein.

SELECTION OF REGULAR BIWEEKLY WORK SCHEDULE

Investigators may at any time choose between the current work schedule in the Bureau of Investigation, consisting of five (5) days of eight (8) hours each per week (the "5 and 2" schedule), or the 9/80 schedule with the additional terms and conditions described herein, consisting of eight (8) working days of nine (9) hours and one working day of eight (8) hours in each regular biweekly pay period.

Regardless which schedule is chosen, investigators must commence that schedule at the beginning of a regular biweekly pay period and remain on that schedule no less than one complete biweekly pay period. Both work schedules will allow for a one (1) hour unrestricted lunch period.

Those investigators who elect to remain on the 5 and 2 schedule will not be bound by any of the additional terms and conditions set forth in this policy that are unique to the 9/80 schedule. Likewise, those investigators who elect the 9/80 schedule, but temporarily return to the 5 and 2 schedule because of personal choice, or when so required by specific office demands or court appearances, will not be bound by any of the additional terms and conditions set forth in this policy during the time they are working the 5 and 2 schedule.

HOURS OF WORK - 9/80 SCHEDULE

For those investigators who elect the 9/80 schedule, the Senior Investigator assigned to manage each unit shall determine investigators' regular hours of work for the 9/80 schedule with the approval of the Commander for the respective unit. All such regular hours of work (for example: 7:00 a.m. to 5:00 p.m.; 7:30 a.m. to 5:30 p.m.; 8:00 a.m. to 6:00 p.m.) shall allow for a one (1) hour unrestricted lunch period.

SELECTION OF 9/80 WORKDAYS

Subject to the approval of the Senior Investigator managing his or her unit, each investigator on the 9/80 schedule may request the specific day of the week to be routinely used as his or her one regular day off (RDO) during each biweekly pay period, in addition to Saturdays and Sundays. Any conflicting RDO requests in such process shall be resolved based on investigator seniority, defined as total time on as an investigator with the bureau. In addition, subject to the approval of the Senior Investigator managing his or her unit, each investigator may request the day of the week to be routinely used as his or her one eight (8) hour workday during each biweekly pay period. Due to the need for investigators to remain available during normal court hours, the hours worked during their eight (8) hour day should not conclude prior to 5 p.m. without prior authorization from their supervisor. This may require investigators to start their eight (8) hour day no earlier than 8:00 a.m.

ADJUSTMENT OF WORK HOURS

Ventura County District Attorney's Office

Ventura County DA CA Policy Manual

Staffing Levels/Work Schedule

When specific workload demands arise, such as warrant service, special operations, surveillance activities, or similar tasks. Bureau Management and/or the unit Senior Investigator may direct investigators on the 9/80 schedule to adjust their regular hours of work by altering the start time and end time of their daily shift up to a maximum of two (2) hours, either earlier or later. For example, an investigator assigned regular hours of work of 7:00 a.m. to 5:00 p.m. may be ordered to adjust his or her hours of work to 5:00 a.m. to 3:00 p.m., but no earlier, or to 9:00 a.m. to 7:00 p.m., but no later. All adjusting of hours must be completed within one workday, such that the total number of hours worked per day, are equal to the regular scheduled total hours of work for that day. In no case may adjusted time be carried from day to day. Reasonable advance notice of such compulsory adjustments shall be given to the affected investigators. Reasonable advance notice under this section is defined as no later than one (1) workday prior to the start time of the workday(s) involved.

Compulsory adjustment of work hours shall occur on no more than two workdays, whether consecutive or non-consecutive, within any two consecutive biweekly pay periods. Any adjustment of hours which exceed the parameters set forth herein, whether in excess of the two (2) hour daily adjusted time limit, in excess of two (2) work days within any two consecutive biweekly pay periods, or when reasonable advance notice is not given, shall be strictly voluntary and all rights to overtime compensation as set forth in the MOA shall apply.

VOLUNTARY ADJUSTMENT OF RDOs

Should an investigator on the 9/80 schedule receive advance notice from any source that he or she will be required to appear in court for a one-day appearance on his or her RDO, the investigator may adjust his or her work schedule to change his or her RDO to another day within the biweekly pay period, subject to the approval of the Senior Investigator managing his or her unit. Any such RDO adjustment shall be strictly voluntary and all rights to overtime compensation as set forth in the MOA shall apply.

TEMPORARY CHANGES FROM 9/80 TO 5 AND 2 WORK SCHEDULE

Should an investigator on the 9/80 schedule receive reasonable advance notice from any source that specific office demands or court appearances will necessitate his or her temporary return to the 5 and 2 schedule, he or she shall notify the Senior Investigator managing his or her unit, and shall return to the 5 and 2 schedule for the duration of the specific office demands or court appearances, but in no instance for less than one full biweekly pay period.

Reasonable advance notice under this section is defined to mean no later than one (1) workday prior to the start time of the work day(s) involved and/or prior to the commencement of the biweekly pay period affected by the temporary change. Any temporary changes to work schedules shall be reviewed and approved by the involved Senior Investigator for a determination of whether such changes are in the best interest of the bureau. If the temporary change is associated with a Senior Investigator's schedule, then such a review and approval would be made by the unit's commander.

The District Attorney reserves the right to terminate the 9/80 work schedule for all participating employees.

In the event that an identification card is denied, suspended or revoked, the former investigator may request a review by the Chief Investigator. The decision of the Chief Investigator is final.

207.7 ADMINISTRATIVE REQUIREMENTS

- (a) The Bureau will keep written records, signed by the retiree, verifying compliance with this policy.

Retiree Concealed Firearms

may be immediately and temporarily revoked by the Deputy Chief Investigator when the conduct of a retired peace officer compromises public safety.

- (a) In the event that a CCW endorsement is initially denied, the retired investigator shall have 15 days from the date of denial to request a formal hearing. The failure to submit a timely written request for a hearing shall be deemed a waiver of such right. The hearing, absent written agreement between the parties, shall be held no later than 120 days after the request is received.
- (b) Prior to revocation of any CCW endorsement, the [Department/Office] shall provide the affected retiree with written notice of a hearing by either personal service or first class mail, postage prepaid, return receipt requested to the retiree's last known address (Penal Code § 26315).
 - 1. The retiree shall have 15 days from the date of service to file a written request for a hearing.

 - 3. The failure to submit a timely written request for a hearing shall be deemed a waiver of such right.
- (c) A hearing for the denial or revocation of any CCW endorsement shall be conducted before a hearing board composed of three members, one selected by the [Department/Office], one selected by the retiree or his/her employee organization and one selected jointly (Penal Code § 26320).
 - 1. The decision of such hearing board shall be binding on the [Department/Office] and the retiree.
 - 2. Any retiree who waives the right to a hearing or whose CCW endorsement has been revoked at a hearing shall immediately surrender his/her identification card. The [Department/Office] will then reissue a new identification card which shall be stamped "No CCW Privilege."
- (d) Members who have reason to suspect the conduct of a retiree has compromised public safety shall notify the Deputy Chief Investigator as soon as practicable. The Deputy Chief Investigator should promptly take appropriate steps to look into the matter and, if warranted, contact the retiree in person and advise him/her of the temporary suspension and hearing information listed below.
 - 1. Notification of the temporary suspension should also be promptly mailed to the retiree via first class mail, postage prepaid, return receipt requested (Penal Code § 26312).
 - 2. The Deputy Chief Investigator should document the investigation, the actions taken and, if applicable, any notification made to the retiree. The memo should be forwarded to the Chief Investigator.
 - 3. The personal and written notification should be as follows:

Retiree Concealed Firearms

- (b) The retiree has 15 days to request a hearing to determine whether the temporary suspension should become permanent revocation.
 - (c) The retiree will forfeit his/her right to a hearing and the CCW endorsement will be permanently revoked if the retiree fails to respond to the notice of hearing within the 15-day period.
- 4. In the event that personal contact with the retiree cannot be reasonably achieved in a timely manner, the Deputy Chief Investigator should attempt to make the above notice of temporary suspension through another law enforcement officer. For example, if a retiree was arrested or detained by a distant agency, the Deputy Chief Investigator may request that a law enforcement officer from that agency act as the agent of the [Department/Office] to deliver the written notification.

207.9 FIREARM QUALIFICATIONS

The Rangemaster may provide former investigators from this [department/office] an opportunity to qualify. Written evidence of the qualification and the weapons used will be provided and will contain the date of the qualification. The Rangemaster will maintain a record of the qualifications and weapons used.

Chapter 3 - General Operations

Use of Force

300.1 PURPOSE AND SCOPE

This policy provides guidelines on the reasonable use of force. While there is no way to specify the exact amount or type of reasonable force to be applied in any situation, every member of this Bureau is expected to use these guidelines to make such decisions in a professional, impartial, and reasonable manner (Government Code § 7286).

In addition to those methods, techniques, and tools set forth below, the guidelines for the reasonable application of force contained in this policy shall apply to all policies addressing the potential use of force, including but not limited to the Control Devices and Techniques and Conducted Energy Device policies.

300.1.1 DEFINITIONS

Definitions related to this policy include:

Deadly force - Any use of force that creates a substantial risk of causing death or serious bodily injury, including but not limited to the discharge of a firearm (Penal Code § 835a).

Feasible - Reasonably capable of being done or carried out under the circumstances to successfully achieve the arrest or lawful objective without increasing risk to the investigator or another person (Government Code § 7286(a)).

Force - The application of physical techniques or tactics, chemical agents, or weapons to another person. It is not a use of force when a person allows him/herself to be searched, escorted, handcuffed, or restrained.

Serious bodily injury - A serious impairment of physical condition, including but not limited to the following: loss of consciousness; concussion; bone fracture; protracted loss or impairment of function of any bodily member or organ; a wound requiring extensive suturing; and serious disfigurement (Penal Code § 243(f)(4)).

Totality of the circumstances - All facts known to the investigator at the time, including the conduct of the officer and the subject leading up to the use of force (Penal Code § 835a).

300.2 POLICY

The use of force by law enforcement personnel is a matter of critical concern, both to the public and to the law enforcement community. Investigators are involved on a daily basis in numerous and varied interactions and, when warranted, may use reasonable force in carrying out their duties.

Investigators must have an understanding of, and true appreciation for, their authority and limitations. This is especially true with respect to overcoming resistance while engaged in the performance of law enforcement duties.

This Bureau recognizes and respects the value of all human life and dignity without prejudice to anyone. Vesting investigators with the authority to use reasonable force and to protect the public welfare requires monitoring, evaluation, and a careful balancing of all interests.

Use of Force

300.2.1 DUTY TO INTERCEDE

Any investigator present and observing another law enforcement officer or an employee using force that is clearly beyond that which is necessary, as determined by an objectively reasonable investigator under the circumstances, shall, when in a position to do so, intercede to prevent the use of unreasonable force.

When observing force used by a law enforcement officer, each investigator should take into account the totality of the circumstances and the possibility that other law enforcement officers may have additional information regarding the threat posed by the subject (Government Code § 7286(b)).

300.2.2 FAIR AND UNBIASED USE OF FORCE

Investigators are expected to carry out their duties, including the use of force, in a manner that is fair and unbiased (Government Code § 7286(b)). See the Bias-Based Policing Policy for additional guidance.

300.2.3 DUTY TO REPORT EXCESSIVE FORCE

Any investigator who observes a law enforcement officer or an employee use force that potentially exceeds what the investigator reasonably believes to be necessary shall promptly report these observations to a supervisor as soon as feasible (Government Code § 7286(b)).

300.3 USE OF FORCE

Investigators shall use only that amount of force that reasonably appears necessary given the facts and totality of the circumstances known to or perceived by the investigator at the time of the event to accomplish a legitimate law enforcement purpose (Penal Code § 835a).

The reasonableness of force will be judged from the perspective of a reasonable investigator on the scene at the time of the incident. Any evaluation of reasonableness must allow for the fact that investigators are often forced to make split-second decisions about the amount of force that reasonably appears necessary in a particular situation, with limited information and in circumstances that are tense, uncertain, and rapidly evolving.

Given that no policy can realistically predict every possible situation an investigator might encounter, investigators are entrusted to use well-reasoned discretion in determining the appropriate use of force in each incident. Investigators may only use a level of force that they reasonably believe is proportional to the seriousness of the suspected offense or the reasonably perceived level of actual or threatened resistance (Government Code § 7286(b)).

It is also recognized that circumstances may arise in which investigators reasonably believe that it would be impractical or ineffective to use any of the approved tools, weapons, or methods provided by the Bureau. Investigators may find it more effective or reasonable to improvise their response to rapidly unfolding conditions that they are confronting. In such circumstances, the use of any improvised device or method must nonetheless be objectively reasonable and utilized only to the degree that reasonably appears necessary to accomplish a legitimate law enforcement purpose.

Use of Force

While the ultimate objective of every law enforcement encounter is to avoid or minimize injury, nothing in this policy requires an investigator to retreat or be exposed to possible physical injury before applying reasonable force.

300.3.1 USE OF FORCE TO EFFECT AN ARREST

Any peace officer may use objectively reasonable force to effect an arrest, to prevent escape, or to overcome resistance. A peace officer who makes or attempts to make an arrest need not retreat or desist from his/her efforts by reason of resistance or threatened resistance on the part of the person being arrested; nor shall an investigator be deemed the aggressor or lose his/her right to self-defense by the use of reasonable force to effect the arrest, prevent escape, or to overcome resistance. Retreat does not mean tactical repositioning or other de-escalation techniques (Penal Code § 835a).

300.3.2 FACTORS USED TO DETERMINE THE REASONABLENESS OF FORCE

When determining whether to apply force and evaluating whether an investigator has used reasonable force, a number of factors should be taken into consideration, as time and circumstances permit (Government Code § 7286(b)). These factors include but are not limited to:

- (a) The apparent immediacy and severity of the threat to investigators or others (Penal Code § 835a).
- (b) The conduct of the individual being confronted, as reasonably perceived by the investigator at the time (Penal Code § 835a).
- (c) Investigator/subject factors (age, size, relative strength, skill level, injuries sustained, level of exhaustion or fatigue, the number of investigators available vs. subjects).
- (d) The conduct of the involved investigator leading up to the use of force (Penal Code § 835a).
- (e) The effects of suspected drugs or alcohol.
- (f) The individual's apparent mental state or capacity (Penal Code § 835a).
- (g) The individual's apparent ability to understand and comply with investigator commands (Penal Code § 835a).
- (h) Proximity of weapons or dangerous improvised devices.
- (i) The degree to which the subject has been effectively restrained and his/her ability to resist despite being restrained.
- (j) The availability of other reasonable and feasible options and their possible effectiveness (Penal Code § 835a).
- (k) Seriousness of the suspected offense or reason for contact with the individual prior to and at the time force is used.
- (l) Training and experience of the investigator.
- (m) Potential for injury to investigators, suspects, bystanders, and others.

Use of Force

- (n) Whether the person appears to be resisting, attempting to evade arrest by flight, or is attacking the investigator.
- (o) The risk and reasonably foreseeable consequences of escape.
- (p) The apparent need for immediate control of the subject or a prompt resolution of the situation.
- (q) Whether the conduct of the individual being confronted no longer reasonably appears to pose an imminent threat to the investigator or others.
- (r) Prior contacts with the subject or awareness of any propensity for violence.
- (s) Any other exigent circumstances.

300.3.3 PAIN COMPLIANCE TECHNIQUES

Pain compliance techniques may be effective in controlling a physically or actively resisting individual. Investigators may only apply those pain compliance techniques for which they have successfully completed Bureau-approved training. Investigators utilizing any pain compliance technique should consider:

- (a) The degree to which the application of the technique may be controlled given the level of resistance.
- (b) Whether the person can comply with the direction or orders of the investigator.
- (c) Whether the person has been given sufficient opportunity to comply.

The application of any pain compliance technique shall be discontinued once the investigator determines that compliance has been achieved.

300.3.4 RESTRICTIONS ON THE USE OF CAROTID CONTROL HOLD

Investigators of the Ventura County District Attorney's Office are not authorized to use a carotid restraint hold. A carotid restraint means a vascular neck restraint or any similar restraint, hold, or other defensive tactic in which pressure is applied to the sides of a person's neck that involves a substantial risk of restricting blood flow and may render the person unconscious in order to subdue or control the person (Government Code § 7286.5).

300.3.5 USE OF FORCE TO SEIZE EVIDENCE

In general, investigators may use reasonable force to lawfully seize evidence and to prevent the destruction of evidence. However, investigators are discouraged from using force solely to prevent a person from swallowing evidence or contraband. In the instance when force is used, investigators should not intentionally use any technique that restricts blood flow to the head, restricts respiration or which creates a reasonable likelihood that blood flow to the head or respiration would be restricted.

300.3.6 ALTERNATIVE TACTICS - DE-ESCALATION

As time and circumstances reasonably permit, and when community and officer safety would not be compromised, investigators should consider actions that may increase investigator or officer safety and may decrease the need for using force:

Use of Force

- (a) Summoning additional resources that are able to respond in a reasonably timely manner.
- (b) Formulating a plan with responding investigators before entering an unstable situation that does not reasonably appear to require immediate intervention.
- (c) Employing other tactics that do not unreasonably increase investigator jeopardy.

In addition, when reasonable, investigators should evaluate the totality of circumstances presented at the time in each situation and, when feasible, consider and utilize reasonably available alternative tactics and techniques that may persuade an individual to voluntarily comply or may mitigate the need to use a higher level of force to resolve the situation before applying force (Government Code § 7286(b)). Such alternatives may include but are not limited to:

- (a) Attempts to de-escalate a situation.
- (b) If reasonably available, the use of crisis intervention techniques by properly trained personnel.

300.3.7 RESTRICTIONS ON THE USE OF A CHOKE HOLD

Investigators of the Ventura County District Attorney's Office are not authorized to use a choke hold. A choke hold means any defensive tactic or force option in which direct pressure is applied to a person's trachea or windpipe (Government Code § 7286.5).

300.4 DEADLY FORCE APPLICATIONS

Where feasible, the investigator shall, prior to the use of deadly force, make reasonable efforts to identify him/herself as a peace officer and to warn that deadly force may be used, unless the investigator has objectively reasonable grounds to believe the person is aware of those facts (Penal Code 835a).

If an objectively reasonable investigator would consider it safe and feasible to do so under the totality of the circumstances, investigators shall evaluate and use other reasonably available resources and techniques when determining whether to use deadly force. To the extent that it is reasonably practical, investigators should consider their surroundings and any potential risks to bystanders prior to discharging a firearm (Government Code § 7286(b)).

The use of deadly force is only justified when the investigator reasonably believes it is necessary in the following circumstances (Penal Code § 835a):

- (a) An investigator may use deadly force to protect him/herself or others from what he/she reasonably believes is an imminent threat of death or serious bodily injury to the investigator or another person.
- (b) An investigator may use deadly force to apprehend a fleeing person for any felony that threatened or resulted in death or serious bodily injury, if the investigator reasonably believes that the person will cause death or serious bodily injury to another unless immediately apprehended.

Investigators shall not use deadly force against a person based on the danger that person poses to him/herself, if an objectively reasonable investigator or officer would believe the person does not

Use of Force

pose an imminent threat of death or serious bodily injury to the investigator or to another person (Penal Code § 835a).

An “imminent” threat of death or serious bodily injury exists when, based on the totality of the circumstances, a reasonable investigator in the same situation would believe that a person has the present ability, opportunity, and apparent intent to immediately cause death or serious bodily injury to the investigator or another person. An investigator's subjective fear of future harm alone is insufficient as an imminent threat. An imminent threat is one that from appearances is reasonably believed to require instant attention (Penal Code § 835a).

300.4.1 SHOOTING AT OR FROM MOVING VEHICLES

Shots fired at or from a moving vehicle are rarely effective and may involve additional considerations and risks. When feasible, investigators should take reasonable steps to move out of the path of an approaching vehicle instead of discharging their firearm at the vehicle or any of its occupants. An investigator should only discharge a firearm at a moving vehicle or its occupants when the investigator reasonably believes there are no other reasonable means available to avert the imminent threat of the vehicle, or if deadly force other than the vehicle is directed at the investigator or others (Government Code § 7286(b)).

Investigators should not shoot at any part of a vehicle in an attempt to disable the vehicle.

300.4.2 DISPLAYING OF FIREARMS

Given that individuals might perceive the display of a firearm as a potential application of force, investigators should carefully evaluate each tactical situation and use sound discretion when drawing a firearm in public by considering the following guidelines (Government Code § 7286(b)):

- (a) If the investigator does not initially perceive a threat but reasonably believes that the potential for such threat exists, firearms should generally be kept in the low-ready or other position not directed toward an individual.
- (b) If the investigator reasonably believes that a threat exists based on the totality of circumstances presented at the time (e.g., high-risk stop, tactical entry, armed encounter), firearms may be directed toward such threat until the investigator no longer perceives such threat.

Once it is reasonably safe to do so, investigators should carefully secure all firearms.

300.5 REPORTING THE USE OF FORCE

Any use of force by a member of this Bureau shall be documented promptly, completely, and accurately in an appropriate report, depending on the nature of the incident. The investigator should articulate the factors perceived and why he/she believed the use of force was reasonable under the circumstances. To collect data for purposes of training, resource allocation, analysis, and related purposes, the Bureau may require the completion of additional report forms, as specified in Bureau policy, procedure, or law. See the Report Preparation Policy for additional circumstances that may require documentation.

Use of Force

300.5.1 NOTIFICATION TO SUPERVISORS

Supervisory notification shall be made as soon as practicable following the application of force in any of the following circumstances:

- (a) The application caused a visible injury.
- (b) The application would lead a reasonable investigator to conclude that the individual may have experienced more than momentary discomfort.
- (c) The individual subjected to the force complained of injury or continuing pain.
- (d) The individual indicates intent to pursue litigation.
- (e) Any application of a TASER or control device.
- (f) Any application of a restraint device other than handcuffs, shackles, or belly chains.
- (g) The individual subjected to the force was rendered unconscious.
- (h) An individual was struck or kicked.
- (i) An individual alleges unreasonable force was used or that any of the above has occurred.

300.5.2 REPORTING TO CALIFORNIA DEPARTMENT OF JUSTICE

Statistical data regarding all officer-involved shootings and incidents involving use of force resulting in serious bodily injury is to be reported to the California Department of Justice as required by Government Code § 12525.2. See the Administrative Assistant Policy.

300.6 MEDICAL CONSIDERATION

Once it is reasonably safe to do so, properly trained investigators should promptly provide or procure medical assistance for any person injured or claiming to have been injured in a use of force incident (Government Code § 7286(b)).

Prior to booking or release, medical assistance shall be obtained for any person who exhibits signs of physical distress, who has sustained visible injury, expresses a complaint of injury or continuing pain, or who was rendered unconscious. Any individual exhibiting signs of physical distress after an encounter should be continuously monitored until he/she can be medically assessed.

Based upon the investigator's initial assessment of the nature and extent of the subject's injuries, medical assistance may consist of examination by fire personnel, paramedics, hospital staff, or medical staff at the jail. If any such individual refuses medical attention, such a refusal shall be fully documented in related reports and, whenever practicable, should be witnessed by another investigator and/or medical personnel. If a recording is made of the contact or an interview with the individual, any refusal should be included in the recording, if possible.

The on-scene supervisor or, if the on-scene supervisor is not available, the primary handling investigator shall ensure that any person providing medical care or receiving custody of a person following any use of force is informed that the person was subjected to force. This notification shall include a description of the force used and any other circumstances the investigator reasonably

Use of Force

believes would be a potential safety or medical risk to the subject (e.g., prolonged struggle, extreme agitation, impaired respiration).

Persons who exhibit extreme agitation, violent irrational behavior accompanied by profuse sweating, extraordinary strength beyond their physical characteristics and imperviousness to pain (sometimes called “excited delirium”), or who require a protracted physical encounter with multiple investigators or officers to be brought under control, may be at an increased risk of sudden death. Calls involving these persons should be considered medical emergencies. Investigators who reasonably suspect a medical emergency should request medical assistance as soon as practicable and have medical personnel stage away if appropriate.

300.7 SUPERVISOR RESPONSIBILITY

A supervisor should respond to any reported use of force, if reasonably available. The responding supervisor is expected to (Government Code § 7286(b)):

- (a) Obtain the basic facts from the involved investigators. Absent an allegation of misconduct or excessive force, this will be considered a routine contact in the normal course of duties.
- (b) Ensure that any injured parties are examined and treated.
- (c) When possible, separately obtain a recorded interview with the subject upon whom force was applied. If this interview is conducted without the person having voluntarily waived his/her *Miranda* rights, the following shall apply:
 - 1. The content of the interview should not be summarized or included in any related criminal charges.
 - 2. The fact that a recorded interview was conducted should be documented in a property or other report.
 - 3. The recording of the interview should be distinctly marked for retention until all potential for civil litigation has expired.
- (d) Once any initial medical assessment has been completed or first aid has been rendered, ensure that photographs have been taken of any areas involving visible injury or complaint of pain, as well as overall photographs of uninjured areas. These photographs should be retained until all potential for civil litigation has expired.
- (e) Identify any witnesses not already included in related reports.
- (f) Review and approve all related reports.
- (g) Determine if there is any indication that the subject may pursue civil litigation.
 - 1. If there is an indication of potential civil litigation, the supervisor should complete and route a notification of a potential claim through the appropriate channels.
- (h) Evaluate the circumstances surrounding the incident and initiate an administrative investigation if there is a question of policy non-compliance or if for any reason further investigation may be appropriate.

Use of Force

In the event that a supervisor is unable to respond to the scene of an incident involving the reported application of force, the supervisor is still expected to complete as many of the above items as circumstances permit.

300.7.1 DEPUTY CHIEF INVESTIGATOR RESPONSIBILITY

The Deputy Chief Investigator shall review each use of force by any personnel within his/her command to ensure compliance with this policy.

300.8 TRAINING

Investigators and supervisors will receive periodic training on this policy and demonstrate their knowledge and understanding (Government Code § 7286(b)).

Subject to available resources, the Training Manager should ensure that investigators receive periodic training on de-escalation tactics, including alternatives to force.

Training should also include (Government Code § 7286(b)):

- (a) Guidelines regarding vulnerable populations, including but not limited to children, elderly persons, pregnant individuals, and individuals with physical, mental, and developmental disabilities.
- (b) Training courses required by and consistent with POST guidelines set forth in Penal Code § 13519.10.

300.9 USE OF FORCE COMPLAINTS

The receipt, processing, and investigation of civilian complaints involving use of force incidents should be handled in accordance with the Personnel Complaints Policy (Government Code § 7286(b)).

300.10 POLICY REVIEW

The Chief Investigator or the authorized designee should regularly review and update this policy to reflect developing practices and procedures (Government Code § 7286(b)).

300.11 POLICY AVAILABILITY

The Chief Investigator or the authorized designee should ensure this policy is accessible to the public (Government Code § 7286(c)).

300.12 PUBLIC RECORDS REQUESTS

Requests for public records involving investigator's personnel records shall be processed in accordance with Penal Code § 832.7 and the Personnel Records and Records Maintenance and Release policies (Government Code § 7286(b)).

Control Devices and Techniques

301.1 PURPOSE AND SCOPE

This policy provides guidelines for the use and maintenance of control devices that are described in this policy.

301.1.1 WHEN DEVICES MAY BE USED

When a decision has been made to restrain or arrest a violent or threatening suspect, an approved control device may only be used when its use appears reasonable under the circumstances.

301.2 POLICY

In order to control subjects who are violent or who demonstrate the intent to be violent, the Ventura County District Attorney's Office authorizes investigators to use control devices in accordance with the guidelines in this policy and the Use of Force Policy.

301.2.1 ISSUING, CARRYING AND USING CONTROL DEVICES

Control devices described in this policy may be carried and used by investigators only if the device has been issued by the Bureau of Investigation or approved by the Chief Investigator or the authorized designee.

Only investigators who have successfully completed Bureau-approved training in the use of any control device are authorized to carry and use the device.

Control devices may be used when a decision has been made to control, restrain or arrest a subject who is violent or who demonstrates the intent to be violent, and the use of the device appears reasonable under the circumstances. When reasonable, a verbal warning and opportunity to comply should precede the use of these devices.

When using control devices, investigators should carefully consider potential impact areas in order to minimize injuries and unintentional targets.

301.3 ISSUING, CARRYING AND USING CONTROL DEVICES

Control devices described in this policy may be carried and used by members of this Bureau only if the device has been issued by the Bureau or approved by the Chief Investigator or the authorized designee.

Only investigators who have successfully completed Bureau-approved training in the use of any control device are authorized to carry and use the device.

Control devices may be used when a decision has been made to control, restrain or arrest a subject who is violent or who demonstrates the intent to be violent, and the use of the device appears reasonable under the circumstances. When reasonable, a verbal warning and opportunity to comply should precede the use of these devices.

When using control devices, investigators should carefully consider potential impact areas in order to minimize injuries and unintentional targets.

Control Devices and Techniques

301.3 RESPONSIBILITIES

301.3.1 DEPUTY CHIEF INVESTIGATOR RESPONSIBILITIES

The Deputy Chief Investigator may authorize the use of a control device by selected personnel or members of specialized units who have successfully completed the required training.

301.4 OLEORESIN CAPSICUM (OC) GUIDELINES

As with other control devices, oleoresin capsicum (OC) spray may be considered for use to bring under control an individual or groups of individuals who are engaging in, or are about to engage in violent behavior. OC spray should not, however, be used against individuals or groups who merely fail to disperse or do not reasonably appear to present a risk to the safety of officers or the public.

301.4.1 OC SPRAY

Personnel carrying OC spray shall carry the device in its holster on the equipment belt. Undercover personnel may carry OC spray as authorized, in accordance with the needs of their assignment or at the direction of their supervisor.

301.4.2 TREATMENT FOR OC SPRAY EXPOSURE

Persons who have been sprayed with or otherwise affected by the use of OC should be promptly provided with clean water to cleanse the affected areas. Those persons who complain of further severe effects shall be examined by appropriate medical personnel.

301.5 BATON GUIDELINES

The need to immediately control a suspect must be weighed against the risk of causing serious injury. The head, neck, throat, spine, heart, kidneys and groin should not be intentionally targeted except when the investigator reasonably believes the suspect poses an imminent threat of serious bodily injury or death to the investigator or others.

A baton should be immediately available for use by investigators during their assigned duties. The baton, whether collapsible or straight stick, should be on an investigator's person or readily available in their assigned County vehicle. When carrying a baton, investigators shall carry the baton in its authorized holder on the equipment belt. Undercover investigators may carry the baton as authorized and in accordance with the needs of their assignment or at the direction of their supervisor.

301.5 POST-APPLICATION NOTICE

Whenever OC has been introduced into a residence, building interior, vehicle or other enclosed area, investigators should provide the owners or available occupants with notice of the possible presence of residue that could result in irritation or injury if the area is not properly cleaned. Such notice should include advisement that clean up will be at the owner's expense. Information regarding the method of notice and the individuals notified should be included in related reports.

Control Devices and Techniques

301.6 TRAINING FOR CONTROL DEVICES

The Training Manager shall ensure that all personnel who are authorized to carry a control device have been properly trained and certified to carry the specific control device and are retrained or recertified as necessary.

- (a) Proficiency training shall be monitored and documented by a certified, control-device weapons or tactics instructor.
- (b) All training and proficiency for control devices will be documented in the investigator's training file.
- (c) Investigators who fail to demonstrate proficiency with the control device or knowledge of this agency's Use of Force Policy will be provided remedial training. If an investigator cannot demonstrate proficiency with a control device or knowledge of this agency's Use of Force Policy after remedial training, the investigator will be restricted from carrying the control device and may be subject to discipline.

301.7 REPORTING USE OF CONTROL DEVICES AND TECHNIQUES

Any application of a control device or technique listed in this policy shall be documented in the related incident report and reported pursuant to the Use of Force Policy.

301.8 KINETIC ENERGY PROJECTILE GUIDELINES

This Bureau is committed to reducing the potential for violent confrontations. Kinetic energy projectiles, when used properly, are less likely to result in death or serious physical injury and can be used in an attempt to de-escalate a potentially deadly situation.

301.8.1 DEPLOYMENT AND USE

Only Bureau-approved kinetic energy munitions shall be carried and deployed. Approved munitions may be used to compel an individual to cease his/her actions when such munitions present a reasonable option.

Investigators are not required or compelled to use approved munitions in lieu of other reasonable tactics if the involved investigator determines that deployment of these munitions cannot be done safely. The safety of hostages, innocent persons and investigators takes priority over the safety of subjects engaged in criminal or suicidal behavior.

Circumstances appropriate for deployment include, but are not limited to, situations in which:

- (a) The suspect is armed with a weapon and the tactical circumstances allow for the safe application of approved munitions.
- (b) The suspect has made credible threats to harm him/herself or others.
- (c) The suspect is engaged in riotous behavior or is throwing rocks, bottles or other dangerous projectiles at people and/or investigators.

Control Devices and Techniques

- (d) There is probable cause to believe that the suspect has already committed a crime of violence and is refusing to comply with lawful orders.

301.8.2 DEPLOYMENT CONSIDERATIONS

Before discharging projectiles, the investigator should consider such factors as:

- (a) Distance and angle to target.
- (b) Type of munitions employed.
- (c) Type and thickness of subject's clothing.
- (d) The subject's proximity to others.
- (e) The location of the subject.
- (f) Whether the subject's actions dictate the need for an immediate response and the use of control devices appears appropriate.

A verbal warning of the intended use of the device should precede its application, unless it would otherwise endanger the safety of investigators or when it is not practicable due to the circumstances. The purpose of the warning is to give the individual a reasonable opportunity to voluntarily comply and to warn other investigators and individuals that the device is being deployed.

Investigators should keep in mind the manufacturer's recommendations and their training regarding effective distances and target areas. However, investigators are not restricted solely to use according to manufacturer recommendations. Each situation must be evaluated on the totality of circumstances at the time of deployment.

The need to immediately incapacitate the subject must be weighed against the risk of causing serious injury or death. The head and neck should not be intentionally targeted, except when the investigator reasonably believes the suspect poses an imminent threat of serious bodily injury or death to the investigator or others.

Officer-Involved Shootings and Deaths

302.1 PURPOSE AND SCOPE

The intent of this policy is to establish policy and procedures for the investigation of an incident in which a person is injured as the result of a police shooting and to ensure that such incidents be investigated in a fair and impartial manner.

302.2 INVESTIGATION RESPONSIBILITY

This Bureau of Investigation conforms to the Ventura County Law Enforcement Coordinating Committee (VCLECC) protocol for officer/investigator involved shootings.

Nothing in this policy is intended to increase, modify, or in any way affect the current legal standards nor shall any deviation from these guidelines be considered a breach of any legal standard.

302.3 TYPES OF INVESTIGATIONS

An Investigator involved shooting requires several separate investigations. The investigations may include:

- (a) A criminal investigation of the incident by the agency having jurisdiction where the incident occurred. The District Attorney's Office may relinquish its own criminal investigation to another outside agency with the approval of the District Attorney, Assistant District Attorney, Chief Investigator or the Deputy Chief Investigator.
- (b) A criminal investigation of the involved investigator conducted by an outside agency.
- (c) A civil investigation to determine potential liability conducted by the involved investigator's agency.
- (d) An administrative investigation conducted by the involved investigator's agency to determine if there were any violations of Bureau of Investigation policy.

302.4 JURISDICTION

Jurisdiction is determined by the location of the shooting and the agency employing the involved investigator(s). The following scenarios outline the jurisdictional responsibilities for investigating officer-involved shootings:

302.4.1 WITHIN THIS JURISDICTION

The criminal investigation of the suspects actions in an investigator involved shooting will be conducted by the agency of legal jurisdiction where the shooting occurred or as determined by the District Attorney. The Ventura County District Attorney's Office is responsible for the administrative investigation.

Officer-Involved Shootings and Deaths

302.4.2 IN ANOTHER JURISDICTION

The agency where the incident occurred has criminal jurisdiction and is responsible for the criminal investigation of the incident. That agency may relinquish its criminal investigation of the suspect(s) to another agency. The Ventura County District Attorney's Office will conduct a timely administrative investigation.

302.5 THE INVESTIGATION PROCESS

The following procedures are guidelines used in the investigation of an investigator involved shooting.

302.5.1 UNINVOLVED INVESTIGATOR RESPONSIBILITIES

Upon arrival at the scene of an officer involved shooting, the first uninvolved VCDA investigator will be the investigator-in-charge and will assume the responsibilities of a supervisor until properly relieved. This investigator should, as appropriate:

- (a) Secure the scene and identify and eliminate hazards for all those involved
- (b) Take reasonable steps to obtain emergency medical attention for injured individuals.
- (c) Request additional resources from the Bureau of Investigation or other agencies.
- (d) Coordinate a perimeter or pursuit of suspects.
- (e) Check for injured persons and evacuate as needed.
- (f) Brief the supervisor upon arrival

302.5.2 DEPUTY CHIEF INVESTIGATOR RESPONSIBILITIES

Upon learning of an officer-involved shooting or death, the Deputy Chief Investigator shall be responsible for coordinating all aspects of the incident until he/she is relieved by the Chief Investigator.

All outside inquiries about the incident shall be directed to the Deputy Chief Investigator.

302.5.3 NOTIFICATIONS

The following person(s) shall be notified as soon as practical:

- Chief Investigator
- Deputy Chief Investigator
- Commander
- Supervising Investigators
- Psychological/Peer support personnel
- Investigator representative (if requested) from the Ventura County Deputy Sheriff's Association (VCDSA) or Specialized Peace Officers' Association of Ventura County.
- District Attorney
- Chief Assistant District Attorney

Officer-Involved Shootings and Deaths

302.6 CRIMINAL INVESTIGATION

The agency of legal jurisdiction is responsible for the criminal investigation into the circumstances of any officer-involved shooting or death.

If available, investigative personnel from the Bureau of Investigation may be assigned to partner with investigators from outside agencies or the District Attorney's Office to avoid duplicating efforts in related criminal investigations.

Once public safety issues have been addressed, criminal investigators should be given the opportunity to obtain a voluntary statement from the involved officers to complete their interviews.

The following shall be considered for the involved officer:

- (a) VCDA supervisors and Special Investigations personnel should not participate directly in any voluntary interview of VCDA investigators. This will not prohibit such personnel from monitoring interviews or providing the criminal investigators with topics for inquiry.
- (b) If requested, any involved officer will be afforded the opportunity to consult individually with a representative of his/her choosing or an attorney prior to speaking with criminal investigators (Government Code § 3303(i)). However, in order to maintain the integrity of each involved officer's statement, involved investigator's shall not consult or meet with a representative or an attorney collectively or in groups prior to being interviewed.
- (c) If any involved officer is physically, emotionally or otherwise not in a position to provide a voluntary statement when interviewed by criminal investigators, consideration should be given to allowing a reasonable period for the officer to schedule an alternate time for the interview.
- (d) Any voluntary statement provided by an involved officer will be made available for inclusion in any related investigation, including administrative investigations. However, no administrative coerced statement will be provided to any criminal investigators unless the officer consents.

302.6.1 REPORTS BY INVOLVED VCDA INVESTIGATORS

In the event that suspects remain outstanding or subject to prosecution for related offenses, this District Attorney's Office shall retain the authority to require involved VCDA investigators to provide sufficient information for related criminal reports to facilitate the apprehension and prosecution of those individuals (Government Code § 3304(a)).

While the involved VCDA investigator may write the report, it is generally recommended that such reports be completed by assigned investigators, who should interview all involved officers as victims/witnesses. Since the purpose of these reports will be to facilitate criminal prosecution, statements of involved officers should focus on evidence to establish the elements of criminal activities by suspects. Care should be taken not to duplicate information provided by involved officers in other reports.

Nothing in this section shall be construed to deprive an involved VCDA investigator of the right to consult with legal counsel prior to completing any such criminal report.

Officer-Involved Shootings and Deaths

Reports related to the prosecution of criminal suspects will be processed according to normal procedures but should also be included for reference in the investigation of the officer-involved shooting or death.

302.6.2 WITNESS IDENTIFICATION AND INTERVIEWS

Because potential witnesses to an officer-involved shooting or death may become unavailable or the integrity of their statements compromised with the passage of time, a supervisor should take reasonable steps to promptly coordinate with criminal investigators to utilize available personnel for the following:

- (a) Identification of all persons present at the scene and in the immediate area.
 - 1. When feasible, a recorded statement should be obtained from those persons who claim not to have witnessed the incident but who were present at the time it occurred.
 - 2. Any potential witness who is unwilling or unable to remain available for a formal interview should not be detained absent reasonable suspicion to detain or probable cause to arrest. Without detaining the individual for the sole purpose of identification, investigators should attempt to identify the witness prior to his/her departure.
- (b) Witnesses who are willing to provide a formal interview should be asked to meet at a suitable location where criminal investigators may obtain a recorded statement. Such witnesses, if willing, may be transported by a member of the Ventura County District Attorney's Office or other law enforcement agency.
 - 1. A written, verbal or recorded statement of consent should be obtained prior to transporting a witness. When the witness is a minor, consent should be obtained from the parent or guardian, if available, prior to transportation.
- (c) Promptly contacting the suspect's known family and associates to obtain any available and untainted background information about the suspect's activities and state of mind prior to the incident.

302.7 ADMINISTRATIVE INVESTIGATION

In addition to all other investigations associated with an officer-involved shooting or death, the VCDA's Office will conduct an internal administrative investigation of VCDA investigators to determine conformance with VCDA policy. The investigation will be conducted under the supervision of the Special Investigations and will be considered a confidential investigator personnel file.

Interviews of members shall be subject to VCDA policies and applicable laws (see the Personnel Complaints Policy).

- (a) Any investigator involved in a shooting or death may be requested or administratively compelled to provide a blood sample for alcohol/drug screening. Absent consent from the investigator, such compelled samples and the results of any such testing shall not be disclosed to any criminal investigative agency.

Officer-Involved Shootings and Deaths

- (b) If any investigator has voluntarily elected to provide a statement to criminal investigators, the assigned administrative investigator should review that statement before proceeding with any further interview of that involved investigator.
 - 1. If a further interview of the investigator is deemed necessary to determine policy compliance, care should be taken to limit the inquiry to new areas with minimal, if any, duplication of questions addressed in the voluntary statement. The involved investigator shall be provided with a copy of his/her prior statement before proceeding with any subsequent interviews.
- (c) In the event that an involved investigator has elected to not provide criminal investigators with a voluntary statement, the assigned administrative investigator shall conduct an administrative interview to determine all relevant information.
 - 1. Although this interview should not be unreasonably delayed, care should be taken to ensure that the investigator's physical and psychological needs have been addressed before commencing the interview.
 - 2. If requested, the investigator shall have the opportunity to select an uninvolved representative to be present during the interview. However, in order to maintain the integrity of each individual investigator's statement, involved investigators shall not consult or meet with a representative or attorney collectively or in groups prior to being interviewed (Government Code § 3303(i)).
 - 3. Administrative interviews should be recorded by the administrative investigator. The involved investigator may also record the interview (Government Code § 3303(g)).
 - 4. The investigator shall be informed of the nature of the investigation. If an investigator refuses to answer questions, he/she should be given his/her *Lybarger* or *Garrity* rights and ordered to provide full and truthful answers to all questions. The investigator shall be informed that the interview will be for administrative purposes only and that the statement cannot be used criminally.
 - 5. The Special Investigations shall compile all relevant information and reports necessary for the District Attorney's Office to determine compliance with applicable policies.
 - 6. Regardless of whether the use of force is an issue in the case, the completed administrative investigation shall be submitted to the Use of Force Review Board, comprised of the Chief Investigator and the office's Chief Deputy District Attorney or others as directed by the District Attorney, which will restrict its findings as to whether there was compliance with the Use of Force Policy.
 - 7. Any other indications of potential policy violations shall be determined in accordance with standard disciplinary procedures.

302.8 AUDIO AND VIDEO RECORDINGS

Any investigator involved in an incident may be permitted to review available Mobile Audio Video (MAV) or other video or audio recordings prior to providing a recorded statement or completing reports.

Ventura County District Attorney's Office

Ventura County DA CA Policy Manual

Officer-Involved Shootings and Deaths

Upon request, non-law enforcement witnesses who are able to verify their presence and their ability to contemporaneously perceive events at the scene of an incident may also be permitted to review available MAV or other video or audio recordings with approval of assigned investigators or a supervisor.

Any MAV and other known video or audio recordings of an incident should not be publicly released during an ongoing investigation without consulting the District Attorney or County Counsel's Office as appropriate.

Firearms

303.1 PURPOSE AND SCOPE

This policy provides guidelines for issuing firearms, the safe and legal carrying of firearms, firearms maintenance and firearms training.

This policy does not apply to issues related to the use of firearms that are addressed in the Use of Force or Officer-Involved Shootings and Deaths policies.

This policy only applies to those members who are authorized to carry firearms.

303.2 POLICY

The Ventura County District Attorney's Office will equip its members with firearms to address the risks posed to the public and department members by violent and sometimes well-armed persons. The Department will ensure firearms are appropriate and in good working order and that relevant training is provided as resources allow.

303.3 AUTHORIZED WEAPONS

Members shall only use firearms that are issued or approved by the Department and have been thoroughly inspected by the Rangemaster. Except in an emergency or as directed by a supervisor, no firearm shall be carried by a member who has not qualified with that weapon as described by this policy. All other weapons, including but not limited to, edged weapons, chemical weapons, impact weapons or any weapons or any weapon prohibited or restricted by law or that is not covered elsewhere by Bureau policy, may not be carried by personnel in the performance of their official duty without the express written authorization of the Chief Investigator. This exclusion does not apply to the carrying of a single folding pocketknife that is not otherwise prohibited by law.

Employees who are not current or retired peace officers are not permitted to carry a concealed weapon on duty even if that employee has a valid CCW permit.

303.3.1 HANDGUNS

The authorized Bureau issued handgun is the Glock Model 22 series .40 caliber handgun. Personnel working a specialized assignment that requires a weapon of size or design that does not meet the criteria in this policy may receive authorization from the Chief Investigator to carry the weapon during the assignment. After receiving authorization, the investigator must have the weapon inspected by range staff to ensure it is functioning properly. The investigator will also be required to qualify with the weapon before it is carried on duty.

303.3.2 SHOTGUNS

The authorized department-issued shotgun is the Remington 870, 12 gauge. When not deployed, the shotgun shall be properly secured inside the trunk of the investigator's assigned vehicle or in a locking weapons rack or locker. Investigators shall carry only Bureau authorized ammunition. Shotgun trained investigators shall qualify with the shotgun annually.

Firearms

303.3.3 SPECIALTY WEAPONS

As deemed necessary and approved by the Chief Investigator, rifles and other specialty weapons may be assigned to investigators for special needs. Specialty weapons are defined as weapons other than the Glock .40 caliber handgun issued by the office or the optional on-duty weapons listed. After receiving authorization, range staff will inspect the specialty weapon to ensure it is functioning properly. Appropriate training, including nomenclature, maintenance and use of the specialty weapon, will be provided to each investigator authorized to use a specialty weapon. The investigator will also be required to qualify with the specialty weapon before it is assigned for field use.

303.3.4 AUTHORIZED ALTERNATE DUTY/BACKUP WEAPONS

Investigators desiring to carry a secondary or alternate weapon are subject to the following restrictions:

- (a) The weapon shall be of good quality and workmanship (e.g., Glock, Colt, Smith & Wesson, Browning, Sig-Sauer, Para-Ordnance or Kimber.)

- (l) The manner in which the investigator will carry their secondary or alternate weapon (holster) shall be approved by the Head Rangemaster

303.3.5 AUTHORIZED OFF-DUTY WEAPONS

The carrying of firearms by sworn investigators while off duty is permitted by the Chief Investigator, but may be rescinded should circumstances dictate (e.g., administrative leave). It is the intent of this section to ensure all off-duty weapons are carried in a safe and operable manner, and that the investigator is sufficiently familiar with the weapons in order to handle them in a safe and

Firearms

knowledgeable manner. Sworn investigators who choose to carry a firearm while off-duty will be required to meet the following guidelines:

- (k) All personally owned weapons shall be registered in the investigator's name with the State of California Department of Justice.
- (l) It will be the responsibility of the investigator to submit the weapon to the Range Master during a regularly scheduled range session for a safety inspection and qualification prior to being carried off-duty.
- (m) The weapon shall be subject to inspection whenever deemed necessary.
- (n) The investigator will successfully qualify with the weapon prior to it being carried and annually thereafter. The range qualification dates will be specified by the Rangemaster.
- (o) A complete description of the weapon(s) shall be contained on the qualification record approved by the Range Master.
- (p) If any member desires to own more than one weapon utilized while off duty, he/she may do so, as long as the investigator meets all the requirements set forth in this policy for each weapon used.

Firearms

303.3.6 HOLSTERS AND ACCESSORIES

The Bureau of Investigation will issue a holster, magazine pouch, three magazines and a raid belt to each investigator for the Bureau of Investigation issued Glock pistol. Investigators who want to carry an optional duty weapon, as permitted herein, must supply their own holster and accessories for that weapon. An investigator wishing to use a holster other than the office issued holster must first receive range staff approval.

303.4 AMMUNITION

Members shall carry only department-authorized ammunition. Members shall be issued new duty ammunition in the specified quantity for all department-issued firearms during the member's firearms qualification. Replacements for unserviceable or depleted ammunition issued by the Office shall be dispensed by the Rangemaster when needed, in accordance with established policy. Members carrying personally owned authorized firearms of a caliber differing from department issued firearms shall be responsible for obtaining new duty ammunition in accordance with the above, at their own expense.

303.5 AUTHORIZED FIREARMS, AMMUNITION AND OTHER WEAPONS

Members shall only use firearms that are issued or approved by the [Department/Office] and have been thoroughly inspected by the Rangemaster. Except in an emergency or as directed by a supervisor, no firearm shall be carried by a member who has not qualified with that firearm at an authorized [department/office] range.

All other weapons not provided by the [Department/Office], including but not limited to edged weapons, chemical or electronic weapons, impact weapons or any weapon prohibited or restricted by law or that is not covered elsewhere by [department/office] policy, may not be carried by members in the performance of their official duties without the express written authorization of the member's Deputy Chief Investigator. This exclusion does not apply to the carrying of a single folding pocketknife that is not otherwise prohibited by law.

303.5.1 SAFETY CONSIDERATIONS

- (a) Investigators shall not unnecessarily display or handle any firearm.
- (b) Investigators shall be governed by all rules and regulations pertaining to the use of the range and shall obey all orders issued by the range staff
- (c) Always treat your firearm as though it is loaded.
- (d) Keep your finger off the trigger and outside of the trigger guard until the firearm is pointed at the target and you have decided to fire the weapon.
- (e) Before handing a firearm to any other person be sure the magazine is removed, the slide or bolt is locked open, and visually and physically inspect the firearm to verify no ammunition remains in the chamber.
- (f) Never point the firearm at yourself or anyone else. Always point the firearm in a safe direction where no one can be injured in the event the weapon is discharged.

Firearms

- (g) Any member who discharges his/her weapon accidentally or intentionally, on or off duty, except during training, shall make a verbal report to his/her supervisor as soon as circumstances permit and shall file a written report with their supervising investigator prior to the end of shift or as directed by the supervisor.
- (h) Investigators shall not place or store any firearm or other weapon on the Office's premises except where the place of storage is locked. No one shall carry firearms into the jail or any part thereof when securing or processing a prisoner but shall place all firearms in a secured location.
- (i) Any weapon authorized by the Bureau of Investigation that is carried on or off duty and is found by the investigator to be malfunctioning or needing service shall not be carried. Such weapon shall be promptly presented to the Rangemaster or range staff for inspection. Any weapon determined to be in need of service or repair during an inspection by the Rangemaster or range staff will be immediately removed from service. If the weapon is the investigator's primary duty weapon, a replacement weapon will be issued to the investigator until the duty weapon is again rendered serviceable.

303.5.2 STORAGE IN VEHICLES

When leaving a handgun in an unattended vehicle, members shall ensure that it is locked in the trunk, or in a locked container which is placed out of view, or in a locked container that is permanently affixed to the vehicle's interior and not in plain view (Penal Code § 16850; Penal Code § 25140; Penal Code § 25452). Officers are exempt from this requirement during circumstances requiring immediate aid or action in the course of official duties (Penal Code § 25140). When not on-duty, members shall remove firearms from vehicles, (e.g. trunks, safes) unless unique circumstances exist that would justify receiving authorization from the Chief Investigator not to do so. Rifles owned by the Office shall be returned to the Bureau of Investigation and secured in a gun safe after deployment.

303.5.3 STORAGE AT HOME

Members shall ensure that all firearms and ammunition are locked and secured while in their homes, vehicles or any other area under their control, and in a manner that will keep them inaccessible to children and others who should not have access. Members shall not permit department issued firearms to be handled by anyone who is not authorized by the department to do so. Members should be aware that negligent storage of a firearm could result in civil and criminal liability.(Penal Code § 25100).

303.5.4 PATROL RIFLES

Investigators may deploy a Bureau approved and issued Colt M4 rifle in any circumstance where the member can articulate a reasonable expectation that the rifle may be needed. Investigators may deploy their personally owned rifle with prior written approval from the Chief when specific training and inspection requirements are met. (See below Personally Owned Duty Firearms section) Examples of some general guidelines for deploying a rifle may include, but are not limited to:

Firearms

- (a) Situations where the investigator reasonably anticipates an armed encounter.
- (b) When an investigator is faced with a situation that may require accurate and effective fire at long range.
- (c) Situations where an investigator reasonably expects the need to meet or exceed a suspect's firepower.
- (d) When an investigator reasonably believes that there may be a need to fire on a barricaded person or a person with a hostage.
- (e) When an investigator reasonably believes that a suspect may be wearing body armor.
- (f) When authorized or requested by a supervisor.
- (g) When needed to euthanize an animal.
- (h) Witness/dignitary protection assignments which carry an increased potential of an ambush or other organized attack.
- (i) Surveillance of criminal suspects which investigators may be drawn into unexpected violent situations.
- (j) Response to incidents of civil unrest.
- (k) Assignments taking investigators to remote, isolated areas that could involve delayed responses for assistance by the local law enforcement agency.

When not deployed, the rifle shall be properly secured consistent with department training in a locking weapons rack in the vehicle or a locking weapons rack at designated Bureau buildings, inside the trunk of the investigator's Bureau issued vehicle or in a weapons locker or safe.

303.5.5 PERSONALLY OWNED DUTY FIREARMS

Members desiring to carry an authorized but personally owned duty firearm or rifle must receive written approval from the Chief Investigator or the authorized designee. Once approved, personally owned duty firearms are subject to the following restrictions:

- (a) The firearm shall be in good working order and on the department list of approved firearms. Approved rifles for on-duty use are: Bushmaster, Rock River, Ruger, Smith & Wesson, LaRue, Sig Sauer or LWRC or any other model authorized by the Chief Investigator or his designee.
- (b) The firearm shall be inspected by the Rangemaster prior to being carried and thereafter shall be subject to inspection whenever it is deemed necessary.
- (c) Prior to carrying the firearm, members shall qualify under range supervision and thereafter shall qualify in accordance with the department qualification schedule. Members must demonstrate proficiency and safe handling, and that the firearm functions properly.
- (d) Members shall provide written notice of the make, model, color, serial number and caliber of the firearm to the Rangemaster, who will maintain a list of the information.

303.6 FIREARMS QUALIFICATIONS

Firearms

The range will be under the exclusive control of the Rangemaster. All investigators attending will follow the directions of the Rangemaster and other range staff. The Rangemaster will maintain a roster of all members attending the range. Failure of any investigator to sign in and out with the Rangemaster may result in non-qualification.

The range shall remain operational and accessible to investigators during hours and times established by Bureau range staff.

A discharge other than on the firing line shall be immediately reported to the Rangemaster prior to leaving the range.

The Rangemaster has the responsibility of making periodic inspection of all duty weapons carried by investigators, as well as other weapons of this Bureau to verify proper operation. The Rangemaster has the authority to deem any privately owned weapon unfit for service. The investigator will be responsible for all repairs to his or her personal weapon and it will not be returned to service until inspected by the Rangemaster. All duty weapons fired at the range shall be cleaned prior to leaving the range.

All sworn personnel are required to qualify on the range as follows:

- (a) All investigators at the rank of Senior Investigator or below shall qualify with their duty and optional duty weapon-once during each two month shooting period. Shooting periods will be January-February, March-April, May-June, July-August, September-October, and November-December. The Chief Investigator, Deputy Chief Investigator and Commanders shall qualify at least twice each calendar year.
- (b) Investigators will be notified by memorandum of the specific range dates for each shooting period. The first month of each shooting period is the designated primary range qualification, the second month is the make-up date.
- (c) Secondary (Backup) and off-duty weapons once per calendar year as established by range staff.
- (d) Shotguns, patrol rifles and Specialty weapons once per calendar year or as indicated by range staff.
- (e) In order to increase and maintain proficiency with their weapons, investigators may attend range sessions in addition to the mandatory required sessions.
- (f) Investigators will be required to obtain a passing score as set forth by range staff for the qualification course of fire. Records maintained by the range staff will indicate if an investigator qualified or did not qualify.
- (g) If an investigator fails to qualify on the course of fire, range staff shall provide remedial training for the investigator.
- (h) If an investigator fails to qualify on the course of fire after three attempts, they will be required to pass the minimum qualification course of fire before leaving the range with their weapon.
- (i) The Rangemaster will determine the remedial training required for investigator(s) that fail to qualify.

Firearms

- (j) The Rangemaster shall notify the investigator's supervisor of any investigator(s) who fails to qualify on a course of fire or who fails to attend the required firearms training during any shooting period.

303.6.1 NON QUALIFICATION

Unit supervisors will be responsible to ensure their assigned investigators attend range qualifications.

Any investigator who knows that they will be unable to attend the scheduled primary range qualification date for any reason, including injury, duty status, or scheduling conflict shall, prior to that shooting period, submit a memorandum to their immediate supervisor describing why they will be unable to attend the primary scheduled or make-up range dates.

The supervisor shall determine if the investigator has a reasonable excuse for not attending the scheduled range date(s) and notify the Deputy Chief Investigator through the chain of command.

Failure to comply with the range requirements listed above will result in disciplinary action. A documented counseling memorandum will be issued to the investigator upon his/her first unexcused failure to comply. A second unexcused failure to comply within a 12-month period will result in a letter of reprimand. Personnel who fail to comply with range requirements within 12 months of receiving a letter of reprimand will be subject to progressive discipline.

Sworn investigators who shoot but fail to qualify shall be provided remedial training until proficiency is demonstrated and will be subject to the following requirements:

- (a) Additional range assignments and/or training may be required until consistent weapon proficiency is demonstrated.
- (b) Investigators shall be given credit for a range qualification after remedial training and a qualifying score is obtained.

303.6.2 RANGE ATTIRE AND EQUIPMENT

Investigators should qualify wearing the business attire they normally wear and carrying their weapon in the manner they normally would while working in the field. The Rangemaster will determine any variance in the attire for a particular shooting period which will be indicated on the memorandum outlining the course of fire for that shooting period. Investigators will be required to have their equipment with them as indicated by the range staff in that shooting period's course of fire. This will include body armor, duty holster, magazine pouch, magazines, eye and ear protection, etc. Shooters are required to wear body armor, unless an exemption is authorized by the Chief Investigator or his designee.

303.6.3 RANGE SAFETY AND PROCEDURES

The Bureau of Investigation normally uses the Ventura County Sheriff's Department Range for qualification. The range is located at the Camarillo Airport at the end of Aviation Drive.

The following procedures and safety rules will be enforced at all times during range qualifications:

Firearms

- (a) Upon arrival at the range facility, investigators are to keep all weapons holstered until directed to the firing line by range staff. Weapons are not to be loaded or unloaded with range ammunition until range staff has directed the shooter to do so. Magazines may be loaded or unloaded without removing the weapon from the holster.
- (b) Investigators are issued protective eye and ear equipment for use during range sessions. Investigators shall be required to bring their protective eye and ear equipment with them to all firearms training sessions and utilize this equipment while on the firing range.
- (c) No one will be allowed to discharge a weapon on the range without the proper protective equipment.
- (d) Upon completion of the course of fire, each investigator will be instructed by range staff to make their weapon safe.
- (e) After cleaning, the weapon may be reassembled at the cleaning table. Loading of the weapon must be conducted at the load/unload barrel or on the firing line. Once the weapon is loaded, it must be immediately holstered.
- (f) An investigator of the Bureau of Investigation, while acting in the capacity of Rangemaster, is in complete charge of the range, regardless of rank. Range staff will be responsible to ensure that all range rules and requirements are strictly enforced. The failure by any District Attorney staff member to comply with any range rule or requirement shall be reported, in writing, by the range staff directly to the Deputy Chief Investigator.

303.6.4 RANGE RECORDS

The Rangemaster shall be required to keep accurate records of bi-monthly qualifications, repairs, maintenance and training as directed by the Deputy Chief Investigator.

303.6.5 TACTICAL LIGHTS

Tactical lights may only be installed on a firearm carried on- or off-duty after they have been examined and approved by the Rangemaster. Once the approved tactical lights have been properly installed on any firearm, the member shall qualify with the firearm to ensure proper functionality and sighting of the firearm prior to carrying it.

