Seven Charged in Countywide Operation Targeting Child Sexual Abuse Material

VENTURA, Calif. – Ventura County District Attorney Erik Nasarenko announced today the results of Operation Night Fall, a countywide enforcement operation targeting individuals suspected of producing, distributing, and possessing child sexual abuse material (child pornography). The operation was conducted from September 21, 2026, through October 8, 2026, by the Ventura County District Attorney's Office Bureau of Investigation, with assistance from the Ventura County Sheriff's Office, Oxnard Police Department, Simi Valley Police Department, Ventura Police Department, California State Parole, and the Federal Bureau of Investigation.

During the operation, investigators served 24 search warrants, including seven at residential locations, to gather evidence related to these investigations. Seven individuals were arrested in Ventura County in connection with the operation and an eighth individual was placed on a hold for violating his terms of parole.

Those charged are accused of offenses involving the production, distribution, and possession of child sexual abuse material.

"Protecting children from sexual exploitation is a central mission for our office and we will continue to aggressively pursue those who seek to harm them," said District Attorney Erik Nasarenko. "Operation Night Fall demonstrates the importance of coordinated law enforcement efforts in identifying offenders, securing critical evidence, and holding those accused accountable."