303.7 ALCOHOL AND DRUGS

Firearms shall not be carried by an investigator, either on - or off - duty, or who has consumed an amount of an alcoholic beverage, or has taken any drugs or medication, has taken any combination thereof that would tend to adversely affect the investigator's senses or judgment.

Firearms

303.8 DESTRUCTION OF ANIMALS

Investigators are authorized to use firearms to stop an animal in circumstances where the animal reasonably appears to pose an imminent threat to human safety and alternative methods are not reasonably available or would likely be ineffective.

In circumstances in which investigators have sufficient advance notice that a potentially dangerous animal may be encountered, investigators should develop reasonable contingency plans for dealing with the animal (e.g., fire extinguisher, TASER device, oleoresin capsicum (OC) spray, animal control officer). Nothing in this policy shall prohibit any investigator from shooting a dangerous animal if circumstances reasonably dictate that a contingency plan has failed or becomes impractical.

303.9 WARNING AND OTHER SHOTS

Generally, warning shots or shots fired for the purpose of summoning aid are discouraged and may not be discharged unless the investigator reasonably believes that they appear necessary, effective and reasonably safe.

303.10 FIREARM DISCHARGE

Except during training or recreational use, any member who discharges a firearm intentionally or unintentionally, on- or off-duty, shall make a verbal report to his/her supervisor as soon as circumstances permit. If the discharge results in injury or death to another person, additional statements and reports shall be made in accordance with the Officer-Involved Shootings and Deaths Policy. If a firearm was discharged as a use of force, the involved member shall adhere to the additional reporting requirements set forth in the Use of Force Policy.

In all other cases, written reports shall be made as follows:

- (a) If on-duty at the time of the incident, the member shall file a written report with his/her Deputy Chief Investigator or provide a recorded statement to investigators prior to the end of shift, unless otherwise directed.
- (b) If off-duty at the time of the incident, the member shall file a written report or provide a recorded statement no later than the end of the next regularly scheduled shift, unless otherwise directed by a supervisor.

303.11 FLYING WHILE ARMED

The Transportation Security Administration (TSA) has imposed rules governing law enforcement officers flying armed on commercial aircraft. The following requirements apply to investigators who intend to be armed while flying on a commercial air carrier or flights where screening is conducted (49 CFR 1544.219):

Ventura County District Attorney's Office

Ventura County DA CA Policy Manual

Firearms

- (a) Investigators wishing to fly while armed must be flying in an official capacity, not for vacation or pleasure, and must have a need to have the firearm accessible, as determined by the [Department/Office] based on the law and published TSA rules.
- (b) Investigators must carry their Ventura County District Attorney's Office identification card, bearing the investigator's name, a full-face photograph, identification number, the investigator's signature and the signature of the Chief Investigator or the official seal of the [Department/Office] and must present this identification to airline officials when requested. The investigator should also carry the standard photo identification needed for passenger screening by airline and TSA officials (e.g., driver license, passport).
- (c) The Ventura County District Attorney's Office must submit a National Law Enforcement Telecommunications System (NLETS) message prior to the investigator's travel. If approved, TSA will send the Ventura County District Attorney's Office an NLETS message containing a unique alphanumeric identifier. The investigator must present the message on the day of travel to airport personnel as authorization to travel while armed.
- (d) An official letter signed by the Chief Investigator authorizing armed travel may also accompany the investigator. The letter should outline the investigator's need to fly armed, detail his/her itinerary, and include that the investigator has completed the mandatory TSA training for a law enforcement officer flying while armed.
- (e) Investigators must have completed the mandated TSA security training covering investigators flying while armed. The training shall be given by the [department/office]-appointed instructor.
- (f) It is the investigator's responsibility to notify the air carrier in advance of the intended armed travel. This notification should be accomplished by early check-in at the carrier's check-in counter.
- (g) Any investigator flying while armed should discreetly contact the flight crew prior to take-off and notify them of his/her assigned seat.
- (h) Discretion must be used to avoid alarming passengers or crew by displaying a firearm. The investigator must keep the firearm concealed on his/her person at all times. Firearms are not permitted in carry-on luggage and may not be stored in an overhead compartment.
- (i) Investigators should try to resolve any problems associated with flying armed through the flight captain, ground security manager, TSA representative or other management representative of the air carrier.
- (j) Investigators shall not consume alcoholic beverages while aboard an aircraft, or within eight hours prior to boarding an aircraft.

303.12 CARRYING FIREARMS OUT OF STATE

Qualified, active, full-time investigators of this [department/office] are authorized to carry a concealed firearm in all other states subject to the following conditions (18 USC § 926B):

Ventura County District Attorney's Office

Ventura County DA CA Policy Manual

Firearms

- (a) The investigator shall carry his/her Ventura County District Attorney's Office identification card whenever carrying such firearm.
- (b) The investigator is not the subject of any current disciplinary action.
- (c) The investigator may not be under the influence of alcohol or any other intoxicating or hallucinatory drug.
- (d) The investigator will remain subject to this and all other [department/office] policies (including qualifying and training).

Investigators are cautioned that individual states may enact local regulations that permit private persons or entities to prohibit or restrict the possession of concealed firearms on their property, or that prohibit or restrict the possession of firearms on any state or local government property, installation, building, base or park. Federal authority may not shield an investigator from arrest and prosecution in such locally restricted areas.

Active law enforcement officers from other states are subject to all requirements set forth in 18 USC § 926B.

303.13 SECTION TITLE

Vehicle Pursuits

304.1 PURPOSE AND SCOPE

This policy provides guidelines for vehicle pursuits in order to protect the safety of involved investigators, the public, and fleeing suspects.

304.1.1 DEFINITIONS

Blocking - A low-speed tactic where one or more authorized Bureau emergency vehicles intentionally restrict the movement of a suspect vehicle, with the goal of containment or preventing a pursuit. Blocking is not boxing in or a roadblock.

Boxing-in - A tactic designed to stop a suspect's moving vehicle by surrounding it with law enforcement vehicles and then slowing all vehicles to a stop.

Pursuit Intervention - An attempt to stop the suspect's ability to continue to flee in a vehicle through tactical application of technology, tire deflation devices, blocking or vehicle intercept, boxing-in, the PIT (known as Pursuit Intervention Technique or Precision Immobilization Technique), ramming, or roadblock procedures.

Pursuit Intervention Technique (PIT) - A low-speed tactic intentionally applied to cause the suspect vehicle to spin out and terminate the pursuit.

Ramming - The deliberate act of impacting a suspect's vehicle with another vehicle to functionally damage or otherwise force the suspect's vehicle to stop.

Roadblocks - A tactic designed to stop a suspect's vehicle by intentionally placing an emergency vehicle or other immovable object in the path of the suspect's vehicle.

Tire deflation device - A device that extends across the roadway designed to puncture the tires of the pursued vehicle, sometimes referred to as spike strips.

Terminate - To discontinue a pursuit or stop chasing fleeing vehicles.

Trail - Following the path of the pursuit at a safe speed while obeying all traffic laws and without activating emergency equipment. If the pursuit is at a slow rate of speed, the trailing vehicle will maintain sufficient distance from the pursuit vehicles so as to clearly indicate an absence of participation in the pursuit

Vehicle Pursuit - An event involving one or more law enforcement officers attempting to apprehend a suspect, who is attempting to avoid arrest while operating a motor vehicle by using high-speed driving or other evasive tactics, such as driving off a highway, turning suddenly, or driving in a legal manner but willfully failing to yield to investigators signal to stop.

304.2 INVESTIGATOR RESPONSIBILITIES

Vehicle pursuits shall only be conducted using authorized Bureau emergency vehicles that are equipped with and displaying emergency lighting and sirens as required by Vehicle Code § 21055.

Vehicle Pursuits

Investigators are responsible for continuously driving with due regard and caution for the safety of all persons and property (Vehicle Code § 21056).

304.2.1 WHEN TO INITIATE A PURSUIT

Investigators are authorized to initiate a pursuit when the investigator reasonably believes that a suspect, who has been given appropriate signal to stop by a law enforcement officer, is attempting to evade arrest or detention by fleeing in a vehicle.

Factors that should be considered in deciding whether to initiate a pursuit include:

- (a) The seriousness of the known or reasonably suspected crime and its relationship to community safety.
- (b) The importance of protecting the public and balancing the known or reasonably suspected offense and the apparent need for immediate capture against the risks to investigators, innocent motorists, and others.
- (c) The safety of the public in the area of the pursuit, including the type of area, time of day, the amount of vehicular and pedestrian traffic (e.g., school zones), and the speed of the pursuit relative to these factors.
- (d) The pursuing investigator's familiarity with the area of the pursuit, the quality of radio communications between the pursuing units and the dispatch center, the supervisor, and the driving capabilities of the pursuing investigators under the conditions of the pursuit.
- (e) Whether weather, traffic, and road conditions unreasonably increase the danger of the pursuit when weighed against the risk of the suspect's escape.
- (f) Whether the identity of the suspect has been verified and whether there is comparatively minimal risk in allowing the suspect to be apprehended at a later time.
- (g) The performance capabilities of the vehicles used in the pursuit in relation to the speeds and other conditions of the pursuit.
- (h) Emergency lighting and siren limitations on unmarked or investigator vehicles that may reduce visibility of the vehicle, such as visor or dash-mounted lights, concealable or temporary emergency lighting equipment, and concealed or obstructed siren positioning.
- (i) Suspect and investigator vehicle speeds.
- (j) Other persons in or on the pursued vehicle (e.g., passengers, co-offenders, hostages).
- (k) Availability of other resources such as air support or vehicle locator or deactivation technology.

304.2.2 WHEN TO TERMINATE A PURSUIT

Pursuits should be terminated whenever the totality of objective circumstances known or which reasonably ought to be known to the investigator or supervisor during the pursuit indicates that the present risks of continuing the pursuit reasonably appear to outweigh the risks resulting from the suspect's escape.

Vehicle Pursuits

The factors listed in this policy on when to initiate a pursuit will apply equally to the decision to terminate a pursuit. Investigators and supervisors must objectively and continuously weigh the seriousness of the offense against the potential danger to innocent motorists, themselves, and the public when electing to continue a pursuit.

In addition to the factors that govern when to initiate a pursuit, other factors should be considered in deciding whether to terminate a pursuit, including:

- (a) The distance between the pursuing vehicle and the fleeing vehicle is so great that further pursuit would be futile or require the pursuit to continue for an unreasonable time and/or distance.
- (b) The pursued vehicle's location is no longer definitely known.
- (c) The pursuing vehicle sustains damage or a mechanical failure that renders it unsafe to drive.
- (d) The pursuing vehicle's emergency lighting equipment or siren becomes partially or completely inoperable.
- (e) Hazards to uninvolved bystanders or motorists.
- (f) The danger that the continued pursuit poses to the public, the investigators, or the suspect, balanced against the risk of allowing the suspect to remain at large.
- (g) The identity of the suspect is known, and it does not reasonably appear that the need for immediate capture outweighs the risks associated with continuing the pursuit.
- (h) Extended pursuits of violators for misdemeanors not involving violence, risk of serious harm, or weapons (independent of the pursuit) are generally discouraged.

304.2.3 SPEED LIMITS

The speed of a pursuit is a factor that should be evaluated on a continuing basis by the investigator and supervisor. Evaluation of vehicle speeds should take into consideration public safety, officer safety, and the safety of the occupants of the fleeing vehicle.

Should high vehicle speeds be reached during a pursuit, investigators and supervisors should also consider these factors when determining the reasonableness of the speed of the pursuit:

- (a) Pursuit speeds have become unreasonably unsafe for the surrounding conditions.
- (b) Pursuit speeds have exceeded the driving ability of the investigator.
- (c) Pursuit speeds are beyond the capabilities of the pursuit vehicle thus making its operation unsafe.

304.3 PURSUIT UNITS

When involved in a pursuit, unmarked Bureau emergency vehicles should be replaced by marked emergency vehicles whenever practicable

Vehicle pursuits should be limited to three vehicles (two units and a supervisor); however, the number of units involved may vary with the circumstances.

Vehicle Pursuits

An investigator or supervisor may request additional units to join a pursuit if, after assessing the factors outlined above, it reasonably appears that the number of investigators or law enforcement personnel involved may be insufficient to safely arrest the suspects. All other investigators should stay out of the pursuit but should remain alert to its progress and location. Any investigator who drops out of a pursuit may then, if necessary, proceed to the termination point at legal speeds, following the appropriate rules of the road.

304.3.1 VEHICLES WITHOUT EMERGENCY EQUIPMENT

Investigators operating vehicles not equipped with red light and siren are prohibited from initiating or joining in any pursuit.

304.3.2 PRIMARY UNIT RESPONSIBILITIES

The initial pursuing unit will be designated as the primary pursuit unit and will be responsible for the conduct of the pursuit unless the investigator is unable to remain reasonably close to the suspect's vehicle. The primary responsibility of the investigator initiating the pursuit is the apprehension of the suspects without unreasonable danger to any person.

The primary unit should notify the dispatcher commencing with a request for priority radio traffic, that a vehicle pursuit has been initiated, and as soon as practicable provide information including but not limited to:

- (a) The location, direction of travel, and estimated speed of the suspect's vehicle.
- (b) The description of the suspect's vehicle including license plate number, if known.
- (c) The reason for the pursuit.
- (d) Known or suspected weapons. Threat of force, violence, injuries, hostages, or other unusual hazards.
- (e) The suspected number of occupants and identity or description.
- (f) The weather, road, and traffic conditions.
- (g) The need for any additional resources or equipment.
- (h) The identity of other law enforcement agencies involved in the pursuit.

Until relieved by a supervisor or secondary unit, the investigator in the primary unit is responsible for the broadcasting of the progress of the pursuit. Unless circumstances reasonably indicate otherwise, the primary pursuing investigator should, as soon as practicable, relinquish the responsibility of broadcasting the progress of the pursuit to a secondary unit or air support joining the pursuit to minimize distractions and allow the primary pursuing investigator to concentrate foremost on safe pursuit tactics.

304.3.3 SECONDARY UNIT RESPONSIBILITIES

The second Investigator in the pursuit will be designated as the secondary unit and is responsible for:

- (a) Immediately notifying the dispatcher of entry into the pursuit.

Vehicle Pursuits

- (b) Remaining a safe distance behind the primary unit unless directed to assume the role of primary pursuit vehicle or if the primary pursuit vehicle is unable to continue the pursuit.
- (c) Broadcasting the progress, updating known or critical information, and providing changes in the pursuit, unless the situation indicates otherwise.
- (d) Identifying the need for additional resources or equipment as appropriate.
- (e) Serving as backup to the primary pursuing Investigator(s) once the suspect has been stopped.

304.3.4 PURSUIT DRIVING

The decision to use specific driving tactics requires the same assessment of the factors the investigator considered when determining whether to initiate and/or terminate a pursuit. The following are tactics for units involved in the pursuit:

- (a) Investigator's, considering their driving skills and vehicle performance capabilities, will space themselves from other involved vehicles such that they are able to see and avoid hazards or react safely to maneuvers by the fleeing vehicle.
- (b) Because intersections can present increased risks, the following tactics should be considered:
 - 1. Available units not directly involved in the pursuit may proceed safely to controlled intersections ahead of the pursuit in an effort to warn cross traffic.
 - 2. Pursuing units should exercise due regard and caution when proceeding through controlled intersections.
- (c) As a general rule, investigators should not pursue a vehicle driving left of center (wrong way) against traffic. In the event that the pursued vehicle does so, the following tactics should be considered:
 - 1. Requesting assistance from available air support.
 - 2. Maintain visual contact with the pursued vehicle by paralleling it on the correct side of the roadway.
 - 3. Request other units to observe exits available to the suspects.
- (d) Notify the California Highway Patrol (CHP) and/or other law enforcement agency if it appears that the pursuit may enter its jurisdiction.
- (e) Investigators involved in a pursuit should not attempt to pass other units unless the situation indicates otherwise or they are requested to do so by the primary unit and with a clear understanding of the maneuver process between the involved units.

304.3.5 PURSUIT TRAILING

In the event the initiating unit from this agency either relinquishes control of the pursuit to another unit or jurisdiction, that initiating unit may, with permission of a supervisor, trail the pursuit to the termination point in order to provide information and assistance for the arrest of the suspects and reporting the incident.

Vehicle Pursuits

304.3.6 UNITS NOT INVOLVED IN THE PURSUIT

There should be no paralleling of the pursuit route. Investigators are authorized to use emergency equipment at intersections along the pursuit path to clear intersections of vehicular and pedestrian traffic to protect the public. Investigators should remain in their assigned area and should not become involved with the pursuit unless directed otherwise by a supervisor.

The primary and secondary units should be the only units operating under emergency conditions (red light and siren) unless other units are assigned to the pursuit.

304.4 THE COMMUNICATIONS CENTER

If the pursuit is confined within the County limits, radio communications will be conducted on the primary channel of the jurisdiction the pursuit is located unless instructed otherwise by a supervisor or dispatcher. If the pursuit leaves the jurisdiction of this Bureau or such is imminent, involved units should, whenever available, switch radio communications to a tactical or emergency channel most accessible by participating agencies and units.

304.4.1 LOSS OF PURSUED VEHICLE

When the pursued vehicle is lost, the primary unit should broadcast pertinent information to assist other units in locating suspects. The primary unit or supervisor will be responsible for coordinating any further search for either the pursued vehicle or suspects fleeing on foot.

304.5 INTER-JURISDICTIONAL CONSIDERATIONS

When a pursuit enters another agency's jurisdiction, the primary investigator or supervisor, taking into consideration distance traveled, unfamiliarity with the area and other pertinent facts, should determine whether to request the other agency to assume the pursuit. Unless entry into another jurisdiction is expected to be brief, it is generally recommended that the primary investigator or supervisor insure that notification is provided to each outside jurisdiction into which the pursuit is reasonably expected to enter, regardless of whether such jurisdiction is expected to assist.

304.5.1 ASSUMPTION OF PURSUIT BY ANOTHER AGENCY

Investigators will relinquish control of the pursuit when another agency has assumed the pursuit unless the continued assistance of the Ventura County District Attorney's Office is requested by the agency assuming the pursuit. Upon relinquishing control of the pursuit, the involved investigators may proceed, with supervisory approval, to the termination point of the pursuit to assist in the investigation. The supervisor should coordinate such assistance with the assuming agency and obtain any information that is necessary for any reports. Notification of a pursuit in progress should not be construed as a request to join the pursuit. Requests to or from another agency to assume a pursuit should be specific.

304.5.2 PURSUITS EXTENDING INTO THIS JURISDICTION

The agency that initiates a pursuit is responsible for conducting the pursuit. Units from this Bureau should not join a pursuit unless specifically requested to do so by the pursuing agency and with approval from a supervisor. The exception to this is when a single unit from the initiating agency is in pursuit. Under this circumstance, a supervisor may authorize units from this Bureau to join the

Vehicle Pursuits

pursuit until sufficient units from the initiating agency join the pursuit or until additional information is provided allowing withdrawal of the pursuit.

When a request is made for this Bureau to assist or take over a pursuit that has entered the jurisdiction of the Ventura County District Attorney's Office, the supervisor should consider:

- (a) The public's safety within this jurisdiction.
- (b) The safety of the pursuing investigators.
- (c) Whether the circumstances are serious enough to continue the pursuit.
- (d) Whether there is adequate staffing to continue the pursuit.
- (e) The ability to maintain the pursuit.

As soon as practical, a supervisor or the Deputy Chief Investigator should review a request for assistance from another agency. The Deputy Chief Investigator or supervisor, after considering the above factors, may decline to assist in, or assume the other agency's pursuit.

Assistance to a pursuing allied agency by investigators of this Bureau will terminate at the County limits provided that the pursuing officers have sufficient assistance from other sources. Ongoing participation from this Bureau may continue only until sufficient assistance is present.

In the event that a pursuit from another agency terminates within this jurisdiction, investigators should provide appropriate assistance to officers from the allied agency including but not limited to scene control, coordination and completion of supplemental reports, and any other reasonable assistance requested or needed.

304.6 REPORTING REQUIREMENTS

All appropriate reports should be completed to comply with applicable laws, policies, and procedures.

- (a) The primary investigator should complete appropriate crime/arrest reports.
- (b) The Deputy Chief Investigator shall insure that an Allied Agency Vehicle Pursuit Report (form CHP 187A) is filed with the CHP not later than 30 days following the pursuit (Vehicle Code § 14602.1). The primary investigator should complete as much of the required information on the form as is known and forward the report to the Deputy Chief Investigator for review and distribution.
- (c) After first obtaining the available information, the involved, or if unavailable on-duty, the field supervisor shall promptly complete a memorandum, briefly summarizing the pursuit to the Chief Investigator or the authorized designee. This memorandum should include, at a minimum:
 - 1. Date and time of pursuit.
 - 2. Initial reason and circumstances surrounding the pursuit.
 - 3. Length of pursuit in distance and time, including the starting and termination points.
 - 4. Involved units and investigator(s).

Vehicle Pursuits

5. Alleged offenses.
 6. Whether a suspect was apprehended, as well as the means and methods used.
 7. Any use of force that occurred during the vehicle pursuit.
 - (a) Any use of force by a member should be documented in the appropriate report (See the Use of Force Policy).
 8. Any injuries and/or medical treatment.
 9. Any property or equipment damage.
 10. Name of supervisor at scene or who handled the incident.
- (d) After receiving copies of reports, logs, and other pertinent information, the Chief Investigator or the authorized designee should conduct or assign the completion of a post-pursuit review.

Annually, the Chief Investigator should direct a documented review and analysis of the Ventura County District Attorney's Office vehicle pursuit reports to minimally include policy suitability, policy compliance, and training or equipment needs.

304.6.1 REGULAR AND PERIODIC PURSUIT TRAINING

The Training Manager shall make available to all investigators initial and supplementary Police Officer Standard Training (POST) training on pursuits required by Penal Code § 13519.8, and no less than annual training addressing:

- (a) This policy.
- (b) The importance of vehicle safety and protecting the public.
- (c) The need to balance the known offense and the need for immediate capture against the risks to investigators and others (Vehicle Code § 17004.7(d)).

304.6.2 POLICY REVIEW

Investigators of this Bureau shall certify in writing that they have received, read, and understand this policy initially, upon any amendments, and whenever training on this policy is provided. The POST attestation form, or an equivalent form, may be used to document the compliance and should be retained in the member's training file.

304.7 APPLICATION OF VEHICLE PURSUIT POLICY

This policy is expressly written and adopted pursuant to the provisions of Vehicle Code § 17004.7, with additional input from the POST Vehicle Pursuit Guidelines.

304.8 POLICY

It is the policy of this Bureau to balance the importance of apprehending suspects who unlawfully flee from law enforcement against the risks associated with vehicle pursuits.

Coordination with Other Law Enforcement Agencies

305.1 PURPOSE AND SCOPE

The purpose is to establish a protocol for the notification of planned events in another agency's jurisdiction and suggested procedures to follow in situations involving a field contact or confrontation between plain clothes officers and uniformed personnel.

A planned event is any action planned in advance, search or arrest warrant, a protracted surveillance, or other enforcement activity etc.

305.1.1 NOTIFICATION

Prior to a planned event, investigators shall notify the local agency, in a timely manner, of the proposed event. Notification will normally be to the local agency's watch commander. Such notification should include:

- (a) The time and location of the planned event and the names of the involved persons, if applicable.
- (b) The nature of the planned event, i.e., search warrant, arrest warrant, surveillance, etc.
- (c) An assessment of the potential for problems.
- (d) What assistance, if any, is or may be requested of the local agency.

305.1.2 FIELD CONTACTS/CONFRONTATIONS

Because plainclothes/undercover investigators are not readily identifiable as law enforcement members, contacts between them and uniformed personnel include the potential for confrontation. The primary responsibility for avoiding or defusing this risk lies with the non-uniformed investigator(s), whose actions when contacted by a uniformed officer are critically important. The following suggestions are intended to assist in avoiding or alleviating the tension possible in such contacts.

The plainclothes investigator should:

- (a) Carry his/her firearm well concealed.
- (b) If a weapon is carried either partially or completely exposed to view, the investigator will have identification (ie: badge) readily visible.
- (c) When stopped, identify him/herself verbally and indicate where identification and weapons are located.
- (d) Follow the instructions of the uniformed officer explicitly.
- (e) Avoid any sudden movement which could be interpreted as suspicious or threatening. Keep hands in sight and open.

Ventura County District Attorney's Office

Ventura County DA CA Policy Manual

Coordination with Other Law Enforcement Agencies

- (f) Comply with any requests of the uniformed officer without hesitation.
- (g) Be prepared to provide the phone number and name of a supervisor or other Bureau member who may be contacted for verification as requested by the uniformed officer.

305.1.3 FIELD INVESTIGATIONS

Office Security-Duty Investigator

306.1 PURPOSE AND SCOPE DUTY INVESTIGATOR

All District Attorney Investigator I,II and III's will be assigned responsibility as the designated Duty Officer on a rotating basis. The duty begins when the reception area opens in the morning and ends when the reception area closes, normally 8:00 a.m. to 5:00 p.m. The duty includes, but is not limited to, the following:

- (a) Office security for all District Attorney work areas within the Hall of Justice.
- b. Meeting and assisting members of the public and other agencies who have questions or complaints.
- c. Assist Deputy District Attorneys with last minute interviews, research or computer checks when needed.
- d. Prepare Duty Reports.
- e. Coordinating emergency evacuations.
- f. Coordinating responses to bomb threats.
- g. Take photos of domestic violence victims as requested by a Victim Advocate
- h. Accept subpoena on behalf of another employee.

The Duty Officer, while fulfilling that role, must be armed with an appropriate firearm, pepper spray and handcuffs on their person. The Duty Officer will have the Bureau's issued baton accessible.

It is permissible to trade duty days with other investigators. The investigator initiating the trade shall notify the Bureau's Legal Management Assistant and reception desk of the trade.

Domestic Violence

307.1 PURPOSE AND SCOPE

The purpose of this policy is to provide the guidelines necessary to deter, prevent and reduce domestic violence through vigorous enforcement and to address domestic violence as a serious crime against society. The policy specifically addresses the commitment of this [department/office] to take enforcement action when appropriate, to provide assistance to victims and to guide investigators in the investigation of domestic violence.

307.1.1 DEFINITIONS

The Ventura County District Attorney's Office "Domestic Violence" policy is drafted in compliance with guidelines established and approved by the Commission on Peace Officer Standards and Training. The following definitions are provided by Penal Code § 13700:

Abuse - means intentionally or recklessly causing or attempting to cause bodily injury, or placing another person in reasonable apprehension of imminent serious bodily injury.

Domestic Violence - is abuse committed against an adult or minor who is a spouse, former spouse, cohabitant, former cohabitant, or a person with whom the suspect has had a child or is having or has had a dating or engagement relationship.

Cohabitant - means two unrelated adult persons living together for a substantial period of time, resulting in some permanence of relationship. Factors that may determine whether persons are cohabiting include, but are not limited to:

- Sexual relations between the parties while sharing the same living quarters
- Sharing of income or expenses
- Joint use or ownership of property
- Whether the parties hold themselves out as husband and wife
- The continuity of the relationship
- The length of the relationship

The above definition of cohabitant is used for the application of enforcing Penal Code § 273.5. Family Code § 6209 expands the definition of cohabitant to include a person who regularly resides in the household for the application of enforcing Penal Code § 836(d).

Officer/Deputy - means any law enforcement officer employed by a local police department or sheriff's department, consistent with Penal Code § 830.1.

Victim - means a person who is a victim of domestic violence.

307.2 POLICY

The Ventura County District Attorney's Office's response to incidents of domestic violence and violations of related court orders shall stress enforcement of the law to protect the victim and shall

Domestic Violence

communicate the philosophy that domestic violence is criminal behavior. It is also the policy of this [department/office] to facilitate victims' and offenders' access to appropriate civil remedies and community resources whenever feasible.

307.3 OFFICER SAFETY

It is the intent of the Legislature that the official response to domestic violence stresses the enforcement of the laws to protect the victim and shall communicate the attitude that violent behavior is criminal behavior and will not be tolerated. The following factors should not be used to avoid making an arrest:

- (a) Marital status of suspect and victim
- (b) Whether or not the suspect lives on the premises with the victim
- (c) Existence or lack of temporary restraining order
- (d) Potential financial consequences of arrest
- (e) Complainant's history or prior complaints
- (f) Verbal assurances that violence will cease
- (g) Complainant's emotional state
- (h) Non-visible injuries
- (i) Location of the incident (public/private)
- (j) Victim does not want to prosecute or make private person's arrest
- (k) Speculation that complainant may not follow through with the prosecution
- (l) The case may not result in a conviction

307.4 VICTIM ASSISTANCE

Victims may be traumatized or confused. Investigators should:

- (a) Recognize that a victim's behavior and actions may be affected.
- (b) Provide the victim with the [department/office]'s domestic violence information handout, even if the incident may not rise to the level of a crime.
- (c) Alert the victim to any available victim advocates, shelters and community resources.
- (d) Stand by for a reasonable amount of time when an involved person requests law enforcement assistance while removing essential items of personal property.
- (e) Seek medical assistance as soon as practicable for the victim if he/she has sustained injury or complains of pain.
- (f) Ask the victim whether he/she has a safe place to stay. Assist in arranging to transport the victim to an alternate shelter if the victim expresses a concern for his/her safety or if the investigator determines that a need exists.

Domestic Violence

- (g) Make reasonable efforts to ensure that children or dependent adults who are under the supervision of the suspect or victim are being properly cared for.
- (h) Seek or assist the victim in obtaining an emergency order if appropriate.

An investigator shall advise an individual protected by a Canadian domestic violence protection order of available local victim services (Family Code § 6452).

307.5 FOREIGN COURT ORDERS

Various types of orders may be issued in domestic violence cases. Any foreign court order properly issued by a court of another state, Indian tribe, or territory shall be enforced by investigators as if it were the order of a court in this state. An order should be considered properly issued when it reasonably appears that the issuing court has jurisdiction over the parties and reasonable notice and opportunity to respond was given to the party against whom the order was issued (18 USC § 2265). An otherwise valid out-of-state court or foreign order shall be enforced, regardless of whether the order has been properly registered with this state (Family Code § 6403).

Canadian domestic violence protection orders shall also be enforced in the same manner as if issued in this state (Family Code § 6452).

307.6 VERIFICATION OF COURT ORDERS

Determining the validity of a court order, particularly an order from another jurisdiction, can be challenging. Therefore, in determining whether there is probable cause to make an arrest for a violation of any court order, investigators should carefully review the actual order when available, and where appropriate and practicable:

- (a) Ask the subject of the order about his/her notice or receipt of the order, his/her knowledge of its terms and efforts to respond to the order.
 - 1. If a determination is made that a valid foreign order cannot be enforced because the subject has not been notified or served the order, the investigator shall inform the subject of the order, make a reasonable effort to serve the order upon the subject, and allow the subject a reasonable opportunity to comply with the order before enforcing the order. Verbal notice of the terms of the order is sufficient notice (Family Code § 6403).
- (b) Check available records or databases that may show the status or conditions of the order.
 - 1. Registration or filing of an order in California is not required for the enforcement of a valid foreign order (Family Code § 6403).
- (c) Contact the issuing court to verify the validity of the order.
- (d) Contact a law enforcement official from the jurisdiction where the order was issued to verify information.

Investigators should document in an appropriate report their efforts to verify the validity of an order, regardless of whether an arrest is made. Investigators should contact a supervisor for clarification when needed.

Domestic Violence

307.7 LEGAL MANDATES AND RELEVANT LAWS

California law provides for the following:

307.7.1 STANDARDS FOR ARRESTS

Investigators investigating a domestic violence report should consider the following:

- (a) An arrest should be made when there is probable cause to believe that a felony or misdemeanor domestic violence offense has been committed (Penal Code § 13701). Any decision to not arrest an adult when there is probable cause to do so requires supervisor approval.
 - 1. Investigators are only authorized to make an arrest without a warrant for a misdemeanor domestic violence offense if the investigator makes the arrest as soon as probable cause arises (Penal Code § 836).
- (b) An investigator responding to a domestic violence call who cannot make an arrest will advise the victim of his/her right to make a private person's arrest. The advisement should be made out of the presence of the suspect and shall include advising the victim how to safely execute the arrest. Investigators shall not dissuade victims from making a lawful private person's arrest. Investigators should refer to the provisions in the Private Persons Arrests Policy for options regarding the disposition of private person's arrests (Penal Code § 836(b)).
- (c) Investigators shall not cite and release a person for the following offenses (Penal Code § 853.6(a)(3)):
 - 1. Penal Code § 243(e)(1) (battery against spouse, cohabitant)
 - 2. Penal Code § 273.5 (corporal injury on spouse, cohabitant, fiancé/fiancée, person of a previous dating or engagement relationship, mother/father of the offender's child)
 - 3. Penal Code § 273.6 (violation of protective order) if violence or threats of violence have occurred or the suspect has gone to the workplace or residence of the protected party
 - 4. Penal Code § 646.9 (stalking)
 - 5. Other serious or violent felonies specified in Penal Code § 1270.1
- (d) In responding to domestic violence incidents, including mutual protective order violations, investigators should generally be reluctant to make dual arrests. Investigators shall make reasonable efforts to identify the dominant aggressor in any incident. The dominant aggressor is the person who has been determined to be the most significant, rather than the first, aggressor (Penal Code § 13701). In identifying the dominant aggressor, an investigator shall consider:
 - 1. The intent of the law to protect victims of domestic violence from continuing abuse.
 - 2. The threats creating fear of physical injury.
 - 3. The history of domestic violence between the persons involved.

Domestic Violence

4. Whether either person acted in self-defense.
- (e) An arrest shall be made when there is probable cause to believe that a violation of a domestic violence court order has been committed (Penal Code § 13701; Penal Code § 836), regardless of whether the offense was committed in the investigator's presence. After arrest, the investigator shall confirm that a copy of the order has been registered, unless the victim provides a copy (Penal Code § 836).

307.7.2 COURT ORDERS

- (a) An investigator who obtains an emergency protective order from the court shall serve it on the restrained person if the person can be reasonably located, and shall provide the person protected or the person's parent/guardian with a copy of the order. The investigator shall file a copy with the court as soon as practicable and shall have the order entered into the computer database system for protective and restraining orders maintained by the Department of Justice (Family Code § 6271; Penal Code § 646.91).
- (b) At the request of the petitioner, an investigator at the scene of a reported domestic violence incident shall serve a court order on a restrained person (Family Code § 6383; Penal Code § 13710).
- (c) Any investigator serving a protective order that indicates that the respondent possesses weapons or ammunition shall request that the firearm/ammunition be immediately surrendered (Family Code § 6389(c)(2)).
- (d) During the service of a protective order any firearm discovered in plain view or pursuant to consent or other lawful search shall be taken into temporary custody (Penal Code § 18250).
- (e) If a valid Canadian order cannot be enforced because the person subject to the order has not been notified or served with the order, the investigator shall notify the protected individual that reasonable efforts shall be made to contact the person subject to the order. The investigator shall make a reasonable effort to inform the person subject to the order of the existence and terms of the order and provide him/her with a record of the order, if available, and shall allow the person a reasonable opportunity to comply with the order before taking enforcement action (Family Code § 6452).

307.7.3 PUBLIC ACCESS TO POLICY

A copy of this domestic violence policy will be provided to members of the public upon request (Penal Code § 13701).

307.7.4 REPORTS AND RECORDS

- (a) A written report shall be completed on all incidents of domestic violence. All such reports should be documented on the appropriate form, which includes information and notations specific to domestic violence incidents as required by Penal Code § 13730.
- (b) Reporting investigators should provide the victim with the case number of the report. The case number may be placed in the space provided on the domestic violence victim information handout provided to the victim. If the case number is not immediately

Domestic Violence

available, an explanation should be given regarding how the victim can obtain the information at a later time.

- (c) Investigators who seize any firearm or other deadly weapon in a domestic violence incident shall issue the individual possessing such weapon a receipt that includes the name and residential mailing address of the owner or person who possessed the weapon and notice of where the weapon may be recovered, along with the applicable time limit for recovery (Penal Code § 18250; Penal Code § 18255; Penal Code § 33800; Family Code § 6389(c)(2)).

307.7.5 DECLARATION IN SUPPORT OF BAIL INCREASE

Any investigator who makes a warrantless arrest for a felony or misdemeanor violation of a domestic violence restraining order shall evaluate the totality of the circumstances to determine whether reasonable cause exists to seek an increased bail amount. If there is reasonable cause to believe that the scheduled bail amount is insufficient to assure the arrestee's appearance or to protect the victim or family member of a victim, the investigator shall prepare a declaration in support of increased bail (Penal Code § 1269c).

Search and Seizure

308.1 PURPOSE AND SCOPE

Both the federal and state Constitutions provide every individual with the right to be free from unreasonable searches and seizures. This policy provides general guidelines for Ventura County District Attorney's Office personnel to consider when dealing with search and seizure issues.

308.2 POLICY

It is the policy of the Ventura County District Attorney's Office to respect the fundamental privacy rights of individuals. Investigators conduct searches in strict observance of the constitutional rights of persons being searched. All seizures by this Bureau will comply with relevant federal and state law governing the seizure of persons and property.

The Department will provide relevant and current training to investigators as guidance for the application of current law, local community standards and prosecutorial considerations regarding specific search and seizure situations, as appropriate.

308.3 SEARCHES

The U.S. Constitution generally provides that a valid warrant is required in order for a search to be valid. There are, however, several exceptions that permit a warrantless search.

Examples of law enforcement activities that are exceptions to the general warrant requirement include, but are not limited to, searches pursuant to the following:

- Valid consent
- Incident to a lawful arrest
- Legitimate community caretaking interests
- Vehicle searches under certain circumstances
- Exigent circumstances

Certain other activities are recognized by federal and state courts and by certain statutes as legitimate law enforcement activities that also do not require a warrant. Such activities may include seizure and examination of abandoned property, and observations of activities and property located on open public areas.

Because case law regarding search and seizure is constantly changing and subject to interpretation by the courts, each member of the Bureau is expected to act in each situation according to current training and his/her familiarity with clearly established rights as determined by case law.

Whenever practicable, investigators are encouraged to contact a deputy district attorney or supervisor to resolve questions regarding search and seizure issues prior to electing a course of action.

Search and Seizure

308.4 SEARCH PROTOCOL

Although conditions will vary and officer safety and other exigencies must be considered in every search situation, the following guidelines should be followed whenever circumstances permit:

- (a) Investigators will strive to conduct searches with dignity and courtesy.
- (b) Investigators should explain to the person being searched the reason for the search and how the search will be conducted.
- (c) Searches should be carried out with due regard and respect for private property interests and in a manner that minimizes damage. Property should be left in a condition as close as reasonably possible to its pre-search condition.
- (d) In order to minimize the need for forcible entry, an attempt should be made to obtain keys, combinations or access codes when a search of locked property is anticipated.
- (e) When the person to be searched is of the opposite sex as the searching investigator, a reasonable effort should be made to summon an investigator of the same sex as the subject to conduct the search. When it is not practicable to summon an investigator of the same sex as the subject, the following guidelines should be followed:
 1. Another investigator or a supervisor should witness the search.
 2. The investigator should not search areas of the body covered by tight-fitting clothing, sheer clothing or clothing that could not reasonably conceal a weapon.

308.5 DOCUMENTATION

Investigators are responsible to document any search and to ensure that any required reports are sufficient including, at minimum, documentation of the following:

- Reason for the search
- Any efforts used to minimize the intrusiveness of any search (e.g., asking for consent or keys)
- What, if any, injuries or damage occurred
- All steps taken to secure property
- The results of the search, including a description of any property or contraband seized
- If the person searched is the opposite sex, any efforts to summon an investigator of the same sex as the person being searched and the identification of any witness investigator

Supervisors shall review memorandums to ensure the reports are accurate, that actions are properly documented and that current legal requirements and Bureau policy have been met.

Temporary Custody of Juveniles

309.1 PURPOSE AND SCOPE

This policy provides guidelines consistent with the Juvenile Justice and Delinquency Prevention Act for juveniles taken into temporary custody by members of the Ventura County District Attorney's Office (34 USC § 11133).

Guidance regarding contacting juveniles at schools or who may be victims is provided in the Child Abuse Policy.

309.1.1 DEFINITIONS

Definitions related to this policy include:

Juvenile non-offender - An abused, neglected, dependent, or alien juvenile who may be legally held for his/her own safety or welfare. This also includes any juvenile who may have initially been contacted for an offense that would not subject an adult to arrest (e.g., fine-only offense) but was taken into custody for his/her protection or for purposes of reuniting the juvenile with a parent, guardian, or other responsible person. Juveniles 11 years of age or younger are considered juvenile non-offenders even if they have committed an offense that would subject an adult to arrest.

Juvenile offender - A juvenile 12 to 17 years of age who is alleged to have committed an offense that would subject an adult to arrest (a non-status offense) (Welfare and Institutions Code § 602). It also includes an offense under Penal Code § 29610 for underage possession of a handgun or concealable firearm (28 CFR 31.303).

Non-secure custody - When a juvenile is held in the presence of an investigator or other custody employee at all times and is not placed in a locked room, cell, or behind any locked doors. Juveniles in non-secure custody may be handcuffed but not to a stationary or secure object. Personal supervision, through direct visual monitoring and audio two-way communication is maintained. Monitoring through electronic devices, such as video, does not replace direct visual observation (Welfare and Institutions Code § 207.1; 15 CCR 1150).

Safety checks - Direct, visual observation personally by a member of this office performed at random intervals within time frames prescribed in this policy to provide for the health and welfare of juveniles in temporary custody.

Secure custody - When a juvenile offender is held in a locked room, a set of rooms, or a cell. Secure custody also includes being physically secured to a stationary object (15 CCR 1146).

Examples of secure custody include:

- (a) A juvenile left alone in an unlocked room within the secure perimeter of the adult temporary holding area.
- (b) A juvenile handcuffed to a rail.
- (c) A juvenile placed in a room that contains doors with delayed egress devices that have a delay of more than 30 seconds.

Temporary Custody of Juveniles

- (d) A juvenile being processed in a secure booking area when a non-secure booking area is available.
- (e) A juvenile left alone in a secure booking area after being photographed and fingerprinted.
- (f) A juvenile placed in a cell within the adult temporary holding area, whether or not the cell door is locked.
- (g) A juvenile placed in a room that is capable of being locked or contains a fixed object designed for cuffing or restricting movement.

Sight and sound separation - Located or arranged to prevent physical, visual, or auditory contact that is more than brief or inadvertent.

Status offender - A juvenile suspected of committing a criminal violation of the law that would not be a criminal violation but for the age of the offender. Examples may include running away, underage possession of tobacco, curfew violation, and truancy. A juvenile in custody on a court order or warrant based upon a status offense is also a status offender. This includes the habitually disobedient or truant juvenile under Welfare and Institutions Code § 601 and any juvenile suspected of an offense that would not subject an adult to arrest (e.g., fine-only offense).

309.2 POLICY

The Ventura County District Attorney's Office is committed to releasing juveniles from temporary custody as soon as reasonably practicable and keeping juveniles safe while they are in temporary custody at the Ventura County District Attorney's Office. Juveniles should be held in temporary custody only for as long as reasonably necessary for processing, transfer, or release.

309.3 JUVENILES WHO SHOULD NOT BE HELD

Juveniles who exhibit any of the following conditions should not be held at the Ventura County District Attorney's Office:

- (a) Unconscious
- (b) Seriously injured
- (c) A known suicide risk or obviously severely emotionally disturbed
- (d) Significantly intoxicated except when approved by the Deputy Chief Investigator. A medical clearance shall be obtained for minors who are under the influence of drugs, alcohol, or any other intoxicating substance to the extent that they are unable to care for themselves (15 CCR 1151).
- (e) Extremely violent or continuously violent

Investigators taking custody of a juvenile who exhibits any of the above conditions should take reasonable steps to provide medical attention or mental health assistance and notify a supervisor of the situation (15 CCR 1142; 15 CCR 1151).

These juveniles should not be held at the Ventura County District Attorney's Office unless they have been evaluated by a qualified medical and/or mental health professional (15 CCR 1142).

Temporary Custody of Juveniles

If the investigator taking custody of the juvenile believes the juvenile may be a suicide risk, the juvenile shall be under continuous direct supervision until evaluation, release, or a transfer is completed (15 CCR 1142).

309.3.1 EMERGENCY MEDICAL CARE OF JUVENILES IN CUSTODY

When emergency medical attention is required for a juvenile, medical assistance will be called immediately. The Deputy Chief Investigator shall be notified of the need for medical attention for the juvenile. Ventura County District Attorney's Office members should administer first aid as applicable (15 CCR 1142).

309.4 CUSTODY OF JUVENILES

Investigators should take custody of a juvenile and temporarily hold the juvenile at the Ventura County District Attorney's Office when there is no other lawful and practicable alternative to temporary custody. Refer to the Child Abuse Policy for additional information regarding detaining a juvenile that is suspected of being a victim.

No juvenile should be held in temporary custody at the Ventura County District Attorney's Office without authorization of the arresting investigator's supervisor or the Deputy Chief Investigator. Juveniles taken into custody shall be held in non-secure custody unless otherwise authorized by this policy.

Any juvenile taken into custody shall be released to the care of the juvenile's parent or other responsible adult or transferred to a juvenile custody facility or to other authority as soon as practicable and in no event shall a juvenile be held beyond six hours from the time of his/her entry into the Ventura County District Attorney's Office (34 USC § 11133; Welfare and Institutions Code § 207.1).

309.4.1 CUSTODY OF JUVENILE NON-OFFENDERS

Non-offenders taken into protective custody in compliance with the Child Abuse Policy should generally not be held at the Ventura County District Attorney's Office. Custodial arrangements should be made for non-offenders as soon as reasonably possible. Juvenile non-offenders shall not be held in secure custody (34 USC § 11133; Welfare and Institutions Code § 206).

Juveniles 11 years of age or younger who have committed an offense that would subject an adult to arrest may be held in non-secure custody for the offenses listed in Welfare and Institutions Code § 602(b) (murder and the sexual assault offenses) and should be referred to a probation officer for a placement determination (Welfare and Institutions Code § 602.1).

309.4.2 CUSTODY OF JUVENILE OFFENDERS

Juvenile offenders should be held in non-secure custody while at the Ventura County District Attorney's Office unless another form of custody is authorized by this policy or is necessary due to exigent circumstances.

Temporary Custody of Juveniles

Generally, a juvenile offender may be taken into custody when authorized by a court order or when there is probable cause to believe the juvenile has committed an offense that would subject an adult to arrest (Welfare and Institutions Code § 625).

A juvenile offender who is 14 years of age or older and taken into custody for committing or attempting to commit a felony with a firearm shall not be released and be transported to a juvenile facility (Welfare and Institutions Code § 625.3).

A juvenile offender suspected of committing murder, a sex offense described in Welfare and Institutions Code § 602(b) that may subject the juvenile to criminal jurisdiction under Welfare and Institutions Code § 707, or a serious or violent felony should be referred to a probation officer for a decision on further detention.

In all other cases the juvenile offender may be:

- (a) Released upon warning or citation.
- (b) Released to a parent or other responsible adult after processing at the Ventura County District Attorney's Office.
- (c) Referred to a probation officer for a decision regarding whether to transport the juvenile offender to a juvenile facility.
- (d) Transported to his/her home or to the place where the juvenile offender was taken into custody (Welfare and Institutions Code § 207.2).

In determining which disposition is appropriate, the investigating investigator or supervisor shall prefer the alternative that least restricts the juvenile's freedom of movement, provided that alternative is compatible with the best interests of the juvenile and the community (Welfare and Institutions Code § 626).

Whenever a juvenile offender under the age of 14 is taken into custody, the investigator should take reasonable steps to verify and document the child's ability to differentiate between right and wrong, particularly in relation to the alleged offense (Penal Code § 26).

309.5 ADVISEMENTS

Investigators shall take immediate steps to notify the juvenile's parent, guardian, or a responsible relative that the juvenile is in custody, the location where the juvenile is being held, and the intended disposition (Welfare and Institutions Code § 627).

Whenever a juvenile is taken into temporary custody, he/she shall be given the *Miranda* rights advisement regardless of whether questioning is intended. This does not apply to juvenile non-offenders taken into temporary custody for their safety or welfare (Welfare and Institutions Code § 625).

Anytime a juvenile offender is placed in secure custody, he/she shall be informed of the purpose of the secure custody, the length of time the secure custody is expected to last, and of the maximum six-hour limitation (Welfare and Institutions Code § 207.1).

Temporary Custody of Juveniles

Juveniles taken into custody for an offense shall immediately be advised (or at least within one hour from being taken into custody, if possible) that they may make three telephone calls: one call completed to his/her parent or guardian; one to a responsible relative or his/her employer; and another call completed to an attorney. The calls shall be at no expense to the juvenile when completed to telephone numbers within the local calling area. Juveniles should be asked whether they are a caregiver and provided two more phone calls in the same manner as provided to adults in the Temporary Custody of Adults Policy (Welfare and Institutions Code § 627; Penal Code § 851.5).

309.6 JUVENILE CUSTODY LOGS

Any time a juvenile is held in custody at the Ventura County District Attorney's Office, the custody shall be promptly and properly documented in the juvenile custody log, including:

- (a) Identifying information about the juvenile.
- (b) Date and time of arrival and release from the Ventura County District Attorney's Office (15 CCR 1150).
- (c) Deputy Chief Investigator notification and approval to temporarily hold the juvenile.
- (d) Any charges for which the juvenile is being held and classification of the juvenile as a juvenile offender, status offender, or non-offender.
- (e) Any changes in status (e.g., emergency situations, unusual incidents).
- (f) Time of all safety checks.
- (g) Any medical and other screening requested and completed (15 CCR 1142).
- (h) Circumstances that justify any secure custody (Welfare and Institutions Code § 207.1; 15 CCR 1145).
- (i) Any other information that may be required by other authorities, such as compliance inspectors or a local juvenile court authority.

The Deputy Chief Investigator shall initial the log to approve the custody, including any secure custody, and shall also initial the log when the juvenile is released.

309.7 NO-CONTACT REQUIREMENTS

Sight and sound separation shall be maintained between all juveniles and adults while in custody at the Ventura County District Attorney's Office (34 USC § 11133; Welfare and Institutions Code § 207.1; Welfare and Institutions Code § 208; 15 CCR 1144). There should also be sight and sound separation between non-offenders and juvenile and status offenders.

In situations where brief or accidental contact may occur (e.g., during the brief time a juvenile is being fingerprinted and/or photographed in booking), a member of the Ventura County District Attorney's Office (trained in the supervision of persons in custody) shall maintain a constant, immediate, side-by-side presence with the juvenile or the adult to minimize any contact. If inadvertent or accidental contact does occur, reasonable efforts shall be taken to end the contact (15 CCR 1144).

Temporary Custody of Juveniles

309.8 USE OF RESTRAINT DEVICES

A juvenile offender may be handcuffed at the Ventura County District Attorney's Office when the juvenile presents a heightened risk. However, non-offenders and status offenders should not be handcuffed unless they are combative or threatening (15 CCR 1142).

Other restraints shall only be used after less restrictive measures have failed and with the approval of the Deputy Chief Investigator. Restraints shall only be used so long as it reasonably appears necessary for the juvenile's protection or the protection of others (15 CCR 1142).

Juveniles in restraints shall be kept away from other unrestrained juveniles or monitored in such a way as to protect the juvenile from abuse (15 CCR 1142).

309.9 PERSONAL PROPERTY

The investigator taking custody of a juvenile offender or status offender at the Ventura County District Attorney's Office shall ensure a thorough search of the juvenile's property is made and all property is removed from the juvenile, especially those items that could compromise safety, such as pens, pencils, and belts.

The personal property of a juvenile should be placed in a property bag. The property should be inventoried in the juvenile's presence and sealed into the bag. The property should be kept in a monitored or secure location until the juvenile is released from the custody of the Ventura County District Attorney's Office.

309.10 SECURE CUSTODY

Only juvenile offenders 14 years of age or older may be placed in secure custody (Welfare and Institutions Code § 207; 15 CCR 1145). Deputy Chief Investigator approval is required before placing a juvenile offender in secure custody.

Secure custody should only be used for juvenile offenders when there is a reasonable belief that the juvenile is a serious risk of harm to him/herself or others. Factors to be considered when determining if the juvenile offender presents a serious security risk to him/herself or others include the following (15 CCR 1145):

- (a) Age, maturity, and delinquent history
- (b) Severity of offense for which the juvenile was taken into custody
- (c) The juvenile offender's behavior
- (d) Availability of staff to provide adequate supervision or protection of the juvenile offender
- (e) Age, type, and number of other individuals in custody at the facility

Members of this office shall not use secure custody for convenience when non-secure custody is, or later becomes, a reasonable option (15 CCR 1145).

Temporary Custody of Juveniles

When practicable and when no locked enclosure is available, handcuffing one hand of a juvenile offender to a fixed object while otherwise maintaining the juvenile in non-secure custody should be considered as the method of secure custody. An employee must be present at all times to ensure the juvenile's safety while secured to a stationary object (15 CCR 1148).

Juveniles shall not be secured to a stationary object for more than 60 minutes. Supervisor approval is required to secure a juvenile to a stationary object for longer than 60 minutes and every 30 minutes thereafter (15 CCR 1148). Supervisor approval should be documented.

The decision for securing a minor to a stationary object for longer than 60 minutes and every 30 minutes thereafter shall be based upon the best interests of the juvenile offender (15 CCR 1148).

309.11 INTERVIEWING OR INTERROGATING JUVENILE SUSPECTS

No interview or interrogation of a juvenile should occur unless the juvenile has the apparent capacity to consent, and does consent to an interview or interrogation.

Prior to conducting a custodial interrogation, including the waiver of *Miranda* rights, an investigator shall permit a juvenile 17 years of age or younger to consult with legal counsel in person, by telephone, or by video conference. The consultation may not be waived by the juvenile. The requirement to consult with legal counsel does not apply when (Welfare and Institutions Code § 625.6):

- (a) Information is necessary to protect life or property from an imminent threat.
- (b) The questions are limited to what is reasonably necessary to obtain the information relating to the threat.

309.11.1 MANDATORY RECORDINGS OF JUVENILES

Any interrogation of an individual under 18 years of age who is in custody and suspected of committing murder shall be audio and video recorded when the interview takes place at a Ventura County District Attorney's Office facility, jail, detention facility, or other fixed place of detention. The recording shall include the entire interview and a *Miranda* advisement preceding the interrogation (Penal Code § 859.5).

This recording is not mandatory when (Penal Code § 859.5):

- (a) Recording is not feasible because of exigent circumstances that are later documented in a report.
- (b) The individual refuses to have the interrogation recorded, including a refusal any time during the interrogation, and the refusal is documented in a report. If feasible, the refusal shall be electronically recorded.
- (c) The custodial interrogation occurred in another state by law enforcement officers of that state, unless the interrogation was conducted with the intent to avoid the requirements of Penal Code § 859.5.
- (d) The interrogation occurs when no member conducting the interrogation has a reason to believe that the individual may have committed murder. Continued

Temporary Custody of Juveniles

custodial interrogation concerning that offense shall be electronically recorded if the interrogating member develops a reason to believe the individual committed murder.

- (e) The interrogation would disclose the identity of a confidential informant or would jeopardize the safety of an investigator, the individual being interrogated, or another individual. Such circumstances shall be documented in a report.
- (f) A recording device fails despite reasonable maintenance and the timely repair or replacement is not feasible.
- (g) The questions are part of a routine processing or booking, and are not an interrogation.
- (h) The suspect is in custody for murder and the interrogation is unrelated to a murder. However, if any information concerning a murder is mentioned during the interrogation, the remainder of the interrogation shall be recorded.

These recordings shall be retained until a conviction is final and all direct and habeas corpus appeals are exhausted, a court no longer has any jurisdiction over the individual, or the prosecution for that offense is barred (Penal Code § 859.5; Welfare and Institutions Code § 626.8).

309.12 FORMAL BOOKING

No juvenile offender shall be formally booked without the authorization of the arresting investigator's supervisor, or in his/her absence, the Deputy Chief Investigator.

Any juvenile 14 years of age or older who is taken into custody for a felony, or any juvenile whose acts amount to a sex crime, shall be booked, fingerprinted, and photographed.

For all other acts defined as crimes, juveniles may be booked, fingerprinted or photographed upon the approval from the Deputy Chief Investigator or Bureau of Investigation supervisor, giving due consideration to the following:

- (a) The gravity of the offense
- (b) The past record of the offender
- (c) The age of the offender

309.13 RELEASE OF INFORMATION CONCERNING JUVENILES

Court decisions and legislation have combined to carefully specify situations in which information may be given out or exchanged when a case involves a juvenile. Members of this office shall not divulge any information regarding juveniles unless they are certain of the legal authority to do so.

A copy of the current policy of the juvenile court concerning authorized release of information and appropriate acknowledgment forms shall be kept with copies of this procedure in the Ventura County District Attorney's Office Policy Manual. Such releases are authorized by Welfare and Institutions Code § 827.

Welfare and Institutions Code § 828 authorizes the release of certain information to other agencies. It shall be the responsibility of the Staff Services Manager and the appropriate Bureau of Investigation supervisors to ensure that personnel of those bureaus act within legal guidelines.

Temporary Custody of Juveniles

309.14 RELIGIOUS ACCOMMODATION

Juveniles have the right to the same religious accommodation as adults in temporary custody (see the Temporary Custody of Adults Policy).

Discriminatory Harassment

310.1 PURPOSE AND SCOPE

The purpose of this policy is to prevent Ventura County District Attorney's Office members from being subjected to discriminatory harassment, including sexual harassment and retaliation. Nothing in this policy is intended to create a legal or employment right or duty that is not created by law.

310.2 POLICY

The Ventura County District Attorney's Office is an equal opportunity employer and is committed to creating and maintaining a work environment that is free of all forms of discriminatory harassment, including sexual harassment and retaliation (Government Code § 12940(k); 2 CCR 11023). The Ventura County District Attorney's Office will not tolerate discrimination against a member in hiring, promotion, discharge, compensation, fringe benefits and other privileges of employment. The Ventura County District Attorney's Office will take preventive and corrective action to address any behavior that violates this policy or the rights it is designed to protect.

The nondiscrimination policies of the Ventura County District Attorney's Office may be more comprehensive than state or federal law. Conduct that violates this policy may not violate state or federal law but still could subject a member to discipline.

310.3 DEFINITIONS

Definitions related to this policy include:

310.3.1 DISCRIMINATION

The Ventura County District Attorney's Office prohibits all forms of discrimination, including any employment-related action by a member that adversely affects an applicant or member and is based on actual or perceived race, ethnicity, national origin, religion, sex, sexual orientation, gender identity or expression, age, disability, pregnancy, genetic information, veteran status, marital status, and any other classification or status protected by law.

Discriminatory harassment, including sexual harassment, is verbal or physical conduct that demeans or shows hostility or aversion toward an individual based upon that individual's protected class. It has the effect of interfering with an individual's work performance or creating a hostile or abusive work environment.

Conduct that may, under certain circumstances, constitute discriminatory harassment can include making derogatory comments; making crude and offensive statements or remarks; making slurs or off-color jokes, stereotyping; engaging in threatening acts; making indecent gestures, pictures, cartoons, posters, or material; making inappropriate physical contact; or using written material or office equipment and/or systems to transmit or receive offensive material, statements, or pictures. Such conduct is contrary to Ventura County District Attorney's Office policy and to a work environment that is free of discrimination.

Discriminatory Harassment

310.3.2 SEXUAL HARASSMENT

The Ventura County District Attorney's Office prohibits all forms of discrimination and discriminatory harassment, including sexual harassment. It is unlawful to harass an applicant or a member because of that person's sex.

Sexual harassment includes but is not limited to unwelcome sexual advances, requests for sexual favors, or other verbal, visual, or physical conduct of a sexual nature when:

- (a) Submission to such conduct is made either explicitly or implicitly a term or condition of employment, position, or compensation.
- (b) Submission to, or rejection of, such conduct is used as the basis for any employment decisions affecting the member.
- (c) Such conduct has the purpose or effect of substantially interfering with a member's work performance or creating an intimidating, hostile, or offensive work environment.

310.3.3 ADDITIONAL CONSIDERATIONS

Discrimination and discriminatory harassment do not include actions that are in accordance with established rules, principles, or standards, including:

- (a) Acts or omission of acts based solely upon bona fide occupational qualifications under the Equal Employment Opportunity Commission (EEOC) and the California Fair Employment and Housing Council guidelines.
- (b) Bona fide requests or demands by a supervisor that the member improve the member's work quality or output, that the member report to the job site on time, that the member comply with Ventura County or Ventura County District Attorney's Office rules or regulations, or any other appropriate work-related communication between supervisor and member.

310.3.4 RETALIATION

Retaliation is treating a person differently or engaging in acts of reprisal or intimidation against the person because the person has engaged in protected activity, filed a charge of discrimination, participated in an investigation, or opposed a discriminatory practice. Retaliation will not be tolerated.

310.4 RESPONSIBILITIES

This policy applies to all Ventura County District Attorney's Office personnel. All members shall follow the intent of these guidelines in a manner that reflects office policy, professional standards, and the best interest of the Ventura County District Attorney's Office and its mission.

Members are encouraged to promptly report any discriminatory, retaliatory, or harassing conduct or known violations of this policy to a supervisor. Any member who is not comfortable with reporting violations of this policy to the member's immediate supervisor may bypass the chain of command and make the report to a higher-ranking supervisor or manager. Complaints may also be filed with the Chief Investigator, the Staff Services Manager or County Executive.

Discriminatory Harassment

Any member who believes, in good faith, that the member has been discriminated against, harassed, or subjected to retaliation, or who has observed harassment, discrimination, or retaliation, is encouraged to promptly report such conduct in accordance with the procedures set forth in this policy.

Supervisors and managers receiving information regarding alleged violations of this policy shall determine if there is any basis for the allegation and shall proceed with resolution as stated below.

310.4.1 SUPERVISOR RESPONSIBILITIES

The responsibilities of supervisors and managers shall include but are not limited to:

- (a) Continually monitoring the work environment and striving to ensure that it is free from all types of unlawful discrimination, including harassment or retaliation.
- (b) Taking prompt, appropriate action within their work units to avoid and minimize the incidence of any form of discrimination, harassment, or retaliation.
- (c) Ensuring that their subordinates understand their responsibilities under this policy.
- (d) Ensuring that members who make complaints or who oppose any unlawful employment practices are protected from retaliation and that such matters are kept confidential to the extent possible.
- (e) Making a timely determination regarding the substance of any allegation based upon all available facts.
- (f) Notifying the Chief Investigator or Staff Services Manager in writing of the circumstances surrounding any reported allegations or observed acts of discrimination, harassment, or retaliation no later than the next business day.

310.4.2 SUPERVISOR'S ROLE

Supervisors and managers shall be aware of the following:

- (a) Behavior of supervisors and managers should represent the values of the Ventura County District Attorney's Office and professional standards.
- (b) False or mistaken accusations of discrimination, harassment, or retaliation can have negative effects on the careers of innocent members.

Nothing in this section shall be construed to prevent supervisors or managers from discharging supervisory or management responsibilities, such as determining duty assignments, evaluating or counseling members, or issuing discipline, in a manner that is consistent with established procedures.

310.4.3 QUESTIONS OR CLARIFICATION

Members with questions regarding what constitutes discrimination, sexual harassment, or retaliation are encouraged to contact a supervisor, a manager, the Chief Investigator, the Staff Services Manager, the County Executive, or the California Department of Fair Employment and Housing (DFEH) for further information, direction, or clarification (Government Code § 12950).

Discriminatory Harassment

310.5 INVESTIGATION OF COMPLAINTS

Various methods of resolution exist. During the pendency of any such investigation, the supervisor of the involved member should take prompt and reasonable steps to mitigate or eliminate any continuing abusive or hostile work environment. It is the policy of the Ventura County District Attorney's Office that all complaints of discrimination, retaliation, or harassment shall be fully documented and promptly and thoroughly investigated.

310.5.1 SUPERVISOR RESOLUTION

Members who believe they are experiencing discrimination, harassment, or retaliation should be encouraged to inform the individual that the behavior is unwelcome, offensive, unprofessional, or inappropriate. However, if the member feels uncomfortable or threatened or has difficulty expressing the member's concern, or if this does not resolve the concern, assistance should be sought from a supervisor or manager who is a rank higher than the alleged transgressor.

310.5.2 FORMAL INVESTIGATION

If the complaint cannot be satisfactorily resolved through the supervisory resolution process, a formal investigation will be conducted.

The person assigned to investigate the complaint will have full authority to investigate all aspects of the complaint. Investigative authority includes access to records and the cooperation of any members involved. No influence will be used to suppress any complaint and no member will be subject to retaliation or reprisal for filing a complaint, encouraging others to file a complaint, or for offering testimony or evidence in an investigation.

Formal investigation of the complaint will be confidential to the extent possible and will include but is not limited to details of the specific incident, frequency and dates of occurrences, and names of any witnesses. Witnesses will be advised regarding the prohibition against retaliation, and that a disciplinary process, up to and including termination, may result if retaliation occurs.

Members who believe they have been discriminated against, harassed, or retaliated against because of their protected status, are encouraged to follow the chain of command but may also file a complaint directly with the Chief Investigator, Staff Services Manager or the County Executive.

310.5.3 ALTERNATIVE COMPLAINT PROCESS

No provision of this policy shall be construed to prevent any member from seeking legal redress outside the Ventura County District Attorney's Office. Members who believe that they have been harassed, discriminated against, or retaliated against are entitled to bring complaints of employment discrimination to federal, state, and/or local agencies responsible for investigating such allegations. Specific time limitations apply to the filing of such charges. Members are advised that proceeding with complaints under the provisions of this policy does not in any way affect those filing requirements.

310.6 DOCUMENTATION OF COMPLAINTS

All complaints or allegations shall be thoroughly documented on forms and in a manner designated by the Chief Investigator. The outcome of all reports shall be:

Discriminatory Harassment

- (a) Approved by the Chief Investigator, the County Executive or the Staff Services Manager, depending on the ranks of the involved parties.
- (b) Maintained in accordance with the Ventura County District Attorney's Office established records retention schedule.

310.6.1 NOTIFICATION OF DISPOSITION

The complainant and/or victim will be notified in writing of the disposition of the investigation and the actions taken to remedy or address the circumstances giving rise to the complaint.

310.7 TRAINING

All new members shall be provided with a copy of this policy as part of their orientation. The policy shall be reviewed with each new member. The member shall certify by signing the prescribed form that the member has been advised of this policy, is aware of and understands its contents, and agrees to abide by its provisions during the member's term with the Ventura County District Attorney's Office.

All members shall receive annual training on the requirements of this policy and shall certify by signing the prescribed form that they have reviewed the policy, understand its contents, and agree that they will continue to abide by its provisions.

310.7.1 STATE-REQUIRED TRAINING

310.7.2 TRAINING RECORDS

The Training Manager shall be responsible for maintaining records of all discriminatory harassment training provided to members. Records shall be retained in accordance with established records retention schedules and for a minimum of two years (2 CCR 11024).

Discriminatory Harassment

310.8 WORKING CONDITIONS

310.9 REQUIRED POSTERS

The Ventura County District Attorney's Office shall display the required posters regarding discrimination, harassment and transgender rights in a prominent and accessible location for members (Government Code § 12950).

Child Abuse

311.1 PURPOSE AND SCOPE

311.1.1 DEFINITIONS

Definitions related to this policy include:

Child - Unless otherwise specified by a cited statute, a child is any person under the age of 18 years.

Child abuse - Any offense or attempted offense involving violence or neglect with a child victim when committed by a person responsible for the child's care or any other act that would mandate notification to a social service agency or law enforcement (Penal Code § 11165.9; Penal Code § 11166).

311.2 POLICY

The Ventura County District Attorney's Office will investigate all reported incidents of alleged criminal child abuse and ensure CPS is notified as required by law.

311.3 MANDATORY NOTIFICATION

The child protection agency shall be notified when (Penal Code § 11166):

- (a) There is a known or suspected instance of child abuse or neglect reported, which is alleged to have occurred as a result of the action of a person responsible for the child's welfare, or
- (b) A person responsible for the child's welfare fails to adequately protect the child from abuse when the person knew or reasonably should have known that the child was in danger of abuse.

The District Attorney's office shall be notified in all instances of known or suspected child abuse or neglect reported to this department. Reports only involving neglect by a person, who has the care or custody of a child, to provide adequate food, clothing, shelter, medical care or supervision where no physical injury to the child has occurred should not be reported to the District Attorney (Penal Code § 11166).

When the abuse or neglect occurs at a licensed facility or is alleged to have resulted from the actions of a person who is required to have a state license (e.g., foster homes, group homes, day care), notification shall also be made to the California Department of Social Services or other applicable licensing authority (Penal Code 11166.1; Penal Code 11166.2).

For purposes of notification, the abuse or neglect includes physical injury or death inflicted by other than accidental means upon a child by another person; sexual abuse (Penal Code § 11165.1);

Child Abuse

neglect (Penal Code § 11165.2); the willful harming or injuring of a child or the endangering of the person or health of a child (Penal Code § 11165.3); and unlawful corporal punishment or injury (Penal Code § 11165.4). Child abuse or neglect does not include a mutual affray between minors, nor does it include an injury caused by the reasonable and necessary force used by a peace officer acting within the course and scope of his/her employment as a peace officer.

311.4 INVESTIGATIONS AND REPORTING

In all reported or suspected cases of child abuse, a memorandum will be written. Investigators shall write a memorandum even if the allegations appear unfounded or unsubstantiated.

Investigations and reports related to suspected cases of child abuse should address, as applicable:

- (a) The overall basis for the contact. This should be done by the investigating investigator in all circumstances where a suspected child abuse victim was contacted.
- (b) The exigent circumstances that existed if investigators interviewed the child victim without the presence of a parent or guardian.
- (c) Any relevant statements the child may have made and to whom he/she made the statements.
- (d) If a child was taken into protective custody, the reasons, the name and title of the person making the decision, and why other alternatives were not appropriate.
- (e) Documentation of any visible injuries or any injuries identified by the child. This should include photographs of such injuries, if practicable.
- (f) Whether the child victim was transported for medical treatment or a medical examination.
- (g) Whether the victim identified a household member as the alleged perpetrator, and a list of the names of any other children who may reside in the residence.
- (h) Identification of any prior related reports or allegations of child abuse, including other jurisdictions, as reasonably known.
- (i) Previous addresses of the victim and suspect.
- (j) Other potential witnesses who have not yet been interviewed, such as relatives or others close to the victim's environment.

All cases of the unexplained death of a child should be investigated as thoroughly as if it had been a case of suspected child abuse (e.g., a sudden or unexplained death of an infant).

311.4.1 EXTRA JURISDICTIONAL REPORTS

If a report of known or suspected child abuse or neglect that is alleged to have occurred outside this jurisdiction is received, Bureau members shall ensure that the caller is immediately transferred to the agency with proper jurisdiction for the investigation of the case. If the caller

Child Abuse

cannot be successfully transferred to the appropriate agency, a memorandum shall be taken and immediately referred by telephone, fax or electronic transfer to the agency with proper jurisdiction (Penal Code 11165.9).

311.5 PROTECTIVE CUSTODY

Before taking any child into protective custody, the investigator should make reasonable attempts to contact CPS. Generally, removal of a child from his/her family, guardian or other responsible adult should be left to the child welfare authorities when they are present or have become involved in an investigation.

Generally, members of this department should remove a child from his/her parent or guardian without a court order only when no other effective alternative is reasonably available and immediate action reasonably appears necessary to protect the child. Prior to taking a child into protective custody, the investigator should take reasonable steps to deliver the child to another qualified parent or legal guardian, unless it reasonably appears that the release would endanger the child or result in abduction. If this is not a reasonable option, the investigator shall ensure that the child is delivered to CPS.

Whenever practicable, the investigator should inform a supervisor of the circumstances prior to taking a child into protective custody. If prior notification is not practicable, investigators should contact a supervisor promptly after taking a child into protective custody.

Children may only be removed from a parent or guardian in the following situations when a court order cannot reasonably be obtained in a timely manner (Welfare and Institutions Code § 305):

- (a) The investigator reasonably believes the child is a person described in Welfare and Institutions Code § 300, or a commercially exploited child under Penal Code § 647 and Penal Code § 653.22, and further has good cause to believe that any of the following conditions exist:
 - 1. The child has an immediate need for medical care.
 - 2. The child is in immediate danger of physical or sexual abuse.
 - 3. The physical environment or the fact that the child is left unattended poses an immediate threat to the child's health or safety. In the case of a child left unattended, the investigator shall first attempt to locate and determine if a responsible parent or guardian is available and capable of assuming custody before taking the child into protective custody.
- (b) The investigator reasonably believes the child requires protective custody under the provisions of Penal Code § 279.6, in one of the following circumstances:
 - 1. It reasonably appears to the investigator that a person is likely to conceal the child, flee the jurisdiction with the child or, by flight or concealment, evade the authority of the court.
 - 2. There is no lawful custodian available to take custody of the child.

Child Abuse

3. There are conflicting custody orders or conflicting claims to custody and the parties cannot agree which party should take custody of the child.
4. The child is an abducted child.
- (c) The child is in the company of, or under the control of, a person arrested for Penal Code § 278 (Detainment or concealment of child from legal custodian) or Penal Code § 278.5 (Deprivation of custody of a child or right to visitation) (Penal Code § 279.6).

A child taken into protective custody shall be delivered to CPS unless otherwise directed by court order.

311.5.1 CALIFORNIA SAFELY SURRENDERED BABY LAW

An individual having lawful custody of an infant less than 72 hours old is not guilty of abandonment if the individual voluntarily surrenders physical custody of the infant to personnel on-duty at a safe-surrender site, such as a hospital or fire department (Penal Code § 271.5). The law requires the surrender site to notify CPS.

311.6 INTERVIEWS

311.6.1 PRELIMINARY INTERVIEWS

Absent extenuating circumstances or impracticality, investigators should record the preliminary interview with suspected child abuse victims. Investigators should avoid multiple interviews with a child victim and should attempt to gather only the information necessary to begin an investigation. When practicable, investigating investigators should defer interviews until a person who is specially trained in such interviews is available. Generally, child victims should not be interviewed in the home or location where the alleged abuse occurred.

311.6.2 DETAINING SUSPECTED CHILD ABUSE VICTIMS FOR AN INTERVIEW

An investigator should not detain a child involuntarily who is suspected of being a victim of child abuse solely for the purpose of an interview or physical exam without the consent of a parent or guardian unless one of the following applies:

- (a) Exigent circumstances exist, such as:
 1. A reasonable belief that medical issues of the child need to be addressed immediately.
 2. A reasonable belief that the child is or will be in danger of harm if the interview or physical exam is not immediately completed.
 3. The alleged offender is the custodial parent or guardian and there is reason to believe the child may be in continued danger.
- (b) A court order or warrant has been issued.

Child Abuse

311.6.3 INTERVIEWS AT A SCHOOL

Any student at school who is a suspected victim of child abuse shall be afforded the option of being interviewed in private or selecting any qualified available adult member of the school staff to be present. The purpose of the staff member's presence is to provide comfort and support. The staff member shall not participate in the interview. The selection of a staff member should be such that it does not burden the school with costs or hardship (Penal Code § 11174.3).

311.7 MEDICAL EXAMINATIONS

If the child has been the victim of abuse that requires a medical examination, the investigating investigator should obtain consent for such examination from the appropriate parent, guardian or agency having legal custody of the child. The investigator should also arrange for the child's transportation to the appropriate medical facility.

In cases where the alleged offender is the custodial parent or guardian and is refusing consent for the medical examination, investigators should notify a supervisor before proceeding. If exigent circumstances do not exist or if state law does not provide for investigators to take the child for a medical examination, the notified supervisor should consider obtaining a court order for such an examination.

Victim and Witness Assistance

312.1 PURPOSE AND SCOPE

The purpose of this policy is to ensure that crime victims and witnesses receive appropriate assistance, that they are provided with information from government and private resources, and that the agency meets all related legal mandates.

312.2 POLICY

The Ventura County District Attorney's Office is committed to providing guidance and assistance to the victims and witnesses of crime. The members of the Ventura County District Attorney's Office will show compassion and understanding for victims and witnesses and will make reasonable efforts to provide the support and information identified in this policy.

312.3 CRIME VICTIM LIAISON

The Chief Investigator shall appoint a member of the Bureau to serve as the crime victim liaison (2 CCR 649.36). The crime victim liaison will be the point of contact for individuals requiring further assistance or information from the Ventura County District Attorney's Office regarding benefits from crime victim resources. This person shall also be responsible for maintaining compliance with all legal mandates related to crime victims and/or witnesses.

312.4 CRIME VICTIMS

Investigators should provide all victims with the applicable victim information handouts if the victims have not yet been given such handouts. These handouts are located on the District Attorney's Website.

Investigators should never guarantee a victim's safety from future harm but may make practical safety suggestions to victims who express fear of future harm or retaliation. Investigators should never guarantee that a person qualifies as a victim for the purpose of compensation or restitution but may direct him/her to the proper written department material or available victim resources.

Victim and Witness Assistance

312.4.1 VICTIMS OF HUMAN TRAFFICKING

Investigators investigating or receiving a report involving a victim of human trafficking shall inform the victim, or the victim's parent or guardian if the victim is a minor, that upon the request of the victim the names and images of the victim and his/her immediate family members may be withheld from becoming a matter of public record until the conclusion of the investigation or prosecution (Penal Code § 293).

312.5 VICTIM INFORMATION

The Administrative Division Supervisor shall ensure that victim information handouts are available and current. These should include as appropriate:

- (a) Shelters and other community resources for victims of domestic violence.
- (b) Community resources for victims of sexual assault.
- (c) Assurance that sexual assault victims will not incur out-of-pocket expenses for forensic medical exams, and information about evidence collection, storage, and preservation in sexual assault cases (34 USC § 10449; 34 USC § 20109; Penal Code § 13823.95(a)).

Victim and Witness Assistance

- (n) Any additional information required by state law (Penal Code § 13701; Penal Code § 679.02; Penal Code § 679.04; Penal Code § 679.05; Penal Code § 679.026).

Standards of Conduct

313.1 PURPOSE AND SCOPE

This policy establishes standards of conduct that are consistent with the values and mission of the Ventura County District Attorney's Office and are expected of all members. The standards contained in this policy are not intended to be an exhaustive list of requirements and prohibitions but they do identify many of the important matters concerning conduct. In addition to the provisions of this policy, members are subject to all other provisions contained in this manual, as well as any additional guidance on conduct that may be disseminated by this office or a member's supervisors.

313.2 POLICY

The continued employment or appointment of every member of the Ventura County District Attorney's Office shall be based on conduct that reasonably conforms to the guidelines set forth herein. Failure to meet the guidelines set forth in this policy, whether on- or off-duty, may be cause for disciplinary action.

313.3 DIRECTIVES AND ORDERS

Members shall comply with lawful directives and orders from any department supervisor or person in a position of authority, absent a reasonable and bona fide justification.

313.3.1 UNLAWFUL OR CONFLICTING ORDERS

Supervisors shall not knowingly issue orders or directives that, if carried out, would result in a violation of any law or department policy. Supervisors should not issue orders that conflict with any previous order without making reasonable clarification that the new order is intended to countermand the earlier order.

No member is required to obey any order that appears to be in direct conflict with any federal law, state law or local ordinance. Following a known unlawful order is not a defense and does not relieve the member from criminal or civil prosecution or administrative discipline. If the legality of an order is in doubt, the affected member shall ask the issuing supervisor to clarify the order or shall confer with a higher authority. The responsibility for refusal to obey rests with the member, who shall subsequently be required to justify the refusal.

Unless it would jeopardize the safety of any individual, members who are presented with a lawful order that is in conflict with a previous lawful order, department policy or other directive shall respectfully inform the issuing supervisor of the conflict. The issuing supervisor is responsible for either resolving the conflict or clarifying that the lawful order is intended to countermand the previous lawful order or directive, in which case the member is obliged to comply. Members who are compelled to follow a conflicting lawful order after having given the issuing supervisor the opportunity to correct the conflict, will not be held accountable for disobedience of the lawful order or directive that was initially issued.

Standards of Conduct

The person countermanding the original order shall notify, in writing, the person issuing the original order, indicating the action taken and the reason.

313.3.2 SUPERVISOR RESPONSIBILITIES

Supervisors and managers are required to follow all policies and procedures and may be subject to discipline for:

- (a) Failure to be reasonably aware of the performance of their subordinates or to provide appropriate guidance and control.
- (b) Failure to promptly and fully report any known misconduct of a member to his/her immediate supervisor or to document such misconduct appropriately or as required by policy.
- (c) Directing a subordinate to violate a policy or directive, acquiesce to such a violation, or are indifferent to any such violation by a subordinate.
- (d) The unequal or disparate exercise of authority on the part of a supervisor toward any member for malicious or other improper purpose.

313.4 GENERAL STANDARDS

Members shall conduct themselves, whether on- or off-duty, in accordance with the United States and California constitutions and all applicable laws, ordinances, and rules enacted or established pursuant to legal authority.

Members shall familiarize themselves with policies and procedures and are responsible for compliance with each. Members should seek clarification and guidance from supervisors in the event of any perceived ambiguity or uncertainty.

Discipline may be initiated for any good cause. It is not mandatory that a specific policy or rule violation be cited to sustain discipline. This policy is not intended to cover every possible type of misconduct.

Report Preparation

314.1 PURPOSE AND SCOPE

Report/memorandum preparation is a major part of each investigator's job. The purpose of reports is to document sufficient information to refresh the investigator's memory and to provide sufficient information for follow-up investigation and successful prosecution. Report writing is the subject of substantial formalized training and on-the-job training. For the purpose of this policy the term "report" and "memorandum" are interchangeable.

314.1.1 REPORT PREPARATION

Employees should ensure that reports are sufficiently detailed for their purpose and free from errors prior to submission. It is the responsibility of the assigned employee to complete and submit all reports taken during the shift before going off-duty unless permission to hold the report has been approved by a supervisor. Generally, reports requiring prompt follow-up action on active leads, or arrest reports where the suspect remains in custody should not be held.

Handwritten reports must be prepared legibly. If the report is not legible, the submitting employee will be required by the reviewing supervisor to promptly make corrections and resubmit the report. Employees who dictate reports shall use appropriate grammar, as content is not the responsibility of the typist. Employees who generate reports on computers are subject to all requirements of this policy.

All reports shall accurately reflect the identity of the persons involved, all pertinent information seen, heard or assimilated by any other sense, and any actions taken. Employees shall not suppress, conceal or distort the facts of any reported incident, nor shall any employee make a false report orally or in writing. Generally, the reporting employee's opinions should not be included in reports unless specifically identified as such.

314.2 REQUIRED REPORTING

Written reports are required in all of the following situations on the appropriate Ventura County District Attorney's Office approved form unless otherwise approved by a supervisor.

- (a) It shall be the duty of every member to properly document any information provided in good faith by any person regarding matters which indicate the need for action by the bureau.
- (b) Members of the Bureau shall not make false official reports, or knowingly or willingly enter or cause to be entered in any office records or reports, any inaccurate, false or improper police information or material matter.
- (c) Investigators shall document, in the form of a memorandum or other authorized reporting format, including but not limited to the following circumstances: interviews, officer actions including but not limited to evidence collection, booking of evidence, or chain of custody, search warrant service, or any other law enforcement/action which may be subjected to recall at a future date. Duplication of information contained in documents such as search warrants, arrest warrants, or other legal documents does

Report Preparation

not alleviate the investigator's responsibility to properly document said duplicated information into an authorized report.

314.3 GENERAL POLICY OF EXPEDITIOUS REPORTING

In general, all investigator's and supervisors shall act with promptness and efficiency in the preparation and processing of all reports. An incomplete report, unorganized reports or reports delayed without supervisory approval are not acceptable. Reports shall be processed according to established priorities or according to special priority necessary under exceptional circumstances.

314.4 REPORT CORRECTIONS

Supervisors shall review reports for content and accuracy. If a correction is necessary, the reviewing supervisor should identify the correction(s) and return the report to the reporting employee. It shall be the responsibility of the originating employee to ensure that any report returned for correction is processed in a timely manner.

314.5 REPORT CHANGES OR ALTERATIONS

Reports that have been approved by a supervisor shall not be modified or altered except by way of a supplemental report.

Subpoenas and Court Appearances

315.1 PURPOSE AND SCOPE

This policy establishes the guidelines for department members who must appear in court. It will allow the Ventura County District Attorney's Office to cover any related work absences and keep the Department informed about relevant legal matters.

315.2 POLICY

Ventura County District Attorney's Office members will respond appropriately to all subpoenas and any other court-ordered appearances.

315.3 SUBPOENAS

Only department members authorized to receive a subpoena on behalf of this department or any of its members may do so. This may be accomplished by personal service to the investigator or by delivery of two copies of the subpoena to the investigator's supervisor or other authorized departmental agent (Government Code § 68097.1; Penal Code § 1328(c)).

The party that issues a civil subpoena to an investigator to testify as a witness must tender the statutory fee of \$275 with the subpoena for each day that an appearance is required before service is accepted of the subpoena (Government Code § 68097.2).

An immediate supervisor or authorized individual may refuse to accept service for a criminal subpoena if (Penal Code § 1328(d)(e)):

- (a) He/she knows that he/she will be unable to deliver a copy of the subpoena to the named investigator within sufficient time for the named investigator to comply with the subpoena.
- (b) It is less than five working days prior to the date listed for an appearance and he/she is not reasonably certain that service can be completed.

If, after initially accepting service of a criminal subpoena, a supervisor or other authorized individual determines that he/she is unable to deliver a copy of the subpoena to the named investigator within sufficient time for the named investigator to comply with the subpoena, the supervisor or the subpoena clerk shall notify the server or the attorney named on the subpoena of such not less than 48 hours prior to the date listed for the appearance (Penal Code § 1328(f)).

315.3.1 SPECIAL NOTIFICATION REQUIREMENTS

Any member who is subpoenaed to testify, agrees to testify or provides information on behalf of or at the request of any party other than the County Counsel or the prosecutor shall notify his/her immediate supervisor without delay regarding:

- (a) Any civil case where the County or one of its members, as a result of his/her official capacity, is a party.

Subpoenas and Court Appearances

- (b) Any civil case where any other city, county, state or federal unit of government or a member of any such unit of government, as a result of his/her official capacity, is a party.
- (c) Any criminal proceeding where the member is called to testify or provide information on behalf of the defense.
- (d) Any civil action stemming from the member's on-duty activity or because of his/her association with the Ventura County District Attorney's Office.
- (e) Any personnel or disciplinary matter when called to testify or to provide information by a government entity other than the Ventura County District Attorney's Office.

The supervisor will then notify the Chief Investigator and the appropriate prosecuting attorney as may be indicated by the case. The Chief Investigator should determine if additional legal support is necessary.

No member shall be retaliated against for testifying in any matter.

315.3.2 CIVIL SUBPOENA

The Department will compensate members who appear in their official capacities on civil matters arising out of their official duties, as directed by the current memorandum of understanding or collective bargaining agreement.

The Department should seek reimbursement for the member's compensation through the civil attorney of record who subpoenaed the member.

315.3.3 OFF-DUTY RELATED SUBPOENAS

Members receiving valid subpoenas for off-duty actions not related to their employment or appointment will not be compensated for their appearance. Arrangements for time off shall be coordinated through their immediate supervisors.

315.4 FAILURE TO APPEAR

Any member who fails to comply with the terms of any properly served subpoena or court-ordered appearance may be subject to discipline. This includes properly served orders to appear that were issued by a state administrative agency.

315.5 STANDBY

To facilitate standby agreements, members are required to provide and maintain current information on their addresses and contact telephone numbers with the Department.

If a member on standby changes his/her location during the day, the member shall notify the designated department member of how he/she can be reached. Members are required to remain on standby until released by the court or the party that issued the subpoena.

315.6 COURTROOM PROTOCOL

When appearing in court, members shall:

Subpoenas and Court Appearances

- (a) Be punctual and prepared to proceed immediately with the case for which they are scheduled to appear.
- (b) Dress in business attire as further described in this manual.
- (c) Observe all rules of the court in which they are appearing and remain alert to changes in the assigned courtroom where their matter is to be heard.

315.6.1 TESTIMONY

Before the date of testifying, the subpoenaed member shall request a copy of relevant reports and become familiar with the content in order to be prepared for court.

315.7 OVERTIME APPEARANCES

When a member appears in court on his/her off-duty time, he/she will be compensated in accordance with the current memorandum of understanding or collective bargaining agreement.

Outside Agency Assistance

316.1 PURPOSE AND SCOPE

The District Attorney's Office-Bureau of Investigation may be requested to assist other agencies. This Bureau may also request an outside agency to provide assistance. Our policy is to provide assistance whenever possible, consistent with the applicable laws of arrest and policies of this Bureau.

316.1.1 ASSISTING OUTSIDE AGENCIES

Generally, calls for assistance from other agencies are routed to the Deputy Chief Investigator for approval.

316.1.2 REQUESTING ASSISTANCE FROM OUTSIDE AGENCIES

If assistance is needed from another agency, the employee requesting assistance shall first notify a supervisor of his/her intentions.

This does not apply in emergency situations.

Media Relations

317.1 PURPOSE AND SCOPE

This policy provides guidelines for media releases and media access to scenes of disasters, criminal investigations, emergencies and other law enforcement activities.

317.2 RESPONSIBILITIES

The ultimate authority and responsibility for the release of information to the media shall remain with the Chief Assistant District Attorney, however, in situations not warranting immediate notice to the District Attorney and in situations where the District Attorney has given prior approval, the Chief Assistant District Attorney, Chief Deputy District Attorneys, Chief Investigator and Deputy Chief Investigator may prepare and release information to the media in accordance with this policy and the applicable law.

317.2.1 MEDIA REQUEST

Any media request for information or access to a law enforcement situation shall be referred to the Chief Assistant District Attorney, Chief Deputy District Attorney of the affected division, or if unavailable the Chief Investigator. Prior to releasing any information to the media, employees shall consider the following:

- (a) No information relating to a pending case or any other Office matter will be discussed with any member of the media by a member of the Bureau of Investigation except with prior approval of the Chief Assistant District Attorney or Chief Investigator.
- (b) In situations involving multiple law enforcement agencies, every reasonable effort should be made to coordinate media releases with the authorized representative of each involved agency prior to the release of any information by this Office.
- (c) Under no circumstance should any member of this Bureau make any comment(s) to the media regarding any law enforcement incident not involving the Bureau without prior approval of the Chief Investigator.

317.3 MEDIA ACCESS

Authorized members of the media shall be provided access to scenes of disasters, criminal investigations, emergencies and other law enforcement activities subject to the following conditions (Penal Code § 409.5(d)):

- (a) The media representative shall produce valid press credentials that shall be prominently displayed at all times while in areas otherwise closed to the public.
- (b) Media representatives may be prevented from interfering with emergency operations and criminal investigations.
 - 1. Reasonable effort should be made to provide a safe staging area for the media that is near the incident and that will not interfere with emergency or

Media Relations

criminal investigation operations. All information released to the media should be coordinated through the office Chief Assistant District Attorney or other designated spokesperson.

2. Whenever the presence of media or other aircraft pose a threat to public or officer safety or significantly hampers incident operations, the field supervisor should consider requesting a Temporary Flight Restriction (TFR). All requests for a TFR should be routed through the Deputy Chief Investigator. The TFR request should include specific information regarding the perimeter and altitude necessary for the incident and should be requested through the appropriate control tower. If the control tower is not known, the Federal Aviation Administration should be contacted (14 CFR 91.137).
- (c) No member of this Bureau who is under investigation shall be subjected to media visits or interviews without the consent of the involved employee (Government Code § 3303(e)).
- (d) Media interviews with individuals who are in custody should not be permitted without the approval of the Chief Investigator and the express consent of the person in custody.

A tactical operation should be handled in the same manner as a crime scene, except the news media shall be permitted within the outer perimeter of the scene, subject to any restrictions as determined by the supervisor in charge. Bureau members shall not jeopardize a tactical operation in order to accommodate the news media. All comments to the media shall be coordinated through the Chief Assistant District Attorney or his/her designee.

Major Incident Notification

318.1 PURPOSE AND SCOPE

The purpose of this policy is to provide guidance to members of the Bureau in determining when, how and to whom notification of major incidents should be made.

318.2 MINIMUM CRITERIA FOR NOTIFICATION

Most situations where the media show a strong interest are also of interest to the District Attorney and Chief Investigator. The following list of incident types is provided as a guide for notification and is not intended to be all-inclusive:

- (a) Investigator involved shooting - on or off duty;
- (b) In-custody deaths;
- (c) Significant injury or death to employee - on or off duty;
- (d) Arrest of any office employee; and
- (e) Any event that would attract media attention related to the District Attorney's Office.

318.3 MANAGEMENT NOTIFICATION

In the event an incident occurs as described in this policy manual, the Chief Investigator shall be notified via chain of command as soon as practically possible. The Chief Investigator shall be responsible for notifying the Chief Assistant District Attorney and the District Attorney.

Limited English Proficiency Services

319.1 PURPOSE AND SCOPE

This policy provides guidance to members when communicating with individuals with limited English proficiency (LEP) (42 USC § 2000d).

319.1.1 DEFINITIONS

Definitions related to this policy include:

Authorized interpreter - A person who has been screened and authorized by the Bureau to act as an interpreter and/or translator for others.

Interpret or interpretation - The act of listening to a communication in one language (source language) and orally converting it to another language (target language), while retaining the same meaning.

Limited English proficient (LEP) - Any individual whose primary language is not English and who has a limited ability to read, write, speak or understand English. These individuals may be competent in certain types of communication (e.g., speaking or understanding) but still be LEP for other purposes (e.g., reading or writing). Similarly, LEP designations are context-specific; an individual may possess sufficient English language skills to function in one setting but these skills may be insufficient in other situations.

Qualified bilingual member - A member of the Ventura County District Attorney's Office, designated by the Bureau, who has passed a bilingual proficiency exam demonstrating their ability to communicate fluently, directly and accurately in both English and another language. Bilingual members may be fluent enough to communicate in a non-English language but may not be sufficiently fluent to interpret or translate from one language into another.

Translate or translation - The replacement of written text from one language (source language) into an equivalent written text (target language).

319.2 POLICY

It is the policy of the Bureau of Investigation to reasonably ensure that LEP individuals have meaningful access to law enforcement services, programs and activities, while not imposing undue burdens on its members.

The Bureau will not discriminate against or deny any individual access to services, rights or programs based upon national origin or any other protected interest or right.

319.3 FOUR-FACTOR ANALYSIS

Since there are many different languages that members could encounter, the Department will utilize the four-factor analysis outlined in the U.S. Department of Justice (DOJ) Guidance to Federal Financial Assistance Recipients, available at the DOJ website, to determine which measures will provide meaningful access to its services and programs. It is recognized that law

Limited English Proficiency Services

enforcement contacts and circumstances will vary considerably. This analysis, therefore, must remain flexible and will require an ongoing balance of four factors, which are:

- (a) The number or proportion of LEP individuals eligible to be served or likely to be encountered by department members, or who may benefit from programs or services within the jurisdiction of the Department or a particular geographic area.
- (b) The frequency with which LEP individuals are likely to come in contact with department members, programs or services.
- (c) The nature and importance of the contact, program, information or service provided.
- (d) The cost of providing LEP assistance and the resources available.

319.4 TYPES OF LEP ASSISTANCE AVAILABLE

Ventura County District Attorney's Office members should never refuse service to an LEP individual who is requesting assistance, nor should they require an LEP individual to furnish an interpreter as a condition for receiving assistance. The Department will make every reasonable effort to provide meaningful and timely assistance to LEP individuals through a variety of services.

The Department will utilize all reasonably available tools, such as language identification cards, when attempting to determine an LEP individual's primary language.

LEP individuals may choose to accept department-provided LEP services at no cost or they may choose to provide their own.

Department-provided LEP services may include, but are not limited to, the assistance methods described in this policy.

319.5 WRITTEN FORMS AND GUIDELINES

Vital documents or those that are frequently used should be translated into languages most likely to be encountered.

319.6 AUTHORIZED INTERPRETERS

Any person designated by the Bureau to act as an authorized interpreter and/or translator must have demonstrated competence in both English and the involved non-English language by passing a County bilingual Proficiency Exam, must have an understanding of the functions of an interpreter that allows for correct and effective translation, and should not be a person with an interest in the department case or investigation involving the LEP individual. A person providing interpretation or translation services may be required to establish the accuracy and trustworthiness of the interpretation or translation in a court proceeding.

Authorized interpreters must pass a bilingual exam established by the County of Ventura.

Limited English Proficiency Services

319.6.1 SOURCES OF AUTHORIZED INTERPRETERS

The Department may contract with authorized interpreters who are available over the telephone. Members may use these services with the approval of a supervisor and in compliance with established procedures.

Other sources may include:

- Qualified bilingual members of this department or personnel from other County departments.
- Individuals employed exclusively to perform interpretation services.
- Contracted in-person interpreters, such as state or federal court interpreters, among others.
- Interpreters from other agencies who have been qualified as interpreters by this department, and with whom the Department has a resource-sharing or other arrangement that they will interpret according to department guidelines.

319.6.2 COMMUNITY VOLUNTEERS AND OTHER SOURCES OF LANGUAGE ASSISTANCE

Language assistance may be available from community volunteers who have demonstrated competence in either monolingual (direct) communication and/or in interpretation or translation (as noted in above), and have been approved by the Department to communicate with LEP individuals.

Where qualified bilingual members or other authorized interpreters are unavailable to assist, approved community volunteers who have demonstrated competence may be called upon when appropriate. However, department members must carefully consider the nature of the contact and the relationship between the LEP individual and the volunteer to ensure that the volunteer can provide neutral and unbiased assistance.

While family or friends of an LEP individual may offer to assist with communication or interpretation, members should carefully consider the circumstances before relying on such individuals. For example, children should not be relied upon except in exigent or very informal and non-confrontational situations.

319.7 CONTACT AND REPORTING

While all law enforcement contacts, services and individual rights are important, this department will utilize the four-factor analysis to prioritize service to LEP individuals so that such services may be targeted where they are most needed, according to the nature and importance of the particular law enforcement activity involved.

Whenever any member of this department is required to complete a report or other documentation, and interpretation services are provided to any involved LEP individual, such services should be noted in the related report. Members should document the type of interpretation services utilized and whether the individual elected to use services provided by the Department or some other identified source.

Limited English Proficiency Services

319.8 RECEIVING AND RESPONDING TO REQUESTS FOR ASSISTANCE

The Ventura County District Attorney's Office will take reasonable steps and will work with the Department of Human Resources to develop in-house language capacity by hiring or appointing qualified members proficient in languages representative of the community being served.

319.9 FIELD ENFORCEMENT

Field enforcement will generally include such contacts as traffic stops, pedestrian stops, serving warrants and restraining orders, crowd/traffic control and other routine field contacts that may involve LEP individuals. The scope and nature of these activities and contacts will inevitably vary. Members and/or supervisors must assess each situation to determine the need and availability of language assistance to all involved LEP individuals and utilize the methods outlined in this policy to provide such assistance.

Although not every situation can be addressed in this policy, it is important that members are able to effectively communicate the reason for a contact, the need for information and the meaning or consequences of any enforcement action. For example, it would be meaningless to request consent to search if the investigator is unable to effectively communicate with an LEP individual.

If available, investigators should obtain the assistance of a qualified bilingual member or an authorized interpreter before placing an LEP individual under arrest.

319.10 INVESTIGATIVE FIELD INTERVIEWS

In any situation where an interview may reveal information that could be used as the basis for arrest or prosecution of an LEP individual and a qualified bilingual member is unavailable or lacks the skills to directly communicate with the LEP individual, an authorized interpreter should be used. This includes interviews conducted during an investigation with victims, witnesses and suspects. In such situations, audio recordings of the interviews should be made when reasonably possible. Identification and contact information for the interpreter (e.g., name, address) should be documented so that the person can be subpoenaed for trial if necessary.

If an authorized interpreter is needed, investigators should consider calling for an authorized interpreter in the following order:

- An authorized department member or allied agency interpreter
- An authorized telephone interpreter
- Any other authorized interpreter

Any *Miranda* warnings shall be provided to suspects in their primary language by an authorized interpreter or, if the suspect is literate, by providing a translated *Miranda* warning card.

The use of an LEP individual's bilingual friends, family members, children, neighbors or bystanders may be used only when a qualified bilingual member or authorized interpreter is unavailable and there is an immediate need to interview an LEP individual.

Limited English Proficiency Services

319.11 CUSTODIAL INTERROGATIONS

Miscommunication during custodial interrogations may have a substantial impact on the evidence presented in a criminal prosecution. Only qualified bilingual members or, if none is available or appropriate, authorized interpreters shall be used during custodial interrogations. *Miranda* warnings shall be provided to suspects in their primary language by the qualified bilingual member or an authorized interpreter.

In order to ensure that translations during custodial interrogations are accurately documented and are admissible as evidence, interrogations should be recorded whenever reasonably possible.

319.12 BOOKINGS

When gathering information during the booking process, members should remain alert to the impediments that language barriers can create. In the interest of the arrestee's health and welfare, the safety and security of the facility, and to protect individual rights, it is important that accurate medical screening and booking information be obtained. Members should seek the assistance of a qualified bilingual member whenever there is concern that accurate information cannot be obtained or that booking instructions may not be properly understood by an LEP individual.

319.13 COMPLAINTS

The Department shall ensure that LEP individuals who wish to file a complaint regarding members of this department are able to do so. The Department may provide an authorized interpreter or translated forms, as appropriate. Complaints will be referred to the Chief Investigator.

Investigations into such complaints shall be handled in accordance with the Personnel Complaints Policy. Authorized interpreters used for any interview with an LEP individual during an investigation should not be members of this department.

Any notice required to be sent to an LEP individual as a complaining party pursuant to the Personnel Complaints Policy should be translated or otherwise communicated in a language-accessible manner.

319.14 TRAINING

In an effort to ensure that all employees in public contact positions (or having contact with those in custody) are properly trained, this Bureau will provide periodic training in the following areas:

- a) Employee awareness of LEP policies, procedures, forms and available resources.
- b) Employees having contact with the public (or those in custody) are trained to work effectively with in-person and telephonic interpreters.
- c) Training for management staff, even if they may not interact regularly with LEP individuals, in order that they remain fully aware of, and understand this policy, so they can reinforce its importance and ensure its implementation by staff.

Communications with Persons with Disabilities

320.1 PURPOSE AND SCOPE

This policy provides guidance to members when communicating with individuals with disabilities, including those who are deaf or hard of hearing, have impaired speech or vision, or are blind.

320.1.1 DEFINITIONS

Definitions related to this policy include:

Auxiliary aids - Tools used to communicate with people who have a disability or impairment. They include, but are not limited to, the use of gestures or visual aids to supplement oral communication; a notepad and pen or pencil to exchange written notes; a computer or typewriter; an assistive listening system or device to amplify sound; a teletypewriter (TTY) or videophones (video relay service or VRS); taped text; qualified readers; or a qualified interpreter.

Disability or impairment - A physical or mental impairment that substantially limits a major life activity, including hearing or seeing, regardless of whether the disabled person uses assistive or adaptive devices or auxiliary aids. Individuals who wear ordinary eyeglasses or contact lenses are not considered to have a disability (42 USC § 12102).

Qualified interpreter - A person who is able to interpret effectively, accurately and impartially, both receptively and expressively, using any necessary specialized vocabulary. Qualified interpreters include oral interpreters, translators, sign language interpreters and intermediary interpreters.

320.2 POLICY

It is the policy of the Ventura County District Attorney's Office to reasonably ensure that people with disabilities, including victims, witnesses, suspects and arrestees have equal access to law enforcement services, programs and activities. Members must make efforts to communicate effectively with individuals with disabilities.

The Department will not discriminate against or deny any individual access to services, rights or programs based upon disabilities.

320.3 AMERICANS WITH DISABILITIES (ADA) COORDINATOR

The Chief Investigator shall delegate certain responsibilities to an ADA Coordinator (28 CFR 35.107). The ADA Coordinator shall be appointed by, and directly responsible, to the Deputy Chief Investigator or the authorized designee.

The responsibilities of the ADA Coordinator shall include, but not be limited to:

- (a) Working with the County ADA coordinator regarding the Ventura County District Attorney's Office's efforts to ensure equal access to services, programs and activities.
- (b) Developing reports, new procedures, or recommending modifications to this policy.

Communications with Persons with Disabilities

- (c) Acting as a liaison with local disability advocacy groups or other disability groups regarding access to department services, programs and activities.
- (d) Ensuring that a list of qualified interpreter services is maintained and available to the Deputy Chief Investigator. The list should include information regarding the following:
 - 1. Contact information
 - 2. Availability
- (e) Developing procedures that will enable members to access auxiliary aids or services, including qualified interpreters, and ensure the procedures are available to all members.
- (f) Ensuring signage is posted in appropriate areas, indicating that auxiliary aids are available free of charge to people with disabilities.
- (g) Ensuring appropriate processes are in place to provide for the prompt and equitable resolution of complaints and inquiries regarding discrimination in access to department services, programs and activities.

320.4 FACTORS TO CONSIDER

Because the nature of any law enforcement contact may vary substantially from one situation to the next, members of this department should consider all information reasonably available to them when determining how to communicate with an individual with a disability. Members should carefully balance all known factors in an effort to reasonably ensure people who are disabled have equal access to services, programs and activities. These factors may include, but are not limited to:

- (a) Members should not always assume that effective communication is being achieved. The fact that an individual appears to be nodding in agreement does not always mean he/she completely understands the message. When there is any doubt, members should ask the individual to communicate back or otherwise demonstrate their understanding.
- (b) The nature of the disability (e.g., deafness or blindness vs. hard of hearing or low vision).
- (c) The nature of the law enforcement contact (e.g., emergency vs. non-emergency, custodial vs. consensual contact).
- (d) The availability of auxiliary aids. The fact that a particular aid is not available does not eliminate the obligation to reasonably ensure access. However, in an emergency, availability may factor into the type of aid used.

320.5 INITIAL AND IMMEDIATE CONSIDERATIONS

Recognizing that various law enforcement encounters may be potentially volatile and/or emotionally charged, members should remain alert to the possibility of communication problems.

Communications with Persons with Disabilities

Members should exercise special care in the use of all gestures, and verbal and written communication to minimize initial confusion and misunderstanding when dealing with any individual with known or suspected disabilities.

In a non-emergency situation, when a member knows or suspects an individual requires assistance to effectively communicate, the member shall identify the individual's choice of auxiliary aid or service.

The individual's preferred communication method must be honored unless another effective method of communication exists under the circumstances (28 CFR 35.160).

Factors to consider when determining whether an alternative method is effective include:

- (a) The methods of communication usually used by the individual.
- (b) The nature, length and complexity of the communication involved.
- (c) The context of the communication.

In emergency situations involving an imminent threat to the safety or welfare of any person, members may use whatever auxiliary aids and services that reasonably appear effective under the circumstances. This may include, for example, exchanging written notes or using the services of a person who knows sign language but is not a qualified interpreter, even if the person who is deaf or hard of hearing would prefer a qualified sign language interpreter or another appropriate auxiliary aid or service. Once the emergency has ended, the continued method of communication should be reconsidered. The member should inquire as to the individual's preference and give primary consideration to that preference.

If an individual who is deaf, hard of hearing or has impaired speech must be handcuffed while in the custody of the Ventura County District Attorney's Office, consideration should be given, safety permitting, to placing the handcuffs in the front of the body to facilitate communication using sign language or writing.

320.6 TYPES OF ASSISTANCE AVAILABLE

Ventura County District Attorney's Office members shall never refuse to assist an individual with disabilities who is requesting assistance. The Department will not charge anyone to receive auxiliary aids, nor shall they require anyone to furnish their own auxiliary aid or service as a condition for receiving assistance. The Department will make every reasonable effort to provide equal access and timely assistance to individuals who are disabled through a variety of services.

A person who is disabled may choose to accept department-provided auxiliary aids or services or they may choose to provide their own.

Department-provided auxiliary aids or services may include, but are not limited to, the assistance methods described in this policy.

Communications with Persons with Disabilities

320.7 AUDIO RECORDINGS AND ENLARGED PRINT

The Department may develop audio recordings to assist people who are blind or have a visual impairment with accessing important information. If such a recording is not available, members may read aloud from the appropriate form, for example a personnel complaint form, or provide forms with enlarged print.

320.8 QUALIFIED INTERPRETERS

A qualified interpreter may be needed in lengthy or complex transactions (e.g., interviewing a victim, witness, suspect or arrestee), if the individual to be interviewed normally relies on sign language or speechreading (lip-reading) to understand what others are saying. The qualified interpreter should not be a person with an interest in the case or investigation involving the disabled individual. A person providing interpretation services may be required to establish the accuracy and trustworthiness of the interpretation in a court proceeding.

Qualified interpreters should be:

- (a) Available within a reasonable amount of time but in no event longer than one hour if requested.
- (b) Experienced in providing interpretation services related to law enforcement matters.
- (c) Familiar with the use of VRS and/or video remote interpreting services.
- (d) Certified in either American Sign Language (ASL) or Signed English (SE).
- (e) Able to understand and adhere to the interpreter role without deviating into other roles, such as counselor or legal adviser.
- (f) Knowledgeable of the ethical issues involved when providing interpreter services.

Members should use department-approved procedures to request a qualified interpreter at the earliest reasonable opportunity, and generally not more than 15 minutes after a request for an interpreter has been made or it is reasonably apparent that an interpreter is needed. No individual who is disabled shall be required to provide his/her own interpreter (28 CFR 35.160).

320.9 TTY AND RELAY SERVICES

In situations where an individual without a disability would have access to a telephone (e.g., booking or attorney contacts), members must also provide those who are deaf, hard of hearing or have impaired speech the opportunity to place calls using an available TTY (also known as a telecommunications device for deaf people, or TDD). Members shall provide additional time, as needed, for effective communication due to the slower nature of TTY and TDD communications.

The Department will accept all TTY or TDD calls placed by those who are deaf or hard of hearing and received via a telecommunications relay service (28 CFR 35.162).

Note that relay services translate verbatim, so the conversation must be conducted as if speaking directly to the caller.

Communications with Persons with Disabilities

320.10 COMMUNITY VOLUNTEERS

Interpreter services may be available from community volunteers who have demonstrated competence in communication services, such as ASL or SE, and have been approved by the Department to provide interpreter services.

Where qualified interpreters are unavailable to assist, approved community volunteers who have demonstrated competence may be called upon when appropriate. However, department members must carefully consider the nature of the contact and the relationship between the individual with the disability and the volunteer to ensure that the volunteer can provide neutral and unbiased assistance.

320.11 FAMILY AND FRIENDS

While family or friends may offer to assist with interpretation, members should carefully consider the circumstances before relying on such individuals. The nature of the contact and relationship between the individual with the disability and the person offering services must be carefully considered (e.g., victim/suspect).

Children shall not be relied upon except in emergency or critical situations when there is no qualified interpreter reasonably available.

Adults may be relied upon when (28 CFR 35.160):

- (a) There is an emergency or critical situation and there is no qualified interpreter reasonably available.
- (b) The person with the disability requests that the adult interpret or facilitate communication and the adult agrees to provide such assistance, and reliance on that adult for such assistance is reasonable under the circumstances.

320.12 REPORTING

Whenever any member of this department is required to complete a report or other documentation, and communication assistance has been provided, such services should be noted in the related report. Members should document the type of communication services utilized and whether the individual elected to use services provided by the Department or some other identified source. If the individual's express preference is not honored, the member must document why another method of communication was used.

All written communications exchanged in a criminal case shall be attached to the report or placed into evidence.

320.13 FIELD ENFORCEMENT

Field enforcement will generally include such contacts as traffic stops, pedestrian stops, serving warrants and restraining orders, crowd/traffic control and other routine field contacts that may involve individuals with disabilities. The scope and nature of these activities and contacts will inevitably vary.

Communications with Persons with Disabilities

The Department recognizes that it would be virtually impossible to provide immediate access to complete communication services to every member of this department. Members and/or supervisors must assess each situation and consider the length, complexity and importance of the communication, as well as the individual's preferred method of communication, when determining the type of resources to use and whether a qualified interpreter is needed.

Although not every situation can be addressed in this policy, it is important that members are able to effectively communicate the reason for a contact, the need for information and the meaning or consequences of any enforcement action. For example, it would be meaningless to verbally request consent to search if the investigator is unable to effectively communicate with an individual who is deaf or hard of hearing and requires communications assistance.

If available, investigators should obtain the assistance of a qualified interpreter before placing an individual with a disability under arrest. Individuals who are arrested and are assisted by service animals should be permitted to make arrangements for the care of such animals prior to transport.

320.13.1 FIELD RESOURCES

Examples of methods that may be sufficient for transactions, such as checking a license or giving directions to a location or for urgent situations such as responding to a violent crime in progress, may, depending on the circumstances, include such simple things as:

- (a) Hand gestures or visual aids with an individual who is deaf, hard of hearing or has impaired speech.
- (b) Exchange of written notes or communications.
- (c) Verbal communication with an individual who can speechread by facing the individual and speaking slowly and clearly.
- (d) Use of computer, word processing, personal communication device or similar device to exchange texts or notes.
- (e) Slowly and clearly speaking or reading simple terms to individuals who have a visual or mental impairment.

Members should be aware that these techniques may not provide effective communication as required by law and this policy depending on the circumstances.

320.14 CUSTODIAL INTERROGATIONS

In an effort to ensure that the rights of individuals who are deaf, hard of hearing or have speech impairment are protected during a custodial interrogation, this department will provide interpreter services before beginning an interrogation, unless exigent circumstances exist or the individual has made a clear indication that he/she understands the process and desires to proceed without an interpreter. The use of a video remote interpreting service should be considered, where appropriate, if a live interpreter is not available. *Miranda* warnings shall be provided to suspects who are deaf or hard of hearing by a qualified interpreter or by providing a written *Miranda* warning card.

Communications with Persons with Disabilities

In order to ensure that communications during custodial investigations are accurately documented and are admissible as evidence, interrogations should be recorded whenever reasonably possible.

320.15 ARREST AND BOOKINGS

If an individual with speech or hearing disabilities is arrested, the arresting investigator shall use department-approved procedures to provide a qualified interpreter at the place of arrest or booking as soon as reasonably practicable, unless the individual indicates that he/she prefers a different auxiliary aid or service or the investigator reasonably determines another effective method of communication exists under the circumstances.

When gathering information during the booking process, members should remain alert to the impediments that often exist when communicating with those who are deaf, hard of hearing, who have impaired speech or vision, are blind, or have other disabilities. In the interest of the arrestee's health and welfare, the safety and security of the facility and to protect individual rights, it is important that accurate medical screening and booking information be obtained. If necessary, members should seek the assistance of a qualified interpreter whenever there is concern that accurate information cannot be obtained or that booking instructions may not be properly understood by the individual.

Individuals who require and possess personally owned communication aids (e.g., hearing aids, cochlear processors) should be permitted to retain them while in custody.

320.16 COMPLAINTS

The Department shall ensure that individuals with disabilities who wish to file a complaint regarding members of this department are able to do so. The Department may provide a qualified interpreter or forms in enlarged print, as appropriate. Complaints will be referred to the department ADA Coordinator.

Investigations into such complaints shall be handled in accordance with the Personnel Complaints Policy. Qualified interpreters used during the investigation of a complaint should not be members of this Department.

320.17 TRAINING

To ensure that all members who may have contact with individuals who are disabled are properly trained, the Department will provide periodic training that should include:

- (a) Awareness and understanding of this policy and related procedures, related forms and available resources.
- (b) Procedures for accessing qualified interpreters and other available resources.
- (c) Working with in-person and telephone interpreters and related equipment.

The Training Manager shall be responsible for ensuring new members receive training related to interacting with individuals who have disabilities, including individuals who are deaf, hard of

Communications with Persons with Disabilities

hearing, who have impaired speech or vision, or are blind. Those who may have contact with such individuals should receive refresher training at least once every two years thereafter. The Training Manager shall maintain records of all training provided, and will retain a copy in each member's training file in accordance with established records retention schedules.

Mandatory Employer Notification

321.1 PURPOSE AND SCOPE

The purpose of this policy is to describe the requirements and procedures to follow when a public or private school employee (teacher and non-teacher) has been arrested by an investigator under certain circumstances.

321.2 MANDATORY SCHOOL EMPLOYEE ARREST REPORTING

In the event a school employee is arrested for any offense enumerated below, the Chief Investigator or his/her designee is required to report the arrest as follows.

321.2.1 ARREST OF PUBLIC SCHOOL TEACHER

In the event a public school teacher is arrested for any controlled substance offense enumerated in Health and Safety Code § 11590 or Health and Safety Code § 11364, in so far as that section relates to Health and Safety Code § 11054(d)(12), or for any of the offenses enumerated in Penal Code § 290, Penal Code § 261(a) or Education Code § 44010, the Chief Investigator or his/her designee is mandated to immediately notify by telephone the superintendent of the school district employing the teacher and to immediately give written notice of the arrest to the Commission on Teacher Credentialing and to the superintendent of schools in the county where the person is employed (Health and Safety Code § 11591; Penal Code § 291).

321.2.2 ARREST OF PUBLIC SCHOOL NON-TEACHER EMPLOYEE

In the event a public school non-teacher employee is arrested for any controlled substance offense enumerated in Health and Safety Code § 11590 or Health and Safety Code § 11364, in so far as that section relates to Health and Safety Code § 11054(d)(12), or for any of the offenses enumerated in Penal Code § 290, Penal Code § 261(a) or Education Code § 44010, the Chief Investigator or his/her designee is mandated to immediately notify by telephone the superintendent of the school district employing the non-teacher and to immediately give written notice of the arrest to the governing board of the school district employing the person (Health and Safety Code § 11591; Penal Code § 291).

321.2.3 ARREST OF PRIVATE SCHOOL TEACHER

In the event a private school teacher is arrested for any controlled substance offense enumerated in Health and Safety Code § 11590 or Health and Safety Code § 11364, in so far as that section relates to Health and Safety Code § 11054(d)(12), or for any of the offenses enumerated in Penal Code § 290 or Education Code § 44010, the Chief Investigator or his/her designee is mandated to immediately notify by telephone the private school authority employing the teacher and to immediately give written notice of the arrest to the private school authority employing the teacher (Health and Safety Code § 11591; Penal Code § 291.1).

Mandatory Employer Notification

321.2.4 ARREST OF COMMUNITY COLLEGE INSTRUCTOR

In the event a teacher or instructor employed in a community college district school is arrested for any controlled substance offense enumerated in Health and Safety Code § 11590 or Health and Safety § 11364, in so far as that section relates to Health and Safety Code § 11054(d)(9), or for any of the offenses enumerated in Penal Code § 290 or in Penal Code § 261(a)(1), the Chief Investigator or the authorized designee is mandated to immediately notify by telephone the superintendent of the community college district employing the person, and shall immediately give written notice of the arrest to the California Community Colleges Chancellor's Office (Health and Safety Code § 11591.5; Penal Code § 291.5).

321.3 POLICY

The Ventura County District Attorney's Office will meet the reporting requirements of California law to minimize the risks to children and others.

321.4 ARREST OF PERSONS EMPLOYED IN COMMUNITY CARE FACILITIES

In the event an employee of a community treatment facility, a day treatment facility, a group home, a short-term residential therapeutic program or a foster family agency is arrested for child abuse (as defined in Penal Code § 11165.6) and the employee is free to return to work where children are present, the investigating member shall notify the licensee of the charge of abuse (Health and Safety Code § 1522.2).

Off-Duty Law Enforcement Actions

322.1 PURPOSE AND SCOPE

The decision to become involved in a law enforcement action when off-duty can place an investigator as well as others at great risk and must be done with careful consideration. This policy is intended to provide guidelines for investigators of the Ventura County District Attorney's Office with respect to taking law enforcement action while off-duty.

322.2 POLICY

Initiating law enforcement action while off-duty is generally discouraged. Investigators should not attempt to initiate enforcement action when witnessing minor crimes, such as suspected intoxicated drivers, reckless driving or minor property crimes. Such incidents should be promptly reported to the appropriate law enforcement agency.

Investigators are not expected to place themselves in unreasonable peril. However, any sworn member of this Office who becomes aware of an incident or circumstance that he/she reasonably believes poses an imminent threat of serious bodily injury or death, or significant property damage may take reasonable action to minimize the threat.

When public safety or the prevention of major property damage requires immediate action, investigators should first consider reporting and monitoring the activity and only take direct action as a last resort.

322.3 FIREARMS

Investigators of this Bureau may carry firearms while off-duty in accordance with federal regulations and Office policy. All firearms and ammunition must meet guidelines as described in the Bureau Firearms and Qualification Policy. When carrying firearms while off-duty investigators shall also carry their department-issued badge and identification.

Investigators should refrain from carrying firearms when the consumption of alcohol is likely or when the need to carry a firearm is outweighed by safety considerations. Firearms shall not be carried by any investigator who has consumed an amount of an alcoholic beverage or taken any drugs or medications or any combination thereof that would tend to adversely affect the investigator's senses or judgment.

322.4 DECISION TO INTERVENE

There is no legal requirement for off-duty investigators to take law enforcement action. However, should investigators decide to intervene, they must evaluate whether the action is necessary or desirable, and should take into consideration the following:

- (a) The tactical disadvantage of being alone and the fact there may be multiple or hidden suspects.
- (b) The inability to communicate with responding units.

Off-Duty Law Enforcement Actions

- (c) The lack of equipment, such as handcuffs, OC or baton.
- (d) The lack of cover.
- (e) The potential for increased risk to bystanders if the off-duty investigator were to intervene.
- (f) Unfamiliarity with the surroundings.
- (g) The potential for the off-duty investigator to be misidentified by other peace officers or members of the public.

Investigators should consider waiting for on-duty uniformed investigators to arrive, and gather as much accurate intelligence as possible instead of immediately intervening.

322.4.1 INTERVENTION PROCEDURE

If involvement is reasonably necessary the investigator should attempt to call or have someone else call 9-1-1 to request immediate assistance. The dispatcher should be informed that an off-duty investigator is on-scene and should be provided a description of the officer if possible.

Whenever practicable, the investigator should loudly and repeatedly identify him/herself as an Ventura County District Attorney's Office investigator until acknowledged. Official identification should also be displayed.

322.4.2 INCIDENTS OF PERSONAL INTEREST

Investigators should refrain from handling incidents of personal interest, (e.g., family or neighbor disputes) and should remain neutral. In such circumstances investigators should call the responsible agency to handle the matter.

322.4.3 NON-SWORN RESPONSIBILITIES

Non-sworn personnel should not become involved in any law enforcement actions while off-duty except to notify the local law enforcement authority and remain at the scene, if safe and practicable.

322.5 REPORTING

Any off-duty investigator who engages in any law enforcement activity, regardless of jurisdiction, shall notify the Deputy Chief Investigator through the chain-of-command as soon as practicable. The Deputy Chief Investigator shall determine whether a memorandum should be filed by the employee.

Investigators should cooperate fully with the agency having jurisdiction in providing statements or reports as requested or as appropriate.

Adult Abuse

323.1 PURPOSE AND SCOPE

The purpose of this policy is to provide guidelines for the investigation and reporting of suspected abuse of certain adults who may be more vulnerable than others. This policy also addresses mandatory notification for Ventura County District Attorney's Office members as required by law.

323.1.1 DEFINITIONS

Definitions related to this policy include:

Adult abuse - Any offense or attempted offense involving violence or neglect of an adult victim when committed by a person responsible for the adult's care, or any other act that would mandate reporting or notification to a social service agency or law enforcement (Penal Code § 368).

Abuse of an elder (age 65 or older) or dependent adult - Physical abuse, neglect, financial abuse, abandonment, isolation, abduction, or other treatment with resulting physical harm or pain or mental suffering; or the deprivation by a care custodian of goods or services that are necessary to avoid physical harm or mental suffering. Neglect includes self-neglect (Welfare and Institutions Code § 15610.07; Penal Code § 368.5).

323.2 POLICY

The Ventura County District Attorney's Office will ensure all reported incidents of alleged adult abuse are investigated. These reported incidents may be referred to the appropriate law enforcement agency where the alleged incident occurred, or it may be determined the investigation will be conducted by this agency.

323.3 INVESTIGATIONS AND REPORTING

All reported or suspected cases of adult abuse require investigation and a report, even if the allegations appear unfounded or unsubstantiated.

Investigations and reports related to suspected cases of adult abuse should address, as applicable:

- (a) The overall basis for the contact. This should be done by the investigating investigator in all circumstances where a suspected adult abuse victim is contacted.

323.5 MANDATORY NOTIFICATION

Members of the Ventura County District Attorney's Office shall notify the local office of the California Department of Social Services (CDSS) APS agency when they reasonably suspect, have observed, or have knowledge of an incident that reasonably appears to be abuse of an elder (age 65 or older) or dependent adult, or are told by an elder or dependent adult that he/she has experienced abuse (Welfare and Institutions Code § 15630(b)).

Notification shall be made by telephone as soon as practicable and a written report shall be provided within two working days as provided in Welfare and Institutions Code § 15630(b)(c)).

A dependent adult is an individual, regardless of whether the individual lives independently, between 18 and 64 years of age who has physical or mental limitations that restrict his/her ability to carry out normal activities or to protect his/her rights, including but not limited to persons who have physical or developmental disabilities or whose physical or mental abilities have diminished because of age. This also includes those admitted as inpatients to a 24-hour health facility, as defined in state law (Welfare and Institutions Code § 15610.23).

Notification shall also be made to the following agencies as soon as practicable or as provided below (Welfare and Institutions Code § 15630):

- (a) If the abuse is physical abuse and occurred in a long-term care facility (not a state mental health hospital or a state developmental center) notification shall be made as follows (Welfare and Institutions Code § 15630(b)(1)):
 - 1. If there is serious bodily injury, notification shall be made by telephone and, within two hours, a written report shall be made to the local ombudsman and the corresponding licensing agency.
 - 2. If there is physical abuse and no serious bodily injury, notification shall be made by telephone and, within 24 hours, a written report shall be made to the local ombudsman and the corresponding licensing agency.
 - 3. If the abuse is allegedly caused by a resident with dementia and there is no serious bodily injury, notification shall be made by telephone and a written report to the local ombudsman within 24 hours.
 - 4. When a report of abuse is received by the [Department/Office], the local ombudsman shall be called to coordinate efforts to provide the most immediate and appropriate response (Welfare and Institutions Code § 15630(b)).
- (b) If the abuse is in a long-term care facility (not a state mental health or a state developmental center) and is other than physical abuse, a telephone report and a written report shall be made to the local ombudsman as soon as practicable (Welfare and Institutions Code § 15630(b)).
- (c) The California Department of Public Health (DPH) shall be notified of all known or suspected abuse in a long-term care facility.
- (d) The SDSS shall be notified of all known or suspected abuse occurring in a residential care facility for the elderly or in an adult day program.

Adult Abuse

- (e) If the abuse occurred in an adult day health care center, DPH and the California Department of Aging shall be notified.
- (f) The Bureau of Medi-Cal Fraud and Elder Abuse shall be notified of all abuse that constitutes criminal activity in a long-term care facility.
- (g) The District Attorney's office shall be notified of all cases of physical abuse and financial abuse in a long-term care facility.
- (h) If the abuse occurred at a state mental hospital or a state developmental center, notification shall be made to the designated investigators of the California Department of State Hospitals or the California Department of Developmental Services as soon as practicable but no later than two hours after law enforcement becomes aware of the abuse (Welfare and Institutions Code § 15630(b)).
 - 1. When a report of abuse is received by the [Department/Office], investigation efforts shall be coordinated with the designated investigators of the California Department of State Hospitals or the California Department of Developmental Services (Welfare and Institutions Code § 15630(b)).
- (i) If during an investigation it is determined that the adult abuse is being committed by a licensed health practitioner as identified in Welfare and Institutions Code § 15640(b), the appropriate licensing agency shall be immediately notified (Welfare and Institutions Code § 15640(b)).
- (j) When the [Department/Office] receives a report of abuse, neglect or abandonment of an elder or dependent adult alleged to have occurred in a long-term care facility, the licensing agency shall be notified by telephone as soon as practicable (Welfare and Institutions Code § 15640(e)).

The Bureau of Investigation supervisor is responsible for ensuring that proper notifications have occurred to the District Attorney's Office and any other regulatory agency that may be applicable based upon where the abuse took place (e.g., care facility, hospital) per Welfare and Institutions Code § 15630(b).

Notification is not required for a person who was merely present when a person self-administered a prescribed aid-in-dying drug or a person prepared an aid-in-dying drug so long as the person did not assist the individual in ingesting the aid-in-dying drug (Health and Safety Code § 443.14; Health and Safety Code § 443.18).

323.5.1 NOTIFICATION PROCEDURE

Notification should include the following information, if known (Welfare and Institutions Code § 15630(e)):

- (a) The name of the person making the report.
- (b) The name and age of the elder or dependent adult.

Adult Abuse

- (e) The nature and extent of the condition of the elder or dependent adult.
- (f) The date of incident.
- (g) Any other information, including information that led the person to suspect elder or dependent adult abuse.

323.6 PROTECTIVE CUSTODY

Before taking an adult abuse victim into protective custody when facts indicate the adult may not be able to care for him/herself, the investigator should make reasonable attempts to contact APS. Generally, removal of an adult abuse victim from his/her family, guardian or other responsible adult should be left to the welfare authorities when they are present or have become involved in an investigation.

Generally, members of this [department/office] should remove an adult abuse victim from his/her family or guardian without a court order only when no other effective alternative is reasonably available and immediate action reasonably appears necessary to protect the victim. Prior to taking an adult abuse victim into protective custody, the investigator should take reasonable steps to deliver the adult to another qualified legal guardian, unless it reasonably appears that the release would endanger the victim or result in abduction. If this is not a reasonable option, the investigator shall ensure that the adult is delivered to APS.

Whenever practicable, the investigator should inform a supervisor of the circumstances prior to taking an adult abuse victim into protective custody. If prior notification is not practicable, investigators should contact a supervisor promptly after taking the adult into protective custody.

When adult abuse victims are under state control, have a state-appointed guardian or there are other legal holdings for guardianship, it may be necessary or reasonable to seek a court order on behalf of the adult victim to either remove the adult from a dangerous environment (protective custody) or restrain a person from contact with the adult.

323.6.1 EMERGENCY PROTECTIVE ORDERS

In any situation which an investigator reasonably believes that an elder or dependent adult is in immediate and present danger of abuse based on an allegation of a recent incident of abuse or threat of abuse (other than financial abuse alone), the investigator may seek an emergency protective order against the person alleged to have committed or threatened such abuse (Family Code § 6250(d)).

323.7 INTERVIEWS

323.7.1 PRELIMINARY INTERVIEWS

Absent extenuating circumstances or impracticality, investigators should audio record the preliminary interview with a suspected adult abuse victim. Investigators should avoid multiple interviews with the victim and should attempt to gather only the information necessary to begin an

Adult Abuse

investigation. When practicable, investigating investigators should defer interviews until a person who is specially trained in such interviews is available.

323.7.2 DETAINING VICTIMS FOR INTERVIEWS

An investigator should not detain an adult involuntarily who is suspected of being a victim of abuse solely for the purpose of an interview or physical exam without his/her consent or the consent of a guardian unless one of the following applies:

- (a) Exigent circumstances exist, such as:
 - 1. A reasonable belief that medical issues of the adult need to be addressed immediately.
 - 2. A reasonable belief that the adult is or will be in danger of harm if the interview or physical exam is not immediately completed.
 - 3. The alleged offender is a family member or guardian and there is reason to believe the adult may be in continued danger.
- (b) A court order or warrant has been issued.

323.8 MEDICAL EXAMINATIONS

When an adult abuse investigation requires a medical examination, the investigating investigator should obtain consent for such examination from the victim, guardian, agency or entity having legal custody of the adult. The investigator should also arrange for the adult's transportation to the appropriate medical facility.

In cases where the alleged offender is a family member, guardian, agency or entity having legal custody and is refusing to give consent for the medical examination, investigators should notify a supervisor before proceeding. If exigent circumstances do not exist or if state law does not provide for investigators to take the adult for a medical examination, the supervisor should consider other government agencies or services that may obtain a court order for such an examination.

323.9 DRUG-ENDANGERED VICTIMS

A coordinated response by law enforcement and social services agencies is appropriate to meet the immediate and longer-term medical and safety needs of an adult abuse victim who has been exposed to the manufacturing, trafficking or use of narcotics.

323.9.1 SUPERVISOR RESPONSIBILITIES

The Bureau of Investigation supervisor should:

- (a) Work with professionals from the appropriate agencies, including APS, other law enforcement agencies, medical service providers and local prosecutors, to develop community specific procedures for responding to situations where there are adult abuse victims endangered by exposure to methamphetamine labs or the manufacture and trafficking of other drugs.
- (b) Activate any available interagency response when an investigator notifies the Bureau of Investigation supervisor that he/she has responded to a drug lab or other narcotics

Adult Abuse

crime scene where an adult abuse victim is present or where evidence indicates that an adult abuse victim lives.

- (c) Develop a report format or checklist for use when investigators respond to drug labs or other narcotics crime scenes. The checklist will help investigators document the environmental, medical, social and other conditions that may affect the adult.

323.9.2 INVESTIGATOR RESPONSIBILITIES

Investigators responding to a drug lab or other narcotics crime scene where an adult abuse victim is present or where there is evidence that an adult abuse victim lives should:

- (a) Document the environmental, medical, social and other conditions of the adult, using photography as appropriate and the checklist or form developed for this purpose.
- (b) Notify the Bureau of Investigation supervisor so an interagency response can begin.

323.9.3 SUPERVISOR RESPONSIBILITIES

The Bureau of Investigation supervisor should:

- (a) Work with professionals from the appropriate agencies, including APS, other law enforcement agencies, medical service providers and local prosecutors, to develop community specific procedures for responding to situations where there are adult abuse victims endangered by exposure to methamphetamine labs or the manufacture and trafficking of other drugs.
- (b) Activate any available interagency response when an investigator notifies the Bureau of Investigation supervisor that he/she has responded to a drug lab or other narcotics crime scene where an adult abuse victim is present or where evidence indicates that an adult abuse victim lives.
- (c) Develop a report format or checklist for use when investigators respond to drug labs or other narcotics crime scenes. The checklist will help investigators document the environmental, medical, social and other conditions that may affect the adult.

323.10 JURISDICTION

The Ventura County District Attorney's Office has concurrent jurisdiction with state law enforcement agencies when investigating elder and dependent adult abuse and all other crimes against elder victims and victims with disabilities (Penal Code § 368.5).

Adult protective services agencies and local long-term care ombudsman programs also have jurisdiction within their statutory authority to investigate elder and dependent adult abuse and criminal neglect and may assist in criminal investigations upon request in such cases. However, this [department/office] will retain responsibility for the criminal investigations (Penal Code § 368.5).

Gun Violence Restraining Orders

327.1 PURPOSE AND SCOPE

The purpose of this policy is to provide guidelines for petitioning and serving gun violence restraining orders and accounting for the firearms obtained pursuant to those orders (Penal Code § 18108).

327.1.1 DEFINITIONS

Definitions related to this policy include:

Gun violence restraining order - Civil restraining order prohibiting a named person from controlling, owning, purchasing, possessing, receiving, or otherwise having custody of any firearms or ammunition, including an ammunition magazine (Penal Code § 18100).

327.2 POLICY

It is the policy of the Ventura County District Attorney's Office to petition and serve gun violence restraining orders in compliance with state law and to properly account for firearms and ammunition obtained by the Office pursuant to such orders.

327.3 GUN VIOLENCE RESTRAINING ORDERS

An Investigator who reasonably believes a person is a present danger to him/herself or another person by controlling, owning, purchasing, possessing, receiving, or otherwise having custody of a firearm may request permission from his/her supervisor to petition the court for a gun violence restraining order.

Investigator's petitioning the court should use the forms established by the Judicial Council (Penal Code § 18105). The petition should describe the number, types, and locations of any firearms and ammunition that the Investigator believes to be possessed or controlled by the person (Penal Code § 18107). The petition should also describe why less-restrictive alternatives are ineffective or inadequate for the circumstances (Penal Code § 18125; Penal Code § 18150; Penal Code § 18175).

If it is not practical under the circumstances to submit a written petition, an Investigator may orally request a temporary order (Penal Code § 18140).

327.3.1 ADDITIONAL CONSIDERATIONS

Investigators should also consider requesting permission to petition the court for a gun violence restraining order (Penal Code § 18108):

- (a) When responding to a domestic disturbance where the residence is associated with a firearm registration or record.
- (b) When responding to any call or incident when a firearm is present or when one of the involved parties owns or possesses a firearm.

Gun Violence Restraining Orders

- (c) During a contact with a person exhibiting mental health issues, including suicidal thoughts, statements, or actions if that person owns or possesses a firearm.

Investigators should consider obtaining a mental health evaluation if the encounter involves a situation where there is a reasonable cause to believe that the person poses an immediate and present danger of causing personal injury to themselves or another person by having custody or control of a firearm (see the Mental Illness Commitments Policy) (Penal Code § 18108).

327.4 SERVICE OF GUN VIOLENCE RESTRAINING ORDERS

An Investigator serving any gun violence restraining order shall:

- (a) Verbally ask the subject of the order if he/she has any firearm, ammunition, or magazine in his/her possession or under his/her custody or control (Penal Code § 18160).
- (b) Request that any firearms or ammunition be immediately surrendered and issue a receipt for the surrendered items (Penal Code § 18120).
- (c) Take into temporary custody any firearm or other deadly weapon discovered in plain view or pursuant to consent or other lawful search (Penal Code § 18250).
- (d) Inform the restrained person of any scheduled hearing regarding the order (Penal Code § 18160).
- (e) Transmit the original proof of service form to the issuing court as soon as practicable but within one business day (Penal Code § 18115).
- (f) As soon as practicable, but by the end of his/her shift, submit proof of service to the Staff Services Manager for prompt entry into the California Restraining and Protective Order System (Penal Code § 18115).

The Investigator should also inform the restrained person that he/she is required, within 24 hours, to surrender to a law enforcement agency any other firearms and ammunition he/she owns or that are in his/her custody or control or sell them to a firearms dealer. This notification should be documented.

All firearms and ammunition collected shall be handled and booked in accordance with the Property and Evidence Policy.

327.4.1 TEMPORARY EMERGENCY GUN VIOLENCE RESTRAINING ORDERS

An Investigator requesting a temporary emergency gun violence restraining order shall (Penal Code § 18140):

- (a) For oral requests, sign a declaration under penalty of perjury reciting the oral statements provided to the judicial officer and memorialize the order of the court on the form approved by the Judicial Council.
- (b) Serve the order on the restrained person if the person can be reasonably located.

328.1.1 DEFINITIONS

Definitions related to this policy include (43 CFR 10.2):

Funerary objects and associated funerary objects - Objects that, as part of the death rite or ceremony of a culture, are reasonably believed to have been placed intentionally at the time of death or later with or near individual human remains, or that were made exclusively for burial purposes or to contain human remains.

Native American human remains - The physical remains of the body of a person of Native American ancestry.

Objects of cultural patrimony - Objects having ongoing historical, traditional or cultural importance that is central to the Native American group or culture itself and therefore cannot be appropriated or conveyed by any individual, including members of the Native American group or Native Hawaiian organization. Such objects must have been considered inalienable by the Native American group at the time the object was separated from the group.

Sacred objects - Specific ceremonial objects needed by traditional Native American religious leaders for the practice of traditional Native American religions.

328.2 POLICY

It is the policy of the Ventura County District Attorney's Office that the protection of Native American human remains, funerary objects, associated funerary objects, sacred objects or objects of cultural patrimony is the responsibility of all members. Such protection includes minimizing destruction, contamination, inadvertent disruption or complicated custody transfer processes.

328.3 COMPLIANCE WITH THE NATIVE AMERICAN GRAVES PROTECTION AND REPATRIATION ACT

Upon discovery or arrival upon a scene where it reasonably appears that a Native American grave, human remains, funerary objects, associated funerary objects, sacred objects or objects of cultural patrimony are exposed or otherwise unsecured, members shall secure the site in the same manner as a crime scene. All activity at the scene other than scene preservation activity must cease (43 CFR 10.4).

Handcuffing and Restraints

329.1 PURPOSE AND SCOPE

This policy provides guidelines for the use of handcuffs and other restraints during detentions and arrests.

329.2 POLICY

The Ventura County District Attorney's Office authorizes the use of restraint devices in accordance with this policy, the Use of Force Policy, and [department/office] training. Restraint devices shall not be used to punish, to display authority, or as a show of force.

329.3 USE OF RESTRAINTS

Only members who have successfully completed Ventura County District Attorney's Office-approved training on the use of restraint devices described in this policy are authorized to use these devices.

When deciding whether to use any restraint, investigators should carefully balance officer safety concerns with factors that include but are not limited to:

- The circumstances or crime leading to the arrest.
- The demeanor and behavior of the arrested person.
- The age and health of the person.
- Whether the person is known to be pregnant.
- Whether the person has a hearing or speaking disability. In such cases, consideration should be given, safety permitting, to handcuffing to the front in order to allow the person to sign or write notes.
- Whether the person has any other apparent disability.

329.3.1 RESTRAINT OF DETAINEES

Situations may arise where it may be reasonable to restrain a person who may, after brief investigation, be released without arrest. Unless arrested, the use of restraints on detainees should continue only for as long as is reasonably necessary to ensure the safety of investigators and others. When deciding whether to remove restraints from a detainee, investigators should continuously weigh the safety interests at hand against the continuing intrusion upon the detainee.

329.3.2 RESTRAINT OF PREGNANT PERSONS

Persons who are known to be pregnant should be restrained in the least restrictive manner that is effective for officer safety. Leg irons, waist chains, or handcuffs behind the body should not be used unless the investigator has a reasonable suspicion that the person may resist, attempt escape, injure self or others, or damage property.

Handcuffing and Restraints

No person who is in labor, delivery, or recovery after delivery shall be handcuffed or restrained except in extraordinary circumstances and only when a supervisor makes an individualized determination that such restraints are necessary for the safety of the arrestee, investigators, or others (Penal Code § 3407; Penal Code § 6030).

329.3.3 RESTRAINT OF JUVENILES

A juvenile under 14 years of age should not be restrained unless he/she is suspected of a dangerous felony or when the investigator has a reasonable suspicion that the juvenile may resist, attempt escape, injure him/herself, injure the investigator, or damage property.

329.3.4 NOTIFICATIONS

Whenever an investigator transports a person with the use of restraints other than handcuffs, the investigator shall inform the jail staff upon arrival at the jail that restraints were used. This notification should include information regarding any other circumstances the investigator reasonably believes would be potential safety concerns or medical risks to the person (e.g., prolonged struggle, extreme agitation, impaired respiration) that may have occurred prior to, or during, transportation to the jail.

329.4 APPLICATION OF HANDCUFFS OR PLASTIC CUFFS

Handcuffs, including temporary nylon or plastic cuffs, may be used only to restrain a person's hands to ensure officer safety.

Although recommended for most arrest situations, handcuffing is discretionary and not an absolute requirement of the [Department/Office]. Investigators should consider handcuffing any person they reasonably believe warrants that degree of restraint. However, investigators should not conclude that in order to avoid risk every person should be handcuffed, regardless of the circumstances.

In most situations, handcuffs should be applied with the hands behind the person's back. When feasible, handcuffs should be double-locked to prevent tightening, which may cause undue discomfort or injury to the hands or wrists.

In situations where one pair of handcuffs does not appear sufficient to restrain the person or may cause unreasonable discomfort due to the person's size, investigators should consider alternatives, such as using an additional set of handcuffs or multiple plastic cuffs.

Handcuffs should be removed as soon as it is reasonable or after the person has been searched and is safely confined within a detention facility.

329.5 APPLICATION OF SPIT HOODS

Spit hoods are temporary protective devices designed to prevent the wearer from biting and/or transferring or transmitting fluids (saliva and mucous) to others.

Spit hoods may be placed upon persons in custody when the investigator reasonably believes the person will bite or spit, either on a person or in an inappropriate place. They are generally used during application of a physical restraint, while the person is restrained, or during or after transport.

Handcuffing and Restraints

Investigators utilizing spit hoods should ensure that the spit hood is fastened properly to allow for adequate ventilation and so that the restrained person can breathe normally. Investigators should provide assistance during the movement of a restrained person due to the potential for impairing or distorting that person's vision. Investigators should avoid comingling those wearing spit hoods with other detainees.

Spit hoods should not be used in situations where the restrained person is bleeding profusely from the area around the mouth or nose, or if there are indications that the person has a medical condition, such as difficulty breathing or vomiting. In such cases, prompt medical care should be obtained. If the person vomits while wearing a spit hood, the spit hood should be promptly removed and discarded. Persons who have been sprayed with oleoresin capsicum (OC) spray should be thoroughly decontaminated, including hair, head, and clothing, prior to application of a spit hood.

Those who have been placed in a spit hood should be continually monitored and shall not be left unattended until the spit hood is removed. Spit hoods shall be discarded after each use.

329.6 APPLICATION OF AUXILIARY RESTRAINT DEVICES

Auxiliary restraint devices include transport belts, waist or belly chains, transportation chains, leg irons, and other similar devices. Auxiliary restraint devices are intended for use during long-term restraint or transportation. They provide additional security and safety without impeding breathing, while permitting adequate movement, comfort, and mobility.

Only [department/office]-authorized devices may be used. Any person in auxiliary restraints should be monitored as reasonably appears necessary.

329.7 APPLICATION OF LEG RESTRAINT DEVICES

Leg restraints may be used to restrain the legs of a violent or potentially violent person when it is reasonable to do so during the course of detention, arrest, or transportation. Only restraint devices approved by the [Department/Office] shall be used.

In determining whether to use the leg restraint, investigators should consider:

- (a) Whether the investigator or others could be exposed to injury due to the assaultive or resistant behavior of a person.
- (b) Whether it is reasonably necessary to protect the person from his/her own actions (e.g., hitting his/her head against the interior of the patrol vehicle, running away from the arresting investigator while handcuffed, kicking at objects or investigators).
- (c) Whether it is reasonably necessary to avoid damage to property (e.g., kicking at windows of the patrol vehicle).

329.7.1 GUIDELINES FOR USE OF LEG RESTRAINTS

When applying leg restraints, the following guidelines should be followed:

- (a) If practicable, investigators should notify a supervisor of the intent to apply the leg restraint device. In all cases, a supervisor shall be notified as soon as practicable after the application of the leg restraint device.

Handcuffing and Restraints

- (b) Once applied, absent a medical or other emergency, restraints should remain in place until the investigator arrives at the jail or other facility or the person no longer reasonably appears to pose a threat.
- (c) Once secured, the person should be placed in a seated or upright position, secured with a seat belt, and shall not be placed on his/her stomach for an extended period, as this could reduce the person's ability to breathe.
- (d) The restrained person should be continually monitored by an investigator while in the leg restraint. The investigator should ensure that the person does not roll onto and remain on his/her stomach.
- (e) The investigator should look for signs of labored breathing and take appropriate steps to relieve and minimize any obvious factors contributing to this condition.
- (f) When transported by emergency medical services, the restrained person should be accompanied by an investigator when requested by medical personnel. The transporting investigator should describe to medical personnel any unusual behaviors or other circumstances the investigator reasonably believes would be potential safety or medical risks to the person (e.g., prolonged struggle, extreme agitation, impaired respiration).

329.8 REQUIRED DOCUMENTATION

If a person is restrained and released without an arrest, the investigator shall document the details of the detention and the need for handcuffs or other restraints.

If a person is arrested, the use of handcuffs or other restraints shall be documented in the related report.

Investigators should document the following information in reports, as appropriate, when restraints other than handcuffs are used on a person:

- (a) The factors that led to the decision to use restraints.
- (b) Supervisor notification and approval of restraint use.
- (c) The types of restraint used.
- (d) The amount of time the person was restrained.
- (e) How the person was transported and the position of the person during transport.
- (f) Observations of the person's behavior and any signs of physiological problems.
- (g) Any known or suspected drug use or other medical problems.

329.9 TRAINING

Subject to available resources, the Training Manager should ensure that investigators receive periodic training on the proper use of handcuffs and other restraints, including:

- (a) Proper placement and fit of handcuffs and other restraint devices approved for use by the [Department/Office].
- (b) Response to complaints of pain by restrained persons.

Handcuffing and Restraints

- (c) Options for restraining those who may be pregnant without the use of leg irons, waist chains, or handcuffs behind the body.
- (d) Options for restraining amputees or those with medical conditions or other physical conditions that may be aggravated by being restrained.

Chapter 4 - Patrol Operations

Cite and Release Policy

400.1 PURPOSE AND SCOPE

This policy provides guidance on when to release adults who are arrested for a criminal misdemeanor offense on a written notice to appear (citation) and when to hold for court or bail.

400.2 POLICY

It is the policy of the Ventura County District Attorney's Office to release all persons arrested on misdemeanor or other qualifying charges on a citation with certain exceptions (Penal Code § 853.6).

If there is a reason for non-release, the [Department/Office]'s mission to protect the community will be the primary consideration when determining whether to release any individual in lieu of holding for court or bail.

400.3 OFFICE PROCEDURE

The following procedure will be followed to comply with this law.

400.3.1 FIELD CITATIONS

In most cases an adult arrested for a misdemeanor offense may be released in the field on a citation in lieu of physical arrest when booking and fingerprinting is not practicable or immediately required provided the individual can be satisfactorily identified, there is no outstanding arrest warrant for the individual and none of the below described disqualifying circumstances are present (Penal Code § 853.6; Penal Code § 1270.1). In such cases the arresting investigator should check the booking required box on the citation form to indicate that the person will be photographed and fingerprinted at a later time when ordered by the court.

When a booking photo or fingerprints are needed for the furtherance of any investigation, the person should be released on citation after booking instead of on a field citation.

400.4 REQUESTING CASE NUMBERS

Many cases involving a criminal citation release can be handled without requesting a case number. Traffic situations and local code violations can be documented on the reverse side of the records copy of the citation. Most Penal Code sections will require a case number to document the incident properly in a report. This section does not preclude an investigator from requesting a case number if he/she feels the situation should be documented more thoroughly in a case report.

Foreign Diplomatic and Consular Representatives

401.1 PURPOSE AND SCOPE

This policy provides guidelines to ensure that members of the Ventura County District Attorney's Office extend appropriate privileges and immunities to foreign diplomatic and consular representatives in accordance with international law.

401.2 POLICY

The Ventura County District Attorney's Office respects international laws related to the special privileges and immunities afforded foreign diplomatic and consular representatives assigned to the United States.

All foreign diplomatic and consular representatives shall be treated with respect and courtesy, regardless of any privileges or immunities afforded them.

401.3 CLAIMS OF IMMUNITY

If a member comes into contact with a person where law enforcement action may be warranted and the person claims diplomatic or consular privileges and immunities, the member should, without delay:

- (a) Notify a supervisor.
- (b) Advise the person that his/her claim will be investigated and he/she may be released in accordance with the law upon confirmation of the person's status.
- (c) Request the person's identification card, either issued by the U.S. Department of State (DOS), Office of the Chief of Protocol, or in the case of persons accredited to the United Nations, by the U.S. Mission to the United Nations. These are the only reliable documents for purposes of determining privileges and immunities.
- (d) Contact the DOS Diplomatic Security Command Center at 571-345-3146 or toll free at 866-217-2089, or at another current telephone number and inform the center of the circumstances.
- (e) Verify the immunity status with DOS and follow any instructions regarding further detention, arrest, prosecution and/or release, as indicated by the DOS representative. This may require immediate release, even if a crime has been committed.

Identity or immunity status should not be presumed from the type of license plates displayed on a vehicle. If there is a question as to the status or the legitimate possession of a Diplomat or Consul license plate, a query should be run via the National Law Enforcement Telecommunications System (NLETS), designating "US" as the state.

Foreign Diplomatic and Consular Representatives

401.4 ENFORCEMENT

If the DOS is not immediately available for consultation regarding law enforcement action, members shall be aware of the following:

- (a) Generally, all persons with diplomatic and consular privileges and immunities may be issued a citation or notice to appear. However, the person may not be compelled to sign the citation.
- (b) All persons, even those with a valid privilege or immunity, may be reasonably restrained in exigent circumstances for purposes of self-defense, public safety or the prevention of serious criminal acts.
- (c) An impaired foreign diplomatic or consular representative may be prevented from driving a vehicle, even if the person may not be arrested due to privileges and immunities.
 - 1. Investigations, including the request for field sobriety tests, chemical tests and any other tests regarding impaired driving may proceed but they shall not be compelled.
- (d) The following persons may not be detained or arrested, and any property or vehicle owned by these persons may not be searched or seized:
 - 1. Diplomatic-level staff of missions to international organizations and recognized family members
 - 2. Diplomatic agents and recognized family members
 - 3. Members of administrative and technical staff of a diplomatic mission and recognized family members
 - 4. Career consular officers, unless the person is the subject of a felony warrant
- (e) The following persons may generally be detained and arrested:
 - 1. International organization staff; however, some senior officers are entitled to the same treatment as diplomatic agents.
 - 2. Support staff of missions to international organizations
 - 3. Diplomatic service staff and consular employees; however, special bilateral agreements may exclude employees of certain foreign countries.
 - 4. Honorary consular officers
 - 5. Whenever an investigator arrests and incarcerates, or detains for investigation for over two hours, a person with diplomatic and consular privileges and immunities, the investigator shall promptly advise the person that he/she is entitled to have his/her government notified of the arrest or detention (Penal Code § 834c). If the individual wants his/her government notified, the investigator shall begin the notification process.

Foreign Diplomatic and Consular Representatives

401.5 DOCUMENTATION

All contacts with persons who have claimed privileges and immunities afforded foreign diplomatic and consular representatives should be thoroughly documented and the related reports forwarded to DOS.

Rapid Response and Deployment

402.1 PURPOSE AND SCOPE

Violence that is committed in schools, workplaces and other locations by individuals or a group of individuals who are determined to target and kill persons and to create mass casualties presents a difficult situation for law enforcement. The purpose of this policy is to identify guidelines and factors that will assist responding investigators in situations that call for rapid response and deployment.

402.2 POLICY

The Ventura County District Attorney's Office will endeavor to plan for rapid response to crisis situations, and to coordinate response planning with other emergency services as well as with those that are responsible for operating sites that may be the target of a critical incident.

Nothing in this policy shall preclude the use of reasonable force, deadly or otherwise, by members of the Department in protecting themselves or others from death or serious injury.

402.3 FIRST RESPONSE

If there is a reasonable belief that acts or threats by a suspect are placing lives in imminent danger, first responding investigators should consider reasonable options to reduce, prevent or eliminate the threat. Investigators must decide, often under a multitude of difficult and rapidly evolving circumstances, whether to advance on the suspect, take other actions to deal with the threat or wait for additional resources.

If a suspect is actively engaged in the infliction of serious bodily harm or other life-threatening activity toward others, investigators should take immediate action, if reasonably practicable, while requesting additional assistance.

Investigators should remain aware of the possibility that an incident may be part of a coordinated multi-location attack that may require some capacity to respond to other incidents at other locations.

When deciding on a course of action investigators should consider:

- (a) Whether to advance on or engage a suspect who is still a possible or perceived threat to others. Any advance or engagement should be based on information known or received at the time.
- (b) Whether to wait for additional resources or personnel. This does not preclude an individual investigator from taking immediate action.
- (c) Whether individuals who are under imminent threat can be moved or evacuated with reasonable safety.
- (d) Whether the suspect can be contained or denied access to victims.
- (e) Whether the investigators have the ability to effectively communicate with other personnel or resources.

Rapid Response and Deployment

- (f) Whether planned tactics can be effectively deployed.
- (g) The availability of rifles, shotguns, shields, breaching tools, control devices and any other appropriate tools, and whether the deployment of these tools will provide a tactical advantage.

In a case of a barricaded suspect with no hostages and no immediate threat to others, investigators should consider summoning and waiting for additional assistance (special tactics and/or hostage negotiation team response).

402.4 CONSIDERATIONS

When dealing with a crisis situation members should:

- (a) Assess the immediate situation and take reasonable steps to maintain operative control of the incident.
- (b) Obtain, explore and analyze sources of intelligence and known information regarding the circumstances, location and suspect involved in the incident.
- (c) Attempt to attain a tactical advantage over the suspect by reducing, preventing or eliminating any known or perceived threat.
- (d) Attempt, if feasible and based upon the suspect's actions and danger to others, a negotiated surrender of the suspect and release of the hostages.

402.5 PLANNING

The Deputy Chief Investigator should coordinate critical incident planning. Planning efforts should consider:

- (a) Identification of likely critical incident target sites, such as schools, shopping centers, entertainment and sporting event venues.
- (b) Availability of building plans and venue schematics of likely critical incident target sites.
- (c) Communications interoperability with other law enforcement and emergency service agencies.
- (d) Training opportunities in critical incident target sites, including joint training with site occupants.
- (e) Evacuation routes in critical incident target sites.
- (f) Patrol first-response training.
- (g) Response coordination and resources of emergency medical and fire services.
- (h) Equipment needs.
- (i) Mutual aid agreements with other agencies.
- (j) Coordination with private security providers in critical incident target sites.

Rapid Response and Deployment

402.6 TRAINING

The Training Manager should include rapid response to critical incidents in the training plan. This training should address:

- (a) Orientation to likely critical incident target sites, such as schools, shopping centers, entertainment and sporting event venues.
- (b) Communications interoperability with other law enforcement and emergency service agencies.
- (c) Patrol first-response training, including patrol rifle, shotgun, breaching tool and control device training.
 - 1. This should include the POST terrorism incident training required for investigators assigned to field duties (Penal Code § 13519.12).
- (d) First aid, including gunshot trauma.
- (e) Reality-based scenario training (e.g., active shooter, disgruntled violent worker).

Threat Assessment

403.1 PURPOSE AND SCOPE

The District Attorney's Office, through the resources of the Bureau of Investigation, shall provide assistance, support and necessary personal protection to any employee who is the subject of direct or indirect threats of physical harm, or who believes that their personal safety and/or the safety of their family may be at risk.

The Special Investigations Unit (SIU) will investigate all threats against the District Attorney personnel from initial inquiry to final disposition. The SIU will utilize the Special Response Team, to conduct all threat investigations. It is the responsibility of the Special Response Team to complete an initial assessment of the threat.

425.11 RESPONSIBILITY

In most cases, District Attorney personnel who have become the target of actual or implied threats will contact their immediate supervisor and/or a Bureau supervisor to report the incident and request assistance. All supervisors shall become familiar with these procedures and shall give immediate attention and assistance as required when any incident of threats, intimidation or harassment of an office employee comes to their attention.

425.12 THREAT ASSESSMENT

The Bureau of Investigation will conduct a threat assessment investigation, develop an action plan and make other recommendations to the Chief Investigator to ensure the personal safety of any office employee who is the subject of actual or implied threats of physical harm or other forms of intimidation whether it be against the employee, their family, or their personal property.

425.13 SPECIAL RESPONSE TEAM

The Special Response Team will complete the following:

- a) Immediate contact will be made to the Deputy Chief Investigator or Chief Investigator advising the nature and circumstances of the threat upon the employee.
- b) The initial assessment of the incident to include an interview with the threatened employee, any witnesses, or other parties (other than the suspect).
- c) The initial assessment will be documented in a memorandum that will be forwarded to the Chief Investigator immediately following the assessment.
- d) If the threat warrants a criminal investigation, the Special Response Team will complete the criminal investigation.
- e) The Deputy Chief Investigator will be kept apprised of the status and direction of the investigation

425.14 SPECIAL RESPONSE TEAM RESPONSIBILITIES:

- a) Conduct a criminal history check on the suspect.

Threat Assessment

- b) If a credible threat is determined, the Bureau's Special Response Team may be activated to assist in the protection detail.
- c) All threats will be recorded in an automated computer database accessible to SRT staff, including threats that fall short of the requirement for a "credible threat."
- e) Recommendations are made to the victim, outlining possible security precautions that could be implemented as result of the perceived threat. The Special Response Team will conduct a residential security assessment of the employee's home, if requested. DMV and voter registration confidentiality status should be verified for eligible personnel.
- f) A recommendation that family bills and correspondence be routed to a post office box will be suggested.
- g) An investigator may be asked to escort the employee to and from the parking area. Alternate parking arrangements may need to be made.
- h) The assigned Special Response Team member or supervisor will make recommendations concerning the need for additional security or precautions based on individual circumstances. The Chief of the Bureau of Investigation shall give final approval of all decisions regarding utilization of Bureau personnel and allocation of investigative resources.
- i) If additional action is needed that relates to the protection of the employee, the Special Response Team will handle this function.
- j) The Special Response Team will make contact, if applicable, with the suspect. During a simultaneous criminal investigation, the Special Response Team will coordinate with the criminal investigator before contact is made with the suspect.

425.15 THREAT ASSESSMENT WORKSHEET

A special Threat Assessment Worksheet has been developed to assist investigators in evaluating the threat, and obtaining necessary information to develop an action plan and properly allocate resources to the investigation. The assigned investigator will provide the threatened employee this worksheet to ensure that the form is completed.

425.16 ASSESSMENT

Determining the probability that a threat may be carried out is not an exact science. It is done by investigating the known background and history of the person(s) making the threat, to include:

- a) A demonstrated propensity for violence
- b) Previous criminal history, history of violent acts, or history of taking action to carry out a threat
- c) The accessibility of weapons
- d) Any information that would help determine the probability or possibility that the stated or intended action may actually be carried out

Threat Assessment

In some cases, the person(s) making the threat may be contacted interviewed, and admonished by bureau investigators, arrest or search warrants may be served, or they may be taken into custody if probable cause exists to make an arrest for a crime, such as stalking (646.9 PC), making criminal threats (422 PC), or making threats against district attorney staff (76 PC).

425.17 FILING CONSIDERATION

If the elements of a crime exist for any threat or act of harassment or intimidation against an employee, the Bureau will complete a thorough criminal investigation, prepare a memorandum, and submit the memorandum to a filing deputy district attorney for legal review. In all cases, regardless of whether a criminal complaint is filed or not, a Bureau report number shall be drawn and the original report shall be maintained in Bureau files.

The Special Response Team will serve any arrest or search warrant resulting from an investigation and criminal complaint involving threats against District Attorney personnel. Arrest or search warrants that are determined to be "high risk" in nature may be referred to a local law enforcement agency for tactical consideration.

425.18 PROTECTION

In the case of clearly defined threats with a high probability the person making the threat or others may act and the safety of District Attorney personnel is at risk, the Bureau, with the approval of and in coordination with attorney management or executive staff, may take immediate steps to provide the highest level of safety and protection for the employee and their family, to include 24 hour personal protection, temporary relocation, or whatever measure(s) necessary to ensure the immediate safety of the employee and their family. This level of protection will be coordinated by the Special Response Team. In any case where District Attorney personnel and/or their family must be relocated or afforded 24 hour protection by Bureau investigators, the following shall be immediately notified, via the chain of command:

- (1) The employee's immediate supervisor
- (2) The chief investigator, via chain of command

In the case of indirect or non-specific threats, it is generally not feasible to provide the employee with personal protection. However, the bureau will conduct a threat assessment, develop an action plan, and make recommendations to the District Attorney.

425.19 SECURITY HANDBOOK

A Security Handbook is available that contains general information about how to protect themselves and their families.

In all cases where a threat report and Threat Assessment Worksheet have been received and an evaluation conducted, the Bureau's Special Response Team supervising investigator receiving the report shall establish a file in the name of the affected employee(s) containing all pertinent information about the case. While the case is active the file shall be maintained by the assigned investigator.

Threat Assessment

The Bureau of Investigation shall provide managers and supervisors with specialized training in the area of threat assessment review and preparation of action plans and recommendations.

425.20 REPORTING REQUIRMENTS

The Special Response Team supervising investigator shall also comply with the reporting requirements of Penal Code Sections 76(a) and (b). For threats against elected public officials and members of their staff or immediate family, a copy of all reports shall be forwarded to the California Department of Justice, Criminal Intelligence Unit, P.O. Box 163029, Sacramento, California 95816-5446, ATTN: Special Agent in Charge.

For threats against state public officials, the information should be reported to the CHP Communications Center in the area where the division receiving the information is located. A CHP Officer will be requested to conduct a preliminary investigation as necessary. All information will then be referred to the Office of Dignitary Protection (ODP), Special Investigations Unit (SIB), in Los Angeles or Sacramento. The ODP-SIU can be contacted during normal business hours in Sacramento at (916) 327-5451, or Los Angeles at (213) 897-4564.

425.21 OTHER SAFETY MEASURES

Other Safety Measures:

a) Pepper Spray.

The Bureau of Investigation may provide pepper spray to non-peace officer employees upon request of the employee and the approval of the Chief Investigator. In every case, a certified chemical instructor will provide the employee with an orientation and personal training on the proper use of this defensive weapon.

b) Other Safety Equipment.

The Bureau of Investigation may provide non-peace officer personnel with other kinds of personal safety equipment, such as bullet proof vests as needed or requested by the employee upon approval of the chief investigator.

c) Other Safety Measures.

When necessary, the Bureau may arrange temporary safe and secure parking for an employee at the work site while a threat assessment is being conducted, and an action plan is being formed. The Bureau should contact the watch commander of the local law enforcement agency where the employee lives. The watch commander should be briefed regarding the problem so they are fully aware of potential for calls for assistance at the employee's address. "Extra patrol" checks at the employee's neighborhood should be requested.

In some cases, the bureau may designate an investigator(s) to escort the employee for a time from their home to the office, from their office to court and back, from the office to their home, and/or provide them with 24 hour protection or a cell phone number where they can obtain immediate assistance from an investigator should they require it.

Threat Assessment

425.22 COUNSELING SERVICES/EMPLOYEE ASSISTANCE PROGRAM

With the approval of the District Attorney or designee, and in the absence of other paid insurance plans or benefits available to the employee, the office may refer employees to counseling professionals (private psychologist) who can help them and/or their family deal with the fear, anxiety, and apprehension that often accompanies incidents of threats and intimidation in the workplace. A peer counseling group consisting of employees who have themselves been the subject of past threats is available to assist any employee who has been threatened. Requests for peer counseling should be coordinated through the District Attorney or designee.

The Victim Services Division is available to provide referrals for short term counseling. They can also help employees who may be eligible for the Victim of Crime Compensation Program to apply for out of pocket counseling expenses. The Employee Assistance Program (EAP) is available as a referral resource to an employee negatively affected by threats of physical harm to themselves and their families. An EAP appointment can be made by calling (805) 654-4327.

Reporting Police Activity Outside of Jurisdiction

404.1 PURPOSE AND SCOPE

This policy provides general guidelines for reporting police activity while on or off-duty and occurring outside the jurisdiction of the District Attorney's Office.

404.1.1 ASSISTANCE TO AGENCIES OUTSIDE THE COUNTY

When an investigator is on-duty and is requested by an allied agency to participate in law enforcement activity in another jurisdiction, he/she shall obtain prior approval from the immediate supervisor or the Deputy Chief Investigator or Chief Investigator. If the request is of an emergency nature, the investigator shall notify a supervisor as soon as practical.

404.1.2 LAW ENFORCEMENT ACTIVITY OUTSIDE THE COUNTY

Any on-duty investigator, who engages in law enforcement activities of any type outside the immediate jurisdiction of the District Attorney's Office shall notify his or her supervisor or the Deputy Chief Investigator at the earliest possible opportunity. Any off-duty investigator who engages in any law enforcement activities, regardless of jurisdiction shall notify his or her supervisor or the Deputy Chief Investigator as soon as practical.

The supervisor shall determine if a memorandum or other documentation of the investigator's activity is required. The memorandum or other documentation shall be forwarded to the Deputy Chief Investigator.

Immigration Violations

405.1 PURPOSE AND SCOPE

The purpose of this policy is to provide guidelines to members of the Ventura County District Attorney's Office relating to immigration and interacting with federal immigration officials.

405.1.1 DEFINITIONS

The following definitions apply to this policy (Government Code § 7284.4):

Criminal immigration violation - Any federal criminal immigration violation that penalizes a person's presence in, entry, or reentry to, or employment in, the United States. This does not include any offense where a judicial warrant already has been issued.

Judicial warrant - An arrest warrant for a violation of federal criminal immigration law and issued by a federal judge or a federal magistrate judge.

405.2 POLICY

It is the policy of the Ventura County District Attorney's Office that all members make personal and professional commitments to equal enforcement of the law and equal service to the public. Confidence in this commitment will increase the effectiveness of this [department/office] in protecting and serving the entire community and recognizing the dignity of all persons, regardless of their national origin or immigration status.

405.3 VICTIMS AND WITNESSES

To encourage crime reporting and cooperation in the investigation of criminal activity, all individuals, regardless of their immigration status, must feel secure that contacting or being addressed by members of law enforcement will not automatically lead to immigration inquiry and/or deportation. While it may be necessary to determine the identity of a victim or witness, members shall treat all individuals equally and without regard to race, ethnicity, or national origin in any way that would violate the United States or California constitutions.

405.4 IMMIGRATION INQUIRIES PROHIBITED

Investigators shall not inquire into an individual's immigration status for immigration enforcement purposes (Government Code § 7284.6).

405.5 DETENTIONS AND ARRESTS

An investigator shall not detain any individual, for any length of time, for a civil violation of federal immigration laws or a related civil warrant (Government Code § 7284.6).

An investigator who has a reasonable suspicion that an individual already lawfully contacted or detained has committed a criminal violation of 8 USC § 1326(a) (unlawful reentry) that may be subject to an enhancement due to a previous conviction of an aggravated felony under USC § 1326(b)(2), may detain the person for a reasonable period of time to contact federal immigration

Immigration Violations

officials to verify whether the United States Attorney General has granted the individual permission for reentry and whether the violation is subject to enhancement (Government Code § 7284.6). No individual who is otherwise ready to be released should continue to be detained only because questions about the individual's status are unresolved.

If the investigator has facts that establish probable cause to believe that a person already lawfully detained has violated 8 USC § 1326(a) and the penalty may be subject to enhancement due to prior conviction for specified aggravated felonies, he/she may arrest the individual for that offense (Government Code § 7284.6).

An investigator shall not detain any individual, for any length of time, for any other criminal immigration violation of federal immigration laws (Government Code § 7284.6).

An investigator should notify a supervisor as soon as practicable whenever an individual is arrested for violation of 8 USC § 1326(a).

405.5.1 SUPERVISOR RESPONSIBILITIES

When notified that an investigator has arrested an individual for violation of 8 USC § 1326(a) or under the authority of a judicial warrant, the supervisor should determine whether it is appropriate to:

- (a) Transfer the person to federal authorities.
- (b) Transfer the person to jail.

405.6 FEDERAL REQUESTS FOR ASSISTANCE

Absent an urgent issue of officer safety or other emergency circumstances, requests by federal immigration officials for assistance from this [department/office] should be directed to a supervisor. The supervisor is responsible for determining whether the requested assistance would be permitted under the California Values Act (Government Code § 7284.2 et seq.).

405.7 INFORMATION SHARING

No member of this [department/office] will prohibit, or in any way restrict, any other member from doing any of the following regarding the citizenship or immigration status, lawful or unlawful, of any individual (8 USC § 1373; Government Code § 7284.6):

- (a) Sending information to, or requesting or receiving such information from federal immigration officials
- (b) Maintaining such information in [department/office] records
- (c) Exchanging such information with any other federal, state, or local government entity

Nothing in this policy restricts sharing information that is permissible under the California Values Act.

405.7.1 IMMIGRATION DETAINERS

No individual should be held based solely on a federal immigration detainer under 8 CFR 287.7 (Government Code § 7284.6).

Immigration Violations

Notification to a federal authority may be made prior to release of an individual who is the subject of a notification request only if the individual meets one of the following conditions (Government Code § 7282.5; Government Code § 7284.6):

- (a) The individual has been arrested and had a judicial probable cause determination for a serious or violent felony identified in Penal Code § 667.5(c) or Penal Code § 1192.7(c).
- (b) The individual has been arrested and had a judicial probable cause determination for a felony punishable by time in a state prison.
- (c) The individual has been convicted of an offense as identified in Government Code § 7282.5(a).
- (d) The individual is a current registrant on the California Sex and Arson Registry.
- (e) The individual is identified by the U.S. Department of Homeland Security's Immigration and Customs Enforcement as the subject of an outstanding federal felony arrest warrant.

405.7.2 NOTICE TO INDIVIDUALS

Individuals in custody shall be given a copy of documentation received from U.S. Immigration and Customs Enforcement (ICE) regarding a hold, notification, or transfer request along with information as to whether the Ventura County District Attorney's Office intends to comply with the request (Government Code § 7283.1).

If the Ventura County District Attorney's Office provides ICE with notification that an individual is being, or will be, released on a certain date, the same notification shall be provided in writing to the individual and to his/her attorney or to one additional person who the individual may designate (Government Code § 7283.1).

405.7.3 ICE INTERVIEWS

Before any interview regarding civil immigration violations takes place between ICE personnel and an individual in the custody of the Ventura County District Attorney's Office Bureau of Investigation, we shall provide the individual with a written consent form that explains the purpose of the interview, that the interview is voluntary, and that he/she may decline to be interviewed or may choose to be interviewed only with his/her attorney present. The consent form must be available in the languages specified in Government Code § 7283.1.

405.7.4 TRANSFERS TO IMMIGRATION AUTHORITIES

Members shall not transfer an individual to immigration authorities unless one of the following circumstances exist (Government Code § 7282.5; Government Code § 7284.6):

- (a) Transfer is authorized by a judicial warrant or judicial probable cause determination.
- (b) The individual has been convicted of an offense as identified in Government Code § 7282.5(a).
- (c) The individual is a current registrant on the California Sex and Arson Registry.

Immigration Violations

- (d) The individual is identified by the U.S. Department of Homeland Security's Immigration and Customs Enforcement as the subject of an outstanding federal felony arrest warrant.

405.7.5 REPORTING TO CALIFORNIA DEPARTMENT OF JUSTICE

The Bureau of Investigation supervisor shall ensure that data regarding the number of transfers of an individual to immigration authorities, as permitted by Government Code § 7284.6(a)(4), and the offense that allowed for the transfer is collected and provided to the Staff Services Manager for required reporting to the DOJ (Government Code § 7284.6(c)(2)(see the Administrative Assistant Policy).

405.8 TRAINING

The Training Manager should ensure that all appropriate members receive training on immigration issues.

Training should include:

- (a) Identifying civil versus criminal immigration violations.
- (b) Factors that may be considered in determining whether a criminal immigration violation has been committed.
- (c) Prohibitions contained in the California Values Act (Government Code § 7284 et seq.).

405.9 U VISA AND T VISA NONIMMIGRANT STATUS

Under certain circumstances, federal law allows temporary immigration benefits, known as a U visa, to victims and witnesses of certain qualifying crimes (8 USC § 1101(a)(15)(U)).

Similar immigration protection, known as a T visa, is available for certain qualifying victims of human trafficking (8 USC § 1101(a)(15)(T)).

Any request for assistance in applying for U visa or T visa status should be forwarded in a timely manner to the Bureau of Investigation supervisor assigned to oversee the handling of any related case. The Bureau of Investigation supervisor should:

- (a) Consult with the assigned investigator to determine the current status of any related case and whether further documentation is warranted.
- (b) Contact the appropriate prosecutor assigned to the case, if applicable, to ensure the certification or declaration has not already been completed and whether a certification or declaration is warranted.
- (c) Address the request and complete the certification or declaration, if appropriate, in a timely manner.
 - 1. The instructions for completing certification and declaration forms can be found on the U.S. Department of Homeland Security (DHS) website.
 - 2. Form I-918 Supplement B certification shall be completed if the victim qualifies under Penal Code § 679.10 (multiple serious offenses). Form I-914 Supplement

Immigration Violations

B certification shall be completed if the victim qualifies under Penal Code § 236.5 or Penal Code § 679.11 (human trafficking).

- (d) Ensure that any decision to complete, or not complete, a certification or declaration form is documented in the case file and forwarded to the appropriate prosecutor. Include a copy of any completed form in the case file.
- (e) Inform the victim liaison of any requests and their status.

405.9.1 TIME FRAMES FOR COMPLETION

Investigators and their supervisors who are assigned to investigate a case of human trafficking as defined by Penal Code § 236.1 shall complete the above process and the documents needed for indicating the individual is a victim for the T visa application within 15 business days of the first encounter with the victim, regardless of whether it is requested by the victim (Penal Code § 236.5).

Investigators and their supervisors shall complete the above process and the documents needed certifying victim cooperation for a U visa or T visa application pursuant to Penal Code § 679.10 and Penal Code § 679.11 within 90 days of a request from the victim or victim's family related to one of their assigned cases. If the victim is in removal proceedings, the certification shall be processed within 14 days of the request.

Obtaining Helicopter Assistance

406.1 PURPOSE AND SCOPE

The use of the Ventura County Sheriff's Department helicopter can be invaluable in certain situations. This policy specifies potential situations where the use of a helicopter may be requested and the responsibilities for making a request.

406.2 REQUEST FOR HELICOPTER ASSISTANCE

If a supervisor or investigator in charge of an incident determines that the use of a helicopter would be beneficial, a request to obtain helicopter assistance may be made.

406.2.1 REQUEST FOR ASSISTANCE FROM ANOTHER AGENCY

After consideration and approval of the request for a helicopter, the Deputy Chief Investigator, or his/her designee, will call the closest agency having helicopter support available. The Deputy Chief Investigator on duty will apprise that agency of the specific details of the incident prompting the request.

406.2.2 CIRCUMSTANCES UNDER WHICH AID MAY BE REQUESTED

Police helicopters may be requested under any of the following conditions:

- (a) When the helicopter is activated under existing mutual aid agreements
- (b) Whenever the safety of law enforcement personnel is in jeopardy and the presence of the helicopters may reduce such hazard
- (c) When the use of the helicopters will aid in the capture of a suspected fleeing felon whose continued freedom represents an ongoing threat to the community
- (d) When a helicopter is needed to locate a person who has strayed or is lost and whose continued absence constitutes a serious health or safety hazard
- (e) Vehicle pursuits

While it is recognized that the availability of helicopter support will generally provide valuable assistance to ground personnel, the presence of a helicopter will rarely replace the need for investigators on the ground.

Contacts and Temporary Detentions

407.1 PURPOSE AND SCOPE

The purpose of this policy is to establish guidelines for conducting field interviews (FI) and pat-down searches, and the taking and retention of photographs of persons detained in the field but not arrested. Due to a variety of situations confronting the investigator, the decision to FI or photograph a field detainee shall be left to the discretion of the involved investigator based on the totality of the circumstances available to them at the time of the detention.

407.1.1 DEFINITIONS

Definitions related to this policy include:

Consensual encounter - When an investigator contacts an individual but does not create a detention through words, actions, or other means. In other words, a reasonable individual would believe that his/her contact with the investigator is voluntary.

Field interview - The brief detainment of an individual, whether on foot or in a vehicle, based on reasonable suspicion for the purpose of determining the individual's identity and resolving the investigator's suspicions.

Field photographs - Posed photographs taken of a person during a contact, temporary detention, or arrest in the field. Undercover surveillance photographs of an individual and recordings captured by the normal operation of a Mobile Audio Video (MAV) system, body-worn camera, or public safety camera when persons are not posed for the purpose of photographing are not considered field photographs.

Pat-down search - A type of search used by investigators in the field to check an individual for dangerous weapons. It involves a thorough patting-down of clothing to locate any weapons or dangerous items that could pose a danger to the investigator, the detainee, or others.

Reasonable suspicion - When, under the totality of the circumstances, an investigator has articulable facts that criminal activity may be afoot and a particular person is connected with that possible criminal activity.

Temporary detention - When an investigator intentionally, through words, actions, or physical force, causes an individual to reasonably believe he/she is required to restrict his/her movement without an actual arrest. Temporary detentions also occur when an investigator actually restrains a person's freedom of movement.

407.2 POLICY

The Ventura County District Attorney's Office respects the right of the public to be free from unreasonable searches or seizures. Due to an unlimited variety of situations confronting the investigator, the decision to temporarily detain a person and complete a field interview (FI), pat-down search, or field photograph shall be left to the investigator based on the totality of the circumstances, officer safety considerations, and constitutional safeguards.

Contacts and Temporary Detentions

407.3 FIELD INTERVIEWS

Based on observance of suspicious circumstances or upon information from investigation, an investigator may initiate the stop of a person, and conduct an FI, when there is articulable, reasonable suspicion to do so. A person, however, shall not be detained longer than is reasonably necessary to resolve the investigator's suspicion.

Nothing in this policy is intended to discourage consensual contacts. Frequent casual contact with consenting individuals is encouraged by the Ventura County District Attorney's Office to strengthen community involvement, community awareness, and problem identification.

407.3.1 INITIATING A FIELD INTERVIEW

When initiating the stop, the investigator should be able to point to specific facts which, when considered with the totality of the circumstances, reasonably warrant the stop. Such facts include but are not limited to an individual's:

- (a) Appearance or demeanor suggesting that he/she is part of a criminal enterprise or is engaged in a criminal act
- (b) Actions suggesting that he/she is engaged in a criminal activity
- (c) Presence in an area at an inappropriate hour of the day or night
- (d) Presence in a particular area is suspicious
- (e) Carrying of suspicious objects or items
- (f) Excessive clothes for the climate or clothes bulging in a manner that suggest he/she is carrying a dangerous weapon
- (g) Location in proximate time and place to an alleged crime
- (h) Physical description or clothing worn that matches a suspect in a recent crime
- (i) Prior criminal record or involvement in criminal activity as known by the investigator

407.4 PAT-DOWN SEARCHES

Once a valid stop has been made, and consistent with the investigator's training and experience, an investigator may pat a suspect's outer clothing for weapons if the investigator has a reasonable, articulable suspicion the suspect may pose a safety risk. The purpose of this limited search is not to discover evidence of a crime, but to allow the investigator to pursue the investigation without fear of violence. Circumstances that may establish justification for performing a pat-down search include but are not limited to:

- (a) The type of crime suspected, particularly in crimes of violence where the use or threat of deadly weapons is involved.
- (b) Where more than one suspect must be handled by a single investigator.
- (c) The hour of the day and the location or neighborhood where the stop takes place.
- (d) Prior knowledge of the suspect's use of force and/or propensity to carry weapons.
- (e) The actions and demeanor of the suspect.

Contacts and Temporary Detentions

- (f) Visual indications which suggest that the suspect is carrying a firearm or other weapon.

Whenever practicable, a pat-down search should not be conducted by a lone investigator. A cover investigator should be positioned to ensure safety and should not be involved in the search.

407.5 FIELD PHOTOGRAPHS

Before photographing any field detainee, the investigator shall carefully consider, among other things, the factors listed below.

407.5.1 FIELD PHOTOGRAPHS TAKEN WITH CONSENT

Field photographs may be taken when the subject of the photograph knowingly and voluntarily gives consent.

407.5.2 FIELD PHOTOGRAPHS TAKEN WITHOUT CONSENT

Field photographs may be taken without consent only if they are taken during a detention that is based upon reasonable suspicion of criminal activity, and the photograph serves a legitimate law enforcement purpose related to the detention. The investigator must be able to articulate facts that reasonably indicate that the subject was involved in or was about to become involved in criminal conduct. The subject should not be ordered to remove or lift any clothing for the purpose of taking a photograph.

If, prior to taking a photograph, the investigator's reasonable suspicion of criminal activity has been dispelled, the detention must cease and the photograph should not be taken.

All field photographs and related reports shall be submitted to a supervisor and retained in compliance with this policy.

407.5.3 SUPERVISOR RESPONSIBILITIES

While it is recognized that field photographs often become valuable investigative tools, supervisors should monitor such practices in view of the above listed considerations. This is not to imply that supervisor approval is required before each photograph is taken.

Access to, and use of, field photographs shall be strictly limited to law enforcement purposes.

Criminal Organizations

408.1 PURPOSE AND SCOPE

The purpose of this policy is to ensure that the Ventura County District Attorney's Office appropriately utilizes criminal intelligence systems and temporary information files to support investigations of criminal organizations and enterprises.

408.1.1 DEFINITIONS

Definitions related to this policy include:

Criminal intelligence system - Any record system that receives, stores, exchanges or disseminates information that has been evaluated and determined to be relevant to the identification of a criminal organization or enterprise, its members or affiliates. This does not include temporary information files.

408.2 POLICY

The Ventura County District Attorney's Office recognizes that certain criminal activities, including but not limited to gang crimes and drug trafficking, often involve some degree of regular coordination and may involve a large number of participants over a broad geographical area.

It is the policy of this Office to collect and share relevant information while respecting the privacy and legal rights of the public.

408.3 CRIMINAL INTELLIGENCE SYSTEMS

No Office member may create, submit to or obtain information from a criminal intelligence system unless the Chief Investigator has approved the system for Bureau use.

Any criminal intelligence system approved for Office use should meet or exceed the standards of 28 CFR 23.20.

A designated supervisor will be responsible for maintaining each criminal intelligence system that has been approved for Office use. The supervisor or the authorized designee should ensure the following:

- (a) Members using any such system are appropriately selected and trained.
- (b) Use of every criminal intelligence system is appropriately reviewed and audited.
- (c) Any system security issues are reasonably addressed.

408.3.1 SYSTEM ENTRIES

It is the designated supervisor's responsibility to approve the entry of any information from a report, field interview (FI), photo or other relevant document into an authorized criminal intelligence system. If entries are made based upon information that is not on file with this Office, such as open or public source documents or documents that are on file at another agency, the designated supervisor should ensure copies of those documents are retained by the Administrative Assistant. Any supporting documentation for an entry shall be retained by the Administrative Assistant in

Criminal Organizations

accordance with the established records retention schedule and for at least as long as the entry is maintained in the system.

The designated supervisor should ensure that any documents retained by the Administrative Assistant are appropriately marked as intelligence information. The Staff Services Manager may not purge such documents without the approval of the designated supervisor.

408.3.2 GANG DATABASES

The Chief Investigator may approve participation by the gang unit in a shared criminal gang intelligence database, such as CALGANG®. Members must obtain the requisite training before accessing any such database (11 CCR 751.6).

It is the gang unit supervisor's responsibility to determine whether any report or FI contains information that would qualify for entry into the database. Prior to designating any person as a suspected gang member, associate, or affiliate in a shared gang database; or submitting a document to the Attorney General's office for the purpose of designating a person in a shared gang database; or otherwise identifying the person in a shared gang database, the gang unit supervisor shall provide written notice to the person and, if the person is under the age of 18, to his/her parent or guardian of the designation and the basis for the designation, unless providing that notification would compromise an active criminal investigation or compromise the health or safety of a minor. Notice shall also describe the process to contest the designation (Penal Code § 186.34).

The person, an attorney working on his/her behalf, or his/her parent or guardian (if the person is under 18 years of age) may request, in writing, information as to whether the person is designated as a suspected gang member, associate, or affiliate in a shared gang database accessible by the Office, the basis for that designation, and the name of the agency that made the designation. The Office shall respond to a valid request in writing within 30 days, and shall provide the information requested unless doing so would compromise an active investigation or compromise the health and safety of the person if he/she is under 18 years of age (Penal Code § 186.34).

The person, or his/her parent or guardian if the person is under 18 years of age, may contest the designation by submitting written documentation, which shall be reviewed by the gang unit supervisor. If it is determined that the person is not a suspected gang member, associate, or affiliate, the person shall be removed from the database. The person and the parent or guardian shall be provided written verification of the Office's decision within 30 days of receipt of the written documentation contesting the designation and shall include the reason for a denial when applicable (Penal Code § 186.34).

The gang unit supervisor should forward reports or FIs to the Administrative Assistant after appropriate database entries are made. The supervisor should clearly mark the report/FI as gang intelligence information.

It is the responsibility of the Administrative Assistant supervisor to retain reports and FIs in compliance with the database rules and any applicable end user agreement.

Criminal Organizations

Records contained in a shared gang database shall not be disclosed for employment or military screening purposes, and shall not be disclosed for the purpose of enforcing federal immigration law unless required by state or federal statute or regulation (Penal Code § 186.36).

408.4 TEMPORARY INFORMATION FILE

No member may create or keep files on individuals that are separate from the approved criminal intelligence system. However, members may maintain temporary information that is necessary to actively investigate whether a person or group qualifies for entry into the Office approved criminal intelligence system only as provided in this section. Once information qualifies for inclusion, it should be submitted to the supervisor responsible for consideration of criminal intelligence system entries.

408.4.1 FILE CONTENTS

A temporary information file may only contain information and documents that, within one year, will have a reasonable likelihood to meet the criteria for entry into an authorized criminal intelligence system.

Information and documents contained in a temporary information file:

- (a) Must only be included upon documented authorization of the responsible department supervisor.
- (b) Should not be originals that would ordinarily be retained by the Administrative Unit or the property and evidence room, but should be copies of, or references to, retained documents such as copies of reports, field interview (FI) forms or booking forms.
- (c) Shall not include opinions. No person, organization or enterprise shall be labeled as being involved in crime beyond what is already in the document or information.
- (d) May include information collected from publicly available sources or references to documents on file with another government agency. Attribution identifying the source should be retained with the information.

408.4.2 FILE REVIEW AND PURGING

The contents of a temporary information file shall not be retained longer than one year. At the end of one year, the contents must be purged or entered in an authorized criminal intelligence system, as applicable.

The designated supervisor shall periodically review the temporary information files to verify that the contents meet the criteria for retention. Validation and purging of files is the responsibility of the supervisor.

408.5 INFORMATION RECOGNITION

Department members should document facts that suggest an individual, organization or enterprise is involved in criminal activity and should forward that information appropriately. Examples include, but are not limited to:

- (a) Gang indicia associated with a person or residence.

Criminal Organizations

- (b) Information related to a drug-trafficking operation.
- (c) Vandalism indicating an animus for a particular group.
- (d) Information related to an illegal gambling operation.

Department supervisors who utilize an authorized criminal intelligence system should work with the Training Manager to train members to identify information that may be particularly relevant for inclusion.

408.6 RELEASE OF INFORMATION

Bureau members shall comply with the rules of an authorized criminal intelligence system regarding inquiries and release of information.

Information from a temporary information file may only be furnished to Office members and other law enforcement agencies on a need-to-know basis and consistent with the Records Maintenance and Release Policy.

When an inquiry is made by the parent or guardian of a juvenile as to whether that juvenile's name is in a temporary information file, such information should be provided by the supervisor responsible for the temporary information file, unless there is good cause to believe that the release of such information might jeopardize an ongoing criminal investigation.

408.7 CRIMINAL STREET GANGS

The Major Crimes supervisor should ensure that there are an appropriate number of department members who can:

- (a) Testify as experts on matters related to criminal street gangs, and maintain an above average familiarity with:
 - 1. Any organization, associate or group of three or more persons that meets the definition of a criminal street gang under Penal Code § 186.22(f).

- (b) Participation in a multi-agency criminal intelligence system.
- (c) Submission of information into a multi-agency criminal intelligence system or the receipt of information from such a system, including any governing federal and state rules and statutes.
- (d) The type of information appropriate for entry into a criminal intelligence system or temporary information file.
- (e) The review and purging of temporary information files.

408.8.1 SHARED GANG DATABASE TRAINING

The Training Manager should ensure that members who are authorized users of a shared gang database receive the required training from the California Department of Justice (DOJ) or an instructor certified by the DOJ that includes comprehensive and standardized training on the use of shared gang databases, and any other associated training required by the Office (Penal Code § 186.36; 11 CCR 751.6).

Portable Audio/Video Recorders

410.1 PURPOSE AND SCOPE

This policy provides guidelines for the use of portable audio/video recording devices by members of this department while in the performance of their duties. Portable audio/video recording devices include all recording systems whether body-worn, hand held or integrated into portable equipment.

This policy does not apply to mobile audio/video recordings, interviews or interrogations conducted at any Ventura County District Attorney's Office facility, authorized undercover operations, wiretaps or eavesdropping (concealed listening devices).

410.2 POLICY

The Ventura County District Attorney's Office may provide members with access to portable recorders, either audio or video or both, for use during the performance of their duties. The use of recorders is intended to enhance the mission of the Department by accurately capturing contacts between members of the Department and the public.

410.3 MEMBER PRIVACY EXPECTATION

All recordings made by members on any department-issued device at any time, and any recording made while acting in an official capacity for this department, regardless of ownership of the device it was made on, shall remain the property of the Department. Members shall have no expectation of privacy or ownership interest in the content of these recordings.

410.4 MEMBER RESPONSIBILITIES

Each member will be responsible for making sure that he/ she is equipped with a portable recorder issued by the Department, and that the recorder is in good working order. If the recorder is not in working order or the member becomes aware of a malfunction at any time, the member shall promptly report the failure to his/her supervisor and obtain a functioning device as soon as reasonably practicable.

Any member may carry an approved portable recorder at any time the member believes that such a device may be useful.

When using a portable recorder, the assigned member should record his/her name, VCDA identification number and the current date and time at the beginning of use. This procedure is not required when the recording device and related software captures the user's unique identification and the date and time of each recording.

Members should document the existence of a recording in any report or other official record of the contact, including any instance where the recorder malfunctioned or the member deactivated the recording. Members should include the reason for deactivation.

Portable Audio/Video Recorders

410.4.1 SUPERVISOR RESPONSIBILITIES

Supervisors should take custody of a portable audio/video recording device as soon as practicable when the device may have captured an incident involving the use of force, an officer-involved shooting or death or other serious incident, and ensure the data is downloaded (Penal Code § 832.18).

410.5 ACTIVATION OF THE PORTABLE RECORDER

This policy is not intended to describe every possible situation in which the portable recorder should be used, although there are many situations where its use is appropriate. Members should activate the recorder any time the member believes it would be appropriate or valuable to record an incident.

Members should remain sensitive to the dignity of all individuals being recorded and exercise sound discretion to respect privacy by discontinuing recording whenever it reasonably appears to the member that such privacy may outweigh any legitimate law enforcement interest in recording. Requests by members of the public to stop recording should be considered using this same criterion. Recording should resume when privacy is no longer at issue unless the circumstances no longer fit the criteria for recording.

Except in an emergency, no attorney suspects may be the subject of a surreptitious recording without the written authorization of the District Attorney. When an unauthorized recording of an attorney is made in an emergency, it shall be immediately reported, in writing, to the District Attorney, via the chain of command.

At no time is a member expected to jeopardize his/her safety in order to activate a portable recorder or change the recording media. However, the recorder should be activated in situations described above as soon as reasonably practicable.

410.5.1 SURREPTITIOUS USE OF THE PORTABLE RECORDER

Members of the Department may surreptitiously record any conversation during the course of a criminal investigation in which the member reasonably believes that such a recording will be lawful and beneficial to the investigation (Penal Code § 633).

Members shall not surreptitiously record another department member without a court order unless lawfully authorized by the Chief Investigator or the authorized designee.

410.5.2 CESSATION OF RECORDING

Once activated, the portable recorder should remain on continuously until the member reasonably believes that his/her direct participation in the incident is complete or the situation no longer fits the criteria for activation.

Members shall cease audio recording whenever necessary to ensure conversations are not recorded between a person in custody and the person's attorney, religious advisor or physician, unless there is explicit consent from all parties to the conversation (Penal Code § 636).

Portable Audio/Video Recorders

410.5.3 EXPLOSIVE DEVICE

Many portable recorders, including body-worn cameras and audio/video transmitters, emit radio waves that could trigger an explosive device. Therefore, these devices should not be used where an explosive device may be present.

410.6 PROHIBITED USE OF PORTABLE RECORDERS

Members are prohibited from using bureau issued portable recorders and recording media for personal use and are prohibited from making personal copies of recordings created while on-duty or while acting in their official capacity.

Members are also prohibited from retaining recordings of activities or information obtained while on-duty, whether the recording was created with bureau issued or personally owned recorders. Members shall not duplicate or distribute such recordings, except for authorized legitimate bureau business purposes. All such recordings shall be retained at the Bureau.

Any member who uses a personally owned recorder for department-related activities shall comply with the provisions of this policy, including retention and release requirements.

Recordings shall not be used by any member for the purpose of embarrassment, harassment or ridicule.

410.7 IDENTIFICATION AND PRESERVATION OF RECORDINGS

To assist with identifying and preserving data and recordings, members should download, tag or mark these in accordance with procedure and document the existence of the recording in any related case report.

A member should transfer, tag or mark recordings when the member reasonably believes:

- (a) The recording contains evidence relevant to potential criminal, civil or administrative matters.
- (b) A complainant, victim or witness has requested non-disclosure.
- (c) A complainant, victim or witness has not requested non-disclosure but the disclosure of the recording may endanger the person.
- (d) Disclosure may be an unreasonable violation of someone's privacy.
- (e) Medical or mental health information is contained.
- (f) Disclosure may compromise an undercover officer or confidential informant.

Any time a member reasonably believes a recorded contact may be beneficial in a non-criminal matter (e.g., a hostile contact), the member should promptly notify a supervisor of the existence of the recording.

410.8 REVIEW OF RECORDED MEDIA FILES

When preparing written reports, members should review their recordings as a resource (see the Officer-Involved Shootings and Deaths Policy for guidance in those cases). However, members

Portable Audio/Video Recorders

shall not retain personal copies of recordings. Members should not use the fact that a recording was made as a reason to write a less detailed report.

Supervisors are authorized to review relevant recordings any time they are investigating alleged misconduct or reports of meritorious conduct or whenever such recordings would be beneficial in reviewing the member's performance.

Recorded files may also be reviewed:

- (a) Upon approval by a supervisor, by any member of the Department who is participating in an official investigation, such as a personnel complaint, administrative investigation or criminal investigation.
- (b) Pursuant to lawful process or by court personnel who are otherwise authorized to review evidence in a related case.
- (c) By media personnel with permission of the Chief Investigator or the authorized designee.
- (d) In compliance with a public records request, if permitted, and in accordance with the Records Maintenance and Release Policy.

All recordings should be reviewed by the Chief Investigator or his designee prior to public release (see the Records Maintenance and Release Policy). Recordings that unreasonably violate a person's privacy or sense of dignity should not be publicly released unless disclosure is required by law or order of the court.

410.9 RETENTION OF RECORDINGS

Recordings of the following should be retained for a minimum of two years (Penal Code § 832.18):

- (a) Incident involving use of force by an investigator
- (b) Officer-involved shootings
- (c) Incidents that lead to the detention or arrest of an individual
- (d) Recordings relevant to a formal or informal complaint against an investigator or the Ventura County District Attorney's Office

Recordings containing evidence that may be relevant to a criminal prosecution should be retained for any additional period required by law for other evidence relevant to a criminal prosecution (Penal Code § 832.18).

All other recordings should be retained for a period consistent with the requirements of the organization's records retention schedule but in no event for a period less than 180 days.

Records or logs of access and deletion of recordings should be retained permanently (Penal Code § 832.18).

Portable Audio/Video Recorders

410.9.1 RELEASE OF AUDIO/VIDEO RECORDINGS

Requests for the release of audio/video recordings shall be processed in accordance with the Records Maintenance and Release Policy.

Non-English Translations

411.1 PURPOSE AND SCOPE

The District Attorney's Office-Bureau of Investigation is continually called upon to have recorded interviews and documents translated for prosecution and investigation.

Each law enforcement agency is responsible for translation of recorded interviews and documents used for prosecution. The Bureau of Investigation is available to provide referrals for translations/transcribers. Only in extreme emergencies can we provide the resources needed to accomplish the task.

411.1.1 REQUEST FOR TRANSLATION

The supervising investigator of the involved unit will oversee the handling of any request for translation of recorded interviews or documents in such emergencies as set out below:

- (a) Ascertain if the translation can be accomplished by the Bureau's in- house resources.
- (b) If translation work needs to be sent to an outside contractor, obtain the approval of the involved unit's supervising investigator.
- (c) The supervising investigator will provide the investigator with the name of a Bureau approved translator/transcriber.
- (d) The Investigator will contact the translator/transcriber and verify the rate to be charged for translation, e.g., per page, by the hour, etc. This information will be outlined in an Expenditure Request Form (ERF) and routed according to ERF procedures.
- (e) The District Attorney evidence envelope containing a copy of audio recording(s), documents or reports to be translated will reflect the case name, district attorney file number or special assignment number, police case number, and the name of the district attorney investigator and deputy district attorney assigned to the case.
- (f) The final bill for translation/transcription will contain the above information as well as the name of the translator, the rate of charge, i.e. per page, by the hour, etc. The bill will have a taxpayer identification number or a social security number.
- (g) The final bill will be initialed and dated by the deputy district attorney or district attorney investigator.
- (h) The supervising investigator will date and initial the bill and note "okay to pay."
- (i) The district attorney investigator will make a copy of the final bill for the district attorney case file and the investigative file.
- (j) The district attorney investigator will then forward the bill to the Fiscal/Admin Unit for payment.

Public Recording of Law Enforcement Activity

412.1 PURPOSE AND SCOPE

This policy provides guidelines for handling situations in which members of the public photograph or audio/video record law enforcement actions and other public activities that involve members of this department. In addition, this policy provides guidelines for situations where the recordings may be evidence.

412.2 POLICY

The Bureau of Investigation recognizes the right of persons to lawfully record members of this Bureau who are performing their official duties. Members of this Bureau will not prohibit or intentionally interfere with such lawful recordings. Any recordings that are deemed to be evidence of a crime or relevant to an investigation will only be collected or seized lawfully.

Investigators should exercise restraint and should not resort to highly discretionary arrests for offenses such as interference, failure to comply or disorderly conduct as a means of preventing someone from exercising the right to record members performing their official duties.

412.3 RECORDING LAW ENFORCEMENT ACTIVITY

Members of the public who wish to record law enforcement activities are limited only in certain aspects.

- (a) Recordings may be made from any public place or any private property where the individual has the legal right to be present (Penal Code § 69; Penal Code § 148).
- (b) Beyond the act of photographing or recording, individuals may not interfere with the law enforcement activity. Examples of interference include, but are not limited to:
 - 1. Tampering with a witness or suspect.
 - 2. Inciting others to violate the law.
 - 3. Being so close to the activity as to present a clear safety hazard to the investigators.
 - 4. Being so close to the activity as to interfere with an investigator's effective communication with a suspect or witness.
- (c) The individual may not present an undue safety risk to the investigators, him/herself or others.

412.4 INVESTIGATOR RESPONSE

Investigators should promptly request that a supervisor respond to the scene whenever it appears that anyone recording activities may be interfering with an investigation or it is believed that the recording may be evidence. If practicable, investigators should wait for the supervisor to arrive before taking enforcement action or seizing any cameras or recording media.

Public Recording of Law Enforcement Activity

Whenever practicable, investigators or supervisors should give clear and concise warnings to individuals who are conducting themselves in a manner that would cause their recording or behavior to be unlawful. Accompanying the warnings should be clear directions on what an individual can do to be compliant; directions should be specific enough to allow compliance. For example, rather than directing an individual to clear the area, an investigator could advise the person that he/she may continue observing and recording from the sidewalk across the street.

If an arrest or other significant enforcement activity is taken as the result of a recording that interferes with law enforcement activity, investigators shall document in a report the nature and extent of the interference or other unlawful behavior and the warnings that were issued.

412.5 SUPERVISOR RESPONSIBILITIES

A supervisor should respond to the scene when requested or any time the circumstances indicate a likelihood of interference or other unlawful behavior.

The supervisor should review the situation with the investigator and:

- (a) Request any additional assistance as needed to ensure a safe environment.
- (b) Take a lead role in communicating with individuals who are observing or recording regarding any appropriate limitations on their location or behavior. When practical, the encounter should be recorded.
- (c) When practicable, allow adequate time for individuals to respond to requests for a change of location or behavior.
- (d) Ensure that any enforcement, seizure or other actions are consistent with this policy and constitutional and state law.
- (e) Explain alternatives for individuals who wish to express concern about the conduct of Department members, such as how and where to file a complaint.

412.6 SEIZING RECORDINGS AS EVIDENCE

Investigators should not seize recording devices or media unless (42 USC § 2000aa):

- (a) There is probable cause to believe the person recording has committed or is committing a crime to which the recording relates, and the recording is reasonably necessary for prosecution of the person.
 - 1. Absent exigency or consent, a warrant should be sought before seizing or viewing such recordings. Reasonable steps may be taken to prevent erasure of the recording.
- (b) There is reason to believe that the immediate seizure of such recordings is necessary to prevent serious bodily injury or death of any person.
- (c) The person consents.
 - 1. To ensure that the consent is voluntary, the request should not be made in a threatening or coercive manner.

Public Recording of Law Enforcement Activity

2. If the original recording is provided, a copy of the recording should be provided to the recording party, if practicable. The recording party should be permitted to be present while the copy is being made, if feasible. Another way to obtain the evidence is to transmit a copy of the recording from a device to a department-owned device.

Recording devices and media that are seized will be submitted within the guidelines of the Property and Evidence Policy.

First Amendment Assemblies

413.1 PURPOSE AND SCOPE

This policy provides guidance for responding to public assemblies or demonstrations.

413.2 POLICY

The Ventura County District Attorney's Office respects the rights of people to peaceably assemble. It is the policy of this Office not to unreasonably interfere with, harass, intimidate or discriminate against persons engaged in the lawful exercise of their rights, while also preserving the peace, protecting life and preventing the destruction of property.

413.3 GENERAL CONSIDERATIONS

Individuals or groups present on the public way, such as public facilities, streets or walkways, generally have the right to assemble, rally, demonstrate, protest or otherwise express their views and opinions through varying forms of communication, including the distribution of printed matter. These rights may be limited by laws or ordinances regulating such matters as the obstruction of individual or vehicle access or egress, trespass, noise, picketing, distribution of handbills and leafleting, and loitering. However, Investigators shall not take action or fail to take action based on the opinions being expressed.

Participant behavior during a demonstration or other public assembly can vary. This may include, but is not limited to:

- Lawful, constitutionally protected actions and speech.
- Civil disobedience (typically involving minor criminal acts).
- Rioting.

All of these behaviors may be present during the same event. Therefore, it is imperative that law enforcement actions are measured and appropriate for the behaviors Investigators may encounter. This is particularly critical if force is being used. Adaptable strategies and tactics are essential. The purpose of a law enforcement presence at the scene of public assemblies and demonstrations should be to preserve the peace, to protect life and prevent the destruction of property.

Investigators should not:

- (a) Engage in assembly or demonstration-related discussion with participants.
- (b) Harass, confront or intimidate participants.
- (c) Seize the cameras, cell phones or materials of participants or observers unless an Investigator is placing a person under lawful arrest.

Supervisors should continually observe Bureau members under their commands to ensure that members' interaction with participants and their response to crowd dynamics is appropriate.

First Amendment Assemblies

413.3.1 PHOTOGRAPHS AND VIDEO RECORDINGS

Photographs and video recording, when appropriate, can serve a number of purposes, including support of criminal prosecutions by documenting criminal acts; assistance in evaluating Investigator's performance; serving as training material; recording the use of dispersal orders; and facilitating a response to allegations of improper law enforcement conduct.

Photographs and videos will not be used or retained for the sole purpose of collecting or maintaining information about the political, religious or social views of associations, or the activities of any individual, group, association, organization, corporation, business or partnership, unless such information directly relates to an investigation of criminal activities and there is reasonable suspicion that the subject of the information is involved in criminal conduct.

413.4 UNPLANNED EVENTS

When responding to an unplanned or spontaneous public gathering, the first responding Investigator should conduct an assessment of conditions, including, but not limited to, the following:

- Location
- Number of participants
- Apparent purpose of the event
- Leadership (whether it is apparent and/or whether it is effective)
- Any initial indicators of unlawful or disruptive activity
- Indicators that lawful use of public facilities, streets or walkways will be impacted
- Ability and/or need to continue monitoring the incident

Initial assessment information should be promptly communicated to the SRT Commander and the agency of jurisdiction, and the assignment of a supervisor should be requested. Additional resources should be requested as appropriate. The responding supervisor shall assume command of the incident until command is expressly assumed by the agency of jurisdiction, and the assumption of command is communicated to the involved members. A clearly defined command structure that is consistent with the Incident Command System (ICS) should be established as resources are deployed.

413.5 PLANNED EVENT PREPARATION

For planned events, comprehensive, incident-specific operational plans should be developed.

413.5.1 INFORMATION GATHERING AND ASSESSMENT

In order to properly assess the potential impact of a public assembly or demonstration on public safety and order, relevant information should be collected and vetted. This may include:

- Information obtained from outreach to group organizers or leaders.

First Amendment Assemblies

- Information about past and potential unlawful conduct associated with the event or similar events.
- The potential time, duration, scope, and type of planned activities.
- Any other information related to the goal of providing a balanced response to criminal activity and the protection of public safety interests.

Information should be obtained in a transparent manner, and the sources documented. Relevant information should be communicated to the appropriate parties in a timely manner.

Information will be obtained in a lawful manner and will not be based solely on the purpose or content of the assembly or demonstration, or actual or perceived characteristics such as race, ethnicity, national origin, religion, sex, sexual orientation, gender identity or expression, economic status, age, cultural group, or disability of the participants (or any other characteristic that is unrelated to criminal conduct or the identification of a criminal subject).

413.5.2 OPERATIONAL PLANS

An operational planning team with responsibility for event planning and management should be established. The planning team should develop an operational plan for the event.

The operational plan will minimally provide for:

- (a) Command assignments, chain of command structure, roles and responsibilities.
- (b) Staffing and resource allocation.
- (c) Management of criminal investigations.
- (d) Designation of uniform of the day and related safety equipment (e.g., helmets, shields).
- (e) Deployment of specialized resources.
- (f) Event communications and interoperability in a multi-jurisdictional event.
- (g) Liaison with demonstration leaders and external agencies.
- (h) Liaison with County government and legal staff.
- (i) Media relations.
- (j) Logistics: food, fuel, replacement equipment, duty hours, relief and transportation.
- (k) Traffic management plans.
- (l) First aid and emergency medical service provider availability.
- (m) Prisoner transport and detention.
- (n) Review of policies regarding public assemblies and use of force in crowd control.
- (o) Parameters for declaring an unlawful assembly.
- (p) Arrest protocol, including management of mass arrests.
- (q) Protocol for recording information flow and decisions.

First Amendment Assemblies

- (r) Rules of engagement, including rules of conduct, protocols for field force extraction and arrests, and any authorization required for the use of force.
- (s) Protocol for handling complaints during the event.
- (t) Parameters for the use of body-worn cameras and other portable recording devices.

413.5.3 MUTUAL AID AND EXTERNAL RESOURCES

The magnitude and anticipated duration of an event may necessitate interagency cooperation and coordination. The assigned Incident Commander should ensure that any required memorandums of understanding or other agreements are properly executed, and that any anticipated mutual aid is requested and facilitated (see the Mutual Aid and Outside Agency Assistance Policy).

413.6 UNLAWFUL ASSEMBLY DISPERSAL ORDERS

If a public gathering or demonstration remains peaceful and nonviolent, and there is no reasonably imminent threat to persons or property, the Incident Commander should generally authorize continued monitoring of the event.

Should the Incident Commander make a determination that public safety is presently or is about to be jeopardized, he/she or the authorized designee should attempt to verbally persuade event organizers or participants to disperse of their own accord. Warnings and advisements may be communicated through established communications links with leaders and/or participants or to the group.

When initial attempts at verbal persuasion are unsuccessful, the Incident Commander or the authorized designee should make a clear standardized announcement to the gathering that the event is an unlawful assembly, and should order the dispersal of the participants. The announcement should be communicated by whatever methods are reasonably available to ensure that the content of the message is clear and that it has been heard by the participants. The announcement should be amplified, made in different languages as appropriate, made from multiple locations in the affected area and documented by audio and video. The announcement should provide information about what law enforcement actions will take place if illegal behavior continues and should identify routes for egress. A reasonable time to disperse should be allowed following a dispersal order.

413.7 USE OF FORCE

Use of force is governed by current Bureau policy and applicable law (see the Use of Force, Handcuffing and Restraints, Control Devices and Techniques, and Conducted Energy Device policies).

Individuals refusing to comply with lawful orders (e.g., nonviolent refusal to disperse) should be given a clear verbal warning and a reasonable opportunity to comply. If an individual refuses to comply with lawful orders, the Incident Commander shall evaluate the type of resistance and adopt a reasonable response in order to accomplish the law enforcement mission (such as dispersal or arrest of those acting in violation of the law). Control devices should be considered only when the participants' conduct reasonably appears to present the potential to harm Investigators,

First Amendment Assemblies

themselves or others, or will result in substantial property loss or damage (see the Control Devices and Techniques and the Conducted Energy Device policies).

Force or control devices, including oleoresin capsaicin (OC), should be directed toward individuals and not toward groups or crowds, unless specific individuals cannot reasonably be targeted due to extreme circumstances, such as a riotous crowd.

Any use of force by a member of this office shall be documented promptly, completely and accurately in an appropriate report. The type of report required may depend on the nature of the incident.

413.8 ARRESTS

The Ventura County District Attorney's Office should respond to unlawful behavior in a manner that is consistent with the operational plan. If practicable, warnings or advisement's should be communicated prior to arrest.

Mass arrests should be employed only when alternate tactics and strategies have been, or reasonably appear likely to be, unsuccessful. Mass arrests shall only be undertaken upon the order of the Incident Commander or the authorized designee. There must be probable cause for each arrest.

If employed, mass arrest protocols should fully integrate:

- (a) Reasonable measures to address the safety of Investigators and arrestees.
- (b) Dedicated arrest, booking and report writing teams.
- (c) Timely access to medical care.
- (d) Timely access to legal resources.
- (e) Timely processing of arrestees.
- (f) Full accountability for arrestees and evidence.
- (g) Coordination and cooperation with the prosecuting authority, jail and courts (see the Cite and Release Policy).

413.9 MEDIA RELATIONS

The Chief Assistant District Attorney should use all available avenues of communication, including press releases, briefings, press conferences, and social media to maintain open channels of communication with media representatives and the public about the status and progress of the event, taking all opportunities to reassure the public about the professional management of the event (see the Media Relations Policy).

413.10 DEMOBILIZATION

When appropriate, the Incident Commander or the authorized designee should implement a phased and orderly withdrawal of law enforcement resources. All relieved personnel should

First Amendment Assemblies

promptly complete any required reports, including use of force reports, and account for all issued equipment and vehicles to their supervisors prior to returning to normal operational duties.

413.11 POST EVENT

The Incident Commander should designate a member to assemble full documentation of the event, to include the following:

- (a) Operational plan
- (b) Any incident logs
- (c) Any assignment logs
- (d) Vehicle, fuel, equipment and supply records
- (e) Incident, arrest, use of force, injury and property damage reports
- (f) Photographs, audio/video recordings, video evidence, records/tapes
- (g) Media accounts (print and broadcast media)

413.11.1 AFTER-ACTION REPORTING

The Incident Commander should work with County legal counsel, as appropriate, to prepare a comprehensive after-action report of the event, explaining all incidents where force was used including the following:

- (a) Date, time and description of the event
- (b) Actions taken and outcomes (e.g., injuries, property damage, arrests)
- (c) Problems identified
- (d) Significant events
- (e) Recommendations for improvement; opportunities for training should be documented in a generic manner, without identifying individuals or specific incidents, facts or circumstances.

413.12 TRAINING

Bureau members should receive periodic training regarding this policy, as well as the dynamics of crowd control and incident management (Penal Code § 13514.5). The Bureau should, when practicable, train with its external and mutual aid partners.

Medical Aid and Response

414.1 PURPOSE AND SCOPE

This policy recognizes that members often encounter persons in need of medical aid and establishes a law enforcement response to such situations.

414.2 POLICY

It is the policy of the Ventura County District Attorney's Office that all investigators and other designated members be trained to provide emergency medical aid and to facilitate an emergency medical response.

414.3 FIRST RESPONDING MEMBER RESPONSIBILITIES

Whenever practicable, members should take appropriate steps to provide initial medical aid (e.g., first aid, CPR, use of an automated external defibrillator (AED)) in accordance with their training and current certification levels. This should be done for those in need of immediate care and only when the member can safely do so.

Prior to initiating medical aid, the member should contact the Communications Center and request response by Emergency Medical Services (EMS) as the member deems appropriate.

Members should follow universal precautions when providing medical aid, such as wearing gloves and avoiding contact with bodily fluids, consistent with the Communicable Diseases Policy. Members should use a barrier or bag device to perform rescue breathing.

When requesting EMS, the member should provide the Communications Center with information for relay to EMS personnel in order to enable an appropriate response, including:

- (a) The location where EMS is needed.
- (b) The nature of the incident.
- (c) Any known scene hazards.
- (d) Information on the person in need of EMS, such as:
 - 1. Signs and symptoms as observed by the member.
 - 2. Changes in apparent condition.
 - 3. Number of patients, sex, and age, if known.
 - 4. Whether the person is conscious, breathing, and alert, or is believed to have consumed drugs or alcohol.
 - 5. Whether the person is showing signs or symptoms of excited delirium or other agitated chaotic behavior.

Members should stabilize the scene whenever practicable while awaiting the arrival of EMS.

Members should not direct EMS personnel whether to transport the person for treatment.

Medical Aid and Response

414.4 TRANSPORTING ILL AND INJURED PERSONS

Except in extraordinary cases where alternatives are not reasonably available, members should not transport persons who are unconscious, who have serious injuries or who may be seriously ill. EMS personnel should be called to handle patient transportation.

Investigators should search any person who is in custody before releasing that person to EMS for transport.

An investigator should accompany any person in custody during transport in an ambulance when requested by EMS personnel, when it reasonably appears necessary to provide security, when it is necessary for investigative purposes or when so directed by a supervisor.

Members should not provide emergency escort for medical transport or civilian vehicles.

414.5 PERSONS REFUSING EMS CARE

If a person who is not in custody refuses EMS care or refuses to be transported to a medical facility, an investigator shall not force that person to receive care or be transported. However, members may assist EMS personnel when EMS personnel determine the person lacks mental capacity to understand the consequences of refusing medical care or to make an informed decision and the lack of immediate medical attention may result in serious bodily injury or the death of the person.

In cases where mental illness may be a factor, the investigator should consider proceeding with a 72-hour treatment and evaluation commitment (5150 commitment) process in accordance with the Mental Illness Commitments Policy.

If an investigator believes that a person who is in custody requires EMS care and the person refuses, he/she should encourage the person to receive medical treatment. The investigator may also consider contacting a family member to help persuade the person to agree to treatment or who may be able to authorize treatment for the person.

If the person who is in custody still refuses, the investigator will require the person to be transported to the nearest medical facility. In such cases, the investigator should consult with a supervisor prior to the transport.

Members shall not sign refusal-for-treatment forms or forms accepting financial responsibility for treatment.

414.6 MEDICAL ATTENTION RELATED TO USE OF FORCE

Specific guidelines for medical attention for injuries sustained from a use of force may be found in the Use of Force, Handcuffing and Restraints, Control Devices and Techniques policies.

414.7 AIR AMBULANCE

Generally, when on-scene, EMS personnel will be responsible for determining whether an air ambulance response should be requested. An air ambulance may be appropriate when there are victims with life-threatening injuries or who require specialized treatment (e.g., gunshot wounds, burns, obstetrical cases), and distance or other known delays will affect the EMS response.

Medical Aid and Response

The Deputy Chief Investigator should develop guidelines for air ambulance landings or enter into local operating agreements for the use of air ambulances, as applicable. In creating those guidelines, the [Department/Office] should identify:

- Responsibility and authority for designating a landing zone and determining the size of the landing zone.
- Responsibility for securing the area and maintaining that security once the landing zone is identified.
- Consideration of the air ambulance provider's minimum standards for proximity to vertical obstructions and surface composition (e.g., dirt, gravel, pavement, concrete, grass).
- Consideration of the air ambulance provider's minimum standards for horizontal clearance from structures, fences, power poles, antennas or roadways.
- Responsibility for notifying the appropriate highway or transportation agencies if a roadway is selected as a landing zone.
- Procedures for ground personnel to communicate with flight personnel during the operation.

One [department/office] member at the scene should be designated as the air ambulance communications contact. Headlights, spotlights and flashlights should not be aimed upward at the air ambulance. Members should direct vehicle and pedestrian traffic away from the landing zone.

Members should follow these cautions when near an air ambulance:

- Never approach the aircraft until signaled by the flight crew.
- Always approach the aircraft from the front.
- Avoid the aircraft's tail rotor area.
- Wear eye protection during landing and take-off.
- Do not carry or hold items, such as IV bags, above the head.
- Ensure that no one smokes near the aircraft.

414.8 AUTOMATED EXTERNAL DEFIBRILLATOR (AED) USE

A member may use an AED only after receiving appropriate training from an approved public safety first aid and CPR course (22 CCR 100014; 22 CCR 100017; 22 CCR 100018).

414.8.1 AED USER RESPONSIBILITY

Members who are issued AEDs for use in [department/office] vehicles should check the AED at the beginning of the shift to ensure it is properly charged and functioning. Any AED that is not functioning properly will be taken out of service and given to the Training Manager who is responsible for ensuring appropriate maintenance.

Following use of an AED, the device shall be cleaned and/or decontaminated as required. The electrodes and/or pads will be replaced as recommended by the AED manufacturer.

Medical Aid and Response

Any member who uses an AED should contact the Communications Center as soon as possible and request response by EMS.

414.8.2 AED REPORTING

Any member using an AED will complete an incident report detailing its use.

414.8.3 AED TRAINING AND MAINTENANCE

The Training Manager should ensure appropriate training and refresher training is provided to members authorized to use an AED. A list of authorized members and training records shall be made available for inspection by the local EMS agency (LEMSA) or EMS authority upon request (22 CCR 100021; 22 CCR 100022; 22 CCR 100029).

414.9 SICK OR INJURED ARRESTEE

If an arrestee appears ill or injured, or claims illness or injury, he/she should be medically cleared prior to booking. If the investigator has reason to believe the arrestee is feigning injury or illness, the investigator should contact a supervisor, who will determine whether medical clearance will be obtained prior to booking.

If the jail or detention facility refuses to accept custody of an arrestee based on medical screening, the investigator should note the name of the facility person refusing to accept custody and the reason for refusal, and should notify a supervisor to determine the appropriate action.

Arrestees who appear to have a serious medical issue should be transported by ambulance. Investigators shall not transport an arrestee to a hospital without a supervisor's approval.

Nothing in this section should delay an investigator from requesting EMS when an arrestee reasonably appears to be exhibiting symptoms that appear to be life threatening, including breathing problems or an altered level of consciousness, or is claiming an illness or injury that reasonably warrants an EMS response in accordance with the investigator's training.

414.10 FIRST AID TRAINING

The Training Manager should ensure investigators receive initial first aid training within one year of employment and refresher training every two years thereafter (22 CCR 100016; 22 CCR 100022).

Automated License Plate Readers (ALPRs)

415.1 PURPOSE AND SCOPE

The purpose of this policy is to provide guidance for the capture, storage and use of digital data obtained through the use of Automated License Plate Reader (ALPR) technology.

415.2 ADMINISTRATION

The ALPR technology, also known as License Plate Recognition (LPR), allows for the automated detection of license plates. It is used by the Ventura County District Attorney's Office to convert data associated with vehicle license plates for official law enforcement purposes, including identifying stolen or wanted vehicles, stolen license plates and missing persons. It may also be used to gather information related to active warrants, homeland security, electronic surveillance, suspect interdiction and stolen property recovery.

All installation and maintenance of ALPR equipment, as well as ALPR data retention and access, shall be managed by the Ventura County Sheriff's Office. The Patrol Services Assistant Sheriff will assign members under his/her command to administer the day-to-day operation of the ALPR equipment and data.

415.2.1 ALPR ADMINISTRATOR

The Ventura County Sheriff's Office shall be responsible for developing guidelines and procedures to comply with the requirements of Civil Code § 1798.90.5 et seq. This includes, but is not limited to (Civil Code § 1798.90.51; Civil Code § 1798.90.53):

- (a) A description of the job title or other designation of the members and independent contractors who are authorized to use or access the ALPR system or to collect ALPR information.
- (b) Training requirements for authorized users.
- (c) A description of how the ALPR system will be monitored to ensure the security of the information and compliance with applicable privacy laws.
- (d) Procedures for system operators to maintain records of access in compliance with Civil Code § 1798.90.52.
- (e) The title and name of the current designee in overseeing the ALPR operation.
- (f) Working with the Custodian of Records on the retention and destruction of ALPR data.
- (g) Ensuring this policy and related procedures are conspicuously posted on the department's website.

415.3 OPERATIONS

Use of an ALPR is restricted to the purposes outlined below. Department members shall not use, or allow others to use the equipment or database records for any unauthorized purpose (Civil Code § 1798.90.51; Civil Code § 1798.90.53).

- (a) An ALPR shall only be used for official law enforcement business.

Automated License Plate Readers (ALPRs)

- (b) An ALPR may be used in conjunction with any routine patrol operation or criminal investigation. Reasonable suspicion or probable cause is not required before using an ALPR.
- (c) While an ALPR may be used to canvass license plates around any crime scene, particular consideration should be given to using ALPR-equipped cars to canvass areas around homicides, shootings and other major incidents. Partial license plates reported during major crimes should be entered into the ALPR system in an attempt to identify suspect vehicles.
- (d) No member of this department shall operate ALPR equipment or access ALPR data without first completing department-approved training.
- (e) No ALPR operator may access department, state or federal data unless otherwise authorized to do so.
- (f) If practicable, the investigator should verify an ALPR response through the California Law Enforcement Telecommunications System (CLETS) before taking enforcement action that is based solely on an ALPR alert.

415.4 DATA COLLECTION AND RETENTION

The Ventura County Sheriff's Office is responsible for ensuring systems and processes are in place for the proper collection and retention of ALPR data. Data will be transferred from vehicles to the designated storage in accordance with department procedures.

All ALPR data downloaded to the server should be stored for a minimum of one year (Government Code § 34090.6) and in accordance with the established records retention schedule. Thereafter, ALPR data should be purged unless it has become, or it is reasonable to believe it will become, evidence in a criminal or civil action or is subject to a discovery request or other lawful action to produce records. In those circumstances the applicable data should be downloaded from the server onto portable media and booked into evidence.

415.5 ACCOUNTABILITY

All data will be closely safeguarded and protected by both procedural and technological means. The Ventura County District Attorney's Office will observe the following safeguards regarding access to and use of stored data (Civil Code § 1798.90.51; Civil Code § 1798.90.53):

- (a) All ALPR data downloaded to the mobile workstation and in storage shall be accessible only through a login/password-protected system capable of documenting all access of information by name, date and time (Civil Code § 1798.90.52).
- (b) Members approved to access ALPR data under these guidelines are permitted to access the data for legitimate law enforcement purposes only, such as when the data relate to a specific criminal investigation or department-related civil or administrative action.

Automated License Plate Readers (ALPRs)

- (c) ALPR system audits should be conducted on a regular basis.

For security or data breaches, see the Records Release and Maintenance Policy.

415.6 POLICY

The policy of the Ventura County District Attorney's Office is to utilize ALPR technology to capture and store digital license plate data and images while recognizing the established privacy rights of the public.

All data and images gathered by the ALPR are for the official use of this department. Because such data may contain confidential information, it is not open to public review.

415.7 RELEASING ALPR DATA

The ALPR data may be shared only with other law enforcement or prosecutorial agencies for official law enforcement purposes or as otherwise permitted by law, using the following procedures:

- (a) The agency makes a written request for the ALPR data that includes:
 - 1. The name of the agency.
 - 2. The name of the person requesting.
 - 3. The intended purpose of obtaining the information.
- (b) The request is reviewed by the Ventura County Sheriff's Office, Patrol Services Assistant Sheriff or the authorized designee and approved before the request is fulfilled.
- (c) The approved request is retained on file with the Sheriff's Office.

Requests for ALPR data by non-law enforcement or non-prosecutorial agencies will be processed as provided in the Records Maintenance and Release Policy (Civil Code § 1798.90.55).

415.8 TRAINING

The Training Manager should ensure that members receive department-approved training for those authorized to use or access the ALPR system (Civil Code § 1798.90.51; Civil Code § 1798.90.53).

Chapter 6 - Investigation Operations

Informant Interview Policy

600.1 PURPOSE AND SCOPE

Investigators are constantly under close scrutiny regarding conduct with informants and witnesses. As a matter of general procedure, all Bureau of Investigation personnel should avoid "one-on-one" interviews with informants, defendant-informants or witnesses with questionable motives or backgrounds.

600.1.1 PROCEDURE

Investigators should be cognizant of the need to be prepared to testify in court and corroborate an informant's statement and contact information. To corroborate any information or statements received from the informant, it is preferable to audio or video record the informant's contact/interview, if possible. It is also preferable to have a second investigator present to witness the informant's statements and demeanor. A written record of the contact interview shall be completed by the investigator.

It is the policy of the Bureau of Investigation that when possible and feasible:

- (a) Informants or questionable witnesses should normally be handled by two investigators.
- (b) Where practical, an audio or video recording should be made of the contact, whether one or two investigators are present for the interview/contact.
- (c) Memos, investigative reports, intelligence reports, or other notes shall be written by the investigator to document the interview/contact.
- (d) All contacts with informants will follow the Ventura County District Attorney's Legal Policies Manual as listed in Article 1, section 1.02, chapter 2, subsection O.

This policy does not preclude the day-to-day, "one-on-one" witness contact that is necessary to perform more routine duties, but is intended to cover the more difficult or unusual situations.

Asset Forfeiture

601.1 PURPOSE AND SCOPE

This policy describes the authority and procedure for the seizure, forfeiture and liquidation of property associated with designated offenses.

601.1.1 DEFINITIONS

Definitions related to this policy include:

Fiscal agent - The person designated by the Chief Investigator to be responsible for securing and maintaining seized assets and distributing any proceeds realized from any forfeiture proceedings. This includes any time the Ventura County District Attorney's Office seizes property for forfeiture or when the Ventura County District Attorney's Office is acting as the fiscal agent pursuant to a multi-agency agreement.

Forfeiture - The process by which legal ownership of an asset is transferred to a government or other authority.

Forfeiture reviewer - The department member assigned by the Chief Investigator who is responsible for reviewing all forfeiture cases and for acting as the liaison between the Department and the assigned attorney.

Property subject to forfeiture - The following may be subject to forfeiture:

- (a) Property related to a narcotics offense, which includes (Heath and Safety Code § 11470; Health and Safety Code § 11470.1):
 - 1. Property (not including real property or vehicles) used, or intended for use, as a container for controlled substances, materials to manufacture controlled substances, etc.
 - 2. Interest in a vehicle (car, boat, airplane, other vehicle) used to facilitate the manufacture, possession for sale or sale of specified quantities of controlled substances.
 - 3. Money, negotiable instruments, securities or other things of value furnished or intended to be furnished by any person in exchange for a controlled substance, proceeds traceable to an exchange, etc.
 - 4. Real property when the owner is convicted of violating Health and Safety Code § 11366, Health and Safety Code § 11366.5 or Health and Safety Code § 11366.6 (drug houses) when the property was not used as a family residence or for other lawful purposes, or property owned by two or more persons, one of whom had no knowledge of its unlawful use.
 - 5. The expenses of seizing, eradicating, destroying or taking remedial action with respect to any controlled substance or its precursors upon conviction for the unlawful manufacture or cultivation of any controlled substance or its precursors.

Asset Forfeiture

- (b) Property related to criminal profiteering (may include gang crimes), to include (Penal Code § 186.2; Penal Code § 186.3):
 - 1. Any property interest, whether tangible or intangible, acquired through a pattern of criminal profiteering activity.
 - 2. All proceeds acquired through a pattern of criminal profiteering activity, including all things of value that may have been received in exchange for the proceeds immediately derived from the pattern of criminal profiteering activity.

Seizure - The act of law enforcement officials taking property, cash or assets that have been used in connection with or acquired by specified illegal activities.

601.2 POLICY

The Ventura County District Attorney's Office recognizes that appropriately applied forfeiture laws are helpful to enforce the law, deter crime and reduce the economic incentive of crime. However, the potential for revenue should never compromise the effective investigation of criminal offenses, officer safety or any person's due process rights.

It is the policy of the Ventura County District Attorney's Office that all members, including those assigned to internal or external law enforcement task force operations, shall comply with all state and federal laws pertaining to forfeiture.

601.3 ASSET SEIZURE

Property may be seized for forfeiture as provided in this policy.

601.3.1 PROPERTY SUBJECT TO SEIZURE

The following may be seized upon review and approval of a supervisor and in coordination with the forfeiture reviewer:

- (a) Property subject to forfeiture authorized for seizure under the authority of a search warrant or court order.
- (b) Property subject to forfeiture not authorized for seizure under the authority of a search warrant or court order when any of the following apply (Health and Safety Code § 11471; Health and Safety Code § 11488):
 - 1. The property subject to forfeiture is legally seized incident to an arrest.
 - 2. There is probable cause to believe that the property was used or is intended to be used in a violation of the Uniform Controlled Substances Act and the seizing investigator can articulate a nexus between the property and the controlled substance offense that would lead to the item being property subject for forfeiture.

Asset Forfeiture

Investigators aware of assets that may be forfeitable as a result of criminal profiteering or human trafficking should consider contacting the district attorney regarding a court order to protect the assets (Penal Code § 186.6; Penal Code § 236.6).

Whenever practicable, a search warrant or court order for seizure prior to making a seizure is the preferred method.

A large amount of money standing alone is insufficient to establish the probable cause required to make a seizure.

601.3.2 PROPERTY NOT SUBJECT TO SEIZURE

The following property should not be seized for forfeiture:

- (a) Cash and property that does not meet the forfeiture counsel's current minimum forfeiture thresholds should not be seized.
- (b) Real property is not subject to seizure, absent exigent circumstances, without a court order (Health and Safety Code § 11471).
- (c) A vehicle which may be lawfully driven on the highway if there is a community property interest in the vehicle by a person other than the suspect and the vehicle is the sole vehicle available to the suspect's immediate family (Health and Safety Code § 11470).
- (d) Vehicles, boats or airplanes owned by an "innocent owner," such as a common carrier with no knowledge of the suspected offense (Health and Safety Code § 11490).
- (e) Any property when the associated activity involves the possession of marijuana or related paraphernalia that is permissible under the Control, Regulate and Tax Adult Use of Marijuana Act (Health and Safety Code § 11362.1).

601.4 PROCESSING SEIZED PROPERTY FOR FORFEITURE PROCEEDINGS

When property or cash subject to this policy is seized, the investigator making the seizure should ensure compliance with the following:

- (a) Complete applicable seizure forms and present the appropriate copy to the person from whom the property is seized. If cash or property is seized from more than one person, a separate copy must be provided to each person, specifying the items seized. When property is seized and no one claims an interest in the property, the investigator must leave the copy in the place where the property was found, if it is reasonable to do so.
- (b) Complete and submit a report and original seizure forms within 24 hours of the seizure, if practicable.
- (c) Forward the original seizure forms and related reports to the forfeiture reviewer within two days of seizure.

The investigator will book seized property as evidence with the notation in the comment section of the property form, "Seized Subject to Forfeiture." Property seized subject to forfeiture should

Asset Forfeiture

be booked on a separate property form. No other evidence from the case should be booked on this form.

Photographs should be taken of items seized, particularly cash, jewelry and other valuable items.

Investigators who suspect property may be subject to seizure but are not able to seize the property (e.g., the property is located elsewhere, the whereabouts of the property is unknown, it is real estate, bank accounts, non-tangible assets) should document and forward the information in the appropriate report to the forfeiture reviewer.

601.5 MAINTAINING SEIZED PROPERTY

The Property and Evidence Room Supervisor is responsible for ensuring compliance with the following:

- (a) All property received for forfeiture is reasonably secured and properly stored to prevent waste and preserve its condition.
- (b) All property received for forfeiture is checked to determine if the property has been stolen.
- (c) All property received for forfeiture is retained in the same manner as evidence until forfeiture is finalized or the property is returned to the claimant or the person with an ownership interest.
- (d) Property received for forfeiture is not used unless the forfeiture action has been completed.

601.6 FORFEITURE REVIEWER

The Chief Investigator will appoint an investigator as the forfeiture reviewer. Prior to assuming duties, or as soon as practicable thereafter, the forfeiture reviewer should attend a department-approved course on asset forfeiture.

The responsibilities of the forfeiture reviewer include:

- (a) Remaining familiar with forfeiture laws, particularly Health and Safety Code § 11469 et seq. and Penal Code § 186.2 et seq. and the forfeiture policies of the forfeiture counsel.
- (b) Serving as the liaison between the Department and the forfeiture counsel and ensuring prompt legal review of all seizures.
- (c) Making reasonable efforts to obtain annual training that includes best practices in pursuing, seizing and tracking forfeitures.
- (d) Ensuring that property seized under state law is not referred or otherwise transferred to a federal agency seeking the property for federal forfeiture as prohibited by Health and Safety Code § 11471.2.

Asset Forfeiture

- (e) Ensuring that responsibilities, including the designation of a fiscal agent, are clearly established whenever multiple agencies are cooperating in a forfeiture case.
- (f) Ensuring that seizure forms are available and appropriate for department use. These should include notice forms, a receipt form and a checklist that provides relevant guidance to investigators. The forms should be available in languages appropriate for the region and should contain spaces for:
 - 1. Names and contact information for all relevant persons and law enforcement officers involved.
 - 2. Information as to how ownership or other property interests may have been determined (e.g., verbal claims of ownership, titles, public records).
 - 3. A space for the signature of the person from whom cash or property is being seized.
 - 4. A tear-off portion or copy, which should be given to the person from whom cash or property is being seized, that includes the legal authority for the seizure, information regarding the process to contest the seizure and a detailed description of the items seized.
- (g) Ensuring that investigators who may be involved in asset forfeiture receive training in the proper use of the seizure forms and the forfeiture process. The training should be developed in consultation with the appropriate legal counsel and may be accomplished through traditional classroom education, electronic media, Daily Training Bulletins (DTBs) or Department Directives. The training should cover this policy and address any relevant statutory changes and court decisions.
- (h) Reviewing each asset forfeiture case to ensure that:
 - 1. Written documentation of the seizure and the items seized is in the case file.
 - 2. Independent legal review of the circumstances and propriety of the seizure is made in a timely manner.
 - 3. Notice of seizure has been given in a timely manner to those who hold an interest in the seized property (Health and Safety Code § 11488.4).
 - 4. Property is promptly released to those entitled to its return (Health and Safety Code § 11488.2).
 - 5. All changes to forfeiture status are forwarded to any supervisor who initiates a forfeiture case.
 - 6. Any cash received is deposited with the fiscal agent.
 - 7. Assistance with the resolution of ownership claims and the release of property to those entitled is provided.

Asset Forfeiture

8. Current minimum forfeiture thresholds are communicated appropriately to investigators.
9. This policy and any related policies are periodically reviewed and updated to reflect current federal and state statutes and case law.
 - (i) Ensuring that a written plan that enables the Chief Investigator to address any extended absence of the forfeiture reviewer, thereby ensuring that contact information for other law enforcement officers and attorneys who may assist in these matters is available.
 - (j) Ensuring that the process of selling or adding forfeited property to the department's regular inventory is in accordance with all applicable laws and consistent with the department's use and disposition of similar property.
 - (k) Keeping a manual that details the statutory grounds for forfeitures and department procedures related to asset forfeiture, including procedures for prompt notice to interest holders, the expeditious release of seized property, where appropriate, and the prompt resolution of claims of innocent ownership (Heath and Safety Code § 11469).
 - (l) Providing copies of seized business records to the person or business from whom such records were seized, when requested (Heath and Safety Code §11471).
 - (m) Notifying the California Franchise Tax Board when there is reasonable cause to believe that the value of seized property exceeds \$5,000.00 (Health and Safety Code § 11471.5).

Forfeiture proceeds should be maintained in a separate fund or account subject to appropriate accounting control, with regular reviews or audits of all deposits and expenditures.

Forfeiture reporting and expenditures should be completed in the manner prescribed by the law and County financial directives (Health and Safety Code § 11495).

601.7 DISPOSITION OF FORFEITED PROPERTY

Forfeited funds distributed under Health and Safety Code § 11489 et seq. shall only be used for purposes allowed by law, but in no case shall a peace officer's employment or salary depend upon the level of seizures or forfeitures he/she achieves (Heath and Safety Code § 11469).

The Department may request a court order so that certain uncontaminated science equipment is relinquished to a school or school district for science classroom education in lieu of destruction (Health and Safety Code § 11473; Health and Safety Code § 11473.5).

601.7.1 RECEIVING EQUITABLE SHARES

When participating in a joint investigation with a federal agency, the Ventura County District Attorney's Office shall not receive an equitable share from the federal agency of all or a portion of the forfeiture proceeds absent either a required conviction under Health and Safety Code §

Asset Forfeiture

11471.2 or the flight, death or willful failure to appear of the defendant. This does not apply to forfeited cash or negotiable instruments of \$40,000 or more.

601.8 CLAIM INVESTIGATIONS

An investigation shall be made as to any claimant of a vehicle, boat or airplane whose right, title, interest or lien is on the record in the Department of Motor Vehicles or in an appropriate federal agency. If investigation reveals that any person, other than the registered owner, is the legal owner, and that ownership did not arise subsequent to the date and time of arrest or notification of the forfeiture proceedings or seizure of the vehicle, boat or airplane, notice shall be made to the legal owner at his/her address appearing on the records of the Department of Motor Vehicles or the appropriate federal agency (Health and Safety Code § 11488.4).

California Witness Relocation Assistance Program (CAL-WRAP)

602.1 PURPOSE AND SCOPE

To establish guidelines for the proper utilization of the California Witness Relocation Assistance Program (CAL WRAP) program and accountability of all funds utilized by the Bureau of Investigation.

The CAL WRAP program is administered by the State of California Department of Justice. The program allows law enforcement agencies, through the District Attorney's Office, to relocate victims and witnesses of crimes in order to assist with the prosecution of criminal defendants. Applicants to this program must be approved by the District Attorney's Office and the State of California Department of Justice. The basic criteria for victims or witnesses to qualify for the program are:

- There must be a credible or articulable danger of injury or death to the victim or witness related to their cooperation with law enforcement in the investigation and prosecution of crimes.
- The criminal case must be a filed case or expect to be filed. Cases that have already been adjudicated do not qualify.
- The victim or witness must be needed in order to prosecute the case.
- The victim or witness must agree to abide by the rules of the program.
- The victim or witness must move out of the threat area and remain out of that area.
- The CAL WRAP program should not be used for the sole purpose of convincing victims or witnesses to cooperate in cases.

602.1.1 MANAGER RESPONSIBILITY AND REVIEW

A. CAL WRAP Funds are those monies administered by the District Attorney's Office for use in the relocating of witnesses approved by the Department of Justice-CAL WRAP. The District Attorney has ultimate control and responsibility for the use of these funds. Unless approved otherwise by the District Attorney, these funds may only be used as directed herein. To ensure that the funds are spent in the appropriate fashion, the District Attorney has directed the Fiscal Section of the Fiscal/Administrative/ Legislative Services Division to audit the Bureau of Investigation CAL WRAP Fund on an annual basis.

B. The fiscal manager of the Fiscal/Administrative/Legislative Services Division shall put in place a monthly review of all expenditures. These expenditures will be documented in writing and verified for accuracy by the director of the Fiscal/Administrative/Legislative Services Division, or

California Witness Relocation Assistance Program (CAL-WRAP)

his designee. The original documents shall be maintained in the Fiscal/Administrative/Legislative Services Division for use in any internal or external audits.

C. The Deputy Chief Investigator - shall be provided with a review of expenditures by the Fiscal Section of the Fiscal/Administrative/Legislative Services Division on a monthly basis. The deputy chief investigator should, on occasion, call for a review of said expenditures to ascertain that the funds are being spent in the manner prescribed by the Department of Justice-CAL WRAP. All reviews should be dated and documented by the deputy chief investigator.

602.1.2 PROCEDURES FOR REQUESTING AND MAINTAINING FUNDS

A. The manager of the Fiscal/Administrative/Legislative Services Division shall maintain a checking account specifically for CAL WRAP funds. The manager of the Fiscal/Administrative/Legislative Services Division, the Chief Investigator, the Chief Assistant District Attorney and the District Attorney shall be the only individuals to have signature authority for this account.

B. The Bureau of Investigation shall maintain a safe on site in which an expenditure ledger and emergency funds are held for use in the event no one with signature authority is available (i.e.: after hours, weekends etc.) The chief investigator and deputy chief shall be the only individuals to have access to this safe.

C. CAL WRAP funds may be requested by investigators of the Bureau of Investigation. The request for funds shall be submitted on an Expenditure Request Form (ERF) in the amount requested. The ERF will be authorized by the unit senior investigator and then approved by a deputy chief investigator. Upon approval, the ERF shall be taken to the fiscal manager, Fiscal/Administrative/Legislative Services Division, who will review the ERF and supporting documentation. The funds will then be issued from the designated checking account. The disbursement will be noted in the ledger along with the witness number as assigned by the Department of Justice-CAL WRAP.

602.1.3 PROGRAM INVESTIGATOR

The Bureau shall have a Cal Wrap Program Investigator which is an investigator assigned to manage the month to month requirements of the Cal Wrap program. These functions include:

A. Acting as a liaison and recourse for bureau investigators / outside agency detectives and Cal Wrap administrators working at the California Department of Justice^[1].

B. Submit completed Cal Wrap applications and forms to Cal Wrap on behalf of investigators and detectives within the County of Ventura.

C. Track the status of active Cal Wrap witnesses and ensure witness agreements with Cal Wrap are up to date so that Cal Wrap Funding is maintained. This would include keeping a current Cal Wrap Witness File on each active witness.

D. In the event the assigned program investigator is temporarily unavailable, a temporary program investigator may be assigned to carry out the duties associated with Cal Wrap.

[1] Witnesses may be handled by investigator or an outside agency detective depending on the needs of the case.

California Witness Relocation Assistance Program (CAL-WRAP)

ASSIGNED DISTRICT ATTORNEY INVESTIGATOR

The assigned district attorney investigator who directly works with the Cal Wrap Witness is responsible for completing and maintaining a copy of the Cal Wrap Witness File. They are also responsible for maintaining contact with the witness and work with the witness (and the program investigator) on any problems which arise as a result of the witness' involvement in the program. They will coordinate witness appearances in court with the district attorney assigned to the case. They will also document and coordinate an appropriate law enforcement response if the investigator learns of an active, credible threat to the witness.

OUTSIDE AGENCY DETECTIVES

The Ventura County District Attorney's Office is responsible for the administration of the Cal Wrap program within Ventura County. Witnesses may be handled by either an investigator or detective within a law enforcement agency in Ventura County. As long as a detective abides by the rules outlined in the Cal Wrap Policy and Procedures Manual, Cal Wrap reimbursement will be received. The Cal Wrap Program Investigator should encourage outside agency detectives to abide by the same guidelines as those required of assigned investigators, but this is not a requirement of Cal Wrap support. The duties of the program investigator in connection with a witness handled by an outside law enforcement agency include:

- A. Facilitating the application process of a witness with Cal Wrap.
- B. Communicating with the outside agency detective when a Cal Wrap contract is close to expiration and complete a contract extension if warranted.
- C. Notify Cal Wrap of the change in status of any witness.
- D. The outside law enforcement officer is responsible for adherence to the guidelines set by Cal Wrap. The detective is also responsible for ensuring the Ventura County District Attorney Office's fiscal manager receives any documents required for such compliance.

CAL WRAP WITNESS FILE

The Cal Wrap Witness File is a master file associated with each witness in Cal Wrap and retained by the Ventura County District Attorney's Office. The original file is retained by the program investigator and a copy maintained by the assigned investigator or outside agency detective. The file should contain at minimum the following documents:

- A. The initial Cal Wrap Application
- B. The approved contract from Cal Wrap
- C. A signed Cal Wrap Witness Agreement
- D. A signed Cal Wrap Financial Agreement

California Witness Relocation Assistance Program (CAL-WRAP)

- E. Signed Witness Receipts

- H. An initialed and signed Relocation Advisal
- I. Witness Checklist (optional, but encouraged for outside agency detective)
- J. Witness Contact Log (optional, but encouraged for outside agency detective)
- K. Expense Ledger (optional, but encouraged for outside agency detective)
- L. Copies of all receipts received from a witness
- M. Any other signed Cal Wrap documents such as rental agreements, a Cal Wrap Utility Deposit Request Form or other signed documents.

APPLICATION PROCESS

Once completed, the application is forwarded to the Ventura County District Attorney's Office Cal Wrap program investigator for submission to the Cal Wrap program.
- B. Upon notification by Cal Wrap of a witness' acceptance into the program, the program investigator shall notify the assigned investigator or outside agency detective.
- C. The program investigator should provide the assigned investigator or outside agency detective a copy of the Cal Wrap approval. The approval will contain a Witness Number as well as a Cal Wrap Agreement Number.
- D. If a witness' application is not accepted by Cal Wrap, the program investigator will work with the assigned investigator or outside agency detective and evaluate if further action is warranted.
- E. The assigned investigator or outside agency detective is responsible for signing up the witness into the Cal Wrap program. The sign up process includes the completion of the following forms and/or documents:
 - 1. District Attorney Witness Checklist (optional, but encouraged for outside agency detective)
 - 2. District Attorney Witness Contact Log (optional, but encouraged for outside agency detective)
 - 3. District Attorney Expense Ledger (optional, but encouraged for outside agency detective)
 - 4. District Attorney Relocation Advisal
 - 5. Cal Wrap Investigator Agreement
 - 6. Cal Wrap Financial Agreement

California Witness Relocation Assistance Program (CAL-WRAP)

F. The assigned investigator outside agency detective shall maintain copies of all the documents outlined in Section E above. The originals will be forwarded to the program investigator so that the program investigator can generate a Cal Wrap Witness File and forward these documents to Cal Wrap as required. The Witness file will be labeled by Witness Number and not by the name of the witness.

G. Additional documents might be required for a witness on a case-by-case basis. It is the duty of the assigned investigator or outside agency detective to ensure those forms or documents are completed and returned to the program investigator in a timely manner. Copies of any such documents should be maintained by the assigned investigator or outside agency detective with the originals forwarded to the program investigator.

H. A copy of the current Cal Wrap Policy and Procedure Manual will be maintained on the bureau's "Forms" drive located on the District Attorney's Shared Drive. It is the responsibility of the assigned investigator to be familiar with the requirements set forth in the manual.

I. The program investigator should provide a copy of the most currently available Cal Wrap Manual to the outside agency detective. It is the responsibility of the outside agency detective to follow the guidelines in the Cal Wrap Manual.

WITNESS RELOCATION AND MAINTENANCE

A. After a witness has signed the enrollment documents, they may be given funds to relocate. The first 30 days of witness funds are set at different amounts than the subsequent months within the program. The Cal Wrap Policy and Procedure Manual outline these differences. In order for the assigned investigator to receive Cal Wrap Funds they must complete an ERF as they would for any other office expenditure. Once the ERF is approved by the supervisor and fiscal manager, the fiscal manager will prepare a check for the amount of the ERF and in the name of the assigned investigator. (Funding approval and disbursement to an outside agency detective for a Cal Wrap Witness is processed differently, which is a function of the fiscal manager and thereby not subject to this policy).

B. The assigned investigator or outside agency detective will distribute funds to the witness and the witness will sign a Cal Wrap Witness Receipt noting they received the funds.

C. The payments may be in the form of cash, deposit or check card and are done so at the discretion of the assigned investigator or outside agency detective. Each witness's situation is different and therefore payment methods are the discretion of the handler.

D. It is recommended, but not required, that the assigned investigator work with the witness to open a bank account with the same banking institution the Cal Wrap Funds are drawn from. This allows for the assigned investigator to deposit the Cal Wrap Funds directly into the witness's bank account.

California Witness Relocation Assistance Program (CAL-WRAP)

E. The witness will be responsible for providing the assigned investigator or outside agency detective receipts for their monthly rent and utilities. No receipts are necessary for food or incidental funds.

F. The rental expenses are the only funds that require receipts and they are paid in advance to the witness. Approved utility expenses can be reimbursed to the witness only after they have paid them and provided receipts for the payment.

G. If a witness fails to provide the assigned investigator or outside agency detective receipts, Cal Wrap Funding to that witness may cease.

H. There are often exceptional situations which might require a certain amount of latitude with a witness. Witnesses come from a wide array of backgrounds and can offer challenges for the assigned investigator or outside agency detective. When such a situation arises that warrants further discussion, the assigned investigator or outside agency detective should consult with the program investigator on the best course of action. The assigned investigator shall make notes and/or documentation via memo in such instances for auditing purposes.

I. On a monthly basis, the assigned investigator and/or outside agency detective must complete a Cal Wrap Match Report accounting for the number of hours and mileage associated with the witness. The Cal Wrap Match Report is submitted each month to the fiscal manager. Submitted along with the Cal Wrap Match Report is the Cal Wrap Witness Receipt and the original receipts provided by the witness, i.e. rental receipts, utility bills etc. The assigned investigator should make copies of these documents prior to submission and retain them in their working file.

J. The assigned investigator is required to keep a District Attorney Expense Ledger associated with their witness. The expense ledger documents the amounts of funds received by the handling investigator and provided to the witness. The expense ledger is not a requirement of Cal Wrap but is required by the District Attorney's Cal Wrap Fund Policy. As such, it is not a requirement for use by an outside agency detective assigned to a Cal Wrap witness.

K. The assigned investigator is required to maintain a Witness Contact Log documenting their contacts with a witness in the program. The Witness Contact Log is not required by Cal Wrap but should be recommended to an outside agency detective assigned to a Cal Wrap witness.

CAL WRAP PROGRAM MAINTENANCE

A. The program investigator is responsible for ensuring each Cal Wrap contract is up to date. If a contract is about to expire, it is the responsibility of the program investigator to contact the assigned investigator or outside agency detective and to determine if a witness is to remain in the Cal Wrap program.

B. If the witness is continuing in the program, the program investigator shall:

Complete a Cal Wrap Amendment Request and submit it to Cal Wrap.

California Witness Relocation Assistance Program (CAL-WRAP)

C. Upon approval of the new contract, the program investigator shall sign and return the signed copy to Cal Wrap.

D. The approved contract shall be placed in the Cal Wrap Witness File and a copy given to the assigned investigator or detective.

E. If the witness is to no longer be in the program, the program investigator shall:

1. Request the assigned investigator or outside agency detective to generate a memo or letter documenting the witness's release from the Cal Wrap program.

2. Provide a Cal Wrap Closure Form to the assigned investigator or outside agency detective.

3. Upon receipt of the completed closure memo or letter and closure form, the program investigator will submit these to Cal Wrap within 15 days or as required by Cal Wrap. The fiscal manager shall also be notified in the change of status of a witness.

4. Once a witness is released from the program, the assigned investigator shall submit their working witness file to the program investigator. The program investigator will place the Witness Contact Log and Expense Ledger in the original Cal Wrap Witness File.

602.1.5 PROCEDURES FOR FISCAL DISBURSEMENT OF FUNDS

A. Disbursement from the Fiscal/Administrative/Legislative Services Division to the investigator.

1. The investigator should make the request to receive funds from the Fiscal/Administrative/Legislative Services Division through the submission of an approved ERF.

2. The monies approved should be noted as transferred to the investigator in the checking account ledger. This ledger should reflect all disbursements from the account.

California Witness Relocation Assistance Program (CAL-WRAP)

B. Disbursement from Bureau of Investigation safe to an investigator:

1. In the event no one with signature authority is available (i.e.: after hours, weekends etc.) the investigator should make the request to receive funds from the deputy chief investigator. If the deputy chief investigator is not available, then the request should be made to the chief investigator.
2. The monies approved should be noted as transferred from the emergency fund to the investigator in the disbursement ledger. This ledger should reflect all disbursements.
3. The disbursement ledger should reflect that the funds have been transferred to the investigator. The investigator receiving the funds and the deputy chief investigator or chief investigator disbursing the funds will both sign the disbursement sheet noting the transfer.
4. As soon as one of the persons with signature authority is available, the investigator will submit the approved ERF and obtain the funds from the designated CAL WRAP checking account to replace those used from the Emergency Fund.

602.1.6 VALID EXPENDITURES

Approved expenditures are those that have been previously approved by the Department of Justice CAL WRAP program. It should always be understood that even the appearance of impropriety when handling these funds might jeopardize a criminal prosecution or bring discredit to the office. Therefore, proper documentation of all expenditures should always be maintained. A simple rule of thumb when deciding whether or not to spend funds: under no circumstances should these funds be used for personal use. These funds should only be used for approved witness relocation expenses.

602.1.7 MANAGER DOCUMENTATION

On a quarterly basis, the chief investigator or the deputy chief will provide to the fiscal manager or director of the Fiscal/Administrative/Legislative Services Division for review the ledger of expenditures that have been made from the emergency fund. The ledger shall accurately reflect the date that funds were expended along with the corresponding signatures. All expenditures listed on the ledger shall have a copy of the corresponding ERF that has been submitted to the fiscal manager or director of the Fiscal/Administrative/Legislative Services Division for each expenditure made.

602.1.8 RETURN OF FUNDS

Any unused funds shall be returned when there is no longer a need for the funds for that witness or if the CAL WRAP case has been closed.

The investigator will accurately complete a final expense ledger. Any funds remaining will be turned over to the source of the funds, either the fiscal manager of the Fiscal/Administrative/Legislative Services Division or the deputy chief investigator/chief investigator to be returned to the location they were obtained. The investigator and fiscal manager or director, Fiscal/Administrative/Legislative Services Division or the deputy chief investigator/chief investigator will then list the return of funds in the disbursement ledger maintained by that division.

Undercover Credit Cards

603.1 PURPOSE AND SCOPE

PURPOSE: To establish guidelines for the proper utilization and accountability for the use of all undercover credit cards utilized by the Bureau of Investigation.

603.1.1 OBTAINING UNDERCOVER CREDIT CARDS

Undercover Credit Cards are typically obtained by the Bureau of Investigation Deputy Chief Investigator working with the security division of banking institutions. When obtaining undercover credit cards, the Deputy Chief Investigator will work with the director of the Fiscal/Administrative/Legislative Services Division. When obtaining undercover credit cards, every effort will be made to obtain the most cost-effective cards. It is preferred that the cards obtained not have any access fees whenever possible. Once undercover credit cards have been obtained, the Fiscal Section of the Fiscal/Administrative/Legislative Services Division will provide the credit card information to the Auditor-Controller's Office to include the agreement, credit limit, etc. The Auditor-Controller's Office will consider this information confidential and will not disseminate this information.

603.1.2 RESPONSIBILITY AND REVIEW

- (a) Undercover Credit Cards authorized by the District Attorney may be used by the Bureau of Investigation staff during investigative operations when the normal methods of requesting funds from the Fiscal/Administrative/Legislative Services Division are not feasible due to the nature of the investigation. The District Attorney has ultimate control and responsibility for the use of these undercover credit cards. These undercover credit cards may only be used as directed herein. To ensure that the undercover credit cards are used in the appropriate fashion, the District Attorney has directed the Fiscal Section of the Fiscal/Administrative/Legislative Services Division to audit the use of all Bureau of Investigation undercover credit cards annually.
- (b) The fiscal manager of the Fiscal/Administrative/Legislative Services Division shall put in place a monthly review of all expenditures made using undercover credit cards. These expenditures will be documented in writing and verified for accuracy by the director of the Fiscal/Administrative/Legislative Services Division or his designee. The original documents shall be maintained in the Fiscal/Administrative/Legislative Services Division for use in any internal or external audits.
- (c) All records kept in accordance with the use of an undercover credit card shall be made available for review or audit by the Auditor-Controller's Office upon request.
- (d) The deputy chief investigator of the Bureau of Investigation shall be provided with a report documenting the review of expenditures by the Fiscal Section of the Fiscal/Administrative/Legislative Services Division on a quarterly basis.

603.1.3 PROCEDURES FOR REQUESTING THE USE OF UNDERCOVER CREDIT CARDS

Undercover Credit Cards

- (b) Undercover credit cards may be utilized, at the direction of the chief investigator or the deputy chief investigator of the Bureau of Investigation, in circumstances where the use of normal expenditure procedures could jeopardize an investigation.
- (c) When the need arises for the use of undercover credit cards, an Expenditure Request Form (ERF) will be completed and approved prior to the release of any undercover credit card(s). The ERF shall be submitted to the fiscal manager of the Fiscal/Administrative/Legislative Services Division, who will review and approve the ERF and any supporting documentation for the use of the undercover credit card(s). Final approval of the ERF will be made by the chief investigator or a deputy chief investigator.

603.1.4 PROCEDURES FOR THE RELEASE OF UNDERCOVER CREDIT CARDS

Disbursement from the Bureau of Investigation safe.

- (a) Upon the need for an undercover credit card, a deputy chief investigator or chief investigator should first determine that there is an appropriate need.
- (b) The release of the undercover credit card shall be noted in the sign-out ledger and log, including the specific date and time of the release. This ledger and log shall also reflect the specific undercover credit card released and the name of the person to whom it was released. A copy of the approved ERF shall be attached to the ledger.
- (c) The sign-out ledger and log shall also reflect the purpose for which the funds are to be used. The deputy chief investigator or chief investigator disbursing the undercover credit card and the person receiving it shall both sign the ledger.
- (d) The person receiving the undercover credit card will sign the log, be given a copy of the BOI Undercover Credit Cards policy for their files and the Confidential Fictitious Credit/Debit Card Agreement to sign.

603.1.5 VALID EXPENDITURES

- (a) Due to the diverse nature of investigative situations that may arise, a specific list of valid uses cannot be made. It should, however, always be understood that even the appearance of impropriety when handling these undercover credit cards might jeopardize a criminal prosecution or bring discredit to the office. Therefore, proper documentation of all uses should always be maintained. A simple rule of thumb when deciding whether or not to use undercover credit cards: under no circumstances should these undercover credit cards be used for personal use. Undercover credit cards should only be used for official bureau operations.

Undercover Credit Cards

- (b) The following represents a sample of acceptable expenditures: 1. The undercover purchase of goods or services as part of an official investigation. 2. Establishing an Internet account for an undercover operation. 3. Paying for fictitious medical or legal services. 4. Purchase of illicit or illegal products.
- (c) The undercover credit card(s) shall not be utilized for any personal or personnel expenses such as food, beverage or gasoline, unless the nature of the operation calls for such expenditures.
- (d) Any receipts or documentation associated with an expenditure where undercover credit card(s) have been used will be submitted to the Fiscal Section of the Fiscal/Administrative/Legislative Services Division via the Bureau of Investigation chain of command within five working days of the transaction.
- (e) When the credit card bill is received, it will be submitted to the Fiscal Section of the Fiscal/Administrative/Legislative Services Division via the Bureau of Investigation chain of command within five working days so that the bill can be paid in a timely manner.
- (f) Undercover credit cards are provided to facilitate investigative functions. Unauthorized use may subject a Bureau of Investigation staff member to disciplinary action and/or criminal prosecution.

603.1.6 DOCUMENTATION

On a monthly basis, the chief investigator or deputy chief investigator will provide to the fiscal manager or director of the Fiscal/Administrative/Legislative Services Division the sign-out log and agreement for review. The log should accurately reflect the date(s) that all undercover credit cards were used. All uses listed on the log shall have a corresponding ERF that has been submitted and approved for each expenditure.

603.1.7 RETURN OF UNDERCOVER CREDIT CARDS

- (a) The undercover credit card(s) will be returned when the specific investigative need is concluded.
- (b) The undercover credit card(s) will be returned to the BOI safe. The chief investigator or the deputy chief investigator and a witness will document the return of the undercover credit card(s) in the sign-out ledger and both will sign indicating that the undercover credit card(s) have been returned.

603.1.8 DISPOSITION OF ASSETS

- (a) Assets obtained by use of the undercover credit card(s) will be maintained and handled as evidence in the case for which they were obtained.

Undercover Credit Cards

Eyewitness Identification

604.1 PURPOSE AND SCOPE

This policy sets forth guidelines to be used when members of this [department/office] employ eyewitness identification techniques (Penal Code § 859.7).

604.1.1 DEFINITIONS

Definitions related to the policy include:

Blind administration- The completion of a live lineup or photographic identification, where the investigator does not know the identity of the suspect.

Blinded administration- the completion of a live lineup or photographic identification, where the investigator showing the lineup to an eyewitness may know the identity of the suspect, but does not know where the suspect, or his or her photograph, has been placed or positioned in the identification procedure.

Eyewitness identification process - Any field identification, live lineup or photographic identification.

Field identification - A live presentation of a single individual to a witness following the commission of a criminal offense for the purpose of identifying or eliminating the person as the suspect.

Live lineup - A live presentation of individuals to a witness for the purpose of identifying or eliminating an individual as the suspect.

Photographic lineup - Presentation of photographs to a witness for the purpose of identifying or eliminating an individual as the suspect.

604.2 POLICY

The Ventura County District Attorney's Office will strive to use eyewitness identification techniques, when appropriate, to enhance the investigative process and will emphasize identifying persons responsible for crime and exonerating the innocent.

604.3 INTERPRETIVE SERVICES

Members should make a reasonable effort to arrange for an interpreter before proceeding with eyewitness identification if communication with a witness is impeded due to language or hearing barriers.

Before the interpreter is permitted to discuss any matter with the witness, the investigating member should explain the identification process to the interpreter. Once it is determined that the interpreter comprehends the process and can explain it to the witness, the eyewitness identification may proceed as provided for within this policy.

Eyewitness Identification

604.4 EYEWITNESS IDENTIFICATION PROCESS AND FORM

The Bureau of Investigation supervisor shall be responsible for the development and maintenance of an eyewitness identification process for use by members when they are conducting eyewitness identifications.

The process should include appropriate forms or reports that provide (Penal Code § 859.7):

- (a) The date, time and location of the eyewitness identification procedure.
- (b) The name and identifying information of the witness.
- (c) The name of the person administering the identification procedure.
- (d) If applicable, the names of all of the individuals present during the identification procedure.
- (e) An instruction to the witness that it is as important to exclude innocent persons as it is to identify a perpetrator.
- (f) An instruction to the witness that the perpetrator may or may not be among those presented and that the witness is not obligated to make an identification.
- (g) If the identification process is a photographic or live lineup, an instruction to the witness that the perpetrator may not appear exactly as he/she did on the date of the incident.
- (h) An instruction to the witness that the investigation will continue regardless of whether an identification is made by the witness.
- (i) A signature line where the witness acknowledges that he/she understands the identification procedures and instructions.
- (j) A statement from the witness in the witness's own words describing how certain he/she is of the identification or non-identification. This statement should be taken at the time of the identification procedure.
- (k) Any other direction to meet the requirements of Penal Code § 859.7, including direction regarding blind or blinded administrations and filler selection.

The process and related forms should be reviewed at least annually and modified when necessary.

604.5 EYEWITNESS IDENTIFICATION

Members are cautioned not to, in any way, influence a witness as to whether any subject or photo presented in a lineup is in any way connected to the case.

Members should avoid mentioning that:

- The individual was apprehended near the crime scene.
- The evidence points to the individual as the suspect.
- Other witnesses have identified or failed to identify the individual as the suspect.

In order to avoid undue influence, witnesses should view suspects or a lineup individually and outside the presence of other witnesses. Witnesses should be instructed to avoid discussing details of the incident or of the identification process with other witnesses.

Eyewitness Identification

Whenever feasible, the eyewitness identification procedure should be audio and video recorded and the recording should be retained according to current evidence procedures (Penal Code § 859.7).

604.6 DOCUMENTATION

A thorough description of the eyewitness process and the result of any eyewitness identification should be documented in the case report.

If a photographic lineup is utilized, a copy of the photographic lineup presented to the witness should be included in the case report. In addition, the order in which the photographs were presented to the witness should be documented in the case report.

604.6.1 DOCUMENTATION RELATED TO RECORDINGS

The handling member shall document the reason that a video recording or any other recording of an identification was not obtained (Penal Code § 859.7).

604.6.2 DOCUMENTATION RELATED TO BLIND ADMINISTRATION

If a presentation of a lineup is not conducted using blind administration, the handling member shall document the reason (Penal Code § 859.7).

604.7 FIELD IDENTIFICATION CONSIDERATIONS

Field identifications, also known as field elimination show-ups or one-on-one identifications, may be helpful in certain cases. Exigent circumstances may make it impracticable to conduct a photo or live lineup identification. In the absence of such exigent circumstances, a field elimination show-up or one-on-one identification should not be used when independent probable cause exists to arrest a suspect. In such cases, a live or photo lineup is the preferred course of action if eyewitness identification is contemplated.

When initiating a field identification, the member should observe the following guidelines:

- (a) Obtain a complete description of the suspect from the witness.
- (b) Assess whether a witness should be included in a field identification process by considering:
 - 1. The length of time the witness observed the suspect.
 - 2. The distance between the witness and the suspect.
 - 3. Whether the witness could view the suspect's face.
 - 4. The quality of the lighting when the suspect was observed by the witness.
 - 5. Whether there were distracting noises or activity during the observation.
 - 6. Any other circumstances affecting the witness's opportunity to observe the suspect.
 - 7. The length of time that has elapsed since the witness observed the suspect.

Eyewitness Identification

- (c) If safe and practicable, the person who is the subject of the show-up should not be handcuffed or in a patrol vehicle.
- (d) When feasible, members should bring the witness to the location of the subject of the show-up, rather than bring the subject of the show-up to the witness.
- (e) The person who is the subject of the show-up should not be shown to the same witness more than once.
- (f) In cases involving multiple suspects, witnesses should only be permitted to view the subjects of the show-up one at a time.
- (g) The person who is the subject of the show-up should not be required to put on clothing worn by the suspect, to speak words uttered by the suspect or to perform other actions mimicking those of the suspect.

604.8 PHOTOGRAPHIC LINEUP AND LIVE LINEUP CONSIDERATIONS

When practicable, blind administration should be used so that the member presenting the lineup is not involved in the investigation of the case, nor does he or she know the identity of the suspect. If the member presenting the lineup knows the suspect, blinded administration should be used. This requires the order of the suspect or photos and fillers to be randomized so the member presenting the lineup does not know the position of the suspect. (Penal Code § 859.7). Techniques to achieve this include randomly numbering photographs, shuffling folders, or using a computer program to order the persons in the lineup.

Individuals in the lineup should reasonably match the description of the perpetrator provided by the witness and should bear similar characteristics to avoid causing any person to unreasonably stand out. In cases involving multiple suspects, a separate lineup should be conducted for each suspect. The suspects should be placed in a different order within each lineup (Penal Code § 859.7).

The member presenting the lineup should do so sequentially (i.e., show the witness one person at a time) and not simultaneously. The witness should view all persons in the lineup.

A live lineup should only be used before criminal proceedings have been initiated against the suspect. If there is any question as to whether any criminal proceedings have begun, the investigating member should contact the appropriate prosecuting attorney before proceeding.

604.8.1 OTHER SAFEGUARDS

Witnesses should be asked for suspect descriptions as close in time to the incident as possible, before conducting an eyewitness identification. No information concerning a suspect should be given prior to obtaining a statement from the witness describing how certain he/she is of the identification or non-identification. Members should not say anything to a witness that may validate or invalidate an eyewitness' identification. In photographic lineups, writings or information concerning any previous arrest of a suspect shall not be visible to the witness (Penal Code § 859.7).

Brady Material Disclosure

605.1 PURPOSE AND SCOPE

This policy establishes guidelines for identifying and releasing potentially exculpatory or impeachment information (so-called “*Brady* information”) to a prosecuting attorney.

605.1.1 DEFINITIONS

Definitions related to this policy include:

***Brady* information** -Information known or possessed by the Ventura County District Attorney's Office that is both favorable and material to the current prosecution or defense of a criminal defendant.

605.2 POLICY

The Ventura County District Attorney's Office will conduct fair and impartial criminal investigations and will provide the prosecution with both incriminating and exculpatory evidence, as well as information that may adversely affect the credibility of a witness. In addition to reporting all evidence of guilt, the Ventura County District Attorney's Office will assist the prosecution by complying with its obligation to disclose information that is both favorable and material to the defense. The Office will identify and disclose to the prosecution potentially exculpatory information, as provided in this policy.

605.3 DISCLOSURE OF INVESTIGATIVE INFORMATION

Investigators must include in their investigative reports adequate investigative information and reference to all material evidence and facts that are reasonably believed to be either incriminating or exculpatory to any individual in the case. If an investigator learns of potentially incriminating or exculpatory information any time after submission of a case, the investigator or the handling investigator must prepare and submit a supplemental report documenting such information as soon as practicable. Supplemental reports shall be promptly processed and transmitted to the prosecutor's office.

If information is believed to be privileged or confidential (e.g., confidential informant or attorney-client information, attorney work product), the investigator should discuss the matter with a supervisor and/or prosecutor to determine the appropriate manner in which to proceed.

Evidence or facts are considered material if there is a reasonable probability that they would affect the outcome of a criminal proceeding or trial. Determining whether evidence or facts are material often requires legal or even judicial review. If an investigator is unsure whether evidence or facts are material, the investigator should address the issue with a supervisor.

Supervisors who are uncertain about whether evidence or facts are material should address the issue in a written memo to an appropriate prosecutor. A copy of the memo should be retained in the Office case file.

Brady Material Disclosure

605.4 DISCLOSURE OF PERSONNEL INFORMATION

If there is a sustained finding of misconduct in a Bureau personnel file that reflects upon moral turpitude or the truthfulness or bias of the employee, the Chief Investigator shall comply with the procedures of the District Attorney's Pitchess/Brady Procedure for Disclosure of Material from Law Enforcement Personnel Records (External Policy).

605.5 INVESTIGATING BRADY ISSUES

If the Ventura County District Attorney's Office receives information from any source that a member may have issues of credibility, dishonesty or has been engaged in an act of moral turpitude or criminal conduct, the information shall be investigated and processed in accordance with the Personnel Complaints Policy.

605.5.1 PEACE OFFICER OR EXPERT CREDIBILITY

Upon learning, from a source other than a personnel file, of any apparently credible allegation involving law enforcement employee or expert witness misconduct, including misconduct by an employee of another department, that may be subject to discovery under Brady, an investigator shall timely report this information to their supervisor, to be handled pursuant to the District Attorney's policy for Brady Discovery of Law Enforcement Employee Misconduct (Internal Policy).

605.6 TRAINING

[Department/Office] members should receive periodic training on the requirements of this policy.

Confidential Informants

606.1 PURPOSE AND SCOPE

In many instances, a successful investigation cannot be conducted without the use of cooperating individuals. To protect the integrity of the District Attorney's Office-Bureau of Investigation and the investigators using informants, it shall be the policy of the District Attorney's Office-Bureau of Investigation to take appropriate precautions by using sound informant policies, as enumerated in the Ventura County District Attorney's Office Legal Policies Manual as listed in Article II, section 1.02, chapter 2, subsection O.

606.2 INFORMANT FILE SYSTEM

Legal Staff shall be responsible for maintaining informant files. A separate file shall be maintained on each cooperating individual.

606.2.1 FILE SYSTEM PROCEDURE

Each file shall be coded with an assigned informant control number. An informant history shall be prepared to correspond to each informant file and include the following information:

- (a) Informant's name and/or aliases
- (b) Date of birth
- (c) Physical description: height, weight, hair color, eye color, race, sex, scars, tattoos or other distinguishing features

The informant files shall be maintained in a secure area within the District Attorney's Office. These files shall be used to provide a source of background information about the informant, enable

Confidential Informants

review and evaluation of information given by the informant, and minimize incidents that could be used to question the integrity of investigators or the reliability of the confidential informant.

606.3 USE OF INFORMANTS

Before using an individual as a confidential informant, an investigator must receive approval from the Deputy Chief Investigator. The investigator shall compile sufficient information through a background investigation in order to determine the reliability and credibility of the individual.

606.3.1 JUVENILE INFORMANTS

The use of juvenile informants under the age of 13-years is prohibited. Except as provided for in the enforcement of the Tobacco Enforcement Act, Business & Professions Code §§ 22950, et seq., the use of any juvenile informant between the ages of 13 and 18-years is only authorized by court order obtained pursuant to Penal Code § 701.5.

For purposes of this policy, a "juvenile informant" means any juvenile who participates, on behalf of this Bureau, in a prearranged transaction or series of prearranged transactions with direct face-to-face contact with any party, when the juvenile's participation in the transaction is for the purpose of obtaining or attempting to obtain evidence of illegal activity by a third party and where the juvenile is participating in the transaction for the purpose of reducing or dismissing a pending juvenile petition against the juvenile.

606.4 GUIDELINES FOR HANDLING CONFIDENTIAL INFORMANTS

All confidential informants are required to sign and abide by the provisions of the District Attorney's Office Informant Agreement. The investigator and/or the deputy district attorney assigned to the case using the confidential informant shall discuss each of the provisions of the agreement with the confidential informant.

Details of the agreement are to be approved in writing by the unit supervisor before being finalized with the confidential informant.

606.4.1 RELATIONSHIPS WITH CONFIDENTIAL INFORMANTS

No member of the District Attorney's Office-Bureau of Investigation shall knowingly maintain a social relationship with a confidential informant while on or off duty, or otherwise become intimately involved with a confidential informant. Members of the District Attorney's Office shall neither solicit nor accept gratuities nor engage in any private business transaction with a confidential informant.

To maintain investigator/informant integrity, the following must be adhered to:

- (a) Investigators shall not withhold the identity of an informant from their superiors
- (b) Identities of informants shall otherwise be kept confidential
- (c) Criminal activity by informants shall not be condoned
- (d) Informants shall be told they are not acting as Bureau investigators, employees or agents of the District Attorney's Office, and that they shall not represent themselves as such

Confidential Informants

- (e) The relationship between investigators and informants shall always be ethical and professional
- (f) Social contact shall be avoided unless necessary to conduct an official investigation, and only with prior approval of the investigator's supervisor
- (g) Investigators shall not meet with informants of the opposite sex in a private place unless accompanied by at least one additional investigator or with prior approval of their supervisor. Investigators may meet informants of the opposite sex alone in an occupied public place such as a restaurant. When contacting informants of either sex for the purpose of making payments, investigators shall arrange for the presence of another investigator, whenever possible.

606.5 NARCOTICS INFORMANT PAYMENT PROCEDURES

The potential payment of large sums of money to any confidential informant must be done in a manner respecting public opinion and scrutiny. Additionally, to maintain a good accounting of such funds requires a strict procedure for disbursements.

606.5.1 PAYMENT PROCEDURE

The amount of funds to be paid to any confidential informant will be evaluated against the following criteria:

- The extent of the informant's personal involvement in the case
- The quality of the violator arrested
- The amount of assets seized
- The quantity of the drugs seized
- The informant's previous criminal activity
- The level of risk taken by the informant

The District Attorney or his designee will discuss the above factors with the Bureau Chief or his designee and arrive at a recommended level of payment.

606.5.2 PAYMENT PROCESS

A check shall be requested, payable to the case agent. The case number shall be recorded justifying the payment. The Fiscal/Admin Manager signature is required for disbursements over \$500. Payments \$500 and under may be paid in cash out of the Investigation Bureau Buy/Expense Fund. The chief investigator or the deputy chief investigator will be required to sign the voucher for amounts under \$500.

To complete the transaction with the confidential informant, the case agent shall have the confidential informant initial the cash transfer form. The confidential informant will sign the form indicating the amount received, the date, and that the confidential informant is receiving funds in payment for information voluntarily rendered in the case. The District Attorney's Office case

Confidential Informants

number shall be recorded on the cash transfer form. The form will be kept in the confidential informant's file.

If the payment amount exceeds \$500.00, a complete written statement of the confidential informant's involvement in the case shall be placed in the confidential informant's file. This statement shall be signed by the confidential informant verifying the statement as a true summary of his/her actions in the case(s).

Each confidential informant receiving a cash payment shall be informed of his or her responsibility to report the cash to the Internal Revenue Service (IRS) as income.

606.5.3 REPORTING OF PAYMENTS

Each confidential informant receiving a cash payment shall be informed of his/her responsibility to report the cash to the Internal Revenue Service (IRS) as income. If funds distributed exceed \$600 in any reporting year, the confidential informant should be provided IRS Form 1099 (26 CFR § 1.6041-1). If such documentation or reporting may reveal the identity of the confidential informant and by doing so jeopardize any investigation, the safety of peace officers or the safety of the confidential informant (26 CFR § 1.6041-3), then IRS Form 1099 should not be issued.

In such cases, the confidential informant shall be provided a letter identifying the amount he/she must report on a tax return as "other income" and shall be required to provide a signed acknowledgement of receipt of the letter. The completed acknowledgement form and a copy of the letter shall be retained in the confidential informant's file.

Death Penalty/Life Without Parole Cases

607.1 PURPOSE AND SCOPE

The Legal Policy Manual acknowledges the death penalty may not be an appropriate punishment in some special circumstance murder cases (190.2 PC). The policy states the District Attorney will hold a preliminary review as soon as reasonable after the complaint is filed. The preliminary review will be conducted by the District Attorney, Chief Assistant District Attorney, Chief Deputy of the Criminal Prosecutions Division, Bureau of Investigation Chief, the assigned prosecutor and the assigned investigator.

If, after the meeting, the District Attorney determines that the death penalty may be appropriate under the circumstances or that more information is needed to make a penalty recommendation, the assigned investigator will immediately begin a thorough background investigation of the defendant and prepare a confidential background report.

For additional information regarding death penalty/life without parole, refer to the Legal Policy Manual.

607.2 SPECIAL CIRCUMSTANCE MURDER CASE ASSIGNMENT

It will be the practice for investigators assigned to a special circumstance murder case to begin preparation for the Death Penalty Review as soon as practical. The initial preparation of the case should consist of gathering the below listed records before a Death Penalty Biography is ordered. Early request of these records will expedite receipt of these records and will aid in a timely Biography.

- Defendant's prison record;
- Defendant's prior court files;
- Defendant's military service records;
- Identifying prior employers; and
- Researching whether prior violent crime victims would still be available to testify.

607.3 PRE-DEATH PENALTY REVIEW MEETING

The assigned investigator should make preparations for the Pre-Death Penalty Review meeting. The investigator should know or have the following information available for such meetings:

Death Penalty/Life Without Parole Cases

- The extent to which the defendant poses a threat of physical dangerousness to others both in and out of custody;
- The age of the defendant at the time of the crimes;
- Currently known mental, physical or character traits that might influence a death penalty decision;
- Records listed in section 606.2 above.

607.4 CONFIDENTIAL BACKGROUND BIOGRAPHY

If, after the Pre-Death Penalty Review meeting, the District Attorney determines that the death penalty may be appropriate under the circumstances or that more information is needed to make a penalty recommendation, the assigned investigator will prepare a thorough Confidential Background Biography.

If, after the preliminary review meeting, the District Attorney concludes the case does *not* warrant the death penalty, the conclusion will be documented and no further background investigation will be conducted for the purposes of penalty determination.

The biography should be composed in the following format and contain the following information:

A. Standard General Memo Cover

607.5 POST-VERDICT INVESTIGATION: JUROR DEBRIEFINGS

Chapter 7 - Equipment

County of Ventura Owned and Personal Property

700.1 PURPOSE AND SCOPE

Bureau employees are expected to properly care for county property assigned or entrusted to them. Employees may also suffer occasional loss or damage to personal or county property while performing their assigned duty. Certain procedures are required depending on the loss and ownership of the item.

County of Ventura property is to include property identified as that of the District Attorney's Office and/or Bureau of Investigation.

700.2 CARE OF COUNTY OF VENTURA PROPERTY

Employees shall be responsible for the safekeeping, serviceable condition, proper care, use and replacement of department property assigned or entrusted to them. - (a) Employees shall promptly report through their chain of command, any loss, damage to, or unserviceable condition of any Bureau issued property or equipment assigned for their use.
- (b) The use of damaged or unserviceable Bureau property should be discontinued as soon as practical and replaced with comparable Bureau property as soon as available and following notice to a supervisor.
- (c) Except when otherwise directed by competent authority or required by exigent circumstances, Bureau property shall only be used by those to whom it was assigned. Use should be limited to official purposes and in the capacity for which it was designed.
- (d) Bureau property shall not be thrown away, sold, traded, donated, destroyed, or otherwise disposed of without proper authority.
- (e) In the event that any Bureau property becomes damaged or unserviceable, no employee shall attempt to repair the property without prior approval of a supervisor.

Please refer to County of Ventura Administrative Policy Manual, Chapter IX-Risk Management. Specifically Policies No. 8, titled "Personal Property Reimbursement" and No. 9, titled "Personal Property Damage-Automotive."

Claims for reimbursement for damage or loss of personal property must be made on the proper form. This form is submitted to the employee's immediate supervisor. The supervisor may require a separate written report of the loss or damage.

County of Ventura Owned and Personal Property

The supervisor shall direct a memo to the Deputy Chief Investigator, which shall include the results of his/her investigation and whether the employee followed proper procedures. The supervisor's report shall address whether reasonable care was taken to prevent the loss or damage.

Upon review by the Deputy Chief Investigator and a finding that no misconduct or negligence was involved, repair or replacement may be recommended by the Deputy Chief Investigator who will then forward the claim.

The Bureau will not replace or repair luxurious or overly expensive items (jewelry, exotic equipment, etc.) that are not reasonably required as a part of work.

700.3.1 REPORTING REQUIREMENT

A verbal report shall be made to the employee's immediate supervisor as soon as circumstances permit.

The employee shall submit a written report before going off duty or as otherwise directed by the supervisor.

These written reports, accompanied by the supervisor's written report, shall promptly be forwarded to the Deputy Chief Investigator.

Personal Communication Devices

701.1 PURPOSE AND SCOPE

The purpose of this policy is to establish guidelines for the use of mobile telephones and communication devices, whether issued or funded by the Department or personally owned, while on-duty or when used for authorized work-related purposes.

This policy generically refers to all such devices as Personal Communication Devices (PCDs) but is intended to include all mobile telephones, personal digital assistants (PDAs), wireless capable tablets and similar wireless two-way communications and/or portable Internet access devices. PCD use includes, but is not limited to, placing and receiving calls, text messaging, blogging and microblogging, emailing, using video or camera features, playing games and accessing sites or services on the Internet.

701.2 POLICY

Depending on an employee's assignment and needs of the position, the Bureau may, at its discretion, issue a PCD. Such devices shall remain the sole property of the Bureau and shall be subject to inspection or monitoring (including all related records and content) at any time without notice and without reason.

Bureau issued PCD's are intended for official business use. Personal use of PCD's should be limited. An employee that is issued a PCD will be provided the monthly billing statement. They will review this statement and highlight all personal calls. The employee will submit the reviewed statement to the bureau secretary and include a reimbursement for all personal calls at a rate of .10 cents per minute.

All members are responsible for understanding and adhering to the policies described in the following policies. Refer to these specific policies for further details:

- Ventura County Cellular Device Policy
- Mobile Device Managment Policy

701.3 USE WHILE DRIVING

The use of a PCD while driving can adversely affect safety, cause unnecessary distractions and present a negative image to the public. Investigators operating emergency vehicles should restrict the use of these devices to matters of an urgent nature and should, where practicable, stop the vehicle at an appropriate location to use the PCD.

Members who are operating department vehicles that are not authorized emergency vehicles shall not use a PCD while driving unless the device is specifically designed and configured to allow hands-free use. In an emergency, a wireless phone may be used to place an emergency call to the Department or other emergency services agency (Vehicle Code § 23123; Vehicle Code § 23123.5). Hands-free use should be restricted to business-related calls or calls of an urgent nature.

Vehicle Use

702.1 PURPOSE & SCOPE

The Bureau utilizes County owned motor vehicles in a variety of applications operated by Bureau personnel. In order to maintain a system of accountability and ensure County owned vehicles are used appropriately, regulations relating to the use of these vehicles have been established. The term "County owned" as used in this section also refers to any vehicle leased or rented by the County.

Employees are responsible for assisting in maintaining Bureau vehicles so that they are properly equipped, properly maintained, properly refueled and present a clean appearance.

702.2 USE OF VEHICLES

702.2.1 AUTHORIZED PASSENGERS

Personnel operating County owned vehicles shall not permit persons other than County employees or persons required to be conveyed in the performance of duty or as otherwise authorized to ride as a passenger in their vehicle.

702.2.2 INSPECTIONS

The interior of any vehicle that has been used to transport any person other than an employee should be inspected prior to placing another person in the vehicle and again after the person is removed. This is to ensure that unauthorized items have not been left in the vehicle.

702.3 ASSIGNED VEHICLES

County owned vehicles assigned to investigators for their use within their job assignment may be used to and from their residence for work-related purposes.

County vehicles assigned to investigators shall only be used for work-related purposes and shall not be used for personal errands, or transports, unless special circumstances exist and the supervisor gives authorization. The agreement also requires the employee to be responsible for the vehicle's care and maintenance.

The assignment of vehicles is at the discretion of the Chief Investigator or his designee. Assigned vehicles may be changed at any time and/or permission to take home a vehicle may be withdrawn at any time.

702.3.1 VEHICLES SUBJECT TO INSPECTION

All County owned vehicles are subject to inspection and/or search at any time by a supervisor and no employee assigned to or operating such vehicle shall be entitled to any expectation of privacy with respect to the vehicle or its contents.

Vehicle Use

702.3.2 ALCOHOL

Members who have consumed alcohol are prohibited from operating any department vehicle unless it is required by the duty assignment (e.g., task force, undercover work). Regardless of assignment, members may not violate state law regarding vehicle operation while intoxicated.

702.4 SECURITY

Employees may take home County owned vehicles and shall meet the following criteria:

702.5 ENFORCEMENT ACTIONS

When driving an assigned vehicle to and from work, an investigator should avoid becoming directly involved in enforcement actions except in those circumstances where a potential threat to life or serious property damage exists (see Off-Duty Law Enforcement Actions Policy and the Law Enforcement Authority Policy).

Investigators may render public assistance (e.g. to a stranded motorist) when deemed prudent.

Investigators driving bureau vehicles should be armed at all times and carry their department-issued identification. Investigators should also ensure that Bureau radio communication capabilities are maintained to the extent feasible.

702.6 MAINTENANCE

- (a) Each employee is responsible for the cleanliness (exterior and interior) and overall maintenance of their assigned vehicle.
 - 1. Employees may use the wash racks at the County maintenance facilities (trusties may be used to clean vehicles, when available).
 - 2. Cleaning/maintenance supplies will be provided by the County.
- (b) Employees shall make daily inspections of their assigned vehicle for service/maintenance requirements and damage.
- (c) Routine maintenance and oil changes shall be done in accordance with the shop schedule. The vehicles will normally be serviced at the County maintenance shop.

Vehicle Use

1. When leaving a vehicle at the maintenance shop, the employee will complete a vehicle repair card explaining the service or repair.
2. All maintenance will be completed in a timely manner. It is the responsibility of the employee assigned the vehicle to ensure that any maintenance that is due is completed within the next 30 days.

No weapons shall be left in the vehicles while at the county garage for maintenance.

702.6.1 ACCESSORIES AND/OR MODIFICATIONS

No modifications, additions or deletions of any equipment or accessories shall be made to the vehicle without written permission from the Commander in charge of fleet management.

702.7 ACCIDENT DAMAGE, ABUSE, AND MISUSE

Any time a county vehicle is involved in a traffic collision, either singularly or with another vehicle, the involved employee will be responsible to do the following:

- (a) Contact the local law enforcement agency to have an accident report taken.
- (b) Immediately contact their unit supervisor or available supervisor and notify him/her of the accident.
- (c) The employee involved in the collision shall complete a Risk Management Occurrence Report form. If the employee is incapable, the supervisor shall complete the form.
- (d) The employee's unit supervisor or available supervisor will respond to the scene of the accident, when possible, and make sure information is obtained about the location, involved parties etc., as well as take photos of the scene and damage.
- (e) The photographs and the Risk Management Occurrence Report form are to be forwarded to the Deputy Chief Investigator through the chain of command.

Any damage to a vehicle, not caused by a traffic collision, shall be immediately reported within the day in which the damage was discovered, documented in memorandum format and forwarded to the supervisor. The supervisor will then forward the memorandum to the Commander in charge of the office fleet.

An administrative investigation may be conducted to determine if the damage was caused by abuse or misuse. If it is determined that misuse or abuse was a result of negligent conduct or operation, appropriate disciplinary action may result.

702.7.1 DEFECTIVE VEHICLE

When a Bureau vehicle becomes inoperative or in need of repair that affects the safety of the vehicle, that vehicle shall be removed from service for repair. Proper documentation shall be promptly completed by the employee who first becomes aware of the defective condition, describing the correction needed. The paperwork shall be promptly forwarded to vehicle maintenance for repair.

Vehicle Use

702.7.2 VEHICLE MAINTENANCE LOCATIONS

A vehicle is required to periodically receive maintenance throughout the year. The person with an assigned vehicle will receive a notice, usually via email, of the need for such maintenance. There are two locations where you take your vehicle after making an appointment to do so: the Ventura County Government Center garage or the Fleet Services garage located on County Road in Ventura, CA. (Saticoy Yard)

When notified that maintenance is due on an assigned vehicle, it shall be the assigned persons responsibility to have that service completed within 30 days.

702.7.3 CREDIT CARD FOR FUEL

As stated in the Policy and Procedures manual, the credit card issued shall only be used for self-service, unleaded fuel, and only when a county fuel source is not available within the county or when the purchase is made outside the County of Ventura. Other incidentals, such as car washes, shall not be charged on the credit card. The following locations are available to obtain fuel:

- The Ventura County Government Center garage;
- The Saticoy Fleet Services garage;
- The Ventura County Main Jail facility;
- The Ventura County East Valley Sheriff's facility; and
- The Ventura County Animal shelter located at the Camarillo Airport.

702.7.4 ANNUAL LEAVE OR EXTENDED ABSENCE

If an employee is on leave for an extended period of time, which is quantified as a week or more, (i.e., annual leave, leave without pay, worker's comp injury, etc), the employee must leave the assigned vehicle at the office site as well as leave its keys with their supervisor.

702.8 TOLL ROAD USAGE

Law enforcement vehicles are not routinely exempted from incurring toll road charges.

To avoid unnecessary toll road charges, all members operating a County-owned vehicle upon the toll road shall adhere to the following:

- (a) All members operating a County-owned vehicle for any reason other than in response to an emergency shall pay the appropriate toll charge or utilize the appropriate toll way transponder. Members may submit a request for reimbursement from the County for any toll fees incurred in the course of official business.
- (b) All members passing through a toll plaza or booth during a response to an emergency shall notify, in writing, the appropriate Commander within five working days explaining the circumstances.

Each evidence room is managed by two or more evidence custodians who are supervised by a senior investigator. Evidence rooms are not to be used for reviewing or examining evidence. This should be done elsewhere after the evidence has been checked out. The evidence room is not a storage facility.

800.2 DEFINITIONS

Property - Includes all items of evidence, items taken for safekeeping and found property.

Evidence - Includes items taken or recovered in the course of an investigation that may be used in the prosecution of a case.

- (b) The notice may also include information about what the Ventura County District Attorney's Office has done to protect individuals whose information has been breached and may include information on steps that the person whose information has been breached may take to protect him/herself (Civil Code § 1798.29).
- (c) When a breach involves an online account, and only a username or email address in combination with either a password or security question and answer that would permit access to an online account, and no other personal information has been breached (Civil Code § 1798.29):
- (a) Notification may be provided electronically or in another form directing the person to promptly change either his/her password or security question and answer, as applicable, or to take other appropriate steps to protect the online account with the Ventura County District Attorney's Office in addition to any other online accounts for which the person uses the same username or email address and password or security question and answer.
 - (b) When the breach involves an email address that was furnished by the Ventura County District Attorney's Office, notification of the breach should not be sent to that email address but should instead be made by another appropriate medium as prescribed by Civil Code § 1798.29.

801.7.2 MANNER OF NOTICE

- (a) Notice may be provided by one of the following methods (Civil Code § 1798.29):
- (a) Written notice.
 - (b) Electronic notice if the notice provided is consistent with the provisions regarding electronic records and signatures set forth in 15 USC § 7001.
 - (c) Substitute notice if the cost of providing notice would exceed \$250,000, the number of individuals exceeds 500,000 or the office does not have sufficient contact information. Substitute notice shall consist of all of the following:
 - (a) Email notice when the Ventura County District Attorney's Office has an email address for the subject person.
 - (b) Conspicuous posting of the notice on the Ventura County District Attorney's Office's webpage for a minimum of 30 days.

Records Maintenance and Release

- (d) Notification to major statewide media and the California Information Security Office within the California Department of Technology.
- (b) If a single breach requires the Ventura County District Attorney's Office to notify more than 500 California residents, the office shall electronically submit a sample copy of the notification, excluding any personally identifiable information, to the Attorney General.

801.8 RELEASE OF AUDIO OR VIDEO RECORDINGS RELATED TO CRITICAL INCIDENTS

Video and audio recordings related to critical incidents shall be released upon a proper public record request and subject to delayed release, redaction, and other release restrictions as provided by law (Government Code § 6254(f)(4)).

For purposes of this section, a video or audio recording relates to a critical incident if it depicts an incident involving the discharge of a firearm at a person by an investigator or officer, or depicts an incident in which the use of force by an investigator or law enforcement officer against a person resulted in death or in great bodily injury (as defined by Penal Code § 243(f)(4)) (Government Code § 6254(f)(4)).

The Custodian of Records should work as appropriate with the Chief Investigator in determining what recordings may qualify for disclosure when a request for a recording is received and if the requested recording is subject to delay from disclosure, redaction, or other release restrictions.

801.8.1 RECORDINGS WITHHELD FROM PUBLIC DISCLOSURE

If the reasonable expectation of privacy of a person depicted in the recording cannot adequately be protected through redaction, and that interest outweighs the public interest in disclosure, the Ventura County District Attorney's Officer may withhold the recording from the public, except that the recording, either redacted or unredacted, shall be disclosed promptly, upon request, to any of the following (Government Code § 6254(f)(4)):

- (a) The person in the recording whose privacy is to be protected, or his/her authorized representative.
- (b) If the person is a minor, the parent or legal guardian of the person whose privacy is to be protected.
- (c) If the person whose privacy is to be protected is deceased, an heir, beneficiary, designated immediate family member, or authorized legal representative of the deceased person whose privacy is to be protected.

If the Ventura County District Attorney's Office determines that this disclosure would substantially interfere with an active criminal or administrative investigation, the Custodian of Records shall provide the requester with written notice of the specific basis for the determination and the estimated date of disclosure (Government Code § 6254(f)(4)).

The Ventura County District Attorney's Office may continue to delay release of the recording from the public for 45 days with extensions as provided in this policy (Government Code § 6254(f)(4)(A)).

Records Maintenance and Release

801.8.2 REDACTION

If the Custodian of Records, in consultation with the Chief Investigator or authorized designee, determines that specific portions of the recording may violate the reasonable expectation of privacy of a person depicted in the recording, the Ventura County District Attorney's Office should use redaction technology to redact portions of recordings made available for release. The redaction should not interfere with the viewer's ability to fully, completely, and accurately comprehend the events captured in the recording, and the recording should not otherwise be edited or altered (Government Code § 6254(f)(4)).

If any portions of a recording are withheld to protect the reasonable expectation of privacy of a person depicted in the recording, the Custodian of Records shall provide in writing to the requester the specific basis for the expectation of privacy and the public interest served (Government Code § 6254(f)(4)).

801.8.3 NOTICE OF DELAY OF RELEASE

When there is justification to delay disclosure of a recording, the Custodian of Records shall provide written notice to the requester as follows (Government Code § 6254(f)(4)):

- (a) During the initial 45 days, the Custodian of Records shall provide the requester with written notice of the specific basis for the determination that disclosure would substantially interfere with the investigation. The notice shall also include the estimated date for the disclosure.
- (b) When delay is continued after the initial 45 days, the Custodian of Records shall promptly provide the requester with written notice of the specific basis for the determination that the interest in preventing interference with an active investigation outweighs the public interest in the disclosure, and the estimated date for the disclosure. The Custodian of Records should work with the Chief Investigator in reassessing the decision to continue withholding a recording and notify the requester every 30 days.

Recordings withheld shall be disclosed promptly when the specific basis for withholding the recording is resolved.

801.8.4 DELAY OF RELEASE

Disclosure of critical incident recordings during active criminal or administrative investigations may be delayed as follows if disclosure would substantially interfere with the investigation, such as by endangering the safety of a witness or a confidential source:

- (a) Disclosure may be delayed up to 45 days from the date the Ventura County District Attorney's Office knew or reasonably should have known about the incident.
- (b) Delay of disclosure may continue after the initial 45 days and up to one year if the Ventura County District Attorney's Office demonstrates that disclosure would substantially interfere with the investigation.

Ventura County District Attorney's Office

Ventura County DA CA Policy Manual

Records Maintenance and Release

- (c) Any delay of disclosure longer than one year must be supported by clear and convincing evidence that disclosure would substantially interfere with the investigation (Government Code § 6254(f)(4)).

Computers and Digital Evidence

803.1 PURPOSE AND SCOPE

This policy establishes procedures for the seizure and storage of computers, personal communications devices (PCDs) digital cameras, digital recorders and other electronic devices that are capable of storing digital information; and for the preservation and storage of digital evidence. All evidence seized and/or processed pursuant to this policy shall be done so in compliance with clearly established Fourth Amendment and search and seizure provisions.

803.2 SEIZING COMPUTERS AND RELATED EVIDENCE

Computer equipment requires specialized training and handling to preserve its value as evidence. Investigators should be aware of the potential to destroy information through careless or improper handling, and utilize the most knowledgeable available resources. When seizing a computer and accessories the following steps should be taken:

- (a) Photograph each item, front and back, specifically including cable connections to other items. Look for a phone line or cable to a modem for Internet access.
- (b) Do not overlook the possibility of the presence of physical evidence on and around the hardware relevant to the particular investigation such as fingerprints, biological or trace evidence, and/or documents.
- (c) If the computer is off, do not turn it on.
- (d) If the computer is on, do not shut it down manually and do not click on anything or examine any files.
 - 1. Photograph the screen, if possible, and note any programs or windows that appear to be open and running.
 - 2. Disconnect the power cable from the back of the computer box or if a portable notebook style, disconnect any power cable from the case and remove the battery).
- (e) Label each item with case number, evidence sheet number, and item number.
- (f) Handle and transport the computer and storage media (e.g., tape, discs, memory cards, flash memory, external drives) with care so that potential evidence is not damaged or lost.
- (g) Lodge all computer items in the Property Room. Do not store computers where normal room temperature and humidity is not maintained.
- (h) At a minimum, investigators should document the following in related reports:
 - 1. Where the computer was located and whether or not it was in operation.
 - 2. Who was using it at the time.

Computers and Digital Evidence

3. Who claimed ownership.
 4. If it can be determined, how it was being used.
- (i) In most cases when a computer is involved in criminal acts and is in the possession of the suspect, the computer itself and all storage devices (hard drives, tape drives, and disk drives) should be seized along with all media. Accessories (printers, monitors, mouse, scanner, keyboard, cables, software and manuals) should not be seized unless as a precursor to forfeiture.

803.2.1 BUSINESS OR NETWORKED COMPUTERS

If the computer belongs to a business or is part of a network, it may not be feasible to seize the entire computer. Cases involving networks require specialized handling. Investigators should contact a computer forensic examiner for instructions and/or a response to the scene. It may be possible to perform an on-site inspection, or to image the hard drive only of the involved computer. This should only be done by someone specifically trained in processing computers for evidence.

803.2.2 FORENSIC EXAMINATION OF COMPUTERS

If an examination of the contents of the computer's hard drive, floppy disks, compact discs, or any other storage media is required, forward the following items to a computer forensic examiner:

- (a) Copy of report(s) involving the computer, including the Evidence Report.
- (b) Copy of a consent to search form signed by the computer owner or the person in possession of the computer, or a copy of a search warrant authorizing the search of the computer hard drive for evidence relating to investigation.
- (c) A listing of the items to search for (e.g., photographs, financial records, e-mail, documents).
- (d) An exact duplicate of the hard drive or disk will be made using a forensic computer and a forensic software program by someone trained in the examination of computer storage devices for evidence.

803.3 SEIZING DIGITAL STORAGE MEDIA

Digital storage media including hard drives, floppy discs, CD's, DVD's, tapes, memory cards, or flash memory devices should be seized and stored in a manner that will protect them from damage.

- (a) If the media has a write-protection tab or switch, it should be activated.
- (b) Do not review, access or open digital files prior to submission. If the information is needed for immediate investigation request the Computer Forensic Examiner to copy the contents to an appropriate form of storage media.
- (c) Many kinds of storage media can be erased or damaged by magnetic fields. Keep all media away from magnetic devices, electric motors, radio transmitters or other sources of magnetic fields.

Computers and Digital Evidence

- (d) Do not leave storage media where they would be subject to excessive heat such as in a parked vehicle on a hot day.
- (e) Use plastic cases designed to protect the media or other protective packaging, to prevent damage.

803.4 SEIZING PCDS

Personal communication devices such as cell phones, PDA's or other hand-held devices connected to any communication network must be handled with care to preserve evidence that may be on the device including messages, stored data and/or images.

- (a) Investigators should not attempt to access, review or search the contents of such devices prior to examination by an expert. Unsent messages can be lost, data can be inadvertently deleted and incoming messages can override stored messages
- (b) When seizing the devices, also seize the charging units and attempt to acquire any passwords.
- (c) If the phone is on and unlocked, the phone should be placed into "airplane" mode and then powered off. After the phone has been powered off, remove the battery if possible. If the phone is off when encountered, remove the battery, if possible.

803.5 DIGITAL EVIDENCE RECORDED BY OFFICERS

Investigators handling and submitting recorded and digitally stored evidence from digital cameras and audio or video recorders will comply with these procedures to ensure the integrity and admissibility of such evidence.

803.5.1 COLLECTION OF DIGITAL EVIDENCE

Once evidence is recorded it shall not be erased, deleted or altered in any way prior to submission. All photographs taken will be preserved regardless of quality, composition or relevance. Video and audio files will not be altered in any way.

803.5.2 PRESERVATION OF DIGITAL EVIDENCE

- (a) Only trained technicians are authorized to copy original digital media that is held as evidence. The original digital media shall remain in evidence and shall remain unaltered.
- (b) Digital images that are clarified to provide a better quality photograph for identification and investigative purposes must only be made from a copy of the original media.
- (c) If any clarification is done to the copy of the original, it shall be documented in a memorandum.

Communication Operations

804.1 PURPOSE AND SCOPE

The basic function of the communications system is to satisfy the immediate information needs of the law enforcement agency in the course of its normal daily activities and during emergencies. The latter situation places the greatest demands upon the communications system and tests the capability of the system to fulfill its functions. Measures and standards of performance are necessary to assess the effectiveness with which any department, large or small, uses available information technology in fulfillment of its missions.

804.1.1 FCC COMPLIANCE

Ventura County District Attorney's Office radio operations shall be conducted in accordance with Federal Communications Commission (FCC) procedures and guidelines.

804.2 RADIO COMMUNICATIONS

Operations are more efficient and officer safety is enhanced when supervisors, and fellow investigators know the status of investigators and investigative assistants, their locations and the nature of cases. Investigators shall maintain a professional approach to radio communication. Radio transmissions should be calm, brief, and clear utilizing sound judgment in content.

Investigators in the field serving search or arrest warrants or conducting surveillances shall notify dispatch of their location and the type of operation they are conducting. Investigators conducting a probation/parole search shall notify dispatch of their location. When investigators are conducting field investigations and no assistance is anticipated, such as subpoena service or business contacts, investigators should notify dispatch.

Investigative assistants serving subpoenas or in the field conducting an investigation shall maintain radio contact with dispatch by advising them of their work location and status. Investigative assistants are not required to advise dispatch when serving subpoenas at businesses or where rapport has been established with the witness.

804.2.1 IDENTIFICATION

Identification systems are based on factors such as investigator and investigative assistant identification numbers. Employees should use the entire call sign when initiating communication with the dispatcher. Radio call signs for investigators consist of "DA" followed by the investigator's three digit ID number. Radio call signs for investigative assistants consist of "IA" followed by the investigative assistant's three digit ID number. The use of the call sign allows for a brief pause so that the dispatcher can acknowledge the appropriate unit. Employees initiating communication with other agencies shall use their entire call sign. This requirement does not apply to continuing conversation between the mobile unit and dispatcher once the mobile unit has been properly identified.

Communication Operations

804.3 VICTIM/WITNESS/PRISONER TRANSPORTATION

Investigators and investigative assistants shall notify dispatch by radio in all cases when transporting a victim, witness or prisoner. When transporting subjects, the investigator or investigative assistant shall advise dispatch of the location of the transportation, the intended destination, the type of transportation (witness/victim/prisoner) and the starting and ending mileage. Investigators and investigative assistants should also audio record the entire transportation.

In some cases, a transportation will cover significant distances and require driving outside of Ventura County. In these instances, instead of notifying the dispatch center of the jurisdiction outside of Ventura County, investigators and investigative assistants should audio record the entire transportation. The recording shall include the location of the transportation, the intended destination, the type of transportation (witness/victim/prisoner) and the starting and ending mileage. A copy of the audio recording is to be placed in the case file. Investigators and investigative assistants are encouraged to take a second investigator or investigative assistant when conducting out of county transportations.

Chapter 9 - Custody

900.1 PURPOSE AND SCOPE

This policy provides guidance regarding searches of individuals in custody. Such searches are necessary to eliminate the introduction of contraband, intoxicants or weapons into the Ventura County District Attorney's Office facility. Such items can pose a serious risk to the safety and security of department members, individuals in custody, contractors and the public.

900.2 POLICY

All searches shall be conducted with concern for safety, dignity, courtesy, respect for privacy and hygiene, and in compliance with policy and law to protect the rights of those who are subject to any search.

Searches shall not be used for intimidation, harassment, punishment or retaliation.

900.3 FIELD AND TRANSPORTATION SEARCHES

An investigator should conduct a custody search of an individual immediately after his/her arrest, when receiving an individual from the custody of another, and before transporting a person who is in custody in any department vehicle.

Whenever practical, a custody search should be conducted by an investigator of the same sex as the person being searched. If an investigator of the same sex is not reasonably available, a witnessing investigator should be present during the search.

Custodial Searches

900.4 STRIP SEARCHES

No individual in temporary custody at any Ventura County District Attorney's Office facility shall be subjected to a strip search unless there is reasonable suspicion based upon specific and articulable facts to believe the individual has a health condition requiring immediate medical attention or is concealing a weapon or contraband. Factors to be considered in determining reasonable suspicion include, but are not limited to:

- (a) The detection of an object during a custody search that may be a weapon or contraband and cannot be safely retrieved without a strip search.
- (b) Circumstances of a current arrest that specifically indicate the individual may be concealing a weapon or contraband.

- (c) Custody history (e.g., past possession of contraband while in custody, assaults on department members, escape attempts).
- (d) The individual's actions or demeanor.
- (e) Criminal history (i.e., level of experience in a custody setting).

However, if serious hygiene or health issues make it reasonably necessary to assist the individual with a shower or a change of clothes, a supervisor should be contacted to ensure reasonable steps are taken to obtain the individual's consent and/or otherwise protect his/her privacy and dignity.
- (h) If the individual has been arrested for a misdemeanor or infraction offense, the written authorization from the Deputy Chief Investigator shall include specific and articulable facts and circumstances upon which the reasonable suspicion determination for the search was made.

A record of the time, date, place of the search, the name and sex of the person conducting the search, and a statement of the results of the search shall also be retained and made available upon request to the individual or the individual's authorized representative.

900.4.2 SPECIAL CIRCUMSTANCE FIELD STRIP SEARCHES

A strip search may be conducted in the field only with Deputy Chief Investigator authorization and only in exceptional circumstances, such as when:

- (a) There is probable cause to believe that the individual is concealing a weapon or other dangerous item that cannot be recovered by a more limited search.

Custodial Searches

- (b) There is probable cause to believe that the individual is concealing controlled substances or evidence that cannot be recovered by a more limited search, and there is no reasonable alternative to ensure the individual cannot destroy or ingest the substance during transportation.

These special-circumstance field strip searches shall only be authorized and conducted under the same restrictions as the strip search procedures in this policy, except that the Deputy Chief Investigator authorization does not need to be in writing.

900.5 PHYSICAL BODY CAVITY SEARCH

Physical body cavity searches shall be subject to the following (Penal Code § 4030):

- (a) No individual shall be subjected to a physical body cavity search without written approval of the Deputy Chief Investigator and only upon a search warrant. Evaluation of Employees

1001.1 PURPOSE AND SCOPE

The Ventura County District Attorney's Office's employee performance evaluation system is designed to record work performance for both the Office and the employee, providing recognition for good work and developing a guide for improvement.

1001.2 POLICY

The Ventura County District Attorney's Office utilizes a performance evaluation report to measure performance and to use as a factor in making personnel decisions that relate to merit increases, promotion, reassignment, discipline, demotion, and termination. The evaluation report is intended to serve as a guide for work planning and review by the supervisor and employee. It gives supervisors a way to create an objective history of work performance based on job standards.

The Ventura County District Attorney's Office evaluates employees in a non-discriminatory manner based upon job-related factors specific to the employee's position, without regard to actual or perceived race, ethnicity, national origin, religion, sex, sexual orientation, gender identity or expression, age, disability, pregnancy, genetic information, veteran status, marital status, and any other classification or status protected by law.

1001.3 EVALUATION PROCESS

Evaluation reports will cover a specific period of time and should be based on documented performance during that period. Evaluation reports will be completed by each employee's immediate supervisor. Other supervisors directly familiar with the employee's performance during the rating period should be consulted by the immediate supervisor for their input.

All sworn and non-sworn supervisory personnel shall attend an approved supervisory course that includes training on the completion of performance evaluations within one year of the supervisory appointment.

Each supervisor should discuss the tasks of the position, standards of performance expected and the evaluation criteria with each employee at the beginning of the rating period. Supervisors should document this discussion in the prescribed manner.

Assessment of an employee's job performance is an ongoing process. Continued coaching and feedback provides supervisors and employees with opportunities to correct performance issues as they arise.

Non-probationary employees demonstrating substandard performance shall be notified in writing of such performance as soon as possible in order to have an opportunity to remediate the issues. Such notification should occur at the earliest opportunity, with the goal being a minimum of 90 days written notice prior to the end of the evaluation period.

Evaluation of Employees

Employees who disagree with their evaluation and who desire to provide a formal response or a rebuttal may do so in writing in the prescribed format and time period.

1001.4 FULL TIME PROBATIONARY PERSONNEL

Non-sworn personnel are on probation for six months before being eligible for certification as permanent employees. An evaluation is completed at 3 and 6 months for probationary personnel.

Sworn personnel are on probation for 12 months before being eligible for certification as permanent employees. Probationary investigators are evaluated daily, weekly and monthly during the probationary period and receive an evaluation at 3, 6, and 12 months during the probationary period.

1001.5 FULL-TIME PERMANENT STATUS PERSONNEL

Permanent employees are subject to three types of performance evaluations:

Regular - An Employee Performance Evaluation shall be completed once each year by the employee's immediate supervisor on the anniversary of the employee's date of hire except for employees who have been promoted in which case an Employee Performance Evaluation shall be completed on the anniversary of the employee's date of last promotion.

Transfer - If an employee is transferred from one assignment to another in the middle of an evaluation period and less than six months have transpired since the transfer, then an evaluation shall be completed by the current supervisor with input from the previous supervisor.

Special - A special evaluation may be completed any time the rater and the rater's supervisor feel one is necessary due to employee performance that is deemed less than standard. Generally, the special evaluation will be the tool used to demonstrate those areas of performance deemed less than standard when follow-up action is planned (action plan, remedial training, retraining, etc.). The evaluation form and the attached documentation shall be submitted as one package.

1001.5.1 RATINGS

When completing the Employee Performance Evaluation, the rater will place a check mark in the column that best describes the employee's performance. The definition of each rating category is as follows:

SWORN INVESTIGATORS/SUPPORT STAFF:

"+" MEETS THE STANDARD: The rating of "Meets the Standard" represented by a "+" is a benchmark of good, solid and consistent performance. This benchmark is a high standard and represents efficient, expected performance with no significant faults or deficiencies.

"-" NEEDS IMPROVEMENT: The rating of "Needs Improvement" indicates the employee's performance is below the benchmark of good, solid and consistent performance.

Space for written comments is provided within the evaluation. This section allows the rater to document employee strengths, employee weakness and suggestions for improvement. Any rating

Evaluation of Employees

under any job dimension marked Needs Improvement or "-" shall be substantiated in the rater comments section. The supervisor must specifically detail any performance issues and support such observations with any available facts or evidence, and propose a reasonable manner by which the evaluated employee may rise to the desired standard.

1001.6 EVALUATION INTERVIEW

When the supervisor has completed the preliminary evaluation, arrangements shall be made for a private discussion of the evaluation with the employee. The supervisor should discuss the results of the just completed rating period and clarify any questions the employee may have. If the employee has valid and reasonable protests of any of the ratings, the supervisor may make appropriate changes to the evaluation. Areas needing improvement and goals for reaching the expected level of performance should be identified and discussed. The supervisor should also provide relevant counseling regarding advancement, specialty positions and training opportunities. The supervisor and employee will sign and date the evaluation. Permanent employees may also write comments in the Employee Comments section of the performance evaluation report.

1001.7 EVALUATION REVIEW

After the supervisor finishes the discussion with the employee, the signed performance evaluation is forwarded to the rater's supervisor. The Commander or Deputy Chief Investigator shall review the evaluation for fairness, impartiality, uniformity, and consistency. The Commander or Deputy Chief Investigator shall evaluate the supervisor on the quality of ratings given.

1001.8 EVALUATION DISTRIBUTION

The original performance evaluation shall be maintained in the employee's personnel file in the office of the Chief Investigator for the tenure of the employee's employment. A copy will be given to the employee and a copy will be forwarded to County Department of Human Resources.

Grievance Procedure

1003.1 PURPOSE AND SCOPE

It is the policy of this Office that all grievances be handled quickly and fairly without discrimination against employees who file a grievance whether or not there is a basis for the grievance. Our Office's philosophy is to promote a free verbal communication between employees and supervisors.

1003.1.1 GRIEVANCE DEFINED

A grievance is any difference of opinion concerning terms or conditions of employment or the dispute involving the interpretation or application of any of the following documents by the person(s) affected:

- The employee bargaining agreement (Memorandum of Understanding)
- This Policy Manual
- County rules and regulations covering personnel practices or working conditions

Grievances may be brought by an individual affected employee or by a group representative.

Specifically outside the category of grievance are complaints related to allegations of discrimination or harassment subject to the Discriminatory Harassment Policy. Also outside the category of grievances are personnel complaints regarding any allegation of misconduct or improper job performance against any Office employee that, if true, would constitute a violation of Office policy, federal, state, or local law as set forth in the Personnel Complaint Policy.

1003.2 PROCEDURE

Except as otherwise required under a collective bargaining agreement, if an employee believes that he or she has a grievance as defined above, then that employee shall observe the following procedure:

- (a) Attempt to resolve the issue through informal discussion with immediate supervisor.
- (b) If after a reasonable amount of time, generally seven days, the grievance cannot be settled by the immediate supervisor, the employee may request an interview with the Deputy Chief Investigator of the affected division or bureau.
- (c) If a successful resolution is not found with the Deputy Chief Investigator, the employee may request a meeting with the Chief Investigator.
- (d) If the employee and the Chief Investigator are unable to arrive at a mutual solution, then the employee shall proceed as follows:
 1. Submit in writing a written statement of the grievance and deliver one copy to the Chief Investigator and another copy to the immediate supervisor and include the following information:

Grievance Procedure

- (a) The basis for the grievance (i.e., what are the facts of the case?).
- (b) Allegation of the specific wrongful act and the harm done.
- (c) The specific policies, rules or regulations that were violated.
- (d) What remedy or goal is being sought by this grievance.
- (e) The employee shall receive a copy of the acknowledgment signed by the supervisor including the date and time of receipt.
- (f) The Chief Investigator will receive the grievance in writing. The Chief Investigator and the County Executive will review and analyze the facts or allegations and respond to the employee within 14 calendar days. The response will be in writing, and will affirm or deny the allegations. The response shall include any remedies if appropriate. The decision of the County Executive is considered final.

1003.3 EMPLOYEE REPRESENTATION

Employees are entitled to have representation during the grievance process. The representative may be selected by the employee from the appropriate employee bargaining group.

Anti-Retaliation

1004.1 PURPOSE AND SCOPE

This policy prohibits retaliation against members who identify workplace issues, such as fraud, waste, abuse of authority, gross mismanagement or any inappropriate conduct or practices, including violations that may pose a threat to the health, safety or well-being of members.

This policy does not prohibit actions taken for nondiscriminatory or non-retaliatory reasons, such as discipline for cause.

These guidelines are intended to supplement and not limit members' access to other applicable remedies. Nothing in this policy shall diminish the rights or remedies of a member pursuant to any applicable federal law, provision of the U.S. Constitution, law, ordinance or memorandum of understanding.

1004.2 POLICY

The Ventura County District Attorney's Office has a zero tolerance for retaliation and is committed to taking reasonable steps to protect from retaliation members who, in good faith, engage in permitted behavior or who report or participate in the reporting or investigation of workplace issues. All complaints of retaliation will be taken seriously and will be promptly and appropriately investigated.

1004.3 RETALIATION PROHIBITED

No member may retaliate against any person for engaging in lawful or otherwise permitted behavior; for opposing a practice believed to be unlawful, unethical, discriminatory or retaliatory; for reporting or making a complaint under this policy; or for participating in any investigation related to a complaint under this or any other policy.

Retaliation includes any adverse action or conduct, including but not limited to:

- Refusing to hire or denying a promotion.
- Extending the probationary period.
- Unjustified reassignment of duties or change of work schedule.
- Real or implied threats or other forms of intimidation to dissuade the reporting of wrongdoing or filing of a complaint, or as a consequence of having reported or participated in protected activity.
- Taking unwarranted disciplinary action.
- Spreading rumors about the person filing the complaint or about the alleged wrongdoing.
- Shunning or unreasonably avoiding a person because he/she has engaged in protected activity.

Anti-Retaliation

1004.4 COMPLAINTS OF RETALIATION

Any member who feels he/she has been retaliated against in violation of this policy should promptly report the matter to any supervisor, command staff member, Chief Investigator or Staff Services Manager.

Members shall act in good faith, not engage in unwarranted reporting of trivial or minor deviations or transgressions, and make reasonable efforts to verify facts before making any complaint in order to avoid baseless allegations. Members shall not report or state an intention to report information or an allegation knowing it to be false, with willful or reckless disregard for the truth or falsity of the information or otherwise act in bad faith.

Investigations are generally more effective when the identity of the reporting member is known, thereby allowing investigators to obtain additional information from the reporting member. However, complaints may be made anonymously. All reasonable efforts shall be made to protect the reporting member's identity. However, confidential information may be disclosed to the extent required by law or to the degree necessary to conduct an adequate investigation and make a determination regarding a complaint. In some situations, the investigative process may not be complete unless the source of the information and a statement by the member is part of the investigative process.

1004.5 SUPERVISOR RESPONSIBILITIES

Supervisors are expected to remain familiar with this policy and ensure that members under their command are aware of its provisions.

The responsibilities of supervisors include, but are not limited to:

- (a) Ensuring complaints of retaliation are investigated as provided in the Personnel Complaints Policy.
- (b) Receiving all complaints in a fair and impartial manner.
- (c) Documenting the complaint and any steps taken to resolve the problem.
- (d) Acknowledging receipt of the complaint, notifying the Chief Investigator via the chain of command and explaining to the member how the complaint will be handled.
- (e) Taking appropriate and reasonable steps to mitigate any further violations of this policy.
- (f) Monitoring the work environment to ensure that any member making a complaint is not subjected to further retaliation.
- (g) Periodic follow-up with the complainant to ensure that retaliation is not continuing.
- (h) Not interfering with or denying the right of a member to make any complaint.
- (i) Taking reasonable steps to accommodate requests for assignment or schedule changes made by a member who may be the target of retaliation if it would likely mitigate the potential for further violations of this policy.

Anti-Retaliation

1004.6 COMMAND STAFF RESPONSIBILITIES

The Chief Investigator should communicate to all supervisors the prohibition against retaliation.

Command staff shall treat all complaints as serious matters and shall ensure that prompt actions take place, including but not limited to:

- (a) Communicating to all members the prohibition against retaliation.
- (b) The timely review of complaint investigations.
- (c) Remediation of any inappropriate conduct or condition and instituting measures to eliminate or minimize the likelihood of recurrence.
- (d) The timely communication of the outcome to the complainant.

1004.7 WHISTLE-BLOWING

California law protects members who (Labor Code § 1102.5; Government Code § 53296 et seq.):

- (a) Report a violation of a state or federal statute or regulation to a government or law enforcement agency, including the member's supervisor or any other member with the authority to investigate the reported violation.
- (b) Provide information or testify before a public body if the member has reasonable cause to believe a violation of law occurred.
- (c) Refuse to participate in an activity that would result in a violation of a state or federal statute or regulation.
- (d) File a complaint with a local agency about gross mismanagement or a significant waste of funds, abuse of authority, or a substantial and specific danger to public health or safety. Members shall exhaust all available administrative remedies prior to filing a formal complaint.
- (e) Are family members of a person who has engaged in any protected acts described above.

Members are encouraged to report any legal violations through the chain of command (Labor Code § 1102.5).

Members who believe they have been the subject of retaliation for engaging in such protected behaviors should promptly report it to a supervisor. Supervisors should refer the complaint to the Special Investigations for investigation pursuant to the Personnel Complaints Policy.

1004.7.1 DISPLAY OF WHISTLE-BLOWER LAWS

The Ventura County District Attorney's Office shall display a notice to members regarding their rights and responsibilities under the whistle-blower laws, including the whistle-blower hotline maintained by the Office of the Attorney General (Labor Code § 1102.8).

Anti-Retaliation

1004.8 RECORDS RETENTION AND RELEASE

The Staff Services Manager shall ensure that documentation of investigations is maintained in accordance with the established records retention schedules.

1004.9 TRAINING

The policy should be reviewed with each new member.

All members should receive periodic refresher training on the requirements of this policy.

Reporting of Employee Convictions

1005.1 PURPOSE AND SCOPE

Convictions of certain offenses may restrict or prohibit an employee's ability to properly perform official duties. Therefore, all employees shall be required to promptly notify the Office of any past and current criminal convictions.

1005.1.1 LAW ENFORCEMENT CONTACTS

Employees of the Bureau of Investigation will report any off-duty law enforcement contacts in which they were a suspect, victim or witness to any criminal offense. This allows for the review of the contact/case to determine if a possible conflict exists which would cause a referral to the State of California Attorney General's Office.

1005.2 DOMESTIC VIOLENCE CONVICTIONS, OUTSTANDING WARRANTS AND RESTRAINING ORDERS

California and federal law prohibit individuals convicted of, or having an outstanding warrant for, certain offenses and individuals subject to certain court orders from lawfully possessing a firearm. Such convictions and court orders often involve allegations of the use or attempted use of force or threatened use of a weapon on any individual in a domestic relationship (e.g., spouse, cohabitant, parent, child) (18 USC § 922; Penal Code § 29805).

All members are responsible for ensuring that they have not been disqualified from possessing a firearm by any such conviction or court order and shall promptly report any such conviction or court order to a supervisor, as provided in this policy.

1005.3 OTHER CRIMINAL CONVICTIONS AND COURT ORDERS

Government Code § 1029 prohibits any person convicted of a felony from being a peace officer in the State of California. This prohibition applies regardless of whether the guilt was established by way of a verdict, guilty or nolo contendere plea.

Convictions of certain violations of the Vehicle Code and other provisions of law may also place restrictions on an employee's ability to fully perform the duties of the job.

Outstanding warrants as provided in Penal Code § 29805 also place restrictions on a member's ability to possess a firearm.

Moreover, while legal restrictions may or may not be imposed by statute or by the courts upon conviction of any criminal offense, criminal conduct by members of this Office may be inherently in conflict with law enforcement duties and the public trust.

1005.4 REPORTING PROCEDURE

All members of the Ventura County District Attorney's Office and all retired Investigator's with an identification card issued by the Ventura County District Attorney's Office shall promptly notify their immediate supervisor (or the Chief Investigator in the case of retired Investigator's) in writing

Reporting of Employee Convictions

of any past or current criminal arrest, outstanding warrant or conviction regardless of whether or not the matter is currently on appeal and regardless of the penalty or sentence, if any.

All members and all retired Investigator's with an identification card issued by the Ventura County District Attorney's Office shall further promptly notify their immediate supervisor (or the Chief Investigator in the case of retired Investigator's) in writing if the member or retiree becomes the subject of a domestic violence restraining order or similar court order or becomes the subject of an outstanding warrant.

Any member whose criminal conviction unduly restricts or prohibits that member from fully and properly performing his/her duties may be disciplined including, but not limited to, being placed on administrative leave, reassignment and/or termination. Any effort to remove such disqualification or restriction shall remain entirely the responsibility of the member on his/her own time and expense.

Any member failing to provide prompt written notice pursuant to this policy shall be subject to discipline.

1005.5 PROCEDURE FOR RELIEF

Pursuant to Penal Code § 29855, a peace officer may petition the court for permission to carry a firearm following a conviction under state law. Federal law, however, does not provide for any such similar judicial relief and the granting of a state court petition under Penal Code § 29855 will not relieve one of the restrictions imposed by federal law. Therefore, relief for any employee falling under the restrictions imposed by federal law may only be obtained by expungement of the conviction. Each employee shall seek relief from firearm restrictions on their own time and through their own resources.

Pursuant to Family Code § 6389(h), an individual may petition the court for an exemption to any restraining order, which would thereafter permit the individual to carry a firearm as a part of their employment. Relief from any domestic violence or other restriction shall also be pursued through the employee's own resources and on the employee's own time.

Pending satisfactory proof of relief from any legal restriction imposed on an employee's duties, the employee may be placed on administrative leave, reassigned or disciplined. The Ventura County District Attorney's Office may, but is not required to return an employee to any assignment, reinstate any employee or reverse any pending or imposed discipline upon presentation of satisfactory proof of relief from any legal restriction set forth in this policy.

1005.5.1 NOTIFICATION REQUIREMENTS

The Administrative Commander shall submit within 30 days of final disposition, a notice to the Commission on Peace Officer Standards and Training (POST) of a felony conviction or Government Code § 1029 reason that disqualifies any current peace officer employed by this Office, or any former peace officer if this Office was responsible for the investigation (11 CCR 1003).

Drug- and Alcohol-Free Workplace

1006.1 PURPOSE AND SCOPE

The intent of this policy is to deter the misuse or abuse of legal or illegal substances that create a threat to the safety and health of any employee or member of the public. The Ventura County District Attorney's Office discourages alcohol and drug abuse and strives to achieve a work force free from the influence of drugs and alcohol.

1006.2 POLICY

The consumption of alcohol or other intoxicants is generally prohibited by on-duty personnel except as necessary in the performance of an official special assignment and then only with prior approval from the Chief Investigator. Personnel who consume alcohol as part of a special assignment shall not do so to the extent of impairing on-duty performance.

Employees who have consumed an amount of an alcoholic beverage or taken any drugs that would tend to adversely affect their senses or judgment shall not report for duty. They shall timely report such absence to their supervisor.

Members, whether on or off duty, if found intoxicated in a public place may be subject to immediate relief of duty pending an investigation.

Members of the Bureau shall not use habit-forming drugs or narcotics unless such drugs or narcotics are properly prescribed by a physician for an illness or injury. Members of the Bureau, while on duty, shall not smoke while conducting interviews or under like conditions where smoking may be detrimental to good conduct, appearance or procedure.

VCDSA members hired after June 1, 1988, must refrain from smoking tobacco at any time. Members who fail to comply with this provision shall be subject to disciplinary action up to and including termination.

1006.2.1 PURCHASE OR POSSESSION OF DRUGS OR ALCOHOL ON DUTY

Employees shall not purchase or possess alcohol or other controlled substances on County property, at work, or while on duty except in the performance of a special assignment as described in Policy Manual § 1012.2.

1006.2.2 USE OF PRESCRIBED MEDICATIONS

Any employee who is required to take any medication with side effects which might impair his/her ability to fully and safely perform all requirements of the position shall report the need for such medication to the immediate supervisor prior to commencing any on-duty status. No employee shall be permitted to work or drive a department-owned or department-leased vehicle while taking such potentially impairing medication without a written release from his/her physician.

Possession of medical marijuana or being under the influence of marijuana on or off-duty is prohibited and may lead to disciplinary action.

Drug- and Alcohol-Free Workplace

1006.3 GENERAL GUIDELINES

Alcohol and drug use in the workplace or on [department/office] time can endanger the health and safety of [department/office] members and the public. Such use shall not be tolerated (41 USC § 8103).

Members who have consumed an amount of an alcoholic beverage or taken any medication, or combination thereof, that would tend to adversely affect their mental or physical abilities shall not report for duty. Affected members shall notify the Deputy Chief Investigator or appropriate supervisor as soon as the member is aware that he/she will not be able to report to work. If the member is unable to make the notification, every effort should be made to have a representative contact the supervisor in a timely manner. If the member is adversely affected while on-duty, he/she shall be immediately removed and released from work (see Work Restrictions in this policy).

1006.3.1 USE OF MEDICATIONS

Members should avoid taking any medications that will impair their ability to safely and completely perform their duties. Any member who is medically required or has a need to take any such medication shall report that need to his/her immediate supervisor prior to commencing any on-duty status.

No member shall be permitted to work or drive a vehicle owned or leased by the [Department/Office] while taking any medication that has the potential to impair his/her abilities, without a written release from his/her physician.

1006.3.2 USE OF MARIJUANA

Possession of marijuana, including medical marijuana, or being under the influence of marijuana on or off-duty is prohibited and may lead to disciplinary action.

1006.4 MEMBER RESPONSIBILITIES

Members shall report for work in an appropriate mental and physical condition. Members are prohibited from purchasing, manufacturing, distributing, dispensing, possessing or using controlled substances or alcohol on [department/office] premises or on [department/office] time (41 USC § 8103). The lawful possession or use of prescribed medications or over-the-counter remedies is excluded from this prohibition.

Members who are authorized to consume alcohol as part of a special assignment shall not do so to the extent of impairing on-duty performance.

Members shall notify a supervisor immediately if they observe behavior or other evidence that they believe demonstrates that a fellow member poses a risk to the health and safety of the member or others due to drug or alcohol use.

Members are required to notify their immediate supervisors of any criminal drug statute conviction for a violation occurring in the workplace no later than five days after such conviction (41 USC § 8103).

Drug- and Alcohol-Free Workplace

1006.5 EMPLOYEE ASSISTANCE PROGRAM

There may be available a voluntary employee assistance program to assist those who wish to seek help for alcohol and drug problems (41 USC § 8103). Insurance coverage that provides treatment for drug and alcohol abuse also may be available. Employees should contact the Department of Human Resources, their insurance providers or the employee assistance program for additional information. It is the responsibility of each employee to seek assistance before alcohol or drug problems lead to performance problems.

1006.6 WORK RESTRICTIONS

If a member informs a supervisor that he/she has consumed any alcohol, drug or medication that could interfere with a safe and efficient job performance, the member may be required to obtain clearance from his/her physician before continuing to work.

If the supervisor reasonably believes, based on objective facts, that a member is impaired by the consumption of alcohol or other drugs, the supervisor shall prevent the member from continuing work and shall ensure that he/she is safely transported away from the [Department/Office].

1006.7 REQUESTING SCREENING TESTS

The supervisor may request an employee to submit to a screening test under the following circumstances:

- (a) The supervisor reasonably believes, based upon objective facts, that the employee is under the influence of alcohol or drugs that are impairing his/her ability to perform duties safely and efficiently.
- (b) The employee discharges a firearm, other than by accident, in the performance of his/her duties.
- (c) During the performance of his/her duties, the employee drives a motor vehicle and becomes involved in an incident that results in bodily injury to him/herself or another person, or substantial damage to property.

1006.7.1 SUPERVISOR RESPONSIBILITY

The supervisor shall prepare a written record documenting the specific facts that led to the decision to request the test, and shall inform the employee in writing of the following:

- (a) The test will be given to detect either alcohol or drugs, or both.
- (b) The result of the test is not admissible in any criminal proceeding against the employee.
- (c) The employee may refuse the test, but refusal may result in dismissal or other disciplinary action.

1006.7.2 SCREENING TEST REFUSAL

An employee may be subject to disciplinary action if he/she:

Drug- and Alcohol-Free Workplace

- (a) Fails or refuses to submit to a screening test as requested.
- (b) After taking a screening test that indicates the presence of a controlled substance, fails to provide proof, within 72 hours after being requested, that he/she took the controlled substance as directed, pursuant to a current and lawful prescription issued in his/her name.
- (c) Violates any provisions of this policy.

1006.8 COMPLIANCE WITH THE DRUG-FREE WORKPLACE ACT

No later than 30 days following notice of any drug statute conviction for a violation occurring in the workplace involving a member, the [Department/Office] will take appropriate disciplinary action, up to and including dismissal, and/or requiring the member to satisfactorily participate in a drug abuse assistance or rehabilitation program (41 USC § 8104).

1006.9 CONFIDENTIALITY

The [Department/Office] recognizes the confidentiality and privacy due to its members. Disclosure of any information relating to substance abuse treatment, except on a need-to-know basis, shall only be with the express written consent of the member involved or pursuant to lawful process.

The written results of any screening tests and all documents generated by the employee assistance program are considered confidential medical records and shall be maintained separately from the employee's other personnel files.

Sick Leave

1007.1 PURPOSE AND SCOPE

This policy provides general guidance regarding the use and processing of sick leave. The accrual and terms of use of sick leave for eligible employees are detailed in the County personnel manual or applicable collective bargaining agreement.

This policy is not intended to cover all types of sick or other leaves. For example, employees may be entitled to additional paid or unpaid leave for certain family and medical reasons as provided for in the Family and Medical Leave Act (FMLA) (29 USC § 2601 et seq.), the California Family Rights Act, leave for victims of crime or abuse, or for organ or bone marrow donor procedures (29 CFR 825; Government Code § 12945.2; Labor Code § 230.1; Labor Code § 1510).

1007.2 EMPLOYEE RESPONSIBILITIES

Sick leave may be used for absences caused by illness, injury, temporary disability (including pregnancy/maternity), or for medical, dental or vision exams or medical treatment of the employee or the employee's immediate family when it is not possible to schedule such appointments during non-working hours.

Sick leave is not considered vacation, and abuse of sick leave may result in discipline and/or denial of sick-leave benefits. Employees on sick leave shall not engage in other employment or self-employment, or participate in any sport, hobby, recreational or other activity which may impede recovery from the injury or illness.

1007.2.1 NOTIFICATION

Any employee unable to report to work shall personally notify his/her supervisor by 8:00 a.m. Notification shall include the expected date of return and a phone number where the employee can be reached. Should the employee's supervisor be unavailable, the next highest ranking supervisor must be notified.

1007.3 USE OF SICK LEAVE

Sick leave is intended to be used for qualified absences. Sick leave is not considered vacation. Abuse of sick leave may result in discipline, denial of sick leave benefits, or both.

Employees on sick leave shall not engage in other employment or self-employment or participate in any sport, hobby, recreational activity or other activity that may impede recovery from the injury or illness (see Outside Employment Policy).

Qualified appointments should be scheduled during a member's non-working hours when it is reasonable to do so.

1007.3.1 LEAVES OF ABSENCE

LEAVES OF ABSENCE 1. INTRODUCTION

Sick Leave

The County of Ventura Personnel Rules and Regulations defines a LEAVE OF ABSENCE ("Leave") as "An authorized absence from duties with or without pay." The County's Leave of Absence Program applies to all regular employees. Employees should apply for a Leave for any absence over three work days, unless the absence is due to a pre-approved vacation. The Leave of Absence Program and administrative practices comply with federal and state laws and county documents, including:

Fair Employment and Housing Act (FEHA) Family & Medical Leave Act (FMLA) District Attorney's Office Page 9 2/7/2013 California Family Rights Act (CFRA) California Labor Code Pregnancy Disability Leave (PDL) Uniform Services Employment and Reemployment Rights Act of 1994 (USERRA) County of Ventura Personnel Rules and Regulations Memorandum of Agreements (MOA) between the County and unions Management Resolution (MR) If an employee is absent from work without authorization for three (3) days or two (2) consecutive 24-hour work shifts, the County may, without any notice, deem that the employee has voluntarily abandoned his/her job under Article 22, Section 2203, of the County of Ventura's Personnel Rules and Regulations. When an employee will be, or has been, out of the office for more than three (3) days, it is the responsibility of the employee's supervisor to immediately notify the Fiscal Administrative Unit so that the appropriate forms and information can be given to the employee, and the employee is receiving any and all benefits available. This includes an employee who may be out intermittently for the same cause. By authority of the applicable agreements and resolutions, the District Attorney may grant a leave of absence without pay to a member of his staff for as long as one year. (Mgmt. Res., Art. 14; SEIU MOA, Art. 17; VCDSA. MOA 17; CJAAVC Art. 14; SPOAVC Art. 13.) Although the granting of most such leaves is solely within the discretion of the District Attorney, more detailed guidelines than those provided in the agreements and resolution are appropriate. This section shall not limit military leave of absence rights as provided in the California Military and Veterans Codes or as provides in other statutes.

2. PROCEDURE

An employee may request a leave of absence with or without pay by submitting a leave of absence (LOA) request form to his/her immediate supervisor. The LOA request form shall state the reason for and length of the requested leave and may include any other information relevant to the request. The request should be submitted at least 30 days before the beginning of the requested leave period. The immediate supervisor shall evaluate the request according to the Leaves of Absence Policy guidelines. Within five days of receiving a leave of absence request, the immediate supervisor shall submit to the District Attorney the employee LOA request form with the supervisor's recommendation. The District Attorney or his designee, after consultation with appropriate members of the management group and the immediate supervisor, shall, in writing, notify the requesting employee of the District Attorney's decision.

3. POLICY GUIDELINES

a. Maternity Leaves of absence without pay will be granted by the District Attorney in accordance with state/federal law. A typical maternity leave will be granted for up to four (4) months. The employee may also be entitled to additional leave under the California Family Rights Act (CFRA).

Sick Leave

Additional time up to a total of one year may be granted in the case of demonstrated medical necessity. Such a leave may consist, in part, of accrued sick, annual, or vacation time at the employee's option.

b. Other Leaves Leaves for purposes other than maternity may be granted by the District Attorney for up to one year when such leave is in the best interest of the County. Among the factors the District Attorney will consider in deciding whether or not to grant a leave of absence without pay are the following: Whether the interests of the County and the District Attorney's Office would be served by granting the request. Whether any staffing inconvenience would result by granting the request. Whether other employee vacation conflicts would result from granting the request. The quality of the employee's service and the value of the employee to this department and the County. The need and purpose of the request. The extent of the requested leave. Whether the request is intended to merely augment vacation time. Whether the employee has had a leave of absence without pay and, if so, how recently. When a leave is granted for medical reasons, the employee will normally be required to exhaust accrued sick and/or annual leave before leave without pay begins. When a non-medical leave is granted, exhaustion of accrued annual leave and/or vacation time will normally be required.

1007.3.2 OTHER LEAVES

Leaves for purposes other than maternity will not be granted to an employee with less than 30 months' service in the District Attorney's Office. Exceptions may be made for medical leaves. Among the factors the District Attorney will consider in deciding whether or not to grant a leave of absence without pay are the following:

- Whether the interests of the county and the District Attorney's Office would be served by granting the request.
- Whether any staffing inconvenience would result by granting the request.
- Whether other employee vacation conflicts would result from granting the request.
- The quality of the employee's service and the value of the employee to this department and the county.
- The need and purpose of the request.
- The extent of the requested leave.
- Whether the request is intended to merely augment vacation time.
- Whether the employee has been granted a previous leave of absence without pay and, if so, how recently.

An employee with more than 30 but less than 60 months' service in the District Attorney's Office, whose request satisfies these guidelines, may be granted a leave of absence without pay for 30 to 90 days. In unusual circumstances, more than 90 days may be granted. An employee with more than 60 months' service in the District Attorney's Office may be granted a leave of absence

1007.3.4 NOTIFICATION

All members should notify their Supervisor as soon as they are aware that they will not be able to report to work and no less than one hour before the start of their scheduled shifts. If, due to an emergency, a member is unable to contact the supervisor, every effort should be made to have a representative for the member contact the supervisor (Labor Code § 246).

When the necessity to be absent from work is foreseeable, such as planned medical appointments or treatments, the member shall, whenever possible and practicable, provide the Office with no less than 30 days' notice of the impending absence (Labor Code § 246).

Upon return to work, members are responsible for ensuring their time off was appropriately accounted for, and for completing and submitting the required documentation describing the type of time off used and the specific amount of time taken.

1007.4 EXTENDED ABSENCE

Members absent from duty for more than three consecutive days may be required to furnish a statement from a health care provider supporting the need to be absent and/or the ability to return to work. Members on an extended absence shall, if possible, contact their supervisor at specified intervals to provide an update on their absence and expected date of return.

Nothing in this section precludes a supervisor from requiring, with cause, a health care provider's statement for an absence of three or fewer days after the first three days of paid sick leave are used in a 12-month period.

1007.5 REQUIRED NOTICES

The Staff Services Manager shall ensure:

- (a) Written notice of the amount of paid sick leave available is provided to employees as provided in Labor Code § 246.

1007.6 SUPERVISOR RESPONSIBILITIES

The responsibilities of supervisors include, but are not limited to:

- (a) Monitoring and regularly reviewing the attendance of those under their command to ensure that the use of sick leave and absences is consistent with this policy.

 - (a) Negatively affected the member's performance or ability to complete assigned duties.
 - (b) Negatively affected Office operations.
- (d) When appropriate, counseling members regarding excessive absences and/or inappropriate use of sick leave.
- (e) Referring eligible members to an available employee assistance program when appropriate.

This policy provides general guidelines to assist in minimizing the risk of [department/office] members contracting and/or spreading communicable diseases.

1008.1.1 DEFINITIONS

Definitions related to this policy include:

Communicable disease - A human disease caused by microorganisms that are present in and transmissible through human blood, bodily fluid, tissue, or by breathing or coughing. These diseases commonly include, but are not limited to, hepatitis B virus (HBV), HIV and tuberculosis.

Exposure - When an eye, mouth, mucous membrane or non-intact skin comes into contact with blood or other potentially infectious materials, or when these substances are injected or infused under the skin; when an individual is exposed to a person who has a disease that can be passed through the air by talking, sneezing or coughing (e.g., tuberculosis), or the individual is in an area that was occupied by such a person. Exposure only includes those instances that occur due to a member's position at the Ventura County District Attorney's Office. (See the exposure control plan for further details to assist in identifying whether an exposure has occurred.)

1008.2 POLICY

The Ventura County District Attorney's Office is committed to providing a safe work environment for its members. Members should be aware that they are ultimately responsible for their own health and safety.

1008.3 EXPOSURE CONTROL OFFICER

The Chief Investigator will assign a person as the Exposure Control Officer (ECO). The ECO shall develop an exposure control plan that includes:

- (a) Exposure-prevention and decontamination procedures.
- (b) Procedures for when and how to obtain medical attention in the event of an exposure or suspected exposure.
- (c) The provision that Ventura County District Attorney's Office members will have no-cost access to the appropriate personal protective equipment (PPE) (e.g., gloves, face masks, eye protection, pocket masks) for each member's position and risk of exposure.
- (d) Evaluation of persons in custody for any exposure risk and measures to separate them (15 CCR 1051; 15 CCR 1207).
- (e) Compliance with all relevant laws or regulations related to communicable diseases, including:
 1. Responding to requests and notifications regarding exposures covered under the Ryan White law (42 USC § 300ff-133; 42 USC § 300ff-136).

Communicable Diseases

2. Bloodborne pathogen mandates including (8 CCR 5193):
 - (a) Sharps injury log.

 - (b) Distribution of appropriate personal protective equipment to minimize exposure to airborne disease.
 4. Promptly notifying the county health officer regarding member exposures (Penal Code § 7510).
 5. Establishing procedures to ensure that members request exposure notification from health facilities when transporting a person that may have a communicable disease and that the member is notified of any exposure as required by Health and Safety Code § 1797.188.
 6. Informing members of the provisions of Health and Safety Code § 1797.188 (exposure to communicable diseases and notification).
- (f) Provisions for acting as the designated officer liaison with health care facilities regarding communicable disease or condition exposure notification. The designated officer should coordinate with other Ventura County District Attorney's Office members to fulfill the role when not available. The designated officer shall ensure that the name, title and telephone number of the designated officer is posted on the Ventura County District Attorney's Office website (Health and Safety Code § 1797.188).

The ECO should also act as the liaison with the Division of Occupational Safety and Health (Cal/OSHA) and may request voluntary compliance inspections. The ECO shall annually review and update the exposure control plan and review implementation of the plan (8 CCR 5193).

1008.4 EXPOSURE PREVENTION AND MITIGATION

1008.4.1 GENERAL PRECAUTIONS

All members are expected to use good judgment and follow training and procedures related to mitigating the risks associated with communicable disease. This includes, but is not limited to (8 CCR 5193):

- (a) Stocking disposable gloves, antiseptic hand cleanser, CPR masks or other specialized equipment in the work area or [department/office] vehicles, as applicable.
- (b) Wearing [department/office]-approved disposable gloves when contact with blood, other potentially infectious materials, mucous membranes and non-intact skin can be reasonably anticipated.
- (c) Washing hands immediately or as soon as feasible after removal of gloves or other PPE.

Communicable Diseases

- (d) Treating all human blood and bodily fluids/tissue as if it is known to be infectious for a communicable disease.
- (e) Using an appropriate barrier device when providing CPR.
- (f) Using a face mask or shield if it is reasonable to anticipate an exposure to an airborne transmissible disease.
- (g) Decontaminating non-disposable equipment (e.g., flashlight, control devices, clothing and portable radio) as soon as possible if the equipment is a potential source of exposure.
 - 1. Clothing that has been contaminated by blood or other potentially infectious materials shall be removed immediately or as soon as feasible and stored/decontaminated appropriately.
- (h) Handling all sharps and items that cut or puncture (e.g., needles, broken glass, razors, knives) cautiously and using puncture-resistant containers for their storage and/or transportation.
- (i) Avoiding eating, drinking, smoking, applying cosmetics or lip balm, or handling contact lenses where there is a reasonable likelihood of exposure.
- (j) Disposing of biohazardous waste appropriately or labeling biohazardous material properly when it is stored.

1008.4.2 IMMUNIZATIONS

Members who could be exposed to HBV due to their positions may receive the HBV vaccine and any routine booster at no cost (8 CCR 5193).

1008.5 POST EXPOSURE

1008.5.1 INITIAL POST-EXPOSURE STEPS

Members who experience an exposure or suspected exposure shall:

- (a) Begin decontamination procedures immediately (e.g., wash hands and any other skin with soap and water, flush mucous membranes with water).
- (b) Obtain medical attention as appropriate.
- (c) Notify a supervisor as soon as practicable.

1008.5.2 REPORTING REQUIREMENTS

The supervisor on-duty shall investigate every exposure or suspected exposure that occurs as soon as possible following the incident. The supervisor shall ensure the following information is documented (8 CCR 5193):

- (a) Name and Social Security number of the member exposed
- (b) Date and time of the incident
- (c) Location of the incident

Communicable Diseases

- (d) Potentially infectious materials involved and the source of exposure (e.g., identification of the person who may have been the source)
- (e) Work being done during exposure
- (f) How the incident occurred or was caused
- (g) PPE in use at the time of the incident
- (h) Actions taken post-event (e.g., clean-up, notifications)

The supervisor shall advise the member that disclosing the identity and/or infectious status of a source to the public or to anyone who is not involved in the follow-up process is prohibited. The supervisor should complete the incident documentation in conjunction with other reporting requirements that may apply (see the Occupational Disease and Work-Related Injury Reporting Policy).

1008.5.3 MEDICAL CONSULTATION, EVALUATION AND TREATMENT

Ventura County District Attorney's Office members shall have the opportunity to have a confidential medical evaluation immediately after an exposure and follow-up evaluations as necessary (8 CCR 5193).

The ECO should request a written opinion/evaluation from the treating medical professional that contains only the following information:

- (a) Whether the member has been informed of the results of the evaluation.
- (b) Whether the member has been notified of any medical conditions resulting from exposure to blood or other potentially infectious materials which require further evaluation or treatment.

No other information should be requested or accepted by the ECO.

1008.5.4 COUNSELING

The Ventura County District Attorney's Office shall provide the member, and his/her family if necessary, the opportunity for counseling and consultation regarding the exposure (8 CCR 5193).

1008.5.5 SOURCE TESTING

Testing a person for communicable diseases when that person was the source of an exposure should be done when it is desired by the exposed member or when it is otherwise appropriate (8 CCR 5193). Source testing is the responsibility of the ECO. If the ECO is unavailable to seek timely testing of the source, it is the responsibility of the exposed member's supervisor to ensure testing is sought.

Source testing may be achieved by:

- (a) Obtaining consent from the individual.
- (b) Complying with the statutory scheme of Health and Safety Code § 121060. This includes seeking consent from the person who was the source of the exposure and seeking a court order if consent is not given.

Communicable Diseases

- (c) Testing the exposed member for evidence of a communicable disease and seeking consent from the source individual to either access existing blood samples for testing or for the source to submit to testing (Health and Safety Code § 120262).
- (d) Taking reasonable steps to immediately contact the County Health Officer and provide preliminary information regarding the circumstances of the exposure and the status of the involved individuals to determine whether the County Health Officer will order testing (Penal Code § 7510).
- (e) Under certain circumstances, a court may issue a search warrant for the purpose of HIV testing a person when the exposed member qualifies as a crime victim (Penal Code § 1524.1).

Since there is the potential for overlap between the different manners in which source testing may occur, the ECO is responsible for coordinating the testing to prevent unnecessary or duplicate testing.

The ECO should seek the consent of the individual for testing and consult the County Counsel to discuss other options when no statute exists for compelling the source of an exposure to undergo testing if he/she refuses.

1008.6 CONFIDENTIALITY OF REPORTS

Medical information shall remain in confidential files and shall not be disclosed to anyone without the member's written consent (except as required by law). Test results from persons who may have been the source of an exposure are to be kept confidential as well.

- (b) Shall be provided whenever the member is assigned new tasks or procedures affecting his/her potential exposure to communicable disease.
- (c) Should provide guidance on what constitutes an exposure, what steps can be taken to avoid an exposure and what steps should be taken if a suspected exposure occurs.

1010.2 POLICY

The Ventura County District Attorney's Office takes seriously all complaints regarding the service provided by the Ventura County District Attorney's Office and the conduct of its members.

The Ventura County District Attorney's Office will accept and address all complaints of misconduct in accordance with this policy and applicable federal, state and local law, municipal and county rules and the requirements of any collective bargaining agreements.

It is also the policy of this Office to ensure that the community can report misconduct without concern for reprisal or retaliation.

1010.3 PERSONNEL COMPLAINTS

Personnel complaints include any allegation of misconduct or improper job performance that, if true, would constitute a violation of Office policy or of federal, state or local law, policy or rule. Personnel complaints may be generated internally or by the public.

Inquiries about conduct or performance that, if true, would not violate Office policy or federal, state or local law, policy or rule may be handled informally by a supervisor and shall not be considered a personnel complaint. Such inquiries generally include clarification regarding policy, procedures or the response to specific incidents by the Ventura County District Attorney's Office.

1010.3.1 COMPLAINT CLASSIFICATIONS

Personnel complaints shall be classified in one of the following categories:

Informal - A matter in which the Chief Investigator or his designee is satisfied that appropriate action has been taken by a Bureau supervisor of rank greater than the accused member.

Personnel Complaints

On an annual basis, the Ventura County District Attorney's Office should audit the log and send an audit report to the Chief Investigator or the authorized designee.

1010.6 ADMINISTRATIVE INVESTIGATIONS

Allegations of misconduct will be administratively investigated as follows.

1010.6.1 SUPERVISOR RESPONSIBILITIES

In general, the primary responsibility for the investigation of a personnel complaint shall rest with the member's immediate supervisor, unless the supervisor is the complainant, or the supervisor is the ultimate decision-maker regarding disciplinary action or has any personal involvement regarding the alleged misconduct. The Chief Investigator or the authorized designee may direct that another supervisor investigate any complaint.

A supervisor who becomes aware of alleged misconduct shall take reasonable steps to prevent aggravation of the situation.

The responsibilities of supervisors include but are not limited to:

- (a) Ensuring that upon receiving or initiating any formal complaint, a complaint form is completed.
 - 1. The original complaint form will be directed to the Deputy Chief Investigator of the accused member, via the chain of command, who will take appropriate action and/or determine who will have responsibility for the investigation.
 - 2. In circumstances where the integrity of the investigation could be jeopardized by reducing the complaint to writing or where the confidentiality of a complainant is at issue, a supervisor shall orally report the matter to the member's Deputy Chief Investigator or the Chief Investigator, who will initiate appropriate action.
- (b) Responding to all complainants in a courteous and professional manner.
- (c) Resolving those personnel complaints that can be resolved immediately.
 - (a) Follow-up contact with the complainant should be made within 24 hours of the Ventura County District Attorney's Office receiving the complaint.
 - (b) If the matter is resolved and no further action is required, the supervisor will note the resolution on a complaint form and forward the form to the Deputy Chief Investigator.
- (d) Ensuring that upon receipt of a complaint involving allegations of a potentially serious nature, the Deputy Chief Investigator and the Chief Investigator are notified via the chain of command as soon as practicable.
- (e) Promptly contacting the Department of Human Resources and the Deputy Chief Investigator for direction regarding their roles in addressing a complaint that relates to sexual, racial, ethnic or other forms of prohibited harassment or discrimination.
- (f) Forwarding unresolved personnel complaints to the Deputy Chief Investigator, who will determine whether to contact the complainant or assign the complaint for investigation.
- (g) Investigating a complaint as follows:

Ventura County District Attorney's Office

Ventura County DA CA Policy Manual

 2. When appropriate, ensuring immediate medical attention is provided and photographs of alleged injuries and accessible uninjured areas are taken.
- (h) Ensuring that the procedural rights of the accused member are followed (Government Code § 3303 et seq.).
- (i) Ensuring interviews of the complainant are generally conducted during reasonable hours.

1010.6.2 ADMINISTRATIVE INVESTIGATION PROCEDURES

Whether conducted by a supervisor or a member of the Special Investigations, the following applies to members covered by the Public Safety Officers Procedural Bill of Rights Act (POBR) (Government Code § 3303):

- (a) Interviews of an accused member shall be conducted during reasonable hours and preferably when the member is on-duty. If the member is off-duty, he/she shall be compensated.

 1. A member should be given an order to answer questions in an administrative investigation that might incriminate the member in a criminal matter only after the member has been given a *Lybarger* advisement. Administrative investigators should consider the impact that compelling a statement from the member may have on any related criminal investigation and should take reasonable steps to avoid creating any foreseeable conflicts between the two related investigations. This may include conferring with the person in charge of the criminal investigation (e.g., discussion of processes, timing, implications).
 2. No information or evidence administratively coerced from a member may be provided to anyone involved in conducting the criminal investigation or to any prosecutor.

Personnel Complaints

- (h) The interviewer should record all interviews of members and witnesses. The member may also record the interview. If the member has been previously interviewed, a copy of that recorded interview shall be provided to the member prior to any subsequent interview.
- (i) All members subjected to interviews that could result in discipline have the right to have an uninvolved representative present during the interview. However, in order to maintain the integrity of each individual's statement, involved members shall not consult or meet with a representative or attorney collectively or in groups prior to being interviewed.
- (j) All members shall provide complete and truthful responses to questions posed during interviews.
- (k) No member may be requested or compelled to submit to a polygraph examination, nor shall any refusal to submit to such examination be mentioned in any investigation (Government Code § 3307).

No investigation shall be undertaken against any investigator solely because the investigator has been placed on a prosecutor's *Brady* list or the name of the investigator may otherwise be subject to disclosure pursuant to *Brady v. Maryland*. However, an investigation may be based on the underlying acts or omissions for which the investigator has been placed on a *Brady* list or may otherwise be subject to disclosure pursuant to *Brady v. Maryland* (Government Code § 3305.5).

Evidence - Each allegation should be set forth with the details of the evidence applicable to each allegation provided, including comprehensive summaries of member and witness statements. Other evidence related to each allegation should also be detailed in this section.

Conclusion - A recommendation regarding further action or disposition should be provided.

Exhibits - A separate list of exhibits (e.g., recordings, photos, documents) should be attached to the report.

Upon completion, the report should be forwarded through the chain-of-command to the Deputy Chief Investigator.

Once received, the Chief Investigator may accept or modify the classification and recommendation for disciplinary action.

1010.6.4 DISPOSITIONS

Each personnel complaint shall be classified with one of the following dispositions:

If an investigation discloses misconduct or improper job performance that was not alleged in the original complaint, the investigator shall take appropriate action with regard to any additional allegations.

1010.6.5 COMPLETION OF INVESTIGATIONS

Every investigator or supervisor assigned to investigate a personnel complaint or other alleged misconduct shall proceed with due diligence in an effort to complete the investigation within one year from the date of discovery by an individual authorized to initiate an investigation (Government Code § 3304).

In the event that an investigation cannot be completed within one year of discovery, the assigned investigator or supervisor shall ensure that an extension or delay is warranted within the exceptions set forth in Government Code § 3304(d) or Government Code § 3508.1.

1010.6.6 NOTICE TO COMPLAINANT OF INVESTIGATION STATUS

The member conducting the investigation should provide the complainant with periodic updates on the status of the investigation, as appropriate.

1010.7 ADMINISTRATIVE SEARCHES

Assigned lockers, storage spaces and other areas, including desks, offices and vehicles, may be searched as part of an administrative investigation upon a reasonable suspicion of misconduct.

Such areas may also be searched any time by a supervisor for non-investigative purposes, such as obtaining a needed report, radio or other document or equipment.

Lockers and storage spaces may only be administratively searched in the member's presence, with the member's consent, with a valid search warrant or where the member has been given reasonable notice that the search will take place (Government Code § 3309).

- (c) If the employee is assigned to or being considered for a special assignment with a potential for bribes or other improper inducements

1010.8 ADMINISTRATIVE LEAVE

When a complaint of misconduct is of a serious nature, or when circumstances indicate that allowing the accused to continue to work would adversely affect the mission of the Ventura County District Attorney's Office, the Chief Investigator or the authorized designee may temporarily assign an accused employee to administrative leave. Any employee placed on administrative leave:

- (a) May be required to relinquish any Ventura County District Attorney's Office badge, identification, assigned weapons and any other Ventura County District Attorney's Office equipment.
- (b) Shall be required to continue to comply with all policies and lawful orders of a supervisor.
- (c) May be temporarily reassigned to a different shift, generally a normal business-hours shift, during the investigation. The employee may be required to remain available for contact at all times during such shift, and will report as ordered.

1010.9 CRIMINAL INVESTIGATION

Where a member is accused of potential criminal conduct, a separate supervisor or investigator shall be assigned to investigate the criminal allegations apart from any administrative investigation. Any separate administrative investigation may parallel a criminal investigation.

The Chief Investigator shall be notified as soon as practicable when a member is accused of criminal conduct. The Chief Investigator may request a criminal investigation by an outside law enforcement agency.

A member accused of criminal conduct shall be advised of his/her constitutional rights (Government Code § 3303(h)). The member should not be administratively ordered to provide any information in the criminal investigation.

The Ventura County District Attorney's Office may release information concerning the arrest or detention of any member, including an investigator, that has not led to a conviction. No disciplinary action should be taken until an independent administrative investigation is conducted.

Personnel Complaints

and include his/her comments in writing before forwarding the report. The Chief Investigator may accept or modify any classification or recommendation for disciplinary action.

1010.10.1 DEPUTY CHIEF INVESTIGATOR RESPONSIBILITIES

Upon receipt of any completed personnel investigation, the Deputy Chief Investigator of the involved member shall review the entire investigative file, the member's personnel file and any other relevant materials.

The Deputy Chief Investigator may make recommendations regarding the disposition of any allegations and the amount of discipline, if any, to be imposed.

Prior to forwarding recommendations to the Chief Investigator, the Deputy Chief Investigator may return the entire investigation to the assigned investigator or supervisor for further investigation or action.

When forwarding any written recommendation to the Chief Investigator, the Deputy Chief Investigator shall include all relevant materials supporting the recommendation. Actual copies of a member's existing personnel file need not be provided and may be incorporated by reference.

1010.10.2 CHIEF INVESTIGATOR RESPONSIBILITIES

Upon receipt of any written recommendation for disciplinary action, the Chief Investigator shall review the recommendation and all accompanying materials. The Chief Investigator may modify any recommendation and/or may return the file to the Deputy Chief Investigator for further investigation or action.

Once the Chief Investigator is satisfied that no further investigation or action is required by staff, the Chief Investigator shall determine the amount of discipline, if any, that should be imposed. In the event disciplinary action is proposed, the Chief Investigator shall provide the member with a pre-disciplinary procedural due process hearing (*Skelly*) by providing written notice of the charges, proposed action and reasons for the proposed action. Written notice shall be provided within one year from the date of discovery of the misconduct (Government Code § 3304(d)). The Chief Investigator shall also provide the member with:

- (a) Access to all of the materials considered by the Chief Investigator in recommending the proposed discipline.
- (b) An opportunity to respond orally or in writing to the Chief Investigator within five days of receiving the notice.
 - (a) Upon a showing of good cause by the member, the Chief Investigator may grant a reasonable extension of time for the member to respond.
 - (b) If the member elects to respond orally, the presentation may be recorded by the Ventura County District Attorney's Office. Upon request, the member shall be provided with a copy of the recording.

Once the member has completed his/her response or if the member has elected to waive any such response, the Chief Investigator shall consider all information received in regard to the recommended discipline. The Chief Investigator shall render a timely written decision to the

Personnel Complaints

member and specify the grounds and reasons for discipline and the effective date of the discipline. Once the Chief Investigator has issued a written decision, the discipline shall become effective.

1010.10.3 NOTICE OF FINAL DISPOSITION TO THE COMPLAINANT

The Chief Investigator or the authorized designee shall ensure that the complainant is notified of the disposition (i.e., sustained, not sustained, exonerated, unfounded) of the complaint (Penal Code § 832.7(f)).

1010.10.4 NOTICE REQUIREMENTS

The disposition of any civilian's complaint shall be released to the complaining party within 30 days of the final disposition. This release shall not include what discipline, if any, was imposed (Penal Code § 832.7(f)).

1010.11 PRE-DISCIPLINE EMPLOYEE RESPONSE

The pre-discipline process is intended to provide the accused employee with an opportunity to present a written or oral response to the Chief Investigator after having had an opportunity to review the supporting materials and prior to imposition of any recommended discipline. The employee shall consider the following:

- (a) The response is not intended to be an adversarial or formal hearing.
- (b) Although the employee may be represented by an uninvolved representative or legal counsel, the response is not designed to accommodate the presentation of testimony or witnesses.
- (c) The employee may suggest that further investigation could be conducted or the employee may offer any additional information or mitigating factors for the Chief Investigator to consider.
- (d) In the event that the Chief Investigator elects to cause further investigation to be conducted, the employee shall be provided with the results prior to the imposition of any discipline.
- (e) The employee may thereafter have the opportunity to further respond orally or in writing to the Chief Investigator on the limited issues of information raised in any subsequent materials.

1010.12 RESIGNATIONS/RETIREMENTS PRIOR TO DISCIPLINE

In the event that a member tenders a written resignation or notice of retirement prior to the imposition of discipline, it shall be noted in the file. The tender of a resignation or retirement by itself shall not serve as grounds for the termination of any pending investigation or discipline.

1010.13 POST-DISCIPLINE APPEAL RIGHTS

Non-probationary employees have the right to appeal a suspension without pay, punitive transfer, demotion, reduction in pay or step, or termination from employment. The employee has the right to appeal using the procedures established by any collective bargaining agreement, Memorandum of Understanding and/or personnel rules.

Personnel Complaints

In the event of punitive action against an employee covered by the POBR, the appeal process shall be in compliance with Government Code § 3304 and Government Code § 3304.5.

During any administrative appeal, evidence that an investigator has been placed on a *Brady* list or is otherwise subject to *Brady* restrictions may not be introduced unless the underlying allegations of misconduct have been independently established. Thereafter, such *Brady* evidence shall be limited to determining the appropriateness of the penalty (Government Code § 3305.5).

1010.14 PROBATIONARY EMPLOYEES AND OTHER MEMBERS

At-will and probationary employees and those members other than non-probationary employees may be released from employment for non-disciplinary reasons (e.g., failure to meet standards) without adherence to the procedures set forth in this policy or any right to appeal. However, any probationary investigator subjected to an investigation into allegations of misconduct shall be entitled to those procedural rights, as applicable, set forth in the POBR (Government Code § 3303; Government Code § 3304).

At-will, probationary employees and those other than non-probationary employees subjected to discipline or termination as a result of allegations of misconduct shall not be deemed to have acquired a property interest in their position, but shall be given the opportunity to appear before the Chief Investigator or authorized designee for a non-evidentiary hearing for the sole purpose of attempting to clear their name or liberty interest. There shall be no further opportunity for appeal beyond the liberty interest hearing and the decision of the Chief Investigator shall be final.

1010.15 RETENTION OF PERSONNEL INVESTIGATION FILES

All personnel complaints shall be maintained in accordance with the established records retention schedule and as described in the Personnel Records Policy.

Seat Belts

1011.1 PURPOSE AND SCOPE

This policy establishes guidelines for the use of seat belts and child restraints. This policy will apply to all members operating or riding in department vehicles (Vehicle Code § 27315.5).

1011.1.1 DEFINITIONS

Definitions related to this policy include:

Child restraint system - An infant or child passenger restraint system that meets Federal Motor Vehicle Safety Standards (FMVSS) and Regulations set forth in 49 CFR 571.213.

1011.2 WEARING OF SAFETY RESTRAINTS

All members shall wear properly adjusted safety restraints when operating or riding in a seat equipped with restraints, in any vehicle owned, leased or rented by this department while on- or off-duty, or in any privately owned vehicle while on-duty. The member driving such a vehicle shall ensure that all other occupants, including non-members, are also properly restrained.

Exceptions to the requirement to wear safety restraints may be made only in exceptional situations where, due to unusual circumstances, wearing a seat belt would endanger the member or the public. Members must be prepared to justify any deviation from this requirement.

1011.3 TRANSPORTING SUSPECTS, PRISONERS OR ARRESTEES

Suspects, prisoners and arrestees should be in a seated position and secured in the rear seat of any department vehicle with a prisoner restraint system or, when a prisoner restraint system is not available, by seat belts provided by the vehicle manufacturer. The prisoner restraint system is not intended to be a substitute for handcuffs or other appendage restraints.

Prisoners in leg restraints shall be transported in accordance with the Handcuffing and Restraints Policy.

1011.4 INOPERABLE SEAT BELTS

Department vehicles shall not be operated when the seat belt in the driver's position is inoperable. Persons shall not be transported in a seat in which the seat belt is inoperable.

Department vehicle seat belts shall not be modified, removed, deactivated or altered in any way, except by the vehicle maintenance and repair staff, who shall do so only with the express authorization of the Chief Investigator.

Members who discover an inoperable restraint system shall report the defect to the appropriate supervisor. Prompt action will be taken to replace or repair the system.

1011.5 POLICY

It is the policy of the Ventura County District Attorney's Office that members use safety and child restraint systems to reduce the possibility of death or injury in a motor vehicle collision.

Seat Belts

1011.6 TRANSPORTING CHILDREN

Children under the age of 8 shall be transported in compliance with California's child restraint system requirements (Vehicle Code § 27360; Vehicle Code § 27363).

Rear seat passengers in a cage-equipped vehicle may have reduced clearance, which requires careful seating and positioning of seat belts. Due to this reduced clearance, and if permitted by law, children and any child restraint system may be secured in the front seat of such vehicles provided this positioning meets federal safety standards and the vehicle and child restraint system manufacturer's design and use recommendations. In the event that a child is transported in the front seat of a vehicle, the seat should be pushed back as far as possible and the passenger-side airbag should be deactivated. If this is not possible, members should arrange alternate transportation when feasible. A child shall not be transported in a rear-facing child restraint system in the front seat in a vehicle that is equipped with an active frontal passenger airbag (Vehicle Code § 27363).

1011.7 VEHICLES MANUFACTURED WITHOUT SEAT BELTS

Vehicles manufactured and certified for use without seat belts or other restraint systems are subject to the manufacturer's operator requirements for safe use.

1011.8 VEHICLE AIRBAGS

In all vehicles equipped with airbag restraint systems, the system will not be tampered with or deactivated, except when transporting children as written elsewhere in this policy. All equipment installed in vehicles equipped with airbags will be installed as per the vehicle manufacturer specifications to avoid the danger of interfering with the effective deployment of the airbag device.

Body Armor and Safety Equipment

1012.1 PURPOSE AND SCOPE

The purpose of this policy is to provide law enforcement officers with guidelines for the proper use of body armor.

1012.2 POLICY

It is the policy of the Ventura County District Attorney's Office to maximize officer safety through the use of body armor in combination with prescribed safety procedures. While body armor provides a significant level of protection, it is not a substitute for the observance of officer safety procedures.

1012.3 ISSUANCE OF BODY ARMOR

The Administrative supervisor shall ensure that body armor is issued to all investigators when the investigator begins service at the Ventura County District Attorney's Office and that, when issued, the body armor meets or exceeds the standards of the National Institute of Justice.

The Administrative supervisor shall establish a body armor replacement schedule and ensure that replacement body armor is issued pursuant to the schedule or whenever the body armor becomes worn or damaged to the point that its effectiveness or functionality has been compromised.

1012.3.1 USE OF SOFT BODY ARMOR

Generally, the use of body armor is required subject to the following:

- (a) Investigators shall only wear agency-approved body armor.
- (b) Investigators shall wear body armor anytime they are in a situation where they could reasonably be expected to take enforcement action.
- (c) Investigators may be excused from wearing body armor when they are functioning primarily in an administrative or support capacity and could not reasonably be expected to take enforcement action.
- (d) Body armor shall be worn when an investigator is working in uniform conducting tactical operations, or taking part in Bureau range training.
- (e) An investigator may be excused from wearing body armor when he/she is involved in undercover or plainclothes work that his/her supervisor determines could be compromised by wearing body armor, or when a supervisor determines that other circumstances make it inappropriate to mandate wearing body armor.

1012.3.2 INSPECTIONS OF BODY ARMOR

Supervisors should ensure that body armor is worn and maintained in accordance with this policy through routine observation and periodic documented inspections. Annual inspections of body armor should be conducted by an authorized designee for fit, cleanliness, and signs of damage, abuse and wear.

Body Armor and Safety Equipment

1012.3.3 CARE AND MAINTENANCE OF SOFT BODY ARMOR

Soft body armor should never be stored for any period of time in an area where environmental conditions (e.g., temperature, light, humidity) are not reasonably controlled (e.g., normal ambient room temperature/humidity conditions), such as in automobiles or automobile trunks.

Soft body armor should be cared for and cleaned pursuant to the manufacturer's care instructions provided with the soft body armor. The instructions can be found on labels located on the external surface of each ballistic panel. The carrier should also have a label that contains care instructions. Failure to follow these instructions may damage the ballistic performance capabilities of the armor. If care instructions for the soft body armor cannot be located, contact the manufacturer to request care instructions.

Soft body armor should not be exposed to any cleaning agents or methods not specifically recommended by the manufacturer, as noted on the armor panel label.

Soft body armor should be replaced in accordance with the manufacturer's recommended replacement schedule.

1012.4 RANGEMASTER RESPONSIBILITIES

The Rangemaster should:

- (a) Monitor technological advances in the body armor industry for any appropriate changes to Bureau approved body armor.
- (b) Assess weapons and ammunition currently in use and the suitability of approved body armor to protect against those threats.
- (c) Provide training that educates investigators about the safety benefits of wearing body armor.

Personnel Records

1013.1 PURPOSE AND SCOPE

This policy governs maintenance and access to personnel records. Personnel records include any file maintained under an individual member's name.

1013.2 POLICY

 - 2. Disciplinary action resulting from a sustained civilian's complaint shall be maintained pursuant to the established records retention schedule and at least five years (Penal Code § 832.5).
- (f) Adverse comments such as supervisor notes or memos may be retained in the Office file after the member has had the opportunity to read and initial the comment (Government Code § 3305).
 - 1. Once a member has had an opportunity to read and initial any adverse comment, the member shall be given the opportunity to respond in writing to the adverse comment within 30 days (Government Code § 3306).
 - 2. Any member response shall be attached to and retained with the original adverse comment (Government Code § 3306).
 - 3. If a member refuses to initial or sign an adverse comment, at least one supervisor should note the date and time of such refusal on the original comment and the

Personnel Records

member should sign or initial the noted refusal. Such a refusal, however, shall not be deemed insubordination, nor shall it prohibit the entry of the adverse comment into the member's file (Government Code § 3305).

- (g) Commendations and awards.
- (h) Any other information, the disclosure of which would constitute an unwarranted invasion of personal privacy.

1013.4 DIVISION FILE

Division files may be separately maintained internally by a member's supervisor for the purpose of completing timely performance evaluations. The Division file may contain supervisor comments, notes, notices to correct and other materials that are intended to serve as a foundation for the completion of timely performance evaluations.

All materials intended for this interim file shall be provided to the employee prior to being placed in the file in accordance with Government Code § 3305 and Government Code § 3306.

1013.5 TRAINING FILE

An individual training file shall be maintained by the Training Manager for each member. Training files will contain records of all training; original or photocopies of available certificates, transcripts, diplomas and other documentation; and education and firearms qualifications. Training records may also be created and stored remotely, either manually or automatically (e.g., Daily Training Bulletin (DTB) records).

- (a) The involved member is responsible for providing the Training Manager or immediate supervisor with evidence of completed training/education in a timely manner.
- (b) The Training Manager or supervisor shall ensure that copies of such training records are placed in the member's training file.

1013.6 INTERNAL AFFAIRS FILE

Internal affairs files shall be maintained under the exclusive control of the Special Investigations in conjunction with the office of the Chief Investigator. Access to these files may only be approved by the Chief Investigator or the Special Investigations supervisor.

These files shall contain the complete investigation of all formal complaints of member misconduct, regardless of disposition (Penal Code § 832.12). Investigations of complaints that result in the following findings shall not be placed in the member's file but will be maintained in the internal affairs file:

- (a) Not sustained
- (b) Unfounded
- (c) Exonerated

Investigation files arising out of civilian's complaints shall be maintained pursuant to the established records retention schedule and for a period of at least five years. Investigations that

Personnel Records

resulted in other than a sustained finding may not be used by the Ventura County District Attorney's Office to adversely affect an employee's career (Penal Code § 832.5).

Investigation files arising out of internally generated complaints shall be maintained pursuant to the established records retention schedule and for at least two years (Government Code § 26202; Government Code § 34090).

1013.7 MEDICAL FILE

A medical file shall be maintained separately from all other personnel records and shall contain all documents relating to the member's medical condition and history, including but not limited to:

- (a) Materials relating to a medical leave of absence, including leave under the Family and Medical Leave Act (FMLA).
- (b) Documents relating to workers' compensation claims or the receipt of short- or long-term disability benefits.
- (c) Fitness-for-duty examinations, psychological and physical examinations, follow-up inquiries and related documents.
- (d) Medical release forms, doctor's slips and attendance records that reveal a member's medical condition.
- (e) Any other documents or materials that reveal the member's medical history or medical condition, including past, present or future anticipated mental, psychological or physical limitations.

1013.8 SECURITY

Personnel records should be maintained in a secured location and locked either in a cabinet or access-controlled room. Personnel records maintained in an electronic format should have adequate password protection.

Personnel records are subject to disclosure only as provided in this policy, the Records Maintenance and Release Policy or according to applicable discovery procedures.

Nothing in this policy is intended to preclude review of personnel records by the County Executive, County Counsel or other attorneys or representatives of the County in connection with official business.

1013.8.1 REQUESTS FOR DISCLOSURE

Any member receiving a request for a personnel record shall promptly notify the Custodian of Records or other person charged with the maintenance of such records.

Upon receipt of any such request, the responsible person shall notify the affected member as soon as practicable that such a request has been made (Evidence Code § 1043).

The responsible person shall further ensure that an appropriate response to the request is made in a timely manner, consistent with applicable law. In many cases, this may require assistance of available legal counsel.

Personnel Records

All requests for disclosure that result in access to a member's personnel records shall be logged in the corresponding file.

1013.8.2 RELEASE OF PERSONNEL INFORMATION

Personnel records shall not be disclosed except as allowed by law (Penal Code § 832.7; Evidence Code § 1043) (See also Records Maintenance and Release Policy).

Any person who maliciously, and with the intent to obstruct justice or the due administration of the laws, publishes, disseminates, or otherwise discloses the residence address or telephone number of any member of this Office may be guilty of a misdemeanor (Penal Code § 146e).

The Ventura County District Attorney's Office may release any factual information concerning a disciplinary investigation if the member who is the subject of the investigation (or the member's representative) publicly makes a statement that is published in the media and that the member (or representative) knows to be false. The disclosure of such information, if any, shall be limited to facts that refute any such false statement (Penal Code § 832.7).

1013.9 MEMBER ACCESS TO HIS/HER OWN PERSONNEL RECORDS

Any member may request access to his/her own personnel records during the normal business hours of those responsible for maintaining such files. Any member seeking the removal of any item from his/her personnel records shall file a written request to the Chief Investigator through the chain of command. The Ventura County District Attorney's Office shall remove any such item if appropriate, or within 30 days provide the member with a written explanation of why the contested item will not be removed. If the contested item is not removed from the file, the member's request and the written response from the Ventura County District Attorney's Office shall be retained with the contested item in the member's corresponding personnel record (Government Code § 3306.5).

Members may be restricted from accessing files containing any of the following information:

- (a) An ongoing internal affairs investigation to the extent that it could jeopardize or compromise the investigation pending final disposition or notice to the member of the intent to discipline.
- (b) Confidential portions of internal affairs files that have not been sustained against the member.
- (c) Criminal investigations involving the member.
- (d) Letters of reference concerning employment/appointment, licensing or issuance of permits regarding the member.
- (e) Any portion of a test document, except the cumulative total test score for either a section of the test document or for the entire test document.
- (f) Materials used by the Ventura County District Attorney's Office for staff management planning, including judgments or recommendations concerning future salary increases and other wage treatments, management bonus plans, promotions and job assignments or other comments or ratings used for department planning purposes.

Personnel Records

- (g) Information of a personal nature about a person other than the member if disclosure of the information would constitute a clearly unwarranted invasion of the other person's privacy.
- (h) Records relevant to any other pending claim between the Ventura County District Attorney's Office and the member that may be discovered in a judicial proceeding.

1013.10 RETENTION AND PURGING

Unless provided otherwise in this policy, personnel records shall be maintained in accordance with the established records retention schedule.

- (a) During the preparation of each member's performance evaluation, all personnel complaints and disciplinary actions should be reviewed to determine the relevancy, if any, to progressive discipline, training and career development. Each supervisor responsible for completing the member's performance evaluation should determine whether any prior sustained disciplinary file should be retained beyond the required period for reasons other than pending litigation or other ongoing legal proceedings.
- (b) If a supervisor determines that records of prior discipline should be retained beyond the required period, approval for such retention should be obtained through the chain of command from the Chief Investigator.
- (c) If, in the opinion of the Chief Investigator, a personnel complaint or disciplinary action maintained beyond the required retention period is no longer relevant, all records of such matter may be destroyed in accordance with the established records retention schedule.

1013.11 RELEASE OF PERSONNEL RECORDS AND RECORDS RELATED TO CERTAIN INCIDENTS, COMPLAINTS, AND INVESTIGATIONS OF INVESTIGATORS

Personnel records and records related to certain incidents, complaints, and investigations of investigators shall be released pursuant to a proper request under the Public Records Act and subject to redaction and delayed release as provided by law.

The Custodian of Records should work as appropriate with the Chief Investigator or the Special Investigations supervisor in determining what records may qualify for disclosure when a request for records is received and if the requested record is subject to redaction or delay from disclosure.

For purposes of this section, a record includes (Penal Code § 832.7(b)(2)):

- All investigation reports.
- Photographic, audio, and video evidence.
- Transcripts or recordings of interviews.
- Autopsy reports.
- All materials compiled and presented for review to the District Attorney or to any person or body charged with determining whether to file criminal charges against an investigator in connection with an incident, or whether the investigator's action

Ventura County District Attorney's Office

Ventura County DA CA Policy Manual

Personnel Records

was consistent with law and [department/office] policy for purposes of discipline or administrative action, or what discipline to impose or corrective action to take.

- Documents setting forth findings or recommending findings.
- Copies of disciplinary records relating to the incident, including any letters of intent to impose discipline, any documents reflecting modifications of discipline due to the *Skelly* or grievance process, and letters indicating final imposition of discipline or other documentation reflecting implementation of corrective action.

Unless a record or information is confidential or qualifies for delayed disclosure as provided by Penal Code § 832.7(b)(7) or other law, the following records shall be made available for public inspection upon request (Penal Code § 832.7):

- (a) Records relating to the report, investigation, or findings of:
 - 1. The discharge of a firearm at another person by an investigator.
 - 2. The use of force against a person resulting in death or in great bodily injury (as defined by Penal Code § 243(f)(4)) by an investigator.
- (b) Records relating to an incident where a sustained finding (see the Personnel Complaints Policy) was made by the [department/office] or oversight agency regarding:
 - 1. An investigator engaged in sexual assault of a member of the public (as defined by Penal Code § 832.7(b)).
 - 2. Dishonesty of an investigator relating to the reporting, investigation, or prosecution of a crime, or directly relating to the reporting of, or investigation of misconduct by, another investigator, including but not limited to any sustained finding of perjury, false statements, filing false reports, destruction, falsifying, or concealing of evidence.

A record from a separate and prior investigation or assessment of a separate incident shall not be released unless it is independently subject to disclosure (Penal Code § 832.7(b)(3)).

When an investigation involves multiple investigators, the Ventura County District Attorney's Office shall not release information about allegations of misconduct or the analysis or disposition of an investigation of an investigator unless it relates to a sustained finding of a qualified allegation as provided by Penal Code § 832.7(b)(4) against the investigator. However, factual information about the action of the investigator during an incident or the statements of an investigator shall be released if the statements are relevant to a sustained finding of the qualified allegation against another investigator that is subject to release (Penal Code § 832.7(b)(4)).

1013.11.1 REDACTION

The Custodian of Records, in consultation with the Chief Investigator or authorized designee, shall redact the following portions of records made available for release (Penal Code § 832.7(b)(5)):

- (a) Personal data or information (e.g., home address, telephone number, identities of family members) other than the names and work-related information of investigators

Ventura County District Attorney's Office

Ventura County DA CA Policy Manual

Personnel Records

- (b) Information that would compromise the anonymity of complainants and witnesses
- (c) Confidential medical, financial, or other information where disclosure is prohibited by federal law or would cause an unwarranted invasion of personal privacy that clearly outweighs the strong public interest in records about misconduct and serious use of force
- (d) Where there is a specific, articulable, and particularized reason to believe that disclosure of the record would pose a significant danger to the physical safety of the investigator or another person

Additionally, a record may be redacted, including redacting personal identifying information, where, on the facts of the particular case, the public interest served by not disclosing the information clearly outweighs the public interest served by disclosing it (Penal Code § 832.7(b)(6)).

1013.11.2 DELAY OF RELEASE

Unless otherwise directed by the Chief Investigator, the Custodian of Records should consult with a supervisor familiar with the underlying investigation to determine whether to delay disclosure of records relating to the discharge of a firearm or use of force resulting in death or in great bodily injury due to any of the following conditions (Penal Code § 832.7):

- (a) Active criminal investigations
 - 1. Disclosure may be delayed 60 days from the date the use of force occurred or until the District Attorney determines whether to file criminal charges, whichever occurs sooner.
 - 2. After the initial 60 days, delay of disclosure may be continued if the disclosure could reasonably be expected to interfere with a criminal enforcement proceeding against an investigator or against someone other than an investigator who used the force.
- (b) Filed criminal charges
 - 1. When charges are filed related to an incident where force was used, disclosure may be delayed until a verdict on those charges is returned at trial or, if a plea of guilty or no contest is entered, the time to withdraw the plea has passed.
- (c) Administrative investigations
 - 1. Disclosure may be delayed until whichever occurs later:
 - (a) There is a determination from the investigation whether the use of force violated law or Officer policy, but no longer than 180 days after the date of the Office's discovery of the use of force or allegation of use of force
 - (b) Thirty days after the close of any criminal investigation related to the investigator's use of force

Personnel Records

1013.11.3 NOTICE OF DELAY OF RECORDS

When there is justification for delay of disclosure of records relating to the discharge of a firearm or use of force resulting in death or in great bodily injury during an active criminal investigation, the Custodian of Records shall provide written notice of the reason for any delay to a requester as follows (Penal Code § 832.7):

- (a) Provide the specific basis for the determination that the interest in delaying disclosure clearly outweighs the public interest in disclosure. The notice shall also include the estimated date for the disclosure of the withheld information.
- (b) When delay is continued beyond the initial 60 days because of criminal enforcement proceedings against anyone, at 180-day intervals provide the specific basis that disclosure could reasonably be expected to interfere with a criminal enforcement proceeding and the estimated date for disclosure.
 - 1. Information withheld shall be disclosed when the specific basis for withholding the information is resolved, the investigation or proceeding is no longer active, or no later than 18 months after the date of the incident, whichever occurs sooner, unless:
 - (a) When the criminal proceeding is against someone other than an investigator and there are extraordinary circumstances to warrant a continued delay due to the ongoing criminal investigation or proceeding, then the Ventura County District Attorney's Office must show by clear and convincing evidence that the interest in preventing prejudice to the active and ongoing criminal investigation or proceeding outweighs the public interest for prompt disclosure of records about use of serious force by investigators.

In cases where an action to compel disclosure is brought pursuant to Government Code § 6258, the Ventura County District Attorney's Office may justify delay by filing an application to seal the basis for withholding if disclosure of the written basis itself would impact a privilege or compromise a pending investigation (Penal Code § 832.7(b)(7)).

Request for Change of Assignment

1014.1 PURPOSE AND SCOPE

It is the intent of the Bureau management that all requests for change of assignment are considered equally. To facilitate the selection process, the following procedure is established whereby all such requests will be reviewed on an equal basis as assignments are made.

1014.2 REQUEST FOR CHANGE OF ASSIGNMENT

All Bureau employees shall complete and submit a Consideration for Transfer Request Form to Bureau management when requested by Bureau management. This applies to both personnel wishing to be considered for a change of assignment as well as those who do not desire to be transferred. The form should then be forwarded through the chain of command to the Deputy Chief Investigator.

1014.2.1 PURPOSE OF FORM

All assignments an employee is interested in should be listed on the form, as well as any collateral assignments.

The Consideration for Transfer Request form will remain in effect until the end of the calendar year in which it was submitted or until updated request forms are requested by Bureau management.

These requests will be considered by Bureau management in making assignments in the Bureau. Bureau management is not bound by the assignments requested by personnel and will make assignments in the best interest of Bureau operations.

Employee Commendations and Recognition

1015.1 PURPOSE AND SCOPE

Special recognition may be in order whenever an employee performs his/her duties in an exemplary manner. This procedure provides general guidelines for the commending of exceptional employee performance.

1015.2 POLICY

It is the policy of the Ventura County District Attorney's Office to recognize and acknowledge exceptional individual or group achievements, performance, proficiency, heroism and service of its members and individuals from the community through commendations and awards.

1015.3 COMMENDABLE ACTIONS

A meritorious or commendable act by an employee of this office may include, but is not limited to, the following:

- Superior handling of a difficult situation by an employee
- Conspicuous bravery or outstanding performance by any employee of the office
- Any action or performance that is above and beyond the typical duties of an employee

1015.3.1 COMMENDATION

The office memorandum format shall be used to document the commendation of the employee and shall contain the following:

- (a) Employee name, title, and the date of the commendable action
- (b) A brief account of the commendable action shall be documented on the form with report numbers, as appropriate
- (c) Initials of the commending supervisor

Completed reports shall be forwarded to the appropriate Deputy Chief Investigator for his/her review and approval prior to giving the commendation to the employee. The Deputy Chief Investigator shall sign and forward the report to the Chief Investigator for his/her review.

The Chief Investigator will return the approved commendation to the employee for his/her initials. A copy will be provided to the employee. A copy will be sent to the employee's personnel file.

1015.3.2 PERSONNEL PERFORMANCE REPORT

Supervisors and District Attorney Investigator IIIs may use a Personnel Performance Report (PPR) to recognize and commend a subordinate's performance. The same form can be used to document a subordinate's infraction of rule, regulation or policy. The PPR is to be signed by the member and retained by the member's supervisor during the rating period. The PPR is not to be placed in the member's Personnel File and shall be removed from the supervisory file upon the completion of each Performance Review.

Employee Commendations and Recognition

1015.4 OUTSIDE EMPLOYEE RECOGNITION

Occasionally the Bureau/Office is asked to submit the name of an employee for recognition by an organization outside the District Attorney's Office. This recognition can be for overall exemplary performance throughout the year or for some type of special recognition by an organization.

Supervisors shall submit the names of any personnel they feel should be considered for such recognition to their respective Deputy Chief Investigator Investigator for review. The supervisor will submit a written summary of why the employee is worthy of consideration of the award or nomination being sought.

Bureau management shall determine and approve the submission of any employee's name for awards or recognition by organizations outside the District Attorney's Office.

Fitness for Duty

1016.1 PURPOSE AND SCOPE

All investigators are required to be free from any physical, emotional, or mental condition which might adversely affect the exercise of peace officer powers. The purpose of this policy is to ensure that all investigators of this Bureau remain fit for duty and able to perform their job functions (Government Code § 1031).

1016.2 EMPLOYEE RESPONSIBILITIES

Meal Periods and Breaks

1017.1 PURPOSE AND SCOPE

This policy regarding meals and breaks, insofar as possible shall conform to the policy governing all County employees that has been established by the County Executive Officer and the MOA appropriate for the employee's classification.

1017.1.1 MEAL PERIODS

The time spent for the meal period shall not exceed the authorized time allowed pursuant to applicable bargaining agreements.

1017.1.2 15 MINUTE REST PERIOD

Pursuant to the County Administrative Manual (Chapter VIII (B)-1), each employee is allowed a 15 minute rest period in both the first half and second half of the work day, when such breaks do not interfere with office business or public safety.

It is intended that the 15-minute period be the total time spent away from an employee's work station.

Rest periods are not cumulative. Also, it is not intended that an employee use rest periods to arrive to work late, leave work early, or extend lunch/meal periods.

Lactation Break Policy

1018.1 PURPOSE AND SCOPE

The purpose of this policy is to provide reasonable accommodations to employees desiring to express breast milk for the employee's infant child (Labor Code § 1034).

1018.2 POLICY

It is the policy of the Ventura County District Attorney's Office to provide, in compliance with the Fair Labor Standards Act, reasonable break time and appropriate facilities to accommodate any employee desiring to express breast milk for her nursing infant child (29 USC § 207; Labor Code § 1030).

1018.3 LACTATION BREAK TIME

A rest period should be permitted each time the employee has the need to express breast milk (29 USC § 207; Labor Code § 1030). In general, lactation breaks that cumulatively total 30 minutes or less during any four-hour work period or major portion of a four-hour work period would be considered reasonable. However, individual circumstances may require more or less time. Such breaks, if feasible, should be taken at the same time as the employee's regularly scheduled rest or meal periods.

While a reasonable effort will be made to provide additional time beyond authorized breaks, any such time exceeding regularly scheduled and paid break time will be unpaid (Labor Code § 1030).

Employees desiring to take a lactation break shall notify a supervisor prior to taking such a break. Such breaks may be reasonably delayed if they would seriously disrupt Office operations (Labor Code § 1032).

Once a lactation break has been approved, the break should not be interrupted except for emergency or exigent circumstances.

1018.4 PRIVATE LOCATION

The Ventura County District Attorney's Office will make reasonable efforts to accommodate employees with the use of an appropriate room or other location to express milk in private. Such room or place should be in close proximity to the employee's work area and shall be other than a bathroom or toilet stall. The location must be shielded from view and free from intrusion from co-workers and the public (29 USC § 207; Labor Code § 1031).

Employees occupying such private areas shall either secure the door or otherwise make it clear to others that the area is occupied with a need for privacy. All other employees should avoid interrupting an employee during an authorized break, except to announce an emergency or other urgent circumstance.

Authorized lactation breaks for employees assigned to the field may be taken at the nearest appropriate private area.

Lactation Break Policy

1018.5 STORAGE OF EXPRESSED MILK

Any employee storing expressed milk in any authorized refrigerated area within the Office shall clearly label it as such and shall remove it when the employee ends her shift.

1018.5.1 STATE REQUIREMENTS

Employees have the right to request lactation accommodations. If a break time or location accommodation cannot be provided, the supervisor shall provide the member with a written response regarding reasons for the determination (Labor Code § 1034).

Lactation rooms or other locations should comply with the prescribed feature and access requirements of Labor Code § 1031.

Employees who believe that their rights have been violated under this policy or have been the subject of discrimination or retaliation for exercising or attempting to exercise their rights under this policy, are encouraged to follow the chain of command in reporting a violation, but may also file a complaint directly with the Labor Commission (Labor Code § 1033)

Supervisors are responsible for approving the payroll records for those under their commands.

1019.5 TIME REQUIREMENTS

Payroll records shall be completed and submitted to the Fiscal Division as established by the County payroll procedures.

Overtime Payment Requests

1020.1 PURPOSE AND SCOPE

It is the policy of the Bureau to compensate non-exempt salaried employees who work authorized overtime either by payment of wages as agreed and in effect through the Memorandum of Agreement (MOA), or by the allowance of accrual of compensatory time off. In order to qualify for either, the employee must complete and submit a Request for Overtime Payment as soon as practical after overtime is worked.

1020.1.1 BUREAU POLICY

Because of the nature of police work and the specific needs of the Bureau, a degree of flexibility concerning overtime policies must be maintained.

Non-exempt employees are not authorized to volunteer work time to the Bureau. All requests to work overtime shall be approved in advance by a supervisor. If circumstances do not permit prior approval, then approval shall be sought as soon as practical during the overtime shift and in no case later than the end of shift in which the overtime is worked.

1020.2 REQUEST FOR OVERTIME PAYMENT FORMS

Employees shall submit all overtime payment request forms for verification by their immediate supervisor, who will then forward them to their respective Commander or Deputy Chief Investigator as soon as practical. Failure to submit a request for overtime payment in a timely manner may result in a denial of compensation.

1020.2.1 EMPLOYEES RESPONSIBILITY

Employees shall complete the Overtime Report Form immediately after working the overtime and submit the form to his/her immediate supervisor or the Commander or Deputy Chief Investigator.

1020.2.2 SUPERVISORS RESPONSIBILITY

The supervisor shall verify that the overtime was worked by the employee before approving the request for payment.

After approving the Overtime Request Form, the supervisor will forward the form to his/her Commander or Deputy Chief Investigator for final approval.

1020.2.3 COMMANDERS/DEPUTY CHIEFS RESPONSIBILITY

Commanders or Deputy Chiefs, after approving payment, will then forward the form to the Fiscal Administrative Unit.

1020.3 ACCOUNTING FOR OVERTIME WORKED

Partial hours of overtime worked are to be accounted for in quarters of an hour. One quarter is equivalent to fifteen minutes as indicated by the following chart:

Ventura County District Attorney's Office

Ventura County DA CA Policy Manual

Overtime Payment Requests

1020.3.1 ACCOUNTING FOR PORTIONS OF AN HOUR

When accounting for less than a full hour, time worked shall be rounded up to the nearest quarter of an hour as indicated by the following chart:

<u>TIME WORKED</u>	<u>INDICATE ON CARD</u>
1 to 15 minutes	1/4 hour
16 to 30 minutes	1/2 hour
31 to 45 minutes	3/4 hour
46 to 60 minutes	1 hour

1020.3.2 VARIATION IN TIME REPORTED

Where two or more employees are assigned to the same activity, case, or court trial and the amount of time for which payment is requested varies from that reported by the other investigator, the approving supervisor or manager may require each employee to include the reason for the variation on the overtime payment request.

Outside Employment

1021.1 PURPOSE AND SCOPE

An employee shall comply with county civil service rules regarding outside employment by completing the county Outside Employment Approval Request Form and submitting it to the District Attorney for approval prior to the commencement of any such employment. Approved outside employment requests must be renewed annually in all cases. Outside employment approval must be obtained regarding any public, semipublic, or private positions.

A district attorney investigator shall not engage in private investigation of any kind without the written authorization of both the Chief Investigator and the District Attorney.

1021.1.1 DEFINITIONS

Outside Employment - Any member of this office who receives wages, compensation or other consideration of value from another employer, organization or individual not affiliated directly with this office for services, product(s) or benefits rendered. For purposes of this section, the definition of outside employment includes those employees who are self-employed and not affiliated directly with this office for services, product(s) or benefits rendered.

1021.2 OBTAINING APPROVAL

No member of this Bureau may engage in any outside employment without first obtaining prior written approval of the Chief Investigator. Failure to obtain prior written approval for outside employment or engaging in outside employment prohibited by this policy may lead to disciplinary action.

In order to obtain approval for outside employment, the employee must complete an Outside Employment Application which shall be submitted to the employee's immediate supervisor. The application will then be forwarded through the chain of command to the Chief Investigator for consideration.

If approved, the employee will be provided with a copy of the approved request. Unless otherwise indicated in writing on the approved form, an approved request will be valid through the end of the calendar year in which the request was approved. Any employee seeking to renew a request shall submit a new Outside Employment Application in a timely manner.

Any employee seeking approval of outside employment, whose request has been denied, shall be provided with a written reason for the denial of the application at the time of the denial (Penal Code § 70(e)(3)).

1021.2.1 REVOCATION/SUSPENSION OF OUTSIDE EMPLOYMENT PERMITS

Any approved outside employment request may be revoked or suspended under the following circumstances:

- (a) Should an employee's performance at the Bureau decline to a point where it is evaluated by a supervisor as needing improvement to reach an overall level

Outside Employment

of competency, the Chief Investigator may, at his or her discretion, revoke any previously approved outside employment request(s). That revocation will stand until the employee's performance has been reestablished at a satisfactory level and his/her supervisor recommends reinstatement of the outside employment permit

- (b) Suspension or revocation of a previously approved outside employment request may be included as a term or condition of sustained discipline
- (c) If, at any time during the term of a valid outside employment request, an employee's conduct or outside employment conflicts with the provisions of office policy, the approved request may be suspended or revoked
- (d) When an employee is unable to perform at a full duty capacity due to an injury or other condition, any previously approved outside employment request may be rescinded until the employee has returned to a full duty status

1021.3 PROHIBITED OUTSIDE EMPLOYMENT

Consistent with the provisions of Government Code § 1126, the Bureau expressly reserves the right to deny any Outside Employment Application submitted by an employee seeking to engage in any activity which:

- (a) Involves the employee's use of office time, facilities, equipment or supplies, the use of the Bureau badge, uniform, prestige or influence for private gain or advantage.
- (b) Involves the employee's receipt or acceptance of any money or other consideration from anyone other than this office for the performance of an act which the employee, if not performing such act, would be required or expected to render in the regular course or hours of employment or as a part of the employee's duties as a member of this office.
- (c) Involves the performance of an act in other than the employee's capacity as a member of this office that may later be subject directly or indirectly to the control, inspection, review, audit or enforcement of any other employee of this office.
- (d) Involves time demands that would render performance of the employee's duties for this Bureau less efficient.

1021.3.1 OUTSIDE SECURITY AND PEACE OFFICER EMPLOYMENT

Consistent with the provisions of Penal Code § 70, and because it would further create a potential conflict of interest, no sworn investigators of the Bureau may engage in any outside employment as a private security guard, private investigator or other similar private security position.

1021.4 DEPARTMENT RESOURCES

Employees are prohibited from using any office equipment or resources in the course of or for the benefit of any outside employment. This shall include the prohibition of access to official records or databases of this office or other agencies through the use of the employee's position with this office.

Outside Employment

1021.4.1 REVIEW OF FINANCIAL RECORDS

Employees approved for outside employment expressly agree that their personal financial records may be requested and reviewed/audited for potential conflict of interest (Government Code § 3308; Government Code § 1126). Prior to providing written approval for an outside employment position, the Bureau may request that an employee provide his/her personal financial records for review/audit in order to determine whether a conflict of interest exists. Failure of the employee to provide the requested personal financial records could result in denial of the off-duty work permit. If, after approving a request for an outside employment position, the Bureau becomes concerned that a conflict of interest exists based on a financial reason, the Bureau may request that the employee provide his/her personal financial records for review/audit. If the employee elects not to provide the requested records, his/her off-duty work permit may be revoked pursuant to § 1040.2.2(c) of this policy.

1021.5 CHANGES IN OUTSIDE EMPLOYMENT STATUS

If an employee terminates his or her outside employment during the period of an approved request, the employee shall promptly submit written notification of such termination to the Chief Investigator via their chain of command. Any subsequent request for renewal or continued outside employment must thereafter be processed and approved through normal procedures set forth in this policy.

Employees shall also promptly submit in writing to the Chief Investigator any material changes in outside employment including any change in the number of hours, type of duties, or demands of any approved outside employment. Employees who are uncertain whether a change in outside employment is material are advised to report the change.

1021.6 OUTSIDE EMPLOYMENT WHILE ON DISABILITY

Department members engaged in outside employment who are placed on disability leave or modified/light-duty shall inform their immediate supervisor in writing within five days whether or not they intend to continue to engage in such outside employment while on such leave or light-duty status. The immediate supervisor shall review the duties of the outside employment along with any related doctor's orders, and make a recommendation to the Chief Investigator whether such outside employment should continue.

In the event the Chief Investigator determines that the outside employment should be discontinued or if the employee fails to promptly notify his/her supervisor of his/her intentions regarding their work permit, a notice of revocation of the member's permit will be forwarded to the involved employee, and a copy attached to the original work permit.

Criteria for revoking the outside employment permit include, but are not limited to, the following:

- (a) The outside employment is medically detrimental to the total recovery of the disabled member, as indicated by the County's professional medical advisors.
- (b) The outside employment performed requires the same or similar physical ability, as would be required of an on-duty member.

Ventura County District Attorney's Office

Ventura County DA CA Policy Manual

Outside Employment

- (c) The employee's failure to make timely notice of their intentions to their supervisor.

When the disabled member returns to full duty with the Ventura County District Attorney's Office, a request (in writing) may be made to the Chief Investigator to restore the permit.

Those injuries and illnesses not requiring medical attention may be recorded on a Report of Injury form.

This form shall be signed by the affected employee, indicating that he/she desired no medical attention at the time of the report. By signing this form, the employee will not preclude his/her ability to seek medical attention later.

Public employees occupy a trusted position in the community, and thus, their statements have the potential to contravene the policies and performance of this Office. Due to the nature of the work and influence associated with the law enforcement profession, it is necessary that employees of this Office be subject to certain reasonable limitations on their speech and expression. To achieve its mission and efficiently provide service to the public, the Ventura County District Attorney's Office will carefully balance the individual employee's rights against the Ventura County District Attorney's Office's needs and interests when exercising a reasonable degree of control over its employees' speech and expression.

1029.3 SAFETY

Employees should consider carefully the implications of their speech or any other form of expression when using the internet. Speech and expression that may negatively affect the safety of the Ventura County District Attorney's Office employees, such as posting personal information in a public forum, can result in compromising an employee's home address or family ties. Employees should therefore not disseminate or post any information on any forum or medium that could reasonably be anticipated to compromise the safety of any employee, an employee's family, or

Employee Speech, Expression and Social Networking

associates. Examples of the type of information that could reasonably be expected to compromise safety include:

- Disclosing a photograph and name or address of an investigator who is working undercover.
- Disclosing the address of a fellow investigator.
- Otherwise disclosing where another investigator can be located off-duty.

1029.4 PROHIBITED SPEECH, EXPRESSION AND CONDUCT

To meet the department's safety, performance and public-trust needs, the following are prohibited unless the speech is otherwise protected (for example, an employee speaking as a private citizen, including acting as an authorized member of a recognized bargaining unit or investigator associations, on a matter of public concern):

- (a) Speech or expression made pursuant to an official duty that tends to compromise or damage the mission, function, reputation or professionalism of the Ventura County District Attorney's Office or its employees.
- (b) Speech or expression that, while not made pursuant to an official duty, is significantly linked to, or related to, the Ventura County District Attorney's Office and tends to compromise or damage the mission, function, reputation or professionalism of the Ventura County District Attorney's Office or its employees. Examples may include:
 1. Statements that indicate disregard for the law or the state or U.S. Constitution.
 2. Expression that demonstrates support for criminal activity.
 3. Participating in sexually explicit photographs or videos for compensation or distribution.
- (c) Speech or expression that could reasonably be foreseen as having a negative impact on the credibility of the employee as a witness. For example, posting statements or expressions to a website that glorify or endorse dishonesty, unlawful discrimination or illegal behavior.
- (d) Speech or expression of any form that could reasonably be foreseen as having a negative impact on the safety of the employees of the Department. For example, a statement on a blog that provides specific details as to how and when prisoner transportations are made could reasonably be foreseen as potentially jeopardizing employees by informing criminals of details that could facilitate an escape or attempted escape.
- (e) Speech or expression that is contrary to the canons of the Law Enforcement Code of Ethics as adopted by the Ventura County District Attorney's Office.
- (f) Use or disclosure, through whatever means, of any information, photograph, video or other recording obtained or accessible as a result of employment with the Department

Employee Speech, Expression and Social Networking

for financial or personal gain, or any disclosure of such materials without the express authorization of the Chief Investigator or the authorized designee.

- (g) Posting, transmitting or disseminating any photographs, video or audio recordings, likenesses or images of department logos, emblems, uniforms, badges, patches, marked vehicles, equipment or other material that specifically identifies the Ventura County District Attorney's Office on any personal or social networking or other website or web page, without the express authorization of the Chief Investigator.
- (h) Accessing websites for non-authorized purposes, or use of any personal communication device, game device or media device, whether personally or department-owned, for personal purposes while on-duty, except in the following circumstances:
 - 1. When brief personal communication may be warranted by the circumstances (e.g., inform family of extended hours).
 - 2. During authorized breaks such usage should be limited as much as practicable to areas out of sight and sound of the public and shall not be disruptive to the work environment.

Employees must take reasonable and prompt action to remove any content, including content posted by others, that is in violation of this policy from any web page or website maintained by the employee (e.g., social or personal website).

1029.4.1 UNAUTHORIZED ENDORSEMENTS AND ADVERTISEMENTS

While employees are not restricted from engaging in the following activities as private citizens or as authorized members of a recognized bargaining unit or investigator associations, employees may not represent the Ventura County District Attorney's Office or identify themselves in any way that could be reasonably perceived as representing the Ventura County District Attorney's Office in order to do any of the following, unless specifically authorized by the Chief Investigator (Government Code § 3206; Government Code § 3302):

- (a) Endorse, support, oppose or contradict any political campaign or initiative.
- (b) Endorse, support, oppose or contradict any social issue, cause or religion.
- (c) Endorse, support or oppose any product, service, company or other commercial entity.
- (d) Appear in any commercial, social or nonprofit publication or any motion picture, film, video, public broadcast or on any website.

Additionally, when it can reasonably be construed that an employee, acting in his/her individual capacity or through an outside group or organization (e.g., bargaining group or investigator associations), is affiliated with this Office, the employee shall give a specific disclaiming statement that any such speech or expression is not representative of the Ventura County District Attorney's Office.

Employee Speech, Expression and Social Networking

Employees retain their right to vote as they choose, to support candidates of their choice and to express their opinions as private citizens, including as authorized members of a recognized bargaining unit or investigator associations, on political subjects and candidates at all times while off-duty.

However, employees may not use their official authority or influence to interfere with or affect the result of an election or a nomination for office. Employees are also prohibited from directly or indirectly using their official authority to coerce, command or advise another employee to pay, lend or contribute anything of value to a party, committee, organization, agency or person for political purposes (5 USC § 1502).

1029.5 PRIVACY EXPECTATION

Employees forfeit any expectation of privacy with regard to e-mails, texts or anything published or maintained through file-sharing software or any Internet site (e.g., Facebook, MySpace) that is accessed, transmitted, received or reviewed on any department technology system.

The Department reserves the right to access, audit and disclose for whatever reason any message, including attachments, and any information accessed, transmitted, received or reviewed over any technology that is issued or maintained by the Department. This includes the department e-mail system, computer network or any information placed into storage on any department system or device.

It also includes records of all key strokes or web-browsing history made at any department computer or over any department network.

The fact that access to a database, service or website requires a user name or password will not create an expectation of privacy if it is accessed through a department computer or network. However, the Department may not require an employee to disclose a personal user name or password or open a personal social website, except when access is reasonably believed to be relevant to the investigation of allegations of work related misconduct (Labor Code § 980).

1029.6 CONSIDERATIONS

In determining whether to grant authorization of any speech or conduct that is prohibited under this policy, the factors that the Chief Investigator or authorized designee should consider include:

- (a) Whether the speech or conduct would negatively affect the efficiency of delivering public services.
- (b) Whether the speech or conduct would be contrary to the good order of the Department or the efficiency or morale of its members.
- (c) Whether the speech or conduct would reflect unfavorably upon the Department.
- (d) Whether the speech or conduct would negatively affect the member's appearance of impartiality in the performance of his/her duties.
- (e) Whether similar speech or conduct has been previously authorized.

Employee Speech, Expression and Social Networking

- (f) Whether the speech or conduct may be protected and outweighs any interest of the Department.

1029.7 TRAINING

Subject to available resources, the Ventura County District Attorney's Office should provide training regarding employee speech and the use of social networking to all members of the Ventura County District Attorney's Office.

Line-of-Duty Deaths

1030.1 PURPOSE AND SCOPE

The purpose of this policy is to provide guidance to members of the Ventura County District Attorney's Office in the event of the death of a member occurring in the line of duty and to direct the Department in providing proper support for the member's survivors.

The Chief Investigator may also apply some or all of this policy in situations where members are injured in the line of duty and the injuries are life-threatening.

1030.1.1 DEFINITIONS

Definitions related to this policy include:

Line-of-duty death - The death of a sworn member during the course of performing law enforcement-related functions while on- or off-duty, or a non-sworn member during the course of performing their assigned duties.

Survivors - Immediate family members of the deceased member, which can include spouse, children, parents, other next of kin or significant others. The determination of who should be considered a survivor for purposes of this policy should be made on a case-by-case basis given the individual's relationship with the member and whether the individual was previously designated by the deceased member.

1030.2 POLICY

It is the policy of the Ventura County District Attorney's Office to make appropriate notifications and to provide assistance and support to survivors and coworkers of a member who dies in the line of duty.

It is also the policy of this department to respect the requests of the survivors when they conflict with these guidelines, as appropriate.

1030.3 INITIAL ACTIONS BY COMMAND STAFF

- (a) Upon learning of a line-of-duty death, the deceased member's supervisor should provide all reasonably available information to the Deputy Chief Investigator.
 1. Communication of information concerning the member and the incident should be restricted to secure networks to avoid interception by the media or others (see the Chief Assistant District Attorney section of this policy).
- (b) The Deputy Chief Investigator should ensure that notifications are made in accordance with the Officer-Involved Shootings and Deaths and Major Incident Notification policies as applicable.
- (c) If the member has been transported to the hospital, the Deputy Chief Investigator or the designee should respond to the hospital to assume temporary responsibilities as the Hospital Liaison.

Line-of-Duty Deaths

- (d) The Chief Investigator or the authorized designee should assign members to handle survivor notifications and assign members to the roles of Hospital Liaison (to relieve the temporary Hospital Liaison) and the Department Liaison as soon as practicable (see the Notifying Survivors section and the Department Liaison and Hospital Liaison subsections in this policy).

1030.4 NOTIFYING SURVIVORS

Survivors should be notified as soon as possible in order to avoid the survivors hearing about the incident in other ways.

The Chief Investigator or the authorized designee should review the deceased member's emergency contact information and make accommodations to respect the member's wishes and instructions specific to notifying survivors. However, notification should not be excessively delayed because of attempts to assemble a notification team in accordance with the member's wishes.

The Chief Investigator, Deputy Chief Investigator or the authorized designee should select at least two members to conduct notification of survivors, one of which may be the Department Chaplain.

Notifying members should:

- (a) Make notifications in a direct and compassionate manner, communicating as many facts of the incident as possible, including the current location of the member. Information that is not verified should not be provided until an investigation has been completed.
- (b) Determine the method of notifying surviving children by consulting with other survivors and taking into account factors such as the child's age, maturity and current location (e.g., small children at home, children in school).
- (c) Plan for concerns such as known health concerns of survivors or language barriers.
- (d) Offer to transport survivors to the hospital, if appropriate. Survivors should be transported in department vehicles. Notifying members shall inform the Hospital Liaison over a secure network that the survivors are on their way to the hospital and should remain at the hospital while the survivors are present.
- (e) When survivors are not at their residences or known places of employment, actively seek information and follow leads from neighbors, other law enforcement, postal authorities and other sources of information in order to accomplish notification in as timely a fashion as possible. Notifying members shall not disclose the reason for their contact other than a family emergency.
- (f) If making notification at a survivor's workplace, ask a workplace supervisor for the use of a quiet, private room to meet with the survivor. Members shall not inform the workplace supervisor of the purpose of their visit other than to indicate that it is a family emergency.
- (g) Offer to call other survivors, friends or clergy to support the survivors and to avoid leaving survivors alone after notification.
- (h) Assist the survivors with meeting childcare or other immediate needs.

Line-of-Duty Deaths

- (i) Provide other assistance to survivors and take reasonable measures to accommodate their needs, wishes and desires. Care should be taken not to make promises or commitments to survivors that cannot be met.
- (j) Inform the survivors of the name and phone number of the Survivor Support Liaison (see the Survivor Support Liaison section of this policy), if known, and the Department Liaison.
- (k) Provide their contact information to the survivors before departing.
- (l) Document the survivor's names and contact information, as well as the time and location of notification. This information should be forwarded to the Department Liaison.
- (m) Inform the Chief Investigator or the authorized designee once survivor notifications have been made so that other Ventura County District Attorney's Office members may be apprised that survivor notifications are complete.

1030.4.1 OUT-OF-AREA NOTIFICATIONS

The Department Liaison should request assistance from law enforcement agencies in appropriate jurisdictions for in-person notification to survivors who are out of the area.

- (a) The Department Liaison should contact the appropriate jurisdiction using a secure network and provide the assisting agency with the name and telephone number of the department member that the survivors can call for more information following the notification by the assisting agency.
- (b) The Department Liaison may assist in making transportation arrangements for the member's survivors, but will not obligate the Department to pay travel expenses without the authorization of the Chief Investigator.

1030.5 NOTIFYING DEPARTMENT MEMBERS

Supervisors or members designated by the Chief Investigator are responsible for notifying department members of the line-of-duty death as soon as possible after the survivor notification is made. Notifications and related information should be communicated in person or using secure networks and should not be transmitted over the radio.

Notifications should be made in person and as promptly as possible to all members on-duty at the time of the incident. Members reporting for subsequent shifts within a short amount of time should be notified in person at the beginning of their shift. Members reporting for duty from their residence should be instructed to contact their supervisor as soon as practicable. Those members who are working later shifts or are on days off should be notified by phone as soon as practicable.

Members having a close bond with the deceased member should be notified of the incident in person. Supervisors should consider assistance (e.g., peer support group, modifying work schedules, approving sick leave) for members who are especially affected by the incident.

Supervisors should direct members not to disclose any information outside the Department regarding the deceased member or the incident.

Line-of-Duty Deaths

1030.6 LIAISONS AND COORDINATORS

The Chief Investigator or the authorized designee should select members to serve as liaisons and coordinators to handle responsibilities related to a line-of-duty death, including, but not limited to:

1030.6.1 DEPARTMENT LIAISON

The Department Liaison should be a Deputy Chief Investigator or of sufficient rank to effectively coordinate department resources, and should serve as a facilitator between the deceased member's survivors and the Department. The Department Liaison reports directly to the Chief Investigator. The Department Liaison's responsibilities include, but are not limited to:

Line-of-Duty Deaths

- (i) Serving as a liaison with visiting law enforcement agencies during memorial and funeral services.

 - 2. Department members and friends of the deceased member.
 - 3. Media personnel.
- (b) Ensure, as much as practicable, that any suspects who are in the hospital and their families or friends are not in close proximity to the member's survivors or Ventura County District Attorney's Office members (except for members who may be guarding the suspect).
- (c) Ensure that survivors receive timely updates regarding the member before information is released to others.
- (d) Arrange for survivors to have private time with the member, if requested.

- (e) Stay with survivors and ensure that they are provided with other assistance as needed at the hospital.
- (f) If applicable, explain to the survivors why an autopsy may be needed.
- (g) Ensure hospital bills are directed to the Department, that the survivors are not asked to sign as guarantor of payment for any hospital treatment and that the member's residence address, insurance information and next of kin are not included on hospital paperwork.

Other responsibilities of the Hospital Liaison include, but are not limited to:

- Arranging transportation for the survivors back to their residence.
- Working with investigators to gather and preserve the deceased member's equipment and other items that may be of evidentiary value.

1030.6.3 SURVIVOR SUPPORT LIAISON

The Survivor Support Liaison should work with the Department Liaison to fulfill the immediate needs and requests of the survivors of any member who has died in the line of duty, and serve as the long-term department contact for survivors.

The Survivor Support Liaison should be selected by the deceased member's Deputy Chief Investigator. The following should be considered when selecting the Survivor Support Liaison:

Line-of-Duty Deaths

- The liaison should be an individual the survivors know and with whom they are comfortable working.
- If the survivors have no preference, the selection may be made from names recommended by the deceased member's supervisor and/or coworkers. The deceased member's partner or close friends may not be the best selections for this assignment because the emotional connection to the member or survivors may impair their ability to conduct adequate liaison duties.
- The liaison must be willing to assume the assignment with an understanding of the emotional and time demands involved.

The responsibilities of the Survivor Support Liaison include, but are not limited to:

- (a) Arranging for transportation of survivors to hospitals, places of worship, funeral homes and other locations, as appropriate.
- (b) Communicating with the Department Liaison regarding appropriate security measures for the family residence, as needed.

- (d) Providing assistance with travel and lodging arrangements for out-of-town survivors.
- (e) Returning the deceased member's personal effects from the Department and the hospital to the survivors. The following should be considered when returning the personal effects:
 - 1. Items should not be delivered to the survivors until they are ready to receive the items.
 - 2. Items not retained as evidence should be delivered in a clean, unmarked box.
 - 3. All clothing not retained as evidence should be cleaned and made presentable (e.g., items should be free of blood or other signs of the incident).
 - 4. The return of some personal effects may be delayed due to ongoing investigations.
- (f) Assisting with the return of department-issued equipment that may be at the deceased member's residence.
 - 1. Unless there are safety concerns, the return of the equipment should take place after the funeral at a time and in a manner considerate of the survivors' wishes.
- (g) Working with the CISM coordinator to ensure that survivors have access to available counseling services.

- (k) Introducing survivors to prosecutors, victim's assistance personnel and other involved personnel as appropriate.
- (l) Maintaining long-term contact with survivors and taking measures to sustain a supportive relationship (e.g., follow-up visits, phone calls, cards on special occasions, special support during holidays).
- (m) Inviting survivors to department activities, memorial services or other functions as appropriate.

Survivor Support Liaisons providing services after an incident resulting in multiple members being killed should coordinate with and support each other through conference calls or meetings as necessary.

The Department recognizes that the duties of a Survivor Support Liaison will often affect regular assignments over many years, and is committed to supporting members in the assignment.

If needed, the Survivor Support Liaison should be issued a personal communication device (PCD) owned by the Department to facilitate communications necessary to the assignment. The department-issued PCD shall be used in accordance with the Personal Communication Devices Policy.

1030.6.4 CRITICAL INCIDENT STRESS MANAGEMENT COORDINATOR

The CISM coordinator should work with the Chief Investigator or the authorized designee, liaisons, coordinators and other resources to make CISM and counseling services available to members and survivors who are impacted by a line-of-duty death. - (b) Ensuring that members who were involved in or witnessed the incident are relieved of department responsibilities until they can receive CISM support as appropriate and possible.

Investigators from other agencies may be assigned to work on any criminal investigation related to line-of-duty deaths. Partners, close friends or personnel who worked closely with the deceased member should not have any investigative responsibilities because such relationships may impair the objectivity required for an impartial investigation of the incident.

Involved department members should be kept informed of the progress of the investigations and provide investigators with any information that may be pertinent to the investigations.

NUMBER: 2009-20 **DATE:** 12-21-09 **BY:** Devallis Rutledge **TOPIC:** Consular Notification

ISSUE: What must law enforcement officers do to comply with federal treaty obligations and state law regarding consular notification of arrests?

The United States is signatory, along with 139 other nations, to an international treaty known as the "Vienna Convention on Consular Relations." Per Article 36(1)(b), authorities are **required to do three things** when arresting a foreign national from a signatory country: (1) **advise the arrestee** "without delay" of his or her right to contact the consul of his or her country of citizenship; (2) independently **notify the consul** of those nations that have requested mandatory notification; and (3) permit reasonable contact **visits** between the prisoner and consular officials.

California Penal Code section 834c lists the 58 nations that have requested that their consul be notified whenever one of their nationals is arrested (our nearest neighbors, Mexico and Canada, are not on this list for mandatory notification). PC § 834c also mandates that officers in California make the notification required under the VCCR when a "known *or suspected* foreign national" is arrested or is **detained for more than two hours**.

Judicial decisions have held that an officer's failure to comply with consular notification does not create a court-enforceable remedy of evidentiary exclusion or dismissal of charges. *Medellin v. Texas* (2008) 552 US 491; *Sanchez-Llamas v. Oregon* (2006) 548 US 331; *People v. Corona* (2001) 89 Cal.App.4th 1426, 1430. However, compliance by authorities in the United States assists our State Department in obtaining reciprocal **protection for Americans** arrested abroad.

Compliance also helps protect officers and their employing agencies against civil liability claims based on alleged violations of prisoners' "liberty interests" that are created when a state statute **mandates** official action, giving rise to protection under the Fourteenth Amendment Due Process Clause. See, e.g., *Carlo v. Chino* (9th Cir. 1997) 105 F.3d 493, 497, 500: "*By placing substantive limitations on official discretion [by mandating official action toward prisoners], California has created a protected liberty interest.... We hold that by violating the California statute, [the officer] violated Carlo's constitutional rights.*" But cf., *Cornejo v. County of San Diego* (9th Cir. 2007) 504 F.3d 853, finding no liability based on non-compliance with the VCCR, where plaintiffs failed to state a procedural due process claim based on violation of mandatory state law, as recognized in *Carlo*.

Lists of foreign consulates, with addresses, telephone numbers and fax numbers, may be obtained from the State Department, which will also furnish law enforcement agencies with advice-of-rights cards, informational pamphlets, training videos, and answers to specific questions. The Department can be contacted at (202) 647-4415; http://travel.state.gov/consul_notify.html.

BOTTOM LINE: Both federal treaty and California law require arresting agencies to provide notice to foreign nationals of their right to consult their consul, and in some cases, officials must independently notify the consulate of the arrest.
